- Using high-pressure equipment dispenses compressed natural gas (CNG) into buses; fuels cars and support equipment (rolling stock) with gasoline.
- Sweeps, mops, dusts and cleans rolling stock; operates cleaning and washing equipment including pressure washers, bus washes and manual cleaning gear.
- Removes, empties, and reinstalls fare box vaults.
- Checks and dispenses fuel, (gasoline, CNG and diesel), oil and water and other fluids.
- Checks for air system and fluid leaks, tire pressure and wear, inoperative lighting, unusual sounds, and unusual conditions, and reports defects to the Shift Supervisor.
- Checks batteries and adds water as required.
- May operate light vehicles to transport parts and supplies.
- Assists in cleaning work area.
- Moves rolling stock in order to perform services at the fuel island.
- Moves rolling stock between divisions and to vendors as necessary.

THE QUALIFICATIONS: The successful candidate will possess one year experience in the area of vehicle service, cleaning, and/or maintenance desirable. High school diploma or GED is preferred. The selected Candidate must provide at least a State of California Commercial Vehicle Instruction Permit Class B-P, with airbrakes, or possess a State of California Commercial driver's license with a B-P endorsement with airbrakes prior to first day of work; obtain and maintain a valid Class B California Motor Vehicle Operator's License with passenger endorsements after driver training; be available to work any specified Maintenance Department Shift which may include days, nights, graveyard, weekends, and holidays. The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is frequently required to stand, walk, and use hands to finger, handle, or feel. The employee is regularly required to sit, and reach with hands and arms. The employee is occasionally required to talk or hear, climb or balance, and stoop, kneel, crouch or crawl. The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

SPECIAL QUALIFICATIONS: A **CURRENT** (30 days or less) **California (H6) D.M.V. printout** **MUST** be submitted with the application. This maintenance department position is considered safety-sensitive and subject to drug and alcohol testing, including random testing, under Federal Transit Administration (FTA) regulations. Employees in this classification must also comply with all California Occupational Safety and Health Act (Cal-OSHA) regulations and utilize approved safety equipment and protective gear including but not limited to respirators and/or hearing protective devices (HPD).

THE SELECTION PROCESS: Consists of an evaluation of education, experience, and driving record as described on the application and DMV-H6. The most competitively qualified candidates will be invited to participate in the selection process. The selection process may include a combination of written, performance, and oral examinations. The process will also include an extensive background/criminal investigation (including LiveScan), pre-assessment evaluation, and DOT pre-employment physical examination with drug screening. **Apply at Omnitrans, 1700 West 5th Street, San Bernardino, CA 92411 or visit our website at: <http://www.omnitrans.org/about/jobs.asp>**
