Omnitrans Offers Free Express Rides on Dump the Pump Day

(San Bernardino, CA) To celebrate the 12th annual National Dump the Pump Day, Omnitrans is offering free rides on its popular Freeway Express routes on June 15 to encourage community members to enjoy the economic and environmental benefits of using public transportation.

“Gas prices continue to fluctuate, and people are looking for ways to save money,” said Omnitrans Director of Marketing and Planning Wendy Williams. “Utilizing transit and downsizing to one car can save the average household nearly \$10,000 per year.”

Customers can ride any of Omnitrans’ fast-growing three Freeway Express routes on Thursday, using a digital coupon. Express Route 208 connects Yucaipa and San Bernardino, Route 215 connects Riverside and San Bernardino, and Route 290 connects Montclair and San Bernardino. The routes feature limited stops and freeway travel for a faster ride, as well as amenities such as free Wi-Fi.

The Dump the Pump free ride coupon is available via Omnitrans’ mobile app, and shown to the driver upon boarding a bus; print coupons will not be accepted. The Omnitrans app can be downloaded free on Google Play or iTunes.

Omnitrans information can be found at 1(800) 966-6428 or Omnitrans.org.
