

## Omnitrans Proposes Route Change to Serve ONT

### Public meetings July 5 and 6

(San Bernardino, CA)— Omnitrans is seeking public comment on a proposed change to Route 80 that would provide direct bus service to passenger terminals at Ontario International Airport (ONT) beginning September 6, 2016. Meetings to gather feedback will be held in Ontario on July 5 and 6.

“In an effort to improve regional connectivity between all transportation modes, Omnitrans is proposing a more convenient transit connection for air travelers,” said agency spokesperson Wendy Williams. “The recommended change to Route 80 is an immediate solution, but we are also pursuing development of a high-frequency circulator route that would serve the airport, nearby hotels, shopping centers and the Rancho Cucamonga Metrolink station.”

### MEETING SCHEDULE

#### Tuesday, July 5, 2016

6—10 AM at Ontario Civic Center  
Transfer Station  
Sultana and Holt Avenues, Ontario 91764

5—7 PM at Ontario Senior Center  
225 East B Street, Ontario 91764

#### Wednesday, July 6, 2016

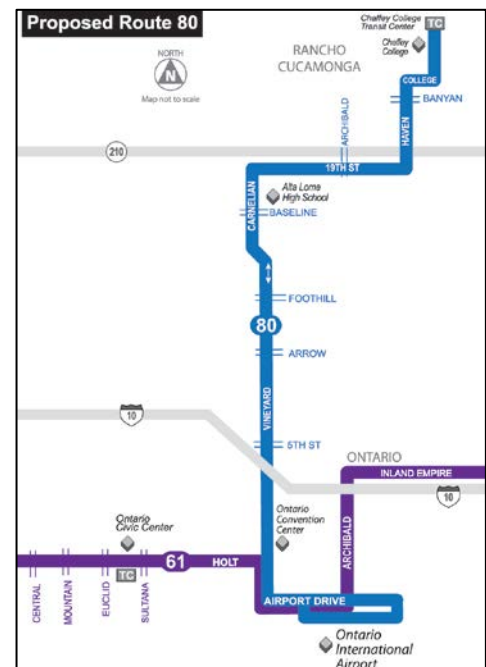

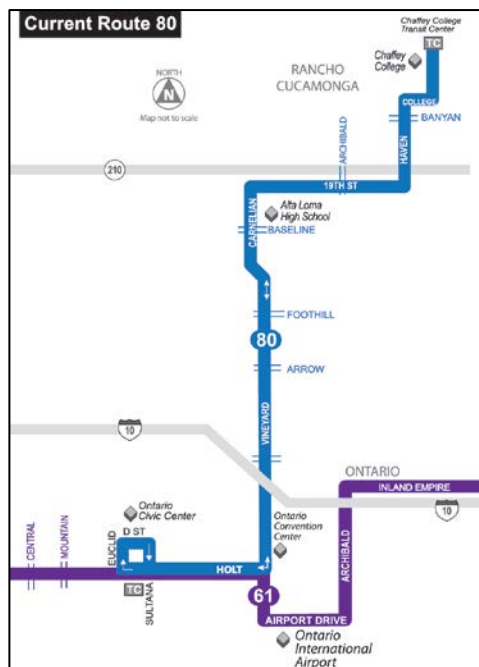

2—6 PM at Ontario Civic Center  
Transfer Station  
Sultana and Holt Avenues, Ontario 91764

Omnitrans is also planning a future sbX bus rapid transit line for the cities of Fontana, Rancho Cucamonga, Ontario, Montclair and Pomona that would include a stop at ONT passenger terminals.

The proposed Route 80 change would impact the southern end of the route effective September 6, 2016. From Vineyard, instead of heading west on Holt Avenue to the Ontario Civic Center Transfer Center, the route

would continue to Airport Drive then head east to serve ONT, as shown in the maps at right. Holt Blvd. between Vineyard and Euclid would continue to be served by Omnitrans Route 61.

Public comments also may be submitted by mail to Omnitrans, 1700 West Fifth Street, San Bernardino, CA 92411, phone at 909-379-7150, or via email at [publiccomments@omnitrans.org](mailto:publiccomments@omnitrans.org). The deadline for comments is July 8, 2016.
