AMENDMENT 3
TO
CONTRACT HRS15-124
BETWEEN
OMNITRANS
AND
BARNEY & BARNEY INSURANCE SERVICES, LLC

Insurance Broker Services, Health & Supplemental

This Contract Amendment 3, effective ____________________, 2019 is entered into by and between Omnitran (hereinafter called “OMNITRANS”) and Barney & Barney Insurance Services, LLC (hereinafter called “CONTRACTOR”).

RECAPIS

WHEREAS:

I. OMNITRANS and CONTRACTOR entered into Contract HRS15-124 on July 1, 2015;

II. OMNITRANS amended the Contract under Amendment 1 to update contact information and exercise Option Year One extending the contract to June 30, 2019;

III. OMNITRANS amended the Contract under Amendment 2 to exercise Option Year Two extending the contract to June 30, 2020; and

IV. Section 11. ASSIGNMENT, states “This Agreement, any interest herein or claim hereunder, may not be assigned by CONTRACTOR either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONTRACTOR, without the prior written consent of OMNITRANS. Consent by OMNITRANS shall not be deemed to relieve CONTRACTOR of its obligations to comply fully with all terms and conditions of this Agreement.” CONTRACTOR now desires to obtain OMNITRANS’ consent to assign contract to Marsh USA, dba Marsh & McLennan Agency LLC.

NOW THEREFORE, in consideration of the forgoing, OMNITRANS and CONTRACTOR hereby amend the Contract as follows:

I. OMNITRANS consents to the assignment by CONTRACTOR of Agreement as a result of acquisition by Marsh & McLennan Agency LLC.

II. Contract Agreement Cover Page, Omnitran’s Project Manager, delete in its entirety and replace with the following:

Omnitrans’ Project Manager:
Name: Suzanne Pfeiffer
Title: Director of Human Resources

This Agreement is made and entered into as of this ___ day of ____________, by and between Omnitrans (hereinafter referred to as "OMNITRANS") and (hereinafter referred to as "CONSULTANT").

RECITALS

WHEREAS, OMNITRANS is a joint powers authority organized under Section 6500 et seq. of the California Government Code with power to contract for services described in Attachment A to this Agreement entitled "Attachment A, Scope of Work" (hereinafter referred to as "Work");

WHEREAS, CONSULTANT has indicated it is qualified to perform such services and (1) has reviewed all the available data furnished by OMNITRANS pertinent to the Work to be rendered; (2) has inspected and reviewed the Work to be rendered; (3) will exercise the ordinary care and skill expected of a practitioner in its profession; and (4) is willing to accept responsibility of performing the Work set forth in this Agreement for the compensation and in accordance with the terms, requirements and conditions herein specified;

NOW, THEREFORE, for the consideration hereinafter stated, the parties agree as follows:

1. SCOPE OF WORK

   A. CONSULTANT will perform the Work and related tasks as described in Attachment A, Scope of Work hereto and is incorporated by reference into and made a part of this Agreement.

   B. This is a non-exclusive Agreement, whereby OMNITRANS may, at its sole discretion, augment or supplant the Work with its own forces or forces of another consultant or entity. CONSULTANT will cooperate fully with OMNITRANS' staff or other consultant or entity that may be providing similar or the same Work for OMNITRANS.

2. PERIOD OF PERFORMANCE

The term of this Agreement shall be from the date of execution of this Agreement and continue in effect through _____________________, unless terminated as specified in Section 10 and 11 of this Agreement. Omnitrans has no obligation to purchase any specified amount of products/services. All applicable indemnification provisions in this Agreement shall remain in effect following the termination of this Agreement.
Omnitrans' election to extend the Agreement beyond the Initial Term shall not diminish its right to terminate the Agreement for Omnitrans' convenience or CONSULTANTS default as provided elsewhere in this Agreement.

3. CONTRACT OPTIONS

A. Omnitrans will have the unilateral right in the contract by which, for a specified time, Omnitrans may elect to purchase additional services called for by the contract, or may elect to extend the term of the contract. The requirements below apply:

1) Any options that were requested by Omnitrans and/or contained in the Contractor's PROPOSAL or offer must have been evaluated in making the contract award prior to exercising any such options.

2) Since Contractor's proposed pricing for the option years and additional services are considered in evaluating the Contractor's original proposal and form the basis for awarding the contract, Contractor shall be bound by the proposal pricing for additional services and/or option years, unless otherwise provided herein.

B. Omnitrans will provide a minimum of thirty days (30) written notice to the Contractor of Omnitrans' exercise of its option to extend the contract years. Omnitrans may give notice of its exercise of the option for additional services at any time during the term of the contract. The minimum time for the written notice may be waived by mutual agreement.

4. COMPENSATION

A. For CONSULTANT's full and complete performance of its obligations under this Agreement, OMNITRANS shall pay CONSULTANT on a FIXED PRICE basis at the fully burdened fixed rates shown in Attachment C, and subject to the maximum cumulative payment obligation.

B. OMNITRANS' maximum cumulative payment obligation under this Agreement shall not exceed One Hundred Sixty-One Thousand Ninety-Two Dollars ($161,092), including all amounts payable to CONSULTANT for all costs, including but not limited to direct labor, other direct costs, subcontracts, indirect costs including, but not limited to, leases, materials, taxes, insurance, and profit.

C. Annual escalation to fully burdened hourly rates will be based on the U.S. Department of Labor Bureau of Labor Statistics (BLS) "Architectural, engineering and related services" Industry Index (Industry Code 5413) as it appears in the BLS publication *Producer Price Indexes for the Net Output of Selected Industries and Their Products, Not Seasonally Adjusted*. The fixed
hourly rates would be adjusted to reflect the actual market indicator increase or decrease.

D. Allowances are estimated amounts set aside in case additional work is needed.

5. INVOICING AND PAYMENT

A. CONSULTANT shall invoice OMNITRANS on a monthly basis no later than the 15th of each month. CONSULTANT shall furnish information as may be requested by OMNITRANS to substantiate the validity of an invoice.

CONSULTANT shall submit invoices in duplicate to:

OMNITRANS
1700 West Fifth Street
San Bernardino, CA 92411
Attn: Accounts Payable

Accountspayable@omnitrans.org

A separate invoice shall be used for each shipment. Each invoice shall include, at minimum, the following information:

- Contract number
- Invoice number
- Description of delivery
- Delivery Date
- Total quantity delivered
- Information as requested by OMNITRANS

B. OMNITRANS shall remit payment within thirty (30) calendar days of approval of the invoices by OMNITRANS’ Project Manager.

In the event OMNITRANS should overpay CONSULTANT, such overpayment shall not be construed as a waiver of OMNITRANS’ right to obtain reimbursement for the overpayment. Upon discovering any overpayment, either on its own or upon notice of OMNITRANS, CONSULTANT shall immediately reimburse OMNITRANS the entire overpayment or, at its sole discretion, OMNITRANS may deduct such overpayment amount from monies due to CONSULTANT under this Agreement or any other Agreement between OMNITRANS and CONSULTANT.
C. TITLE

a. Title shall pass to Omnitrans at the time of payment.

b. The title transferred as above shall in each case be good, and free and clear from any and all security interests, liens, and/or other encumbrances.

c. The transfer of title as specified above shall not imply Acceptance by Omnitrans, nor relieve the Contractor from the responsibility for strict compliance with the Contract, including warranty as specified in the Article entitled Warranty of Work, and for any loss of or damage to the Work.

d. The Contractor at its own expense shall promptly execute, acknowledge, and deliver to the Omnitrans proper bills of sale or other written instruments of title in a form as required by Omnitrans; said instruments shall convey to the Omnitrans’ title free and clear of debts, claims, liens, mortgages, taxes, and/or encumbrances.

e. Contractor shall have title to and bear the risk of any loss of or damage to Work purchased hereunder until they are delivered, unloaded, and received by Omnitrans at the FOB Destination specified herein. Contractor’s responsibility for loss or damage except for loss or damage resulting from Contractor’s negligence, shall cease when title passes to Omnitrans.

6. AUDIT AND INSPECTION OF RECORDS

CONSULTANT agrees that OMNITRANS or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, employment records or other records relating to this Agreement. Such material, including all pertinent cost, accounting, financial records, and proprietary data must be kept and maintained by CONSULTANT for a period of three (3) years after completion of this Agreement unless OMNITRANS’ written permission is given to CONSULTANT to dispose of material prior to this time.

7. NOTIFICATION

All notices hereunder concerning this Agreement and the Work to be performed shall be physically transmitted by courier, overnight, registered or certified mail, return receipt requested, postage prepaid and addressed as follows:
To OMNITRANS:                  To CONSULTANT:

Omnitrans                           Hernandez, Kroone & Associates, Inc.
1700 West Fifth Street             234 Drake Drive
San Bernardino, CA 92411           San Bernardino, CA 92408
Attn: Christine Van Matre          Attn: Richard Hernandez
Title: Contract Administrator      Title: Principal / Project Manager

8. OMNITRANS' AND CONSULTANT'S REPRESENTATIVES

A. OMNITRANS' Project Manager

Contracting Officer: OMNITRANS' CEO/General Manager or his authorized designee who has authority to execute contracts on behalf of OMNITRANS.

Project Manager: Anna Jaiswal, Development Planning Manager

a. Except as expressly specified in this Agreement, the Contracting Officer may exercise any powers, rights and/or privileges that have been lawfully delegated by OMNITRANS. Nothing in this Agreement should be construed to bind OMNITRANS for acts of its officers, employees, and/or agents that exceed the delegation of authority specified herein.

b. The Contracting Officer has delegated to the Project Manager certain powers and duties in connection with this Agreement. The Project Manager is the authorized representative of the Contracting Officer for matters related to this Agreement. The Project Manager or his/her designee is empowered to:

1. Have general oversight of the Work and this Agreement, including the power to enforce compliance with this Agreement.

2. Reserve the right to remove any portion of the Work from CONSULTANT which have not been performed to OMNITRANS' satisfaction.

3. Subject to the review and acceptance by OMNITRANS, negotiate with CONSULTANT all adjustments pertaining to this Agreement for revision.

c. In addition to the foregoing, the Project Manager shall have those rights and powers expressly set forth in other sections of this Agreement.
B. **Contractor’s Key Personnel**

The following are CONSULTANT’s key personnel and their associated roles in the Work to be provided:

<table>
<thead>
<tr>
<th>Name</th>
<th>Role</th>
</tr>
</thead>
<tbody>
<tr>
<td>Richard Hernandez</td>
<td>Project Manager</td>
</tr>
<tr>
<td>John Hernandez</td>
<td>Asst. Project Manager</td>
</tr>
<tr>
<td>Omar Sansour</td>
<td>Civil Engineer</td>
</tr>
<tr>
<td>Joel Flaschoen</td>
<td>QA/QC</td>
</tr>
<tr>
<td>Joseph Figueroa</td>
<td>Field Survey</td>
</tr>
</tbody>
</table>

Any propose/substitution or replacement by Contractor of Contractor’s key personnel shall ensure that such person possesses the same or better expertise and experience than the key personnel being substituted or replaced. Omnitrans reserves the right to interview such person to ascertain and verify if such proposed substitution or replacement does in deed possess such expertise and experience.

OMNITRANS awarded this Agreement to CONSULTANT based on OMNITRANS’ confidence and reliance on the expertise of CONSULTANT’s key personnel described above. CONSULTANT shall not reassign key personnel or assign other personnel to key personnel roles until CONSULTANT obtains prior written approval from OMNITRANS.

9. **DISPUTE RESOLUTION**

Any disputes between the successful CONSULTANT and OMNITRANS relating to the implementation or administration of the Contract shall be resolved in accordance with this section.

A. The parties shall first attempt to resolve the dispute informally in meetings or communications between proposer and OMNITRANS.

B. If the dispute remains unresolved fifteen (15) days after it first arises, proposer may request that Omnitrans’ CEO/General Manager issue a recommended decision on the matter in dispute. Omnitrans’ CEO/General Manager shall issue the recommended decision in writing and provide a copy to proposer.

C. If the dispute remains unresolved after review by Omnitrans’ CEO/General Manager, either party may seek judicial resolution of the dispute in an appropriate Court of the State of California.

D. Pending final resolution of a dispute under this section, proposer shall proceed diligently with performance in accordance with the Contract and Omnitrans’ CEO/General Manager’s recommended decision.
10. TERMINATION FOR CONVENIENCE

OMNITRANS may terminate this Agreement in whole or in part for OMNITRANS' convenience. Omnitrans’ CEO/General Manager shall terminate this Agreement by a written Notice of Termination to CONSULTANT specifying the nature, extent, and effective date of the termination. Upon receipt of the notice of termination, CONSULTANT shall immediately discontinue all Work affected and deliver all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement, whether completed or in process, to Omnitrans’ CEO/General Manager. OMNITRANS shall make an equitable adjustment in the Agreement for Work already performed, but shall not allow anticipated profit on unperformed services. Force Majeure shall apply.

11. TERMINATION FOR BREACH OF AGREEMENT

A. If CONSULTANT fails to perform any of the provisions of this Agreement or so fails to make progress as to endanger timely performance of this Agreement, OMNITRANS may give CONSULTANT written notice of such default. If CONSULTANT does not cure such default or provide a plan to cure such default which is acceptable to OMNITRANS within the time permitted by OMNITRANS, then OMNITRANS may terminate this Agreement due to CONSULTANT’s breach of this Agreement.

B. If a federal or state proceeding for relief of debtors is undertaken by or against CONSULTANT, or if CONSULTANT makes an assignment for the benefit of creditors, then OMNITRANS may immediately terminate this Agreement.

C. If CONSULTANT violates Section 28, Compliance with Lobbying Policies, of this Agreement, then OMNITRANS may immediately terminate this Agreement.

D. In the event OMNITRANS terminates this Agreement as provided in this Section, OMNITRANS may procure, upon such terms and in such manner as OMNITRANS may deem appropriate, Work similar in scope and level of effort to those so terminated, and CONSULTANT shall be liable to OMNITRANS for all of its costs and damages, including, but not limited, any excess costs for such Work.

E. All finished or unfinished documents and materials produced or procured under this Agreement shall become OMNITRANS' property upon date of such termination.

F. If, after notice of termination of this Agreement under the provisions of this Section, it is determined for any reason that CONSULTANT was not in default under the provisions of this Section, or that the default was excusable under the terms of this Agreement, the rights and obligations of
the parties shall be the same as if the notice of termination had been issued pursuant to Section 10, Termination for Convenience.

G. The rights and remedies of OMNITRANS provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

12. ASSIGNMENT

This Agreement, any interest herein or claim hereunder, may not be assigned by CONSULTANT either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONSULTANT, without the prior written consent of OMNITRANS. Consent by OMNITRANS shall not be deemed to relieve CONSULTANT of its obligations to comply fully with all terms and conditions of this Agreement.

13. SUBCONTRACTING

OMNITRANS hereby consents to CONSULTANT's subcontracting of portions of the Work to the parties identified below for the functions described in CONSULTANT's proposal. CONSULTANT shall include in each subcontract agreement the stipulation that CONSULTANT, not OMNITRANS, is solely responsible for payment to the subconsultant for all amounts owing and that the subconsultant shall have no claim, and shall take no action against OMNITRANS, Member Agencies or officers, directors, employees or sureties thereof for nonpayment by CONSULTANT.

CONSULTANT shall not, without the express written consent of Omnitrans, either:

a. Substitute any person, firm, or corporation as subconsultant in place of the subconsultants identified below; or

b. Permit any subcontract to be assigned or transferred; or

c. Allow work to be performed by anyone other than the original subconsultant listed below.

14. INDEPENDENT CONSULTANT

CONSULTANT's relationship to OMNITRANS in the performance of this Agreement is that of an independent Contractor. CONSULTANT's personnel performing Work under this Agreement shall at all times be under CONSULTANT's exclusive direction and control and shall be employees of CONSULTANT and not employees of OMNITRANS. CONSULTANT shall pay all wages, salaries and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, such as social security, income tax withholding, unemployment compensation, workers' compensation and similar matters.

15. INSURANCE

A. INSURANCE REQUIREMENTS

1) General Requirements for Contractor

   a. Without limiting or diminishing the Contractor's obligation to indemnify or hold Omnitrans harmless, Contractor shall procure, prior to commencement of the services required under this contract and maintain for the duration of the contract at its own expense, insurance of the kinds and in the amounts as indicated below;

   b. Provide Omnitrans with valid original certificates of insurance and endorsements showing Omnitrans as an additional insured.

2) Deductibles or Self-Insured Retention (SIR)

   SIR must be declared to and approved by Omnitrans. At the option of Omnitrans, either: the insurer shall reduce or eliminate such deductibles or SIR or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

3) Other Insurance Provisions

   a. Commercial General Liability and Automobile Liability

      Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury covering claims which may arise from or out of Contractor's performance of its obligations hereunder and if Contractor's vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then Contractor shall maintain liability insurance for all owned, non-owned or hired vehicles so used. Policy shall name Omnitrans, its officers, officials, employees, agents and volunteers as additional insured as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or
used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations of the scope of protection afforded Omnitrans, its officers, officials, employees, agents, and volunteers.

1. For any claims related to this project, Contractor's insurance coverage shall be primary insurance as respects Omnitrans, its officers, officials, employees, agents, and volunteers. Any insurance and/or deductibles and/or self-insured retentions or self-insured programs maintained by Omnitrans, its officers, officials, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not be construed as contributory.

2. Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to Omnitrans.

b. **Workers' Compensation**

If the Contractor has employees as defined by the State of California, the Contractor shall maintain statutory Workers' compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than $1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of Omnitrans and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

c. **Care, Custody, and Control**

Contractor shall insure any Omnitrans property while under its Care, Custody, and Control according to the requirements listed in the insurance coverage required.

4) **Acceptability of Insurers**

Insurance companies shall be State of California admitted or approved and have a current A.M. Best's rating of no less than A:VIII.

5) **Verification of Coverage**

a. Contractor shall furnish Omnitrans with original endorsements affecting coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All insurance certificates and endorsements are to be received and approved by Omnitrans before work commences.
b. As an alternative, Contractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications.

c. In lieu of purchasing insurance and providing original endorsements and or certificates of insurance, the Contractor may provide proof of self-insurance; such proof must be to the satisfaction of Omnitrans.

6) Subconsultants

Contractor shall include all subconsultants as insureds under its policies or shall furnish separate certificates and endorsements for each subconsultant. All coverage for subconsultants shall be subject to all of the requirements stated herein.

7) Notification of Terminated Insurance

Insurance shall not be terminated or expire without thirty (30) days written or electronic notice, and are required to be maintained in force until completion of the contract.

B. MINIMUM INSURANCE COVERAGE

If the Contractor maintains broader coverage and/or higher limits than the minimum requirements shown below, Omnitrans requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor.

1) ☑ Commercial General Liability including Products/Completed Operations: $1,000,000; per occurrence for bodily and property damage liability and $2,000,000 aggregate; Omnitrans named and endorsed as an Additional Insured.

2) ☑ Automobile Liability: $1,000,000; per occurrence for bodily and property damage liability and aggregate; Omnitrans named and endorsed as an Additional Insured.

3) ☑ Errors and Omissions Liability: $1,000,000; combined single limit bodily and property damage liability per occurrence and $3,000,000 aggregate or,

4) ☑ Professional Liability: $1,000,000; per occurrence and aggregate.

5) ☑ Workers' Compensation: statutory limits or,

6) ☐ Self Insurance Program: a State Approved program in an amount and form that meets all applicable requirements of the Labor Code of the State of California.

7) ☑ Employer's Liability: $1,000,000; per occurrence.
8) □ Environmental Liability: $1,000,000; per occurrence and aggregate; Omnitran named and endorsed as an Additional Insured.

9) □ Umbrella Policy: $4,000,000; per occurrence and aggregate Additional coverage for the above policies, Omnitran Additional Insured.

10) □ All drivers making deliveries of products specified on this solicitation shall have Hazardous Materials Endorsements on their Commercial Drivers License, and such other Endorsements as may be required by relevant laws and/or regulations.

16. INDEMNITY

CONSULTANT shall indemnify, defend and hold harmless OMNITRANS, and its member agencies, and their officers, directors, employees and agents from and against any and all liability, expense (including, but not limited to, defense costs and attorneys' fees), claims, causes of action, and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury or property damage (including property of CONSULTANT) arising from or connected with any alleged act and/or omission of CONSULTANT, its officers, directors, employees, agents, Subconsultants or suppliers. This indemnity shall survive termination or expiration of this Agreement and/or final payment thereunder.

If CONSULTANT’s obligation to defend, indemnify, and/or hold harmless arises out of CONSULTANT’s performance as a “design professional” (as that term is defined under Civil Code section 2782.8), then, and only to the extent required by Civil Code section 2782.8, which is fully incorporated herein, CONSULTANT’s indemnification obligation shall be limited to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of CONSULTANT, and, upon CONSULTANT obtaining a final adjudication by a court of competent jurisdiction, CONSULTANT’s liability for such claim, including the cost to defend, shall not exceed the CONSULTANT’s proportionate percentage of fault.

17. REVISIONS IN SCOPE OF WORK

By written notice or order, OMNITRANS may, from time to time, order work suspension or make changes to this Agreement. Changes in the Work shall be mutually agreed to and incorporated into an amendment to this Agreement. Upon execution of an amendment, CONSULTANT shall perform the Work, as amended.

18. RIGHTS IN TECHNICAL DATA

A. No material or technical data prepared by CONSULTANT under this Agreement is to be released by CONSULTANT to any other person or entity except as necessary for the performance of the Work. All press releases or information concerning the Work that might appear in any publication or
dissemination, including but not limited to, newspapers, magazines, and electronic media, shall first be authorized in writing by OMNITRANS.

B. The originals of all letters, documents, reports and other products and data produced under this Agreement shall become the property of OMNITRANS without restriction or limitation on their use and shall be made available upon request to OMNITRANS at any time. Original copies of such shall be delivered to OMNITRANS upon completion of the Work or termination of the Work. CONSULTANT shall be permitted to retain copies of such items for the furtherance of its technical proficiency; however, publication of this material is subject to the prior written approval of OMNITRANS. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

19. OWNERSHIP OF REPORTS AND DOCUMENTS

The originals of all letters, documents, reports and other products and data produced under this Agreement shall be delivered to, and become the sole and exclusive property of OMNITRANS. Copies may be made for CONSULTANT’s records, but shall not be furnished to others without prior written authorization from OMNITRANS. Such deliverables shall be deemed works made for hire, and all rights in copyright therein shall be retained by OMNITRANS.

20. OWNERSHIP RIGHTS

A. In the event OMNITRANS rightfully obtains copies of Proprietary Data under the terms of the separate License Agreement and Escrow Agreement that govern rights in Documentation, Software and Intellectual Property created and/or developed by Contractor, its Third Party Software Contractors and its Suppliers as part of the Project, any derivative works and associated documentation created by or on behalf of OMNITRANS by Permitted Programmers (as defined in the License Agreement) shall be the sole and exclusive property of OMNITRANS (collectively, “OMNITRANS Intellectual Property”), and OMNITRANS may use, disclose and exercise dominion and full rights of ownership, in any manner in OMNITRANS Intellectual Property in connection with the use, operation and maintenance of a transportation system administered by OMNITRANS. No use of OMNITRANS Intellectual Property shall be made for any purpose other than in conjunction with a transportation system administered by CONSULTANT, and OMNITRANS shall not sell, lease, rent, give away or otherwise disclose any OMNITRANS Intellectual Property to any outside third party other than Permitted Programmers. To the extent there may be any question of rights of ownership or use in any OMNITRANS Intellectual Property, Contractor shall require all of its subconsultants and suppliers (including without limitation its Third Party Software Contractors) to assign to OMNITRANS, all worldwide right, title and interest in and to all OMNITRANS Intellectual Property in a manner consistent with the foregoing terms of this paragraph.
Contractor shall execute any documents as OMNITRANS may from time to time reasonably request to effectuate the terms of this paragraph.

B. All documentation and Software which predates this Contract and which otherwise owned by Contractor or its Third Party Software Contractors, and all Documentation and Software which is created by Contractor or its Third Party Software Contractors shall be Licensed Software or Licensed Documentation, as appropriate. All Licensed Software and Licensed Documentation shall be governed by the License Agreement by and between the parties of event date herewith.

21. **WORK FOR HIRE**

Any work created or produced as a part of this Agreement that may be defined under Section 101, Title 17, USC will be considered "work for hire" as it pertains to ownership rights. CONSULTANT, by his/her endorsement hereon agrees that all rights to any work(s) created or produced are waived, and that ownership rests with OMNITRANS. CONSULTANT further agrees to ensure transfer of all rights to such work(s), as defined under federal copyright law, that may be created or produced under this Agreement by its suppliers, consultants or subconsultants.

22. **SUBMITTAL OF CLAIMS BY CONSULTANT**

CONSULTANT shall file any and all claims with OMNITRANS’ Project Manager in writing within thirty (30) days of the event or occurrence giving rise to the claim. The claim shall be in sufficient detail to enable OMNITRANS to ascertain the claim’s basis and amount, and shall describe the date, place and other pertinent circumstances of the event or occurrence giving rise to the claim and the indebtedness, obligation, injury, loss or damages allegedly incurred by CONSULTANT.

Even though a claim may be filed and/or in review by OMNITRANS, CONSULTANT shall continue to perform in accordance with this Agreement.

23. **EQUAL OPPORTUNITY**

CONSULTANT shall not discriminate against, or grant preferential treatment to, any individual or group, or any employee or applicant for employment because of race, age, religion, color, ethnicity, sex, national origin, ancestry, physical disability, mental disability, political affiliation, sexual orientation, marital status or other status protected by law. CONSULTANT shall take action to ensure that applicants and employees are treated without regard to the above.

24. **STANDARD OF PERFORMANCE**

A. CONSULTANT shall perform and exercise, and require its subconsultants to perform and exercise due professional care and competence in the performance of the Work in accordance with the requirements of this
Agreement. CONSULTANT shall be responsible for the professional quality, technical accuracy, completeness and coordination of the Work, it being understood that OMNITRANS will be relying upon such professional quality, accuracy, completeness and coordination in utilizing the Work. The foregoing obligations and standards shall constitute the “Standard of Performance” for purposes of this Agreement. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

B. All workers shall have sufficient skill and experience to perform the Work assigned to them. OMNITRANS shall have the right, at its sole discretion, to require the immediate removal of CONSULTANT’s personnel at any level assigned to the performance of the Work at no additional fee or cost to OMNITRANS, if OMNITRANS considers such removal in its best interests and requests such removal in writing and such request is not done for illegal reasons. Further, an employee who is removed from performing Work under this Agreement under this Article shall not be re-assigned to perform Work in any other capacity under this Agreement without OMNITRANS’ prior written approval.

25. NOTIFICATION OF EMPLOYMENT OF OMNITRANS BOARD MEMBERS/ALTERNATES AND EMPLOYEES

To ensure compliance with OMNITRANS’ Ethics Policy, CONSULTANT shall provide written notice to OMNITRANS disclosing the identity of any individual who CONSULTANT desires to employ or retain under a contract, and who (1) presently serves as a Board Member/Alternate or an employee of OMNITRANS, or (2) served as a Board Member/Alternate or an employee of OMNITRANS within the previous 12 months of the date of the proposed employment or retention by CONSULTANT. CONSULTANT’s written notice shall indicate whether the individual will be an officer, principal or shareholder of the entity and/or will participate in the performance of this Agreement.

26. DISQUALIFYING POLITICAL CONTRIBUTIONS

In the event of a proposed amendment to this Agreement, CONSULTANT shall provide prior to the execution of such amendment, a written statement disclosing any contribution(s) of $250 or more made by CONSULTANT or its subconsultant(s) to Omtrans Board Members/Alternates or employees within the preceding twelve (12) months of the date of the proposed amendment. Applicable contributions include those made by any agent/person/entity on behalf of CONSULTANT or subconsultant(s).

27. COMPLIANCE WITH LAW

A. CONSULTANT shall familiarize itself with and perform the Work required under this Agreement in conformity with requirements and standards of OMNITRANS,
municipal and public agencies, public and private utilities, special districts, and railroad agencies whose facilities and work may be affected by Work under this Agreement. CONSULTANT shall also comply with all Federal, state and local laws and ordinances.

B. Government regulations that directly affect the CONTRACTOR’S performance of this contract and unforeseen impacts, which neither party could have contemplated at the onset of the contract and have an unconscionable impact on the CONTRACTOR may be given special pricing consideration. The parties, in good faith, shall review established rates and may adopt any mutually agreed new rates, which shall only be effective as agreed upon by the parties. Thorough documentation including all cost elements is required to support the Contractor’s claim to any relief under this clause.

28. COMPLIANCE WITH LOBBYING POLICIES

A. CONSULTANT agrees that if it is a Lobbyist Employer or if it has retained a Lobbying Firm or Lobbyist, as such terms are defined by OMNITRANS in its Ethics Policy, it shall comply or ensure that its Lobbying Firm and Lobbyist complies with OMNITRANS' Ethics Policy.

B. If CONSULTANT (Lobbyist Employer) or its Lobbying Firm or Lobbyist fails to comply, in whole or in part, with OMNITRANS' Ethics Policy, such failure shall be considered a material breach of this Agreement and OMNITRANS shall have the right to immediately terminate or suspend this Agreement.

29. PUBLIC RECORDS ACT

A. All records, documents, drawings, plans, specifications and other material relating to conduct of OMNITRANS’ business, including materials submitted by CONSULTANT in its proposal and during the course of performing the Work under this Agreement, shall become the exclusive property of OMNITRANS and may be deemed public records. Said materials may be subject to the provisions of the California Public Records Act. OMNITRANS’ use and disclosure of its records are governed by this Act.

B. OMNITRANS will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act, including interpretations of the Act or the definitions of trade secret, confidential or proprietary. OMNITRANS will accept materials clearly and prominently labeled "TRADE SECRET" or "CONFIDENTIAL" or "PROPRIETARY" as determined by CONSULTANT. OMNITRANS will endeavor to notify CONSULTANT of any request of the disclosure of such materials. Under no circumstances, however, will OMNITRANS be liable or responsible for the disclosure of any labeled materials whether the disclosure is required by law or a court order or occurs through
inadvertence, mistake or negligence on the part of OMNITRANS or its officers, employees and/or consultants.

C. In the event of litigation concerning the disclosure of any material submitted by CONSULTANT, OMNITRANS' sole involvement will be as a stake holder, retaining the material until otherwise ordered by a court. CONSULTANT, at its sole expense and risk, shall be responsible for prosecuting or defending any action concerning the materials, and shall defend, indemnify and hold OMNITRANS harmless from all costs and expenses, including attorneys' fees, in connection with such action.

30. WAIVER/INVALIDITY

No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach of the provision, or of any other breach of the provision of the Agreement. Failure of either party to enforce any provision of this Agreement at any time shall not be construed as a waiver of that provision.

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision.

31. FORCE MAJEURE

Performance of each and all CONSULTANT's and OMNITRANS' covenants herein shall be subject to such delays as may occur without CONSULTANT's or OMNITRANS' fault from acts of God, strikes, riots, or from other similar causes beyond CONSULTANT's or OMNITRANS' control.

32. CONFIDENTIALITY

CONSULTANT agrees that for and during the entire term of this Agreement, any information, data, figures, records, findings and the like received or generated by CONSULTANT in the performance of this Agreement, shall be considered and kept as the private and privileged records of OMNITRANS and will not be divulged to any person, firm, corporation, or other entity except on the direct prior written authorization of OMNITRANS. Further, upon expiration or termination of this Agreement for any reason, CONSULTANT agrees that it will continue to treat as private and privileged any information, data, figures, records, findings and the like, and will not release any such information to any person, firm, corporation or other entity, either by statement, deposition, or as a witness, except upon direct prior written authority of OMNITRANS.

33. CONSULTANT'S INTERACTION WITH THE MEDIA AND THE PUBLIC

A. OMNITRANS shall review and approve in writing all OMNITRANS related copy proposed to be used by CONSULTANT for advertising or public relations purposes prior to publication. CONSULTANT shall not allow OMNITRANS related copy to be published in its advertisements and public
relations programs prior to receiving such approval. CONSULTANT shall ensure that all published information is factual and that it does not in any way imply that OMNITRANS endorses CONSULTANT’s firm, service, and/or product.

B. CONSULTANT shall refer all inquiries from the news media to OMNITRANS, and shall comply with the procedures of OMNITRANS’ Public Affairs staff regarding statements to the media relating to this Agreement or the Work.

C. If CONSULTANT receives a complaint from a citizen or the community, CONSULTANT shall inform OMNITRANS as soon as possible and inform OMNITRANS of any action taken to alleviate the situation.

D. The provisions of this Article shall survive the termination or expiration of this Agreement.

34. GOVERNING LAW

The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be governed by the laws of the State of California, and the proper venue of any action brought hereunder is and shall be the County of San Bernardino, California.

35. MODIFICATIONS TO AGREEMENT

Unless specified otherwise in the Agreement, this Agreement may only be modified by written mutual consent evidenced by signatures of representatives authorized to enter into and modify the Agreement. In order to be effective, amendments may require prior approval by OMNITRANS’ Board of Directors, and in all instances require prior signature of an authorized representative of OMNITRANS.

36. LICENSING, PERMITS AND INSPECTION COSTS

A. The CONSULTANT warrants that it has all necessary licenses and permits required by the laws of the United States, State of California, and the County of San Bernardino, the Local Jurisdictions, and all other appropriate governmental agencies, and agrees to maintain these licenses and permits in effect for the duration of the Agreement. Further, FIRM warrants that its employees, agents, and consultants and subconsultants shall conduct themselves in compliance with such laws and licensure requirements including, without limitation, compliance with laws applicable to nondiscrimination, sexual harassment and ethical behavior throughout the duration of this Agreement. CONSULTANT further warrants that it shall not retain or employ an unlicensed subconsultant to perform work on this Project. CONSULTANT shall notify OMNITRANS immediately and in writing of its employees’, agents’, consultants’ or subconsultants’ inability to obtain or maintain, irrespective of the pendency of any appeal, any such
licenses, permits, approvals, certificates, waivers, exemptions. Such inability shall be cause for termination of this Agreement.

B. CONSULTANT shall procure all permits and licenses; pay all charges, assessments and fees, as may be required by the ordinances and regulations of the public agencies having jurisdiction over the areas in which the work is located, and shall comply with all the terms and conditions thereof and with all lawful orders and regulations of each such public agency relating to construction operations under the jurisdiction of such agency.

37. PRECEDENCE

Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence: (1) the provisions of this Agreement, and any and all of its Amendments, Appendices, Exhibits and Attachments; (2) provisions of RFQu-MKP19-64 and any and all of its Addenda, Appendices, Exhibits and Attachments; (3) CONSULTANT’s proposal dated January 22, 2019 and its Appendices, Exhibits, Attachments, and Best & Final Offer dated March 29, 2019.

38. ENTIRE AGREEMENT

This Agreement, and any attachments or documents incorporated herein by inclusion or by reference, constitutes the complete and entire agreement between OMNITRANS and CONSULTANT and supersedes any prior representations, understandings, communications, commitments, agreements or proposals, oral or written.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date shown below, and effective on the date first hereinabove written.

CONTRACT MKP19-64
REVISED 09/27/18
Provide full design services (preliminary engineering, final design, bid services, and design services during construction) for transit stop access improvement projects at twelve (12) bus stop locations in six different jurisdictions.

The improvements include concrete boarding areas at bus stops, repair of sidewalk, construction of new sidewalk, installation or upgrade of curb ramps, removal of obstructions from the clear accessible pathway, etc.

These projects involve federal funds from the Federal Transit Administration (FTA).

Scope of Work (SOW)

A. The Consultant shall provide the following SOW Tasks:

1. Project Management
   a. Kickoff meeting with Omnitrans team within two weeks of issuance of Notice to Proceed.
   b. Project status conference calls weekly or as needed.
   c. Monthly invoice and progress report.

2. Preliminary Design Phase
   a. Initial project scoping, including field visits (within four weeks of issuance of Notice to Proceed) of bus stop locations with Omnitrans staff to identify the accessibility needs at and surrounding the bus stops (including accessible path to cross street and access stop in the other direction) and to define the limits of survey.
   b. Field survey, to be done only in locations where needed to confirm property lines or slopes for ADA compliance, or where required by permitting jurisdictions. Field survey to be completed within six weeks of issuance of Notice to Proceed.
   c. Mapping of project boundaries.
   d. Preparation of plans, specifications, and estimates consistent with the following principles:
      1) ADA accessibility, pedestrian safety, and other principles embodied in the Omnitrans Transit Design Guidelines document (http://design.omnitrans.org/).
      2) Compliance with all pertinent local, state, and federal laws, including but not limited to ADA, FTA regulations (Buy America, prevailing wages, and other federal procurement regulations), NEPA, CEQA, and all applicable City and County codes and standards.
      3) Existing utilities should be protected in place within the design.
   e. Preparation of preliminary drawings, specifications, and cost estimate (within three months of issuance of Notice to Proceed):
      1) Revision of plan drawings, specifications, and cost estimate based on input from Omnitrans staff.
      2) Level of detail in plans should be in accordance with the complexity of the existing conditions at each location, as needed to ensure ADA compliance of slopes, etc., and in accordance with the requirements of each permitting jurisdiction. Simple diagrammatic plans that reference city/county standards
should be used in cases where more detail is unnecessary to accomplish ADA compliance.

3) Cost estimate shall include breakdown of costs by individual location (locations listed in table below).

4) Coordination of any meetings needed for approval from six permitting jurisdictions, including counter plan checks and/or meetings with jurisdiction staff, and revision of plans based on input from permitting jurisdiction.

5) Coordination of any permits needed for project, including encroachment permit from Caltrans for four bus stop locations on Euclid Avenue.

6) Assist Omnitrans in filling out and filing a Notice of Exemption per the Notice of Exemption form, Appendix E of the CEQA guidelines. Consultant will also assist Omnitrans in filling out the Caltrans forms for Categorical Exemption / Exclusion form and checklist. The cost of any preliminary environmental study or analysis report, if required, will utilize the identified allowance set aside in the contract.

3. **Final Design**
   a. Preparation of final bid package within six months of issuance of Notice to Proceed, including plans, specifications final cost estimate, and bid form.
   b. Specifications must include: description of work for the contractor, including duration of work and locations; all technical specifications to describe the work to be performed (using the same numbered list of items of work contained in the bid list and cost estimate); locations of each item of work; general conditions; special conditions; standards to be followed, etc. Plans, specifications, and estimates must have thorough quality assurance and quality control performed before submission to Omnitrans, including checking for cross-references, consistent numbering, and ensuring that specifications describe all items of work asked for in the plans and bid sheet.

4. **Bid Phase Services**
   a. Attend pre-bid conference(s)
   b. Answer bidder RFIs and issue clarifications

5. **Construction Phase Services**
   a. Attend pre-construction and construction meetings with Contractor if requested by Omnitrans
   b. Provide answers to Requests for Information from Contractor
   c. Provide design revisions and final redlined as-built plans as needed

**B. Locations**

The 12 project locations are as follows (photos of each location are also included):

C. Deliverables

1. At kickoff meeting, present an anticipated milestone schedule for project (design, permitting, and construction).
2. Notice of Exemption/Exception under CEQA and NEPA for project.
3. Encroachment permit from Caltrans for the four bus stop locations on Euclid Avenue (Caltrans right-of-way).
4. Plan approval from each of the six jurisdictions.
5. Preliminary and final bid package, including plans, specifications (including technical specifications, general specifications, and special conditions), final cost estimate, and bid form (provide electronic files and one paper set of plans to Omnitrans and paper or mylar sets of plans, as requested, to each jurisdiction).
6. Responses to requests for information during bidding and construction phase.

Note: It is anticipated that jurisdictions may waive plan check and permit fees for these projects, so proposal does not need to include cost of plan check or permits. Omnitrans will pay jurisdictions directly for these if needed.

REGULATORY REQUIREMENTS

* Marks Required Subcontract Provisions that must flow down to all subcontracts as defined in the Article entitled SUBCONTRACTORS AND SUPPLIERS herein.

Required Clauses for All FTA-Assisted Third-Party Contracts and Subcontracts

RR-01
NO FEDERAL OBLIGATION TO THIRD PARTIES *

In connection with the Project, the Recipient agrees that, absent the Federal Government’s express written consent, the Federal Government shall not be subject to any obligations or liabilities to any subrecipient, lessee, third party contractor, or other participant at any tier of the Project, or other person or entity that is not a party to the Grant Agreement or Cooperative Agreement for the Project. Notwithstanding that the Federal Government may have concurred in or approved any solicitation, subagreement, lease, third party contract, or arrangement at any tier, the Federal Government has no obligations or liabilities to any entity other than the Recipient, including any subrecipient, lessee, third party contractor, or other participant at any tier of the Project.

RR-02
FALSE OR FRAUDULENT STATEMENTS OR CLAIMS – CIVIL AND CRIMINAL FRAUD *

A. Civil Fraud.
   The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, “Program Fraud Civil Remedies,” 49 C.F.R. Part 31, apply to the Recipient’s activities in connection with the Project. By executing the Grant Agreement or Cooperative Agreement for the Project, the Recipient certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Recipient also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Recipient the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

B. Criminal Fraud.
   If the Recipient makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Recipient
the penalties of 49 U.S.C. § 5323(l), 18 U.S.C. § 1001, or other applicable Federal law to
the extent the Federal Government deems appropriate.

C. Contractor shall include this Article in each subcontract financed in whole or in part with
Federal assistance provided by FTA. Contractor shall not modify the Article, except to
identify the Subcontractor who will be subject to the provisions.

**RR-03**

**ACCESS TO THIRD PARTY CONTRACT RECORDS***

**A.** Access to Third Party Contract Records.
The Recipient agrees to require, and assures that its subrecipients require, their third party
contractors and third party subcontractors at each tier to provide to the U.S. Secretary of
Transportation and the Comptroller General of the United States or their duly authorized
representatives, access to all third party contract records as required by 49 U.S.C. §
5325(g). The Recipient further agrees to require, and assures that its subrecipients require,
their third party contractors and third party subcontractors, at each tier, to provide sufficient
access to third party procurement records as needed for compliance with Federal laws and
regulations or to assure proper Project management as determined by FTA.

Contractor agrees to provide Omnitrans, the FTA Administrator, the Comptroller General
of the United States or any of their authorized representatives access to any books,
documents, papers and records of the Contractor which are directly pertinent to this
Contract for the purposes of making audits, examinations, excerpts and transcriptions.
Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator
or the FTA’s authorized representatives, including any FTA Project Management
Oversight Contractor, access to Contractor's records and construction sites pertaining to a
major capital project, defined at 49 U.S.C. 5302(a) 1, which is receiving federal financial
assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

**B.** If this Contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a) 1) and
was entered in to through other than competitive bidding, the Contractor shall make records
related to this Contract available to Omnitrans, the Secretary of Transportation and the
Comptroller General or any authorized officer or employee of any of them for the purposes
of conducting an audit and inspection.

**C.** Contractor shall maintain all books, records, accounts and reports required under this
Contract for a period of not less than three years after the date of termination or expiration
of this Contract, except in the event of litigation or settlement of claims arising from the
performance of this Contract, in which case Contractor agrees to maintain same until
Omnitrans, the FTA Administrator, the Comptroller General, or any of their duly
authorized representatives, have disposed of all such litigation, appeals, claims or
exceptions related thereto.
FEDERAL FUNDING, INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS, AND FEDERAL CHANGES

A. This Contract includes, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008 and revised March 18, 2013 (including any changes), and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Omnitrans requests which would cause Omnitrans to be in violation of the FTA terms and conditions.

B. Federal Transit Administration of the US Department of Transportation and all laws, regulations, guidelines, and provisions of the financial assistance agreement apply to this Contract and are incorporated by reference as if fully set forth herein.

C. Contractor shall at all times comply with all applicable federal laws and regulations, including without limitation FTA regulations, policies, procedures and directives, including those listed directly or by reference in Applicable Grant Agreements between Omnitrans and FTA, as they may be amended or promulgated from time to time during the term of this Contract collectively “Federal Requirements”. These Federal Requirements may change and the changed Federal Requirements will apply to this Contract as required unless the Federal Government determines otherwise. Contractor’s failure to so comply with the Federal Requirements shall constitute a material breach of this Contract.

CIVIL RIGHTS REQUIREMENTS (TITLE VI, ADA, EEO (EXCEPT SPECIAL DOL CONSTRUCTION CLAUSE) *

B. Equal Employment Opportunity

(a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor shall comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of
Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of the Contract. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, Contractor shall refrain from discrimination against present and prospective employees for reason of age. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(d) Contractor shall include these requirements in each subcontract, modified only if necessary to identify parties, as required by Federal regulations.

RR-06
DISADVANTAGED BUSINESS ENTERPRISE (DBE) 49 CFR Part 26

Disadvantaged Business Enterprises

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The agency’s overall goal for DBE participation is 1%.

B. Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted Contract. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Omnitrans deems
appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. Bidders are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following concurrent with and accompanying sealed bid concurrent with and accompanying an initial proposal prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written documentation of the bidder’s commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime contractor’s commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so.

Bidders must present the information required above as a matter of responsiveness with initial proposals prior to contract award] (see 49 CFR 26.53(3)).

The successful bidder will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

D. Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 7 days after the contractor’s receipt of payment for that work from the Omnitrans. In addition, Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor’s work related to his contract is satisfactorily completed.

E. Contractor must promptly notify Omnitrans whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Omnitrans.
Required Clauses for Awards Exceeding $2,000

RR-07

DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a). ‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

Clause Language
Davis-Bacon and Copeland Anti-Kickback Acts

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional

RR – Page 7
Updated: 10022018
classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and

(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

RR – Page 8
Updated: 10022018
(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination; and

2. The classification is utilized in the area by the construction industry; and

3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) Withholding - Omnitrans shall upon its own action or upon written request of an authorized
representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii) (A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) **Apprentices and trainees** - (i) **Apprentices** - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification.
of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.
(5) **Compliance with Copeland Act requirements** - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) **Subcontracts** - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) **Contract termination: debarment** - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) **Compliance with Davis-Bacon and Related Act requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) **Disputes concerning labor standards** - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) **Certification of eligibility** - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

Applicability to Contracts

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

Flow Down

The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

Model Clauses/Language

The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

Seismic Safety - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

Required Clauses for Awards Exceeding $10,000

Applicability to Contracts

All contracts (with the exception of contracts with nonprofit organizations and institutions of higher education,) in excess of $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. (For contracts with nonprofit organizations and institutions of higher education the threshold is $100,000.) In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

Flow Down

The termination requirements flow down to all contracts in excess of $10,000, with the exception of contracts with nonprofit organizations and institutions of higher learning.
a. **Termination for Convenience (General Provision)** Omnitrans may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Omnitrans to be paid the Contractor. If the Contractor has any property in its possession belonging to the Omnitrans, the Contractor will account for the same, and dispose of it in the manner the Omnitrans directs.

b. **Opportunity to Cure (General Provision)** Omnitrans in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to Omnitrans’ satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Omnitrans setting forth the nature of said breach or default, Omnitrans shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Omnitrans from also pursuing all available remedies against Contractor and its sureties for said breach or default.

c. **Waiver of Remedies for any Breach** In the event that Omnitrans elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Omnitrans shall not limit Omnitrans remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

d. **Termination for Default (Construction)** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, Omnitrans may terminate this contract for default. Omnitrans shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, Omnitrans may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to Omnitrans resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Omnitrans in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if-
1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the Recipient, acts of another Contractor in the performance of a contract with the Recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The contractor, within [10] days from the beginning of any delay, notifies Omnitrans in writing of the causes of delay. If in the judgment of Omnitrans, the delay is excusable, the time for completing the work shall be extended. The judgment of Omnitrans shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Omnitrans.

**Required Clauses for Awards Exceeding $25,000**
**RR-010**
**SUSPENSION AND DEBARMENT***

A. This Contract is a covered transaction for purposes of 49 CFR Part 29. As such, Contractor shall verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

Contractor shall comply with 49 CFR 29, Subpart C and shall include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

B. By entering into this Contract, Contractor certifies that it shall comply with the requirements of 49 CFR 29, Subpart C throughout the period of this Contract. This certification is a material representation of fact relied upon by Omnitrans. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to remedies available to Omnitrans, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
Awards Exceeding $100,000 by Statute

RR-011
COMPLIANCE WITH FEDERAL LOBBYING POLICY *

A. The Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, requires that Contractors who apply or bid for an award of $100,000 or more shall file the certification required by 49 CFR Part 20, “New Restrictions on Lobbying,” attached hereto as the certification entitled, "Certification of Compliance with Federal Lobbying Requirements." As set forth in the certifications, each tier of subcontractors shall certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures shall be forwarded from tier to tier up to Omnitrans.

RR-012
CLEAN WATER AND CLEAN AIR REQUIREMENTS*

A.   CLEAN WATER REQUIREMENTS

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and all applicable clean water standards of the State of California and any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office, and all other agencies having jurisdiction.

B.   CLEAN AIR

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and all applicable Clean Air Standards of the State of California or any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA, the appropriate EPA Regional Office and all other agencies having jurisdiction.

C. Contractor shall include this Article in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.
RR-013
NON-CONSTRUCTION ACTIVITIES

Required Clauses for Awards Exceeding the Simplified Acquisition Threshold ($150,000)

RR-014
BUY AMERICA *

A. Contractor shall comply with 49 U.S.C. 5323(j) and 49 CFR Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger wagons produced by Chrysler Corporation, and microcomputer equipment and software. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. 661.11. Rolling stock must be assembled in the United States and have a 60 percent domestic content.

Omnitrans may investigate Contractor's, any Subcontractor's, and any Supplier's compliance with this Article. If an investigation is initiated, Contractor, Subcontractor, or Supplier shall document its compliance, in accordance with 49 CFR 661.15, and cooperate with the investigation. Contractor shall incorporate the Buy America conditions set forth in this Article in every subcontract or purchase order and shall enforce such conditions.

B. FTA requires a Buy America certification to be submitted with the proposal, or the proposal shall be considered non-responsive.
Applicability to Contracts
All contracts in excess of $100,000 shall contain provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. This may include provisions for bonding, penalties for late or inadequate performance, retained earnings, liquidated damages or other appropriate measures.

Flow Down
The Breaches and Dispute Resolutions requirements flow down to all tiers.

Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the Omnitrans. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to Omnitrans Construction Manager. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of Omnitrans Project Manager shall be binding upon the Contractor and the Contractor shall abide by the decision.

Performance During Dispute - Unless otherwise directed by Omnitrans, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between Omnitrans and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which Omnitrans is located.

Rights and Remedies - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Omnitrans, or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.
Transport of Property or Persons

RR-016
CARGO PREFERENCE*

A. Applicability

The following Article applies to federally funded contracts involving equipment, materials, or commodities which may be transported by ocean vessels.

B. USE OF UNITED STATES FLAG VESSELS

Contractor shall use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this Contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels.

Contractor shall furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to Omnitrans (through Contractor in the case of a subcontractor's bill-of-lading.)

Contractor shall include these requirements in all subcontracts issued pursuant to this Contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

RR-017
FLY AMERICA

A. Applicability

This Article applies to federally funded contracts if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air.

B. Contractor agrees to comply with 49 U.S.C. 40118 (the “Fly America” Act) in accordance with the General Services Administration’s regulations at 41 CFR Part 301-10, which provide that recipients and sub recipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not
available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

CONSTRUCTION ACTIVITIES

RR-018
DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a).

‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

Clause Language
Davis-Bacon and Copeland Anti-Kickback Acts

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics
shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: provided that the employer’s payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
(2) The classification is utilized in the area by the construction industry; and
(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and
(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification.
under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v) (A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination; and
2. The classification is utilized in the area by the construction industry; and
3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) Withholding - Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S.
Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) **Apprentices and trainees** - (i) **Apprentices** - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the
Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be
permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.

(5) Compliance with Copeland Act requirements - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

A. **Applicability**

This Article applies to federally funded construction contracts over $2,000 (including ferry vessels), rolling stock purchases over $2,500 and to operations/management contracts over $2,500 (except transportation services).

B. Pursuant to the Labor Standards Provisions Applicable to Non-construction Contracts subject to the Federal Contract Work Hours and Safety Standards Act, 40 U.S.C.A. § 327 through 332 as implemented by U.S. Department of Labor regulations, 29 CFR 5.5 (b) and (c) Contractor and Subcontractor’s contracting for any part of the Contract work shall comply with the following:

1. **Overtime requirements** – Neither Contractor nor any Subcontractor contracting for any part of the Contract work that requires or involves the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. **Violation; liability for unpaid wages; liquidated damages** – In the event of any violation of the Article set forth in paragraph (1) of this Article Contractor and any Subcontractor responsible therefore shall be liable for the unpaid wages. In addition, Contractor and Subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this Article, in the sum of ten dollars ($10) for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this Article.

3. **Withholding for unpaid wages and liquidated damages** – Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by Contractor or Subcontractor under the Contract or any other Federal contract with Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Contractor, such sums as may be determined to be necessary to satisfy any liabilities of Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this Article.
4. **Subcontracts** – Contractor or Subcontractor shall insert this Article in any Subcontracts and also an Article requiring the Subcontractors to include this Article in any lower tier Subcontracts. Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with this Article.

5. **Payrolls and basic records** – The records to be maintained hereinafter shall be made available by Contractor or Subcontractor for inspection, copying, or transcription by Omnitrans and U.S. Dept. of Labor. Contractor and Subcontractor shall maintain payrolls and basic records during the course of the work and shall preserve them for a period of three (3) years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made and actual wages paid.

**RR-020**

**BONDING REQUIREMENTS**

**Applicability to Contracts**

For those construction or facility improvement contracts or subcontracts exceeding $100,000, FTA may accept the bonding policy and requirements of the recipient, provided that they meet the minimum requirements for construction contracts as follows:

A. A bid guarantee from each bidder equivalent to five (5) percent of the bid price. The "bid guarantees" shall consist of a firm commitment and may be in any of the following forms: (a) cash; (b) cashier’s check payment to Omnitrans; (c) a certified check payable to the city; or (d) a bidder’s bond executed by an admitted surety insurer. Such as a bid bond, certifies check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

B. A performance bond on the part of the Contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

C. A payment bond on the part of the Contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment, as required by law, of all persons supplying labor and material in the execution of the work provided for in the contract.
SEISMIC SAFETY REQUIREMENTS 42 U.S.C. 7701 et seq. 49 CFR Part 41

Applicability to Contracts

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

Flow Down

The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

Model Clauses/Language

The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

Seismic Safety - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

NON-CONSTRUCTION ACTIVITIES

TRANSIT OPERATIONS

RR-022
TRANSIT EMPLOYEE PROTECTIVE ARRANGEMENTS *

A. Applicability

Subject to the limitations in Sections B, C, and D, this Article applies if this Contract involves transit operations to be performed by employees of a Contractor recognized by FTA to be a transit operator, and if FTA has determined that it is financed in whole or in part with Federal assistance.

B. General Transit Employee Protective Requirements

If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance (other than Federal assistance authorized by 49 U.S.C. § 5310(a)(2) or 49 U.S.C. § 5311), and if the U.S. Secretary of Transportation has determined that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for Omnitrans under this Contract, then Contractor shall perform the transit operations work under the Contract in compliance with terms and conditions, (a) determined by the U.S. Secretary of Labor to meet the employee protective requirements of 49 U.S.C. A 5333(b), and U.S. Department of Labor (“U. S. DOL”) guidelines at 29 C.F.R. Part 215, and any amendments thereto, and (b) stated in a U. S. DOL letter of certification to FTA, the date of which is set forth in the applicable Grant Agreement or Cooperative Agreement with Omnitrans, and which is incorporated in the Form of Contract as a Contract Document entitled “U. S. DOL Certification”.

C. Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5310(a) (2) for Elderly Individuals and Individuals with Disabilities

If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5310(a)(2), and if the U.S. Secretary of Transportation has determined or determines in the future that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for Omnitrans under the Contract, Contractor shall perform the Work in compliance with the terms and conditions determined, (a) by the U.S. Secretary of Labor to meet the requirements of 49 U.S.C. § 5333(b), U.S. DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto, and (b) stated in the U.S. DOL's letter of certification to FTA, the date of which is set forth in the applicable Grant Agreement or Cooperative Agreement with Omnitrans, and which is incorporated in the Form of Contract as a Contract Document entitled “U. S. DOL Certification”.

Updated: 10022018
D. **Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5311 in Nonurbanized Areas**

If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5311, Contractor shall comply with the terms and conditions of the Special Warranty for the Nonurbanized Area Program agreed to by the U.S. Secretaries of Transportation and Labor, dated May 31, 1979, and the procedures implemented by U.S. DOL or any revision thereto.

E. **Indemnity**

Contractor shall defend, indemnify and hold harmless Omnitrans, and its Board Members, employees and agents from and against all liability, claims, demands actions, costs, judgments, penalties, damages, losses and expenses arising out of or in connection with Contractor’s failure to comply with or failure to carry out its responsibilities under all applicable provisions of Sections B, C and D of this Article.

**CHARTER BUS OPERATION**

**Charter Service Operations.**

The Recipient agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in charter service operations, except as authorized by 49 U.S.C. § 5323(d) and FTA regulations, “Charter Service,” 49 C.F.R. Part 604, and any Charter Service regulations or FTA directives that may be issued, except to the extent that FTA determines otherwise in writing. The Charter Service Agreement the Recipient has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the Recipient has failed to select the Charter Service Agreement in its latest annual Certifications and Assurances to FTA and does conduct charter service operations prohibited by FTA’s Charter Service regulations, the Recipient understands and agrees that: (1) the requirements of FTA’s Charter Service regulations and any amendments thereto will apply to any charter service it or its subrecipients, lessees, third party contractors, or other participants in the Project provide; (2) the definitions of FTA’s Charter Service regulations will apply to the Recipient’s charter operations, and (3) a pattern of violations of FTA’s Charter Service regulations may require corrective measures and imposition of remedies, including barring the Recipient, subrecipient, lessee, third party contractor, or other participant in the Project operating public transportation under the Project from receiving Federal financial assistance from FTA, or withholding an amount of Federal assistance as set forth in Appendix D to FTA’s Charter Service regulations.
SCHOOL BUS OPERATIONS

The Recipient agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in school transportation operations for the transportation of students or school personnel exclusively in competition with private school transportation operators, except as authorized by 49 U.S.C. §§ 5323(f) or (g), as applicable, and FTA regulations, “School Bus Operations,” 49 C.F.R. Part 605 to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), in accordance with any School Transportation Operations regulations or FTA directives that may be issued at a later date, except to the extent that FTA determines otherwise in writing. The School Transportation Operations Agreement the Recipient has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the Recipient has failed to select the School Transportation Agreement in its latest annual Certifications and Assurances to FTA and does conduct school transportation operations prohibited by FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent those regulations are consistent with 49 U.S.C. §§ 5323(f) or (g), the Recipient understands and agrees that: (1) the requirements of FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), will apply to any school transportation service it or its subrecipients, lessees, third party contractor, or other participants in the project provide, (2) the definitions of FTA’s School Bus Operations regulations will apply to the Recipient’s school transportation operations, and (3) if there is a violation of FTA’s School Bus Operations regulations, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), FTA will bar the Recipient, subrecipient, lessee, third party contractor, or other Project participant operating public transportation that has violated FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), from receiving Federal transit assistance in an amount FTA considers appropriate.

RR-023
ALCOHOL AND DRUG-FREE WORKPLACE PROGRAM *

A. Applicability

This Article applies to federally funded contracts for transit operations.

B. FTA Prevention of Alcohol Misuse and Prohibited Drug Use in Transit Operations Regulations

Contractor and its Subcontractors shall comply with the FTA anti-drug and alcohol misuse regulations (49 CFR Part 655) and the U.S. Department of Transportation (DOT) Procedures for Transportation Workplace Drug and Alcohol Testing Programs (49 CFR Part 40) to the full extent that they are, by their terms, applicable to Contractor and its Subcontractors. The regulations apply to all “contractors” that have “covered employees” that perform “safety sensitive functions” as those terms are defined in the regulations.
C. **Certificate of Compliance**

The CERTIFICATE OF COMPLIANCE WITH 49 CFR PARTS 655, PREVENTION OF ALCOHOL MISUSE AND PROHIBITED DRUG USE IN TRANSIT, submitted by Contractor prior to award, is incorporated as part of the Contract Documents.

D. **Drug and Alcohol Testing Program**

In the event that any part of the Work under this Contract falls within the scope of 49 CFR Part 655, Contractor, and its Subcontractors (as applicable), shall establish and implement a drug and alcohol testing program that complies with 49 CFR Parts 653 and 654, produce any documentation necessary to establish its compliance with Parts 653 and 654, and permit any authorized representative of the United States Department of Transportation or its operating administrations, the State Oversight Agency of California, or Omnitrans, to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 CFR Parts 653 and 654 and review the testing process. Contractor shall annually certify its compliance with Parts 653 and 65. To certify compliance the contractor shall use the "Substance Abuse Certifications" in the "Annual List of Certifications and Assurances for Federal Transit Administration Grants and Cooperative Agreements," which is published annually in the Federal Register.

E. **Alcohol and Drug Free Workplace Program**

In addition to the above, for Work performed on Omnitrans property, Contractor shall provide an Alcohol and Drug-free Workplace Program in accordance with FTA requirements found at [http://transit-safety.fta.dot.gov/DrugAndAlcohol/default.asp](http://transit-safety.fta.dot.gov/DrugAndAlcohol/default.asp)

**PLANNING, RESEARCH, DEVELOPMENT AND DEMONSTRATION PROJECTS**

**PATENT RIGHTS**

a. General. If any invention, improvement, or discovery of the Recipient or of any subrecipient, lessee, third party contractor, or other participant at any tier of the Project is conceived or first actually reduced to practice in the course of or under the Project, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Recipient agrees to notify FTA immediately and provide a detailed report in a format satisfactory to FTA.

b. Federal Rights. The Recipient agrees that its rights and responsibilities, and those of each
subrecipient, lessee, third party contractor, or other participant at any tier of the Project, pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Absent a determination in writing to the contrary by the Federal Government, the Recipient agrees to transmit to FTA those rights due the Federal Government in any invention, improvement, or discovery resulting from that subagreement, third party contract, third party subcontract, or arrangement, as specified in 35 U.S.C. §§ 200 et seq., and U.S. Department of Commerce regulations, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” 37 C.F.R. Part 401, irrespective of the status of the Recipient, subrecipient, lessee, third party contractor or other participant in the Project (i.e., a large business, small business, State government, State instrumentality, local government, Indian tribe, nonprofit organization, institution of higher education, or individual).

c. License Fees and Royalties. FTA considers income earned from license fees and royalties for patents, patent applications, and inventions produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

RIGHTS IN DATA AND COPYRIGHTS

a. Definition. The term “subject data,” as used in this Section 18 of this Master Agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Grant Agreement or Cooperative Agreement for the Project. Examples include, but are not limited to: computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information. “Subject data” do not include financial reports, cost analyses, or other similar information used for Project administration.

b. General. The following restrictions apply to all subject data first produced in the performance of the Grant Agreement or Cooperative Agreement for the Project:

(1) Except for its own internal use, the Recipient may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the Recipient authorize others to do so, without the prior written consent of the Federal Government, unless the Federal Government has previously released or approved the release of such data to the public.

(2) The restrictions on publication of Paragraph 18.b(1) of this Master Agreement, however, do not apply to a Grant Agreement or Cooperative Agreement with an institution of higher learning.

c. Federal Rights in Data and Copyrights. The Recipient agrees to provide to the Federal Government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the subject data described in this Subsection 18.e of this Master Agreement. As used herein, “for Federal Government purposes,” means use only for the direct purposes of the Federal Government. Without the copyright owner’s
consent, the Federal Government may not provide or otherwise extend to other parties the Federal Government’s license to:

(1) Any subject data developed under the Grant Agreement or Cooperative Agreement for the Project, or under a subagreement, lease, third party contract or other arrangement at any tier of the Project, supported with Federal assistance derived from the Grant Agreement or Cooperative Agreement for the Project, whether or not a copyright has been obtained; and

(2) Any rights of copyright to which a Recipient, subrecipient, lessee, third party contractor, or other participant at any tier of the Project purchases ownership using Federal assistance.

d. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies Projects. In general, FTA’s purpose in providing Federal assistance for a research, development, demonstration, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to Project participants. Therefore, when the Project is completed, the Recipient agrees to provide a Project report that FTA may publish or make available for publication on the Internet. In addition, the Recipient agrees to provide other reports pertaining to the Project that FTA may request. The Recipient agrees to identify clearly any specific confidential, privileged, or proprietary information it submits to FTA. In addition, except to the extent that FTA determines otherwise in writing, the Recipient of Federal assistance to support a research, development, demonstration, or a special studies Project agrees that, in addition to the rights in data and copyrights that it must provide to the Federal Government as set forth in Subsection 18.c of this Master Agreement, FTA may make available to any FTA recipient, subrecipient, third party contractor, third party subcontractor or other participant at any tier of the Project, either FTA’s license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in Subsection 18.a of this Master Agreement and shall be delivered as the Federal Government may direct. This Subsection 18.d, however, does not apply to adaptations of automatic data processing equipment or programs for the Recipient’s use when the costs thereof are financed with Federal assistance through an FTA capital program.

e. License Fees and Royalties. FTA considers income earned from license fees and royalties for copyrighted material, or trademarks produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

f. Hold Harmless. Except as prohibited or otherwise limited by State law or except to the extent that FTA determines otherwise in writing, upon request by the Federal Government, the Recipient agrees to indemnify, save, and hold harmless the Federal Government and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Recipient of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project. The Recipient shall not be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.
g. Restrictions on Access to Patent Rights. Nothing in Section 18 of this Master Agreement pertaining to rights in data shall either imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

h. Data Developed Without Federal Funding or Support. In connection with the Project, the Recipient may find it necessary to provide data to FTA developed without any Federal funding or support by the Federal Government. The requirements of Subsections 18.b, 18.c, and 18.d of this Master Agreement do not apply to data developed without Federal funding or support by the Federal Government, even though that data may have been used in connection with the Project. Nevertheless, the Recipient understands and agrees that the Federal Government will not be able to protect data from unauthorized disclosure unless that data is clearly marked “Proprietary” or “Confidential.”

i. Requirements to Release Data. To the extent required by U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” at 49 C.F.R. § 19.36(d), or other applicable Federal laws or Federal regulations, the Recipient understands and agrees that the data and information it submits to the Federal Government may be required to be released in accordance with the Freedom of Information Act (or another Federal law or Federal regulation providing access to such records).

SPECIAL NOTIFICATION REQUIREMENTS FOR STATES

SPECIAL NOTIFICATION REQUIREMENTS FOR STATES

To the extent required by Federal law, the State agrees that, in administering any Federal assistance Program or Project supported by the Grant Agreement or Cooperative Agreement, any request for proposals, solicitation, grant application, form, notification, press release, or other publication involving the distribution of FTA assistance for the Program or the Project shall indicate that FTA is the Federal agency that is providing the Federal assistance, the Catalog of Federal Domestic Assistance Number of the program from which the Federal assistance is authorized, as may be applicable, and the amount of Federal assistance FTA provided.
MISCELLANEOUS SPECIAL REQUIREMENTS

RR-024
ENERGY CONSERVATION REQUIREMENTS

A. Applicability

This Article applies to all federally funded contracts.

B. Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 USC §6321 et seq.

RR-025
RECYCLED PRODUCTS

A. Applicability

This Article applies to federally funded operations/management, construction, or materials & supplies contracts for items designated by the Environmental Protection Agency, when procuring $10,000 or more per year.

B. To the extent practicable and economically feasible, a competitive preference shall be given for products and services that conserve natural resources and protect the environment and are energy efficient.

C. The Contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

NATIONAL INTELLIGENT TRANSPORTATION SYSTEMS ARCHITECTURE AND STANDARDS

ADA ACCESS

A. Applicability

This Article applies to federally funded Architect & Engineer, Operations/Management, Rolling Stock Purchase, and Construction contracts

B. Access Requirements for Persons with Disabilities

Contractor shall comply with:

1. The requirements of 49 U.S.C. § 5301(d), which states the Federal policy that elderly persons and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy;

2. All applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps;

3. The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act;

4. The Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act; and

5. All applicable requirements of the following regulations and any subsequent amendments thereto:
   (1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;
   (2) U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;

(8) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and

(9) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. Part 1194; and

(10) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609;

(11) Any implementing requirements FTA may issue.

NOT INCLUDED IN UPDATED POLICY

RR-01
ADMINISTRATIVE CODE *

A. Applicability

This Article applies to all contracts.

B. Compliance with §§1090 et. seq. and §§87100 et. seq. of the California Government Code

Contractor shall comply with all applicable provisions of §§1090 et. seq. and §§87100 et. seq. of the California Government Code. Without reducing or affecting its obligation to comply with any and all of said provisions, Contractor specifically covenants:
1. Contractor shall not cause or permit any member, officer, or employee of Omnitrans to have any financial interest in the Contract;

2. Contractor shall not enter into any Subcontract involving services or property with a person or business prohibited from transacting such business with Omnitrans;

3. Contractor warrants and represents that to its knowledge no Board member, officer, or employee of Omnitrans has any interest, whether contractual, non-contractual, financial or otherwise, in this Contract, or in the business or any other contract or transaction of the Contractor or any Subcontractor and that if any such interest comes to Contractor’s knowledge at any time, Contractor shall make a full and complete disclosure of all such information in writing to Omnitrans.

C. **Campaign Contributions**

Neither Contractor nor its Agents shall give or offer to give any campaign contribution to any member of Omnitrans Board of Directors in violation of the California Government Code §§84300 et seq., or of the Administrative Code. Contractor shall submit a Certification of Campaign Contributions with all COs of two hundred thousand dollars ($200,000) or more.

**RR-02**

**DISCRIMINATION** *

A. **Applicability**

This Article applies to all contracts.

B. In connection with the performance of Work provided for under this Contract, Contractor agrees that it will not, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, medical condition, marital status, sex, sexual orientation, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Federal, State or local laws.

**RR-03**

**WHISTLEBLOWER REQUIREMENTS** *

A. **Applicability**

This Article applies to all contracts.

B. Contractor shall not adopt any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency, where the employee believes the information discloses violation or noncompliance with a state or Federal regulation; nor shall Contractor retaliate against an employee for taking such actions as set forth in the t. seq.
RR-04
PUBLIC RECORDS ACT *

A. Applicability

This Article applies to all contracts.

B. Except as otherwise provided herein, all records, documents, drawings, plans, specifications, and all other information relating to the conduct of Omnitrans business, including all information and documents submitted by Contractor ("Records"), shall become the exclusive property of Omnitrans and shall be deemed public records. Said Records are subject to the provisions of the California Public Records Act (Government Code §6250 et. seq.). Omnitrans use and disclosure of its records are governed by this Act. Omnitrans will use its best efforts to inform the Contractor of any request for any financial records or documents marked “Trade Secret”, “Confidential” or “Proprietary” provided by Contractor to Omnitrans. Omnitrans will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act.

C. In the event of litigation concerning the disclosure of any Records, Omnitrans sole involvement will be as a stakeholder, retaining the Records until otherwise ordered by a court. The submitting party, at its sole expense and risk, shall be fully responsible for any and all fees for prosecuting or defending any action concerning the Records and shall indemnify and hold Omnitrans harmless from all costs and expenses including attorney’s fees in connection with any such action.

RR-05
PRIVACY ACT - 5 U.S.C. 552

Applicability to Contracts

When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts.

Flow Down
The Federal Privacy Act requirements flow down to each third party contractor and their contracts at every tier.

Model Clause/Language
The text of the following clause has not been mandated by statute or specific regulation, but has been developed by FTA.

Contracts Involving Federal Privacy Act Requirements - The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:
(1) The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

(2) The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

RR-06
VETERANS PREFERENCE
Veterans Employment. Contractors working on a capital project funded using FTA assistance shall give a hiring preference, to the extent practicable, to veterans (as defined in section 2108 of title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.

1. **PROJECT DOCUMENT CONTROL**

   **A. PROJECT CONTROL**

   Establish and operate systems and provide project control services for the control of the Project with respect to cost and schedule. The overall control system to be established shall provide a standard framework for defining work, assigning work responsibility, establishing budgets, controlling and forecasting costs and summarizing the monthly Project status.

   **B. DESIGN DRAWING/DOCUMENT CONTROL**

   Maintain complete files of all records and documents pertaining to this contract, Project design drawings/documents, baseline changes, and related documents, electronic data (CADD), and correspondence. Print and distribute design documents and revisions thereto throughout the Project Development phase.

   **C. PROJECT DATA DISSEMINATION**

   Consultant shall be required to utilize an Internet Collaboration System (such as an FTP site) to assist in the communication and management of the Project and to make available key project data and reports to all authorized project participants via the Internet from any location.

   **D. RECORD STORAGE AND RETENTION**

   Process records for Omnitrans record storage and retention in accordance with Industry accepted procedures and retention schedules. Provide for routine turnover of records, design review packages, solicitation packages, and specifications and remaining Project documents to Omnitrans for long-term for archiving and retention as requested by Omnitrans.

   **E. CHANGE CONTROL**

   Coordination and management of changes to the design baseline, including change document preparation and processing, using computer system tools throughout the Project. Establish a system for effective coordination between specific engineering functions and ensure that baseline design changes are consistently applied to every affected document.

   **F. CONTRACT CHANGES**

   Consultant shall notify Omnitrans immediately of any change to the Project that is believed by the Consultant to be out of the scope of the contract or may otherwise require revision to the Contract. Provide notice of scope changes associated with
incorporating design changes, preparation, and submittal of Requests-for-Change in accordance with Omnitrans’ policy and procedures, preparation of cost proposals in response to Omnitrans notices or requests, and methods for identifying and tracking work costs associated with authorized contract changes. No change work shall be performed without written approval from Omnitrans’ Director of Procurement and CEO/General Manager.

2. QUALITY ASSURANCE

Consultant shall have documented Quality Assurance procedures in place to control and verify the design of the Project in order to ensure that the design criteria, owner specified requirements, and requirements of the relevant regulatory agencies are met. Design control includes ensuring that design requirements are identified and met, planning of design interfaces are complete including design verification activities, and design changes are controlled through Project completion. Consultant’s procedures shall apply to its Subconsultants.

3. OWNERSHIP OF WORK

All reports, designs, drawings, plans, specifications, schedules and other materials prepared, or in the process of being prepared, for the services to be performed by Consultant shall be and are the property of Omnitrans. Omnitrans shall be entitled to access to and copies of these materials during the progress of the work. Any such materials remaining in the hands of the Consultant or in the hands of any Consultant upon completion or termination of the work shall be immediately delivered to Omnitrans. If any materials are lost, damaged, or destroyed before final delivery to Omnitrans, the Consultant shall replace them at its own expense and the Consultant assumes all risks of loss, damage, or destruction of or to such materials. The Consultant may retain a copy of all material produced under this Agreement for its use in its general business activities.

4. SCHEDULE OF VALUES

As a condition to payment, a schedule of values allocating contract values based on the scope of work broken down by individual tasks deliverables and/or subtasks deliverables with milestones must be submitted for Omnitrans’ approval during the project kickoff meeting and prior to the commencement of work. The established schedule of values will be used as the basis for submitting and reviewing all invoice payments. Consultant shall provide a schedule of values satisfactory to Omnitrans no more than fifteen (15) days from the date of execution of this Agreement.
I. Purpose

It is the policy of Omnitrans to maintain a work environment that is safe for all persons, including the community, and conducive to attaining high work standards. To achieve these objectives, the Agency prohibits the possession of firearms and weapons in the work place, regardless of any license or permit that an individual may have which otherwise authorizes the individual to carry firearms or weapons.

It is illegal and a criminal violation to possess weapons in public buildings (California Penal Code 171b and 171.7).

II. Scope

This policy applies to all Omnitrans employees, including but not limited to staffing agency workers and contractors working for or with the Agency at any time, regardless of whether the Agency is the actual employer.

Possession of firearms and weapons is prohibited at all Omnitrans’ offices, parking lots, agency vehicles and job sites, and in all Agency vehicles.

The following person/s are exempt from this policy as stated: a guard of a contract carrier operating an armored vehicle, and any law enforcement officer who is carrying out official duties engaged in protecting and preserving property or life within the scope of his or her employment.

Omnitrans will strictly enforce this policy. Violation of this policy will result in immediate disciplinary action, up to and including termination.

III. Procedure

A. COMMUNICATION OF POLICY

(a) Each employee of the Agency shall receive a copy of this policy at the time of his/her hire and shall sign a copy of the acknowledgment. Employees who were employed before the effective date of this policy shall also receive a copy of this policy and shall sign a copy of the acknowledgment. A copy of the signed acknowledgment and of all new and revised policies throughout the employee’s employment shall be maintained in each employee’s personnel file.

(b) A copy of this policy shall be attached to each contractor’s contract, and shall become a part of its contract. The contractor shall be responsible for communicating this policy to its employees and any subcontractors to which the contractor sublets any portion of its contract.
B. PROHIBITED CONDUCT

(a) The transportation of firearms or weapons in Agency vehicles is prohibited. This includes but is not limited to:
   (1) to and from work,
   (2) when conducting Agency business,
   (3) at all times in Agency-owned or leased vehicles.

(b) The possession or carrying of permitted and non-permitted firearms or weapons while at Agency buildings, parking lots, sponsored events, and job sites.

(c) Exception: Power actuated tools which are manufactured for the use of fastening building materials and sanctioned tools for the purpose of performing Agency job duties are not subject to this policy.

C. SEARCH

(a) Omnitrans reserves the right to conduct reasonable, unannounced searches of Agency premises and personal searches of employees and others while entering, on, or leaving Agency premises, including, but not limited to, personal effects, vehicles, lockers, desks, tool boxes, clothing, meal containers, and baggage. Searches will be conducted when the Agency has a reasonable suspicion to believe that a particular employee may be in possession of a weapon or firearm.

(b) “Reasonable suspicion” is defined as a suspicion that is based on specific personal observations such as an employee’s manner, disposition, behavior, speech, information provided to management by an employee, by law enforcement officials, by a security service, or by other persons believed to be reliable, or a suspicion that is based on other surrounding circumstances.

(c) Individuals refusing to allow an inspection will not be detained or forced to submit to the inspection. Refusal violates Agency policy and constitutes an act of insubordination constituting disciplinary action, up to and including separation of the employment relationship. Non-employees who refuse to allow an inspection will not be permitted on Agency premises and will be required to immediately leave the premises. Employees will be relieved of all duties while pending investigation.

D. DISCIPLINE

(a) Violations of any portion of this policy will subject the employee to discipline,
up to and including separation of employment.

(b) Violations by a contractor's employee or subcontractor of any portion of this policy may constitute a breach of contract and regardless will mandate the immediate removal of the contractor's employee from Agency premises, prohibition against the individual accessing Agency premises in the future, and may also constitute a breach of contract.

E. REPORT OF VIOLATIONS

1. Employee Violations

Employees are required to report violations of this policy without regard to the relationship between the individual who initiates the prohibited behavior and the individual reporting it. An employee who believes that another employee may be in violation of this policy must report the alleged violation to the employee's manager or supervisor, the department director, security, or the appropriate departmental Human Resources representative.

Departments are responsible for implementing this policy. The Agency will promptly investigate allegations of violations of this policy.

Omnitrans reserves the right to authorize searches for prohibited weapons on its property when a violation is reported or when probable cause or reasonable suspicion is present consistent with law.

Employees should be aware that there is no reasonable expectation of privacy with respect to weapons in the workplace. The Agency's right to conduct searches includes, but is not limited to, such areas and items as lockers, desks, workstations, offices, purses, briefcases, bags, toolboxes, and lunch bags.

Searches of the employee's work area and belongings, as described above, may be conducted by the Security & Emergency Preparedness Coordinator, or designee. Searches of all types, including surrounding agency property, personal property and the employee may be conducted by law enforcement in accordance with law should reasonable suspicion be present. Any weapon found in violation of this policy may be confiscated. Refusal to permit a search may result in discipline, up to and including separation.

2. Visitor Violations

Visitors are not allowed to carry a weapon on the premises. Any visitor carrying a weapon into a posted no-carry agency facility is creating an elevated risk to security and safety that warrants a response leading to compliance with the law. If the visitor
poses an immediate risk to security or safety, law enforcement shall be notified immediately by calling 9-911. The visitor shall be considered an immediate risk to safety and security if he/she is acting in an aggressive, belligerent, confrontational, suspicious or in an otherwise questionable manner while carrying a weapon.

F. FALSE REPORTS

Employees making intentionally false and malicious complaints of weapons in the workplace will be subject to disciplinary action, up to and including separation and/or will be reported to the proper authorities as appropriate.

G. ROLES AND RESPONSIBILITIES

Employees are responsible for understanding and complying with the Policy Prohibiting Weapons in the Workplace.

Whenever there is a question as to whether an instrument, article or substance is considered a weapon in violation of this policy, it is the employee’s responsibility to seek clarification. Employees seeking clarification should direct their questions to the agency’s Security & Emergency Preparedness Coordinator at 909-379-7117 prior to bringing the item(s) to Omnitrans work sites and events, as well as agency-owned or leased facilities or vehicles.

H. SAFETY FIRST

In applying this policy, no employee shall take any action that will risk his or her own safety or the safety of other individuals. No attempt should ever be made by an employee to restrain or forcibly evict an armed person from agency premises.

An individual’s continued non-compliance after being properly informed of the law (California Penal Code 171 (b)) will result in notification to law enforcement and discipline, up to and including separation of employment. Employees should notify security immediately.

An employee who feels an imminent danger to his or her own safety or the safety of others, should avoid any interaction with the individual. Immediately contact law enforcement by calling 9-911 and security at 909-379-7117.

I. ANTI-RETALIATION PROVISION

Omnitrans strictly prohibits any retaliation against an employee who has reported a possible breach of policy. If an employee feels that he or she has been subjected to retaliation in violation of this policy, the employee must immediately report it to his or her supervisor or other designated Human Resources representative.
J. DEFINITIONS

1. **Firearm or weapon includes, but is not limited to:** A weapon, a pistol or rifle, whether loaded or unloaded, capable of firing a projectile and using an explosive as a propellant.
   - A firearm, whether loaded or unloaded, from which a shot may be discharged including but not limited to handguns, pistols, revolvers, shotguns, rifles, and bb guns;
   - A gun that can discharge a shot or a projectile by means of an explosive or gas, or compressed air;
   - A device designed to be used as a weapon, from which can be expelled a projectile by the force of any explosion or force of combustion;
   - Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
   - Any destructive device;
   - Any device designed as a weapon and capable of producing great bodily harm, including but not limited to, stun guns, stun batons;
   - An electric weapon such as a taser gun;
   - Any combustible or flammable liquid, or other substance, device, or instrumentality that, in a manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm, or any fire that is used to produce death or great bodily harm;
   - Any knife that is carried with intention or calculation to produce death or great bodily harm having a blade length in excess of four (4) inches, the blade of which is fixed or is capable of being fixed in an unguarded position by the use of one or two hands. Switchblades are specifically prohibited. (Knives intended to be used as eating utensils, and stored or maintained in office kitchens or lunchrooms do not represent a violation of this policy.)

2. **Office:** All permanent facilities, all mobile facilities, all leased facilities, and any facility designated as an office by the agency.

3. **Parking lot:** All lots at permanent facility, park and rides, lots at project sites, any lot that the agency designates as a parking lot that is not at a permanent facility or project site.

4. **Agency vehicle:** All agency-owned buses/vehicles, all agency-leased buses/vehicles, all agency-rental buses/vehicles, and all personal vehicles for which the owner receives a vehicle allowance, all personal vehicles where the owner receives reimbursement for mileage.
5. **Search**: To examine in order to find something concealed.

6. **Job sites**: Any and all locations where the agency conducts business.

**SIGNS**

1. At each entrance to buildings, parking lots, and project sites, a sign shall be posted in a location that is conspicuous to all who could enter a building, parking lot, or project site.

2. Signs shall have wording or pictogram that prohibits firearms, weapons and give notice of video surveillance. Signs shall be vandalism resistant and of the quality that they will not fade due to the elements.

This Agreement is made and entered into as of this ___ day of June 2019, by and between Omnitrans (hereinafter referred to as "OMNITRANS") and Coastal Iron Works Corp (hereinafter referred to as "CONTRACTOR").

RECITALS

WHEREAS, OMNITRANS is a joint powers authority organized under Section 6500 et seq. of the California Government Code with power to contract for services described in Attachment A to this Agreement entitled “Attachment A, Technical Specifications/Drawings” (hereinafter referred to as “Work”);

WHEREAS, CONTRACTOR has indicated it is qualified to perform such services and (1) has reviewed all the available data furnished by OMNITRANS pertinent to the Work to be rendered; (2) has inspected and reviewed the Work to be rendered; (3) will exercise the ordinary care and skill expected of a practitioner in its profession; and (4) is willing to accept responsibility of performing the Work set forth in this Agreement for the compensation and in accordance with the terms, requirements and conditions herein specified;

NOW, THEREFORE, for the consideration hereinafter stated, the parties agree as follows:

1. SCOPE OF WORK

   A. CONTRACTOR will perform the Work and related tasks as described in Attachment A, Technical Specifications/Drawings hereto and is incorporated by reference into and made a part of this Agreement.

   B. This is a non-exclusive Agreement, whereby OMNITRANS may, at its sole discretion, augment or supplant the Work with its own forces or forces of another contractor or entity. CONTRACTOR will cooperate fully with OMNITRANS’ staff or other contractor or entity that may be providing similar or the same Work for OMNITRANS.

2. PERIOD OF PERFORMANCE

   The term of this Agreement shall be from the date of execution of this Agreement and continue in effect through December 4, 2019, unless terminated as specified in Section 10 and 11 of this Agreement. Omnitrans has no obligation to purchase any specified amount of products/services. All applicable indemnification provisions in this Agreement shall remain in effect following the termination of this Agreement.

   Omnitrans’ election to extend the Agreement beyond the Initial Term shall not diminish its right to terminate the Agreement for Omnitrans’ convenience or CONTRACTORS default as provided elsewhere in this Agreement.
3. COMPENSATION

For CONTRACTOR’s full and complete performance of its obligations under this Agreement, OMNITRANS shall pay CONTRACTOR on a LUMP SUM basis at the fully burdened fixed rates shown in Attachment C, and subject to the maximum cumulative payment obligation.

LUMP SUM ……………… $69,050.00

OMNITRANS’ maximum cumulative payment obligation under this Agreement shall not exceed Sixty-Nine Thousand Fifty Dollars ($ 69,050.00), including all amounts payable to CONTRACTOR for all costs, including but not limited to direct labor, other direct costs, subcontracts, indirect costs including, but not limited to, leases, materials, taxes, insurance, and profit.

4. INVOICING AND PAYMENT

A. CONTRACTOR shall invoice OMNITRANS on a monthly basis no later than the 15th of each month. CONTRACTOR shall furnish information as may be requested by OMNITRANS to substantiate the validity of an invoice.

CONTRACTOR shall submit invoices in duplicate to:

OMNITRANS
1700 West Fifth Street
San Bernardino, CA 92411
Attn: Accounts Payable
Accountspayable@omnitrans.org
Contracts@omnitrans.org

Each invoice shall include, at minimum, the following information:

- Contract number
- Invoice number
- Purchase Order number
- Description of service
- Service Date
- Information as requested by OMNITRANS

B. OMNITRANS shall remit payment within thirty (30) calendar days of approval of the invoices by OMNITRANS’ Project Manager.

In the event OMNITRANS should overpay CONTRACTOR, such overpayment shall not be construed as a waiver of OMNITRANS’ right to obtain reimbursement for the overpayment. Upon discovering any overpayment, either on its own or upon notice of OMNITRANS, CONTRACTOR shall immediately reimburse OMNITRANS the entire overpayment or, at its sole discretion, OMNITRANS may deduct such overpayment amount from monies due to CONTRACTOR under this Agreement or any other Agreement between OMNITRANS and CONTRACTOR.
C. TITLE

a. Title shall pass to Omnitrans at the time of payment.

b. The title transferred as above shall in each case be good, and free and clear from any and all security interests, liens, and/or other encumbrances.

c. The transfer of title as specified above shall not imply Acceptance by Omnitrans, nor relieve the Contractor from the responsibility for strict compliance with the Contract, including warranty as specified in the Article entitled Warranty of Work, and for any loss of or damage to the Work.

d. The Contractor at its own expense shall promptly execute, acknowledge, and deliver to the Omnitrans proper bills of sale or other written instruments of title in a form as required by Omnitrans; said instruments shall convey to the Omnitrans’ title free and clear of debts, claims, liens, mortgages, taxes, and/or encumbrances.

e. Contractor shall have title to and bear the risk of any loss of or damage to Work purchased hereunder until they are delivered, unloaded, and received by Omnitrans at the FOB Destination specified herein. Contractor’s responsibility for loss or damage except for loss or damage resulting from Contractor’s negligence, shall cease when title passes to Omnitrans.

5. AUDIT AND INSPECTION OF RECORDS

CONTRACTOR agrees that OMNITRANS or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, employment records or other records relating to this Agreement. Such material, including all pertinent cost, accounting, financial records, and proprietary data must be kept and maintained by CONTRACTOR for a period of three (3) years after completion of this Agreement unless OMNITRANS’ written permission is given to CONTRACTOR to dispose of material prior to this time.

6. NOTIFICATION

All notices hereunder concerning this Agreement and the Work to be performed shall be physically transmitted by courier, overnight, registered or certified mail, return receipt requested, postage prepaid and addressed as follows:
To OMNITRANS:  
Omnitrans  
1700 West Fifth Street  
San Bernardino, CA 92411

7. OMNITRANS’ AND CONTRACTOR’S REPRESENTATIVES

A. OMNITRANS’ Project Manager

Contracting Officer: OMNITRANS’ CEO/General Manager or his authorized designee who has authority to execute contracts on behalf of OMNITRANS.

Project Manager: Thomas Dahlin, Capital Projects Services Manager

a. Except as expressly specified in this Agreement, the Contracting Officer may exercise any powers, rights and/or privileges that have been lawfully delegated by OMNITRANS. Nothing in this Agreement should be construed to bind OMNITRANS for acts of its officers, employees, and/or agents that exceed the delegation of authority specified herein.

b. The Contracting Officer has delegated to the Project Manager certain powers and duties in connection with this Agreement. The Project Manager is the authorized representative of the Contracting Officer for matters related to this Agreement. The Project Manager or his/her designee is empowered to:

1. Have general oversight of the Work and this Agreement, including the power to enforce compliance with this Agreement.

2. Reserve the right to remove any portion of the Work from CONTRACTOR which have not been performed to OMNITRANS’ satisfaction.

3. Subject to the review and acceptance by OMNITRANS, negotiate with CONTRACTOR all adjustments pertaining to this Agreement for revision.

c. In addition to the foregoing, the Project Manager shall have those rights and powers expressly set forth in other sections of this Agreement.
B. **Contractor’s Key Personnel**

The following are CONTRACTOR’s key personnel and their associated roles in the Work to be provided:

<table>
<thead>
<tr>
<th>Name</th>
<th>Role</th>
</tr>
</thead>
<tbody>
<tr>
<td>James Peterson</td>
<td>Owner</td>
</tr>
</tbody>
</table>

Any proposed/substitution or replacement by Contractor of Contractor’s key personnel shall ensure that such person possesses the same or better expertise and experience than the key personnel being substituted or replaced. Omnitrans reserves the right to interview such person to ascertain and verify if such proposed substitution or replacement does in deed possess such expertise and experience.

OMNITRANS awarded this Agreement to CONTRACTOR based on OMNITRANS’ confidence and reliance on the expertise of CONTRACTOR’s key personnel described above. CONTRACTOR shall not reassign key personnel or assign other personnel to key personnel roles until CONTRACTOR obtains prior written approval from OMNITRANS.

9. **DISPUTE RESOLUTION**

Any disputes between the successful CONTRACTOR and OMNITRANS relating to the implementation or administration of the Contract shall be resolved in accordance with this section.

A. The parties shall first attempt to resolve the dispute informally in meetings or communications between proposer and OMNITRANS.

B. If the dispute remains unresolved fifteen (15) days after it first arises, proposer may request that Omnitrans’ CEO/General Manager issue a recommended decision on the matter in dispute. Omnitrans’ CEO/General Manager shall issue the recommended decision in writing and provide a copy to proposer.

C. If the dispute remains unresolved after review by Omnitrans’ CEO/General Manager, either party may seek judicial resolution of the dispute in an appropriate Court of the State of California.

D. Pending final resolution of a dispute under this section, proposer shall proceed diligently with performance in accordance with the Contract and Omnitrans’ CEO/General Manager’s recommended decision.
10. **TERMINATION FOR CONVENIENCE**

OMNITRANS may terminate this Agreement in whole or in part for OMNITRANS' convenience. Omnitrans’ CEO/General Manager shall terminate this Agreement by a written Notice of Termination to CONTRACTOR specifying the nature, extent, and effective date of the termination. Upon receipt of the notice of termination, CONTRACTOR shall immediately discontinue all Work affected and deliver all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement, whether completed or in process, to Omnitrans’ CEO/General Manager. OMNITRANS shall make an equitable adjustment in the Agreement for Work already performed, but shall not allow anticipated profit on unperformed services. Force Majeure shall apply.

11. **TERMINATION FOR BREACH OF AGREEMENT**

A. If CONTRACTOR fails to perform any of the provisions of this Agreement or so fails to make progress as to endanger timely performance of this Agreement, OMNITRANS may give CONTRACTOR written notice of such default. If CONTRACTOR does not cure such default or provide a plan to cure such default which is acceptable to OMNITRANS within the time permitted by OMNITRANS, then OMNITRANS may terminate this Agreement due to CONTRACTOR's breach of this Agreement.

B. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then OMNITRANS may immediately terminate this Agreement.

C. If CONTRACTOR violates Section 28, Compliance with Lobbying Policies, of this Agreement, then OMNITRANS may immediately terminate this Agreement.

D. In the event OMNITRANS terminates this Agreement as provided in this Section, OMNITRANS may procure, upon such terms and in such manner as OMNITRANS may deem appropriate, work similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to OMNITRANS for all of its costs and damages, including, but not limited to, any excess costs for such Work.

E. All finished or unfinished documents and materials produced or procured under this Agreement shall become OMNITRANS’ property upon date of such termination.
F. If, after notice of termination of this Agreement under the provisions of this Section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this Section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 10, Termination for Convenience.

G. The rights and remedies of OMNITRANS provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

12. **ASSIGNMENT**

This Agreement, any interest herein or claim hereunder, may not be assigned by CONTRACTOR either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONTRACTOR, without the prior written consent of OMNITRANS. Consent by OMNITRANS shall not be deemed to relieve CONTRACTOR of its obligations to comply fully with all terms and conditions of this Agreement.

13. **SUBCONTRACTING**

OMNITRANS hereby consents to CONTRACTOR's subcontracting of portions of the Work to the parties identified below for the functions described in CONTRACTOR's proposal. CONTRACTOR shall include in each subcontract agreement the stipulation that CONTRACTOR, not OMNITRANS, is solely responsible for payment to the subcontractor for all amounts owing and that the subcontractor shall have no claim, and shall take no action against OMNITRANS, Member Agencies or officers, directors, employees or sureties thereof for nonpayment by CONTRACTOR.

CONTRACTOR shall not, without the express written consent of Omnitrans, either:

a. Substitute any person, firm, or corporation as subcontractor in place of the subcontractors identified below; or

b. Permit any subcontract to be assigned or transferred; or

c. Allow work to be performed by anyone other than the original subcontractor listed below.

<table>
<thead>
<tr>
<th>Subcontractor's Name and Address</th>
<th>Work to Be Performed</th>
</tr>
</thead>
<tbody>
<tr>
<td>N/A</td>
<td>N/A</td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>
14. INDEPENDENT CONTRACTOR

CONTRACTOR’s relationship to OMNITRANS in the performance of this Agreement is that of an independent Contractor. CONTRACTOR’s personnel performing Work under this Agreement shall at all times be under CONTRACTOR’s exclusive direction and control and shall be employees of CONTRACTOR and not employees of OMNITRANS. CONTRACTOR shall pay all wages, salaries and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, such as social security, income tax withholding, unemployment compensation, workers’ compensation and similar matters.

15. INSURANCE

A. INSURANCE REQUIREMENTS

1) General Requirements for Contractor
   a. Without limiting or diminishing the Contractor’s obligation to indemnify or hold Omnitrans harmless, Contractor shall procure, prior to commencement of the services required under this contract and maintain for the duration of the contract at its own expense, insurance of the kinds and in the amounts as indicated below;

   b. Provide Omnitrans with valid original certificates of insurance and endorsements showing Omnitrans as an additional insured.

2) Deductibles or Self-Insured Retention (SIR)
   SIR must be declared to and approved by Omnitrans. At the option of Omnitrans, either: the insurer shall reduce or eliminate such deductibles or SIR or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

3) Other Insurance Provisions
   a. Commercial General Liability and Automobile Liability
      Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury covering claims which may arise from or out of Contractor’s performance of its obligations hereunder and if Contractor’s vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then Contractor shall maintain liability insurance for all owned, non-owned or hired vehicles so used. Policy shall name Omnitrans, its officers, officials, employees, agents and volunteers as additional insured as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or
used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations of the scope of protection afforded Omnitrans, its officers, officials, employees, agents, and volunteers.

1. For any claims related to this project, Contractor’s insurance coverage shall be primary insurance as respects Omnitrans, its officers, officials, employees, agents, and volunteers. Any insurance and/or deductibles and/or self-insured retentions or self-insured programs maintained by Omnitrans, its officers, officials, employees, agents, and volunteers shall be excess of Contractor’s insurance and shall not be construed as contributory.

2. Contractor’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to Omnitrans.

b. Workers’ Compensation

If the Contractor has employees as defined by the State of California, the Contractor shall maintain statutory Workers’ compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers’ Liability (Coverage B) including Occupational Disease with limits not less than $1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of Omnitrans and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

c. Care, Custody, and Control

Contractor shall insure any Omnitrans property while under its Care, Custody, and Control according to the requirements listed in the insurance coverage required.

4) Acceptability of Insurers

Insurance companies shall be State of California admitted or approved and have a current A.M. Best’s rating of no less than A:VIII.

5) Verification of Coverage

a. Contractor shall furnish Omnitrans with original endorsements affecting coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All insurance certificates and endorsements are to be received and approved by Omnitrans before work commences.
b. As an alternative, Contractor’s insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications.

c. In lieu of purchasing insurance and providing original endorsements and/or certificates of insurance, the Contractor may provide proof of self-insurance; such proof must be to the satisfaction of Omnitrans.

6) **Subcontractors**

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated herein.

7) **Notification of Terminated Insurance**

Insurance shall not be terminated or expire without thirty (30) days written or electronic notice, and are required to be maintained in force until completion of the contract.

B. **MINIMUM INSURANCE COVERAGE**

If the Contractor maintains broader coverage and/or higher limits than the minimum requirements shown below, Omnitrans requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor.

1) **Commercial General Liability including Products/Completed Operations:** $1,000,000; per occurrence for bodily and property damage liability and $2,000,000 aggregate; Omnitrans named and endorsed as an Additional Insured.

2) **Automobile Liability:** $1,000,000; per occurrence for bodily and property damage liability and aggregate; Omnitrans named and endorsed as an Additional Insured.

3) **Errors and Omissions Liability:** $1,000,000; combined single limit bodily and property damage liability per occurrence and $3,000,000 aggregate or,

4) **Professional Liability:** $1,000,000; per occurrence and aggregate.

5) **Workers’ Compensation:** statutory limits or,

6) **Self Insurance Program:** a State Approved program in an amount and form that meets all applicable requirements of the Labor Code of the State of California.

7) **Employer’s Liability:** $1,000,000; per occurrence.
8) Environmental Liability: $1,000,000; per occurrence and aggregate; Omnitrans named and endorsed as an Additional Insured.

9) Umbrella Policy: $4,000,000; per occurrence and aggregate. Additional coverage for the above policies, Omnitrans Additional Insured.

10) All drivers making deliveries of products specified on this solicitation shall have Hazardous Materials Endorsements on their Commercial Drivers License, and such other Endorsements as may be required by relevant laws and/or regulations.

16. INDEMNITY

CONTRACTOR shall indemnify, defend and hold harmless OMNITRANS, and its member agencies, and their officers, directors, employees and agents from and against any and all liability, expense (including, but not limited to, defense costs and attorneys' fees), claims, causes of action, and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury or property damage (including property of CONTRACTOR) arising from or connected with any alleged act and/or omission of CONTRACTOR, its officers, directors, employees, agents, Subcontractors or suppliers. This indemnity shall survive termination or expiration of this Agreement and/or final payment thereunder.

17. REVISIONS IN SCOPE OF WORK

By written notice or order, OMNITRANS may, from time to time, order work suspension or make changes to this Agreement. Changes in the Work shall be mutually agreed to and incorporated into an amendment to this Agreement. Upon execution of an amendment, CONTRACTOR shall perform the Work, as amended.

18. RIGHTS IN TECHNICAL DATA

A. No material or technical data prepared by CONTRACTOR under this Agreement is to be released by CONTRACTOR to any other person or entity except as necessary for the performance of the Work. All press releases or information concerning the Work that might appear in any publication or dissemination, including but not limited to, newspapers, magazines, and electronic media, shall first be authorized in writing by OMNITRANS.

B. The originals of all letters, documents, reports and other products and data produced under this Agreement shall become the property of OMNITRANS without restriction or limitation on their use and shall be made available upon request to OMNITRANS at any time. Original copies of such shall be delivered to OMNITRANS upon completion of the Work or termination of the Work. CONTRACTOR shall be permitted to retain copies of such items
for the furtherance of its technical proficiency; however, publication of this material is subject to the prior written approval of OMNITRANS. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

19. OWNERSHIP OF REPORTS AND DOCUMENTS

The originals of all letters, documents, reports and other products and data produced under this Agreement shall be delivered to, and become the sole and exclusive property of OMNITRANS. Copies may be made for CONTRACTOR’s records, but shall not be furnished to others without prior written authorization from OMNITRANS. Such deliverables shall be deemed works made for hire, and all rights in copyright therein shall be retained by OMNITRANS.

20. OWNERSHIP RIGHTS

A. In the event OMNITRANS rightfully obtains copies of Proprietary Data under the terms of the separate License Agreement and Escrow Agreement that govern rights in Documentation, Software and Intellectual Property created and/or developed by Contractor, its Third Party Software Contractors and its Suppliers as part of the Project, any derivative works and associated documentation created by or on behalf of OMNITRANS by Permitted Programmers (as defined in the License Agreement) shall be the sole and exclusive property of OMNITRANS (collectively, “OMNITRANS Intellectual Property”), and OMNITRANS may use, disclose and exercise dominion and full rights of ownership, in any manner in OMNITRANS Intellectual Property in connection with the use, operation and maintenance of a transportation system administered by OMNITRANS. No use of OMNITRANS Intellectual Property shall be made for any purpose other than in conjunction with a transportation system administered by CONTRACTOR, and OMNITRANS shall not sell, lease, rent, give away or otherwise disclose any OMNITRANS Intellectual Property to any outside third party other than Permitted Programmers. To the extent there may be any question of rights of ownership or use in any OMNITRANS Intellectual Property, Contractor shall require all of its subcontractors and suppliers (including without limitation its Third Party Software Contractors) to assign to OMNITRANS, all worldwide right, title and interest in and to all OMNITRANS Intellectual Property in a manner consistent with the foregoing terms of this paragraph. Contractor shall execute any documents as OMNITRANS may from time to time reasonably request to effectuate the terms of this paragraph.

B. All documentation and Software which predates this Contract and which otherwise owned by Contractor or its Third Party Software Contractors, and all Documentation and Software which is created by Contractor or its Third Party Software Contractors shall be Licensed Software or Licensed Documentation, as appropriate. AllLicensed Software and Licensed Documentation shall be governed by the License Agreement by and between the parties of event date herewith.
21. **WORK FOR HIRE**

Any work created or produced as a part of this Agreement that may be defined under Section 101, Title 17, USC will be considered “work for hire” as it pertains to ownership rights. CONTRACTOR, by his/her endorsement hereon agrees that all rights to any work(s) created or produced are waived, and that ownership rests with OMNITRANS. CONTRACTOR further agrees to ensure transfer of all rights to such work(s), as defined under federal copyright law, that may be created or produced under this Agreement by its suppliers, contractors or subcontractors.

22. **SUBMITTAL OF CLAIMS BY CONTRACTOR**

CONTRACTOR shall file any and all claims with OMNITRANS’ Project Manager in writing within thirty (30) days of the event or occurrence giving rise to the claim. The claim shall be in sufficient detail to enable OMNITRANS to ascertain the claim’s basis and amount, and shall describe the date, place and other pertinent circumstances of the event or occurrence giving rise to the claim and the indebtedness, obligation, injury, loss or damages allegedly incurred by CONTRACTOR.

Even though a claim may be filed and/or in review by OMNITRANS, CONTRACTOR shall continue to perform in accordance with this Agreement.

23. **EQUAL OPPORTUNITY**

CONTRACTOR shall not discriminate against, or grant preferential treatment to, any individual or group, or any employee or applicant for employment because of race, age, religion, color, ethnicity, sex, national origin, ancestry, physical disability, mental disability, political affiliation, sexual orientation, marital status or other status protected by law. CONTRACTOR shall take action to ensure that applicants and employees are treated without regard to the above.

24. **STANDARD OF PERFORMANCE**

A. CONTRACTOR shall perform and exercise, and require its subcontractors to perform and exercise due professional care and competence in the performance of the Work in accordance with the requirements of this Agreement. CONTRACTOR shall be responsible for the professional quality, technical accuracy, completeness and coordination of the Work, it being understood that OMNITRANS will be relying upon such professional quality, accuracy, completeness and coordination in utilizing the Work. The foregoing obligations and standards shall constitute the “Standard of Performance” for purposes of this Agreement. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.
B. All workers shall have sufficient skill and experience to perform the Work assigned to them. OMNITRANS shall have the right, at its sole discretion, to require the immediate removal of CONTRACTOR's personnel at any level assigned to the performance of the Work at no additional fee or cost to OMNITRANS, if OMNITRANS considers such removal in its best interests and requests such removal in writing and such request is not done for illegal reasons. Further, an employee who is removed from performing Work under this Agreement under this Article shall not be re-assigned to perform Work in any other capacity under this Agreement without OMNITRANS' prior written approval.

25. NOTIFICATION OF EMPLOYMENT OF OMNITRANS BOARD MEMBERS/ALTERNATES AND EMPLOYEES

To ensure compliance with OMNITRANS' Ethics Policy, CONTRACTOR shall provide written notice to OMNITRANS disclosing the identity of any individual who CONTRACTOR desires to employ or retain under a contract, and who (1) presently serves as a Board Member/Alternate or an employee of OMNITRANS, or (2) served as a Board Member/Alternate or an employee of OMNITRANS within the previous 12 months of the date of the proposed employment or retention by CONTRACTOR. CONTRACTOR's written notice shall indicate whether the individual will be an officer, principal or shareholder of the entity and/or will participate in the performance of this Agreement.

26. DISQUALIFYING POLITICAL CONTRIBUTIONS

In the event of a proposed amendment to this Agreement, CONTRACTOR shall provide prior to the execution of such amendment, a written statement disclosing any contribution(s) of $250 or more made by CONTRACTOR or its subcontractor(s) to Omnitrans Board Members/Alternates or employees within the preceding twelve (12) months of the date of the proposed amendment. Applicable contributions include those made by any agent/person/entity on behalf of CONTRACTOR or subcontractor(s).

27. COMPLIANCE WITH LAW

A. CONTRACTOR shall familiarize itself with and perform the Work required under this Agreement in conformity with requirements and standards of OMNITRANS, municipal and public agencies, public and private utilities, special districts, and railroad agencies whose facilities and work may be affected by Work under this Agreement. CONTRACTOR shall also comply with all Federal, state and local laws and ordinances.
B. Government regulations that directly affect the CONTRACTOR’S performance of this contract and unforeseen impacts, which neither party could have contemplated at the onset of the contract and have an unconscionable impact on the CONTRACTOR may be given special pricing consideration. The parties, in good faith, shall review established rates and may adopt any mutually agreed new rates, which shall only be effective as agreed upon by the parties. Thorough documentation including all cost elements is required to support the Contractor’s claim to any relief under this clause.

28. COMPLIANCE WITH LOBBYING POLICIES

A. CONTRACTOR agrees that if it is a Lobbyist Employer or if it has retained a Lobbying Firm or Lobbyist, as such terms are defined by OMNITRANS in its Ethics Policy, it shall comply or ensure that its Lobbying Firm and Lobbyist complies with OMNITRANS’ Ethics Policy.

B. If CONTRACTOR (Lobbyist Employer) or its Lobbying Firm or Lobbyist fails to comply, in whole or in part, with OMNITRANS’ Ethics Policy, such failure shall be considered a material breach of this Agreement and OMNITRANS shall have the right to immediately terminate or suspend this Agreement.

29. PUBLIC RECORDS ACT

A. All records, documents, drawings, plans, specifications and other material relating to conduct of OMNITRANS’ business, including materials submitted by CONTRACTOR in its proposal and during the course of performing the Work under this Agreement, shall become the exclusive property of OMNITRANS and may be deemed public records. Said materials may be subject to the provisions of the California Public Records Act. OMNITRANS’ use and disclosure of its records are governed by this Act.

B. OMNITRANS will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act, including interpretations of the Act or the definitions of trade secret, confidential or proprietary. OMNITRANS will accept materials clearly and prominently labeled "TRADE SECRET" or "CONFIDENTIAL" or "PROPRIETARY" as determined by CONTRACTOR. OMNITRANS will endeavor to notify CONTRACTOR of any request of the disclosure of such materials. Under no circumstances, however, will OMNITRANS be liable or responsible for the disclosure of any labeled materials whether the disclosure is required by law or a court order or occurs through inadvertence, mistake or negligence on the part of OMNITRANS or its officers, employees and/or contractors.
C. In the event of litigation concerning the disclosure of any material submitted by CONTRACTOR, OMNITRANS' sole involvement will be as a stakeholder, retaining the material until otherwise ordered by a court. CONTRACTOR, at its sole expense and risk, shall be responsible for prosecuting or defending any action concerning the materials, and shall defend, indemnify and hold OMNITRANS harmless from all costs and expenses, including attorneys' fees, in connection with such action.

30. WAIVER/INVALIDITY

No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach of the provision, or of any other breach of the provision of the Agreement. Failure of either party to enforce any provision of this Agreement at any time shall not be construed as a waiver of that provision.

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision.

31. FORCE MAJEURE

Performance of each and all CONTRACTOR's and OMNITRANS' covenants herein shall be subject to such delays as may occur without CONTRACTOR's or OMNITRANS' fault from acts of God, strikes, riots, or from other similar causes beyond CONTRACTOR's or OMNITRANS' control.

32. CONFIDENTIALITY

CONTRACTOR agrees that for and during the entire term of this Agreement, any information, data, figures, records, findings and the like received or generated by CONTRACTOR in the performance of this Agreement, shall be considered and kept as the private and privileged records of OMNITRANS and will not be divulged to any person, firm, corporation, or other entity except on the direct prior written authorization of OMNITRANS. Further, upon expiration or termination of this Agreement for any reason, CONTRACTOR agrees that it will continue to treat as private and privileged any information, data, figures, records, findings and the like, and will not release any such information to any person, firm, corporation or other entity, either by statement, deposition, or as a witness, except upon direct prior written authority of OMNITRANS.

33. CONTRACTOR’S INTERACTION WITH THE MEDIA AND THE PUBLIC

A. OMNITRANS shall review and approve in writing all OMNITRANS related copy proposed to be used by CONTRACTOR for advertising or public relations purposes prior to publication. CONTRACTOR shall not allow OMNITRANS related copy to be published in its advertisements and public relations programs prior to receiving such approval. CONTRACTOR shall ensure that all published information is factual and that it does not in any way imply that OMNITRANS endorses CONTRACTOR's firm, service, and/or product.
B. CONTRACTOR shall refer all inquiries from the news media to OMNITRANS, and shall comply with the procedures of OMNITRANS’ Public Affairs staff regarding statements to the media relating to this Agreement or the Work.

C. If CONTRACTOR receives a complaint from a citizen or the community, CONTRACTOR shall inform OMNITRANS as soon as possible and inform OMNITRANS of any action taken to alleviate the situation.

D. The provisions of this Article shall survive the termination or expiration of this Agreement.

34. GOVERNING LAW

The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be governed by the laws of the State of California, and the proper venue of any action brought hereunder is and shall be the County of San Bernardino, California.

35. MODIFICATIONS TO AGREEMENT

Unless specified otherwise in the Agreement, this Agreement may only be modified by written mutual consent evidenced by signatures of representatives authorized to enter into and modify the Agreement. In order to be effective, amendments may require prior approval by OMNITRANS’ Board of Directors, and in all instances require prior signature of an authorized representative of OMNITRANS.

36. LICENSING, PERMITS AND INSPECTION COSTS

A. The CONTRACTOR warrants that it has all necessary licenses and permits required by the laws of the United States, State of California, and the County of San Bernardino, the Local Jurisdictions, and all other appropriate governmental agencies, and agrees to maintain these licenses and permits in effect for the duration of the Agreement. Further, FIRM warrants that its employees, agents, contractors and subcontractors shall conduct themselves in compliance with such laws and licensure requirements including, without limitation, compliance with laws applicable to nondiscrimination, sexual harassment and ethical behavior throughout the duration of this Agreement. CONTRACTOR further warrants that it shall not retain or employ an unlicensed subcontractor to perform work on this Project. CONTRACTOR shall notify OMNITRANS immediately and in writing of its employees’, agents’, contractors’ or subcontractors’ inability to obtain or maintain, irrespective of the pendency of any appeal, any such licenses, permits, approvals, certificates, waivers, exemptions. Such inability shall be cause for termination of this Agreement.
B. CONTRACTOR shall procure all permits and licenses; pay all charges, assessments and fees, as may be required by the ordinances and regulations of the public agencies having jurisdiction over the areas in which the work is located, and shall comply with all the terms and conditions thereof and with all lawful orders and regulations of each such public agency relating to construction operations under the jurisdiction of such agency.

37. PRECEDENCE

Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence: (1) the provisions of this Agreement, and any and all of its Amendments, Appendices, Exhibits and Attachments; (2) provisions of RFQ-MKP19-35 and any and all of its Addenda, Appendices, Exhibits and Attachments; and (3) CONTRACTOR’s bid dated April 24, 2019 and its Appendices, Exhibits, Attachments.

38. ENTIRE AGREEMENT

This Agreement, and any attachments or documents incorporated herein by inclusion or by reference, constitutes the complete and entire agreement between OMNITRANS and CONTRACTOR and supersedes any prior representations, understandings, communications, commitments, agreements or proposals, oral or written.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date shown below, and effective on the date first hereinabove written.

SECTION 01 11 13
WORK COVERED BY THE CONTRACT DOCUMENTS

PART 1 - GENERAL

1.01 SUMMARY
A. This Section summarizes requirements and provisions for the Contractor’s execution of the Work under this Contract.

1.02 DESCRIPTION
A. The San Bernardino Transit Center (SBTC) Site Fence Modification Project includes but is not limited to:
   1. Site clearing in preparation of the Work
   2. Removal of existing fencing and concrete block
   3. Installation of new chain link fencing, welded wire mesh fencing, and tubular steel fencing
   4. Installation of new gates and drop rods
   5. Installation of new bollards
   6. Installation of new Knoxbox or equal

B. Refer to San Bernardino Transit Center (SBTC) Site Fence Modification Project Plans and Specifications for additional details of the Work. The general intent of the Contract, Specifications, Plans, and all other Contract Documents and provisions thereof is that the Contractor shall:
   1. Furnish all tools, qualified labor, materials, equipment, qualified superintendence and all services, other incidentals, assurances and guarantees, assumptions of risk, and responsibility for the performance of the Work as set forth in the Contract Documents.
   2. Begin Work promptly and proceed expeditiously and continuously without cessation or shutdown of Work unless otherwise specifically approved in writing by Omnitrans, or directed by the Contract Documents.
   3. Perform, complete, and make ready for its intended purpose, within the times specified, including additional times provided for certain conditions, the Work or parts thereof covered by the Contract, all in accordance with Plans, Specifications, and any addendum thereto and such direction or instructions as Omnitrans may give from time to time pursuant to the Contract Documents. The Contractor shall retain sole responsibility and expense for Quality Control of its Work products.
   4. Acknowledge that the Work of the Project requires that Omnitrans and all its Contractors maintain an active working railroad signal and highway warning system in accordance with Federal regulations and CPUC orders at all times. The Contractor shall integrate, coordinate, and stage the work in order to ensure that the
active railroad signal and roadway warning systems are maintained at all times.

1.03 INTENT OF PLANS AND SPECIFICATIONS

A. The intent of the Plans and Specifications is to prescribe the details for the construction and completion of the Work that the Contractor undertakes to perform in accordance with the terms of the Contract. Where the Plans or Specifications describe portions of the Work in general terms, but not in complete detail, it is understood that only commonly accepted industry practice may prevail. Unless otherwise specified, the Contractor shall perform all of the Work involved in executing the Contract in a satisfactory and workmanlike manner.

B. Omnitrans will determine whether the Work has been completed in accordance with the Contract, Plans, Specifications and other Contract Documents. Omnitrans will decide all questions that may arise as to the quality or acceptability of materials furnished and Work performed, and render final judgment regarding the interpretation of the Contract Documents.

C. Plans, Standard Specifications, Project specific Specifications and referenced specifications or standards are essential parts of the Contract Documents, and a requirement indicated in one is binding as though indicated in all.

D. Words and abbreviations that have well known technical or trade meanings are used in the Contract Documents in accordance with such recognized meanings.

   1. The word "Furnish" or the word "Install" or the word "Perform" or the word "Provide" or the word "Supply," or any combination or similar directive or usage thereof, shall mean furnishing and incorporating in the Work including all necessary labor, materials, equipment, and everything necessary to perform the Work indicated, unless specifically limited in the context used.

E. The organization of these Specifications into divisions, sections, parts, and paragraphs, and the arrangement of the Plans, shall not control the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade. Contractor shall examine and compare all of the Contract Documents and immediately report to Omnitrans any error, inconsistency, or omission that may be discovered. Contractor shall be liable to Omnitrans for any damage resulting from any such unreported errors, inconsistencies, or omissions in the Contract Documents.

   1. The Specifications may vary in form, format and style. Some specification sections are written in varying degrees of streamlined or declarative style and some sections may be relatively narrative by comparison. Omissions of such words and phrases as "the Contractor shall," "in conformity with," "as shown," or "as specified" are intentional in streamlined sections. Omitted words and phrases shall be supplied by inference. Similar types of provisions may appear in various parts of a section or articles within a part depending on the format of the section. The Contractor shall not take advantage of any variation of form, format or style in making claims for Extra Work.
2. The cross referencing of specification sections under the subparagraph heading "Related Requirements" and elsewhere within each specification section is provided as an aid and convenience to the Contractor. The Contractor shall not rely on the cross referencing provided and shall be responsible to coordinate the entire Work under the Contract Documents and provide a complete Project whether or not the cross referencing is provided in each section or whether or not the cross referencing is complete.

F. The Work herein covered is to be completed in accordance with the Specifications, the accompanying Plans, and such instructions or directions as Omnitrans may give to supplement Plans and Specifications. Wherever the words "directed," "permitted," "approved," "acceptable," "satisfactory to," or similar words or phrases occur in the Contract Documents, they shall be understood to be functions of Omnitrans.

G. Omnitrans shall not be responsible for and shall not have control or charge over the acts or omissions of the Contractor, Subcontractors, or any of their agents or employees, or any other persons performing any portion of the Work.

1.04 REFERENCE MATERIAL

A. Reference Specifications or Standards referred to in the Plans, Standard Specifications, or Project specific Specifications shall be the most recent version in effect as of the bid date of this Contract. Where referenced standards refer to the “Specifications,” this shall mean Standard Specifications, the Contract Plans, and the Project specific Specifications of this Contract. Where referenced standards refer to the “special provisions or conditions,” this shall mean the Contract Plans or the Specifications of this Contract. The Contractor is responsible for obtaining all reference material at its own expense, and for making itself familiar with all requirements therein.

PART 2 - PRODUCTS (NOT USED)

PART 3 - EXECUTION (NOT USED)

PART 4 - MEASUREMENT AND PAYMENT

A. Work of this Section is considered incidental to Work under other payment items and no separate measurement or payment will be made to the Contractor for Work of this Section.

END OF SECTION
PART 1 - GENERAL

1.1 SUMMARY

A. Furnish labor, materials, tools, equipment, and services for Concrete Materials and Proportioning, as indicated, in accordance with provisions of Contract Documents.

B. Coordinate with work of other trades.

1.2 QUALITY ASSURANCE

A. ASTM International (ASTM):

1. ASTM C33 Standard Specification for Concrete Aggregates
2. ASTM C39 Standard Test Method for Compressive Strength of Cylindrical Concrete Specimens
3. ASTM C94 Standard Specification for Ready-Mixed Concrete
4. ASTM C138 Standard Test Method for Density (Unit Weight), Yield, and Air Content (Gravimetric) of Concrete
5. ASTM C143 Standard Test Method for Slump of Hydraulic-Cement Concrete
8. ASTM C173 Standard Test Method for Air Content of Freshly Mixed Concrete by the Volumetric Method
9. ASTM C192 Standard Practice for Making and Curing Concrete Test Specimens in the Laboratory
10. ASTM C231 Standard Test Method for Air Content of Freshly Mixed Concrete by the Pressure Method
11. ASTM C260 Standard Specification for Air-Entraining Admixtures for Concrete
12. ASTM C311 Standard Test Methods for Sampling and Testing Fly Ash or Natural Pozzolans for Use in Portland-Cement Concrete
14. ASTM C496 Standard Test Method for Splitting Tensile Strength of Cylindrical Concrete Specimens
15. ASTM C567 Standard Test Method for Determining Density of Structural Lightweight Concrete
17. ASTM C618 Standard Specification for Coal Fly Ash and Raw or Calcined Natural Pozzolan for Use in Concrete
18. ASTM C989 Standard Specification for Slag Cement for Use in Concrete and Mortars
19. ASTM C1399 Standard Test Method for Obtaining Average Residual-Strength of Fiber-Reinforced Concrete
20. ASTM C1602 Standard Specification for Mixing Water Used in the Production of Hydraulic Cement Concrete

B. American Concrete Institute (ACI):
   1. Comply with applicable provisions of following ACI publications, latest edition, except as otherwise indicated.
   2. ACI 301 Specifications for Structural Concrete for Buildings.

C. Concrete Mixture Proportioning:
   1. Employ and pay for testing agency acceptable to Architect and Omnitrans to perform materials evaluation, testing and design of concrete mixes.
   2. Certificates, signed by material producer and Contractor, may be submitted in lieu of material testing when approved by Architect.

D. Concrete Testing:
   1. Contractor to assist with related communication and temporary storage of test cylinders at jobsite.

1.3 SUBMITTALS
   A. Product Data:
      1. Concrete Mix Designs:
         a. Submit each Mix Design individually.
         b. Do not combine multiple mix designs into a single submittal.
         c. Submit following data for each concrete mix proposed:
            1) Intended use
            2) Proportions of materials
            3) Slump
            4) Air content
            5) 7-day and 28-day compression test results of trial mixes or those used for standard deviation analysis of an established mix.
PART 2 - PRODUCTS

2.1 MATERIALS

A. Normal Weight Concrete:
   1. Concrete for which density is not a controlled attribute.
   2. Materials used in production must be of same quality, properties and proportion as indicated in approved concrete mix design as approved by Architect.

B. Cement:
   1. Portland cement conforming to ASTM C150 or blended cements conforming to ASTM C595.
   2. Color: Natural gray.

C. Aggregates:
   1. General:
      a. Regard fine and coarse aggregates as separate ingredients.
      b. Each size of coarse aggregate, as well as combination of sizes when two or more are used, shall conform to grading requirements of applicable ASTM specifications.
   2. Normal Weight Concrete:
      a. ASTM C33, also aggregate shall be obtained from a source approved by the State Highway Department for use in concrete for state bridges.

D. Potable Water:
   1. Conforming to ASTM C1602.

PART 3 - EXECUTION (NOT USED)

PART 4 - MEASUREMENT AND PAYMENT

A. Work of this Section is considered incidental to work under other payment items and no separate measurement and payment will be made to the Contractor for Work of this Section. Work of this Section shall include furnishing all labor, materials, tools, equipment, supplies, supervision and incidentals necessary as described by the Contract Documents.

END OF SECTION
SECTION 03 31 10
CONCRETE MIXING, PLACING, JOINTING, AND CURING

PART 1 - GENERAL

1.1 SUMMARY
A. Furnish all labor, materials, tools, equipment, and services for Concrete Mixing, Placing, Jointing and Curing as indicated, in accordance with provisions of Contract Documents.
B. Coordinate with work of other trades.

1.2 QUALITY ASSURANCE
A. Materials standards:
   5. ASTM D1752: Standard specification for Preformed Sponge Rubber and Cork and Recycled PVC Expansion Joint Fillers for Concrete Paving and Structural Construction.
   6. ASTM E1643 Standard Practice for Installation of Water Vapor Retarders Used in Contact with Earth or Granular Fill Under Concrete Slabs.
   7. ASTM E1745 Specification for Water Vapor Retarders Used in Contact with Soil or Granular Fill under Concrete Slabs
B. Production standards:
   2. ASTM C138 Standard Test Method for Density (Unit Weight), Yield, and Air Content (Gravimetric) of Concrete.
   4. ACI 305.1: Hot Weather Concreting
   5. ACI 306.1: Cold Weather Concreting
1.3 SUBMITTALS

A. Shop drawings:
   1. Placement plans: Indicate proposed placement sequence.
   2. Screeding and finishing plan.
   3. Show positive drainage away from posts.

PART 2 - PRODUCTS

2.1 MATERIALS

A. Concrete materials and proportioning: See Section 03 31 00.

PART 3 - EXECUTION

3.1 MIXING AND PRODUCTION OF CONCRETE

A. Batch, mix and transport ready-mixed concrete in accord with ASTM C94.
   1. Plant equipment and facilities shall conform to Check List for Certification of Ready Mixed Concrete Production Facilities of National Ready Mixed Concrete Association.

B. Site batched and mixed concrete will be permitted only after ability to control quality has been demonstrated to satisfaction of Architect.

3.2 MIXING - TEMPERING AND CONTROL OF MIXING WATER

A. Mix concrete only in quantities for immediate use. Discard concrete which has set.

B. When concrete arrives at project with slump below that suitable for placing, water may be added only if neither maximum permissible water-cement ratio nor maximum slump is exceeded.
   1. Incorporate water by additional mixing equal to at least half of total mixing required.
   2. Do not add water after discharge commences

3.3 MIXING - WEATHER CONDITIONS

A. Cold weather:
   1. Comply with ACI 306.
   2. If water or aggregate is heated above 100 degF, combine water with aggregate in mixer before cement is added.
      a. Do not mix cement with water or with mixtures of water and aggregate having a temperature greater than 100 degF.
      b. Final temperature of combined mix shall not exceed 90 degF or be high enough to cause flash set or loss of slump or workability.
B. Hot weather:
   1. Comply with ACI 305 if high temperature, low slump, flash set, or cold joints are encountered.
   2. Cool ingredients before mixing, or add flake ice or well-crushed ice of a size that will melt completely during mixing for all or part of mixing water. Account for water contribution by ice when calculating the quantity if mixing water and insure that specified W/C ration is not exceeded.

3.4 PREPARATION BEFORE PLACING
A. Equipment:
   1. Remove hardened concrete and foreign material from inner surfaces of conveying equipment.
   2. In cold weather, have protective blankets ready and heaters operational and in-place before placing concrete.
B. Forms:
   1. Complete formwork: Remove, water and foreign material; secure reinforcement in place, position expansion joint material, anchors, and other embedded items and have entire preparation inspected prior to concrete placement.
   2. In hot weather when temperature of reinforcing or forms is greater than 120 degF spray forms and reinforcement with water just prior to placing concrete.

3.5 PROTECTION
A. Unless adequate protection is provided and approval is obtained, do not place concrete when temperature is below freezing or during rain, sleet or snow.
B. Do not allow rainwater to increase mixing water nor to damage surface finish.
C. Concrete damaged by rain or weather and judged defective by Architect shall be removed and replaced by Contractor at no additional cost to Omnitrans or corrected by procedures listed in Section “Acceptance or Rejection of Cast-in-Place Concrete”.

3.6 CONVEYING
A. Handle concrete from mixer to place of final deposit as rapidly as practicable by methods which prevent segregation or loss of ingredients and assure that quality is maintained.

3.7 DEPOSITING IN FORMS
A. Do not subject concrete to procedure which will cause segregation.
B. Concrete shall not drop more than 6 FT unless approved by the Architect/Engineer. For greater heights, provide special mix design, chutes, spouts, tremies, or other approved method.
C. Consolidation:

1. Consolidate concrete by vibration, so that concrete is thoroughly worked around reinforcement, around embedded items eliminating air or stone pockets which may cause honeycombing, pitting, or planes of weakness.

3.8 CURING AND PROTECTION

A. Work includes: Beginning immediately after placement, protect concrete from premature drying, hot or cold temperatures, and mechanical injury, and maintain with minimal moisture loss at relatively constant temperature for period necessary for hydration and hardening of concrete. Materials and methods of curing subject to approval.

B. Temperature, wind and humidity:

1. Cold weather:
   a. When mean daily outdoor temperature is less than 40 degF maintain temperature of concrete between 50 and 70 degF for required curing period.
   b. When necessary make arrangements for heating, covering, insulating, or housing concrete work adequate to maintain required temperature without injury.
   c. Do not use combustion heaters during first 24 hours unless precautions are taken to prevent exposure of concrete to exhaust gases which contain carbon dioxide.

2. Hot weather:
   a. When necessary make provision for windbreaks, shading, fog spraying, sprinkling, ponding, or wet covering with a light colored material.
   b. Take such protective measures as quickly as concrete hardening and finishing operations will allow.

3. Rate of temperature change:
   a. Keep changes in temperature of air immediately adjacent to concrete during and immediately following curing period as uniform as possible.
   b. Do not exceed 5 degF in any 1 hour or 50 degF in any 24-hour period.

C. Protection from mechanical injury:

1. During curing period, protect concrete from damaging mechanical disturbances, such as load stresses, heavy shock, and excessive vibration.

2. Protect finished concrete surfaces from damage by construction equipment, materials, or methods, and by rain or running water.

3. Do not load self-supporting structures in such a way as to overstress concrete.
PART 4 - MEASUREMENT AND PAYMENT

A. Work of this Section is considered incidental to work under other payment items and no separate measurement and payment will be made to the Contractor for Work of this Section. Work of this section shall include furnishing all labor, materials, tools, equipment, supplies, supervision, and incidentals necessary as described by the Contract Documents.

END OF SECTION
SECTION 08 71 00
GATE HARDWARE

PART 1 - GENERAL

1.1 RELATED DOCUMENTS
A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and Division 1 Specification Sections, apply to this Section.
B. Coordinate with work of other trades.

1.2 SUMMARY
A. This Section includes ancillary commercial gate hardware for the following:
   1. Swinging pedestrian gates
   2. Swinging driveway gates
   4. Other gates to the extent indicated.
B. Gate hardware includes, but is not necessarily limited to, the following:
   1. Padlocks
   2. Knoxbox, Key storage box for gate padlocks
C. Related Sections:
   1. Section 32 31 16 Welded Wire Fences and Gates.
D. Codes and References: Comply with the version year adopted by the Authority Having Jurisdiction.
   4. State Building Codes, Local Amendments.
E. Standards: All hardware specified herein shall comply with the following industry standards:
   1. ANSI/BHMA Certified Product Standards - A156 Series

1.3 SUBMITTALS
A. Product Data: Manufacturer's product data sheets including installation details, material descriptions, dimensions of individual components and profiles, operational descriptions and finishes.
B. Gate Hardware Schedule: Prepared by or under the supervision of supplier, detailing
fabrication and assembly of gate hardware, as well as procedures and diagrams. Coordinate the final Gate Hardware Schedule with gates, and related work to ensure proper size, function, and finish of gate hardware.

1. Format to clearly layout hardware for each gate location and type to the satisfaction of Omnitrans.

2. Organization: Organize the Gate Hardware Schedule into gate hardware sets indicating complete designations of every item required for each gate location. Organize Gate hardware sets in same order as in the Gate Schedule located on the plans, that do not follow the same format and order as the Gate Hardware Sets will be rejected and subject to resubmission.

3. Content: Include the following information:
   a. Type, style, function, size, and finish of each gate hardware item.
   b. Manufacturer of each item.
   c. Fastenings and other pertinent information.
   d. Location of gate hardware set, cross-referenced to Drawings on civil plan.
   e. Explanation of abbreviations, symbols, and codes contained in schedule.
   f. Mounting locations for gate hardware.

C. Gate installation layout drawing showing gate location, drop rod locations and drop rod layout for both open and closed conditions

D. Knoxbox type, finish and shop Drawings: Include location of installation at each gate for approval.

E. Operating and Maintenance Manuals: Provide manufacturers operating and maintenance manuals for each item comprising the complete gate hardware installation. The manual to include the name, address, and contact information of the manufacturers providing the hardware and their nearest service representatives. The final copies delivered after completion of the installation test to include "as built" modifications made during installation, checkout, and acceptance.

F. Warranties and Maintenance: Special warranties and maintenance agreements specified in this Section.

1.4 QUALITY ASSURANCE

A. Source Limitations: Obtain each type and variety of Gate Hardware specified in this Section from a single source, qualified supplier unless otherwise indicated.
   1. Enhancements made to a source manufacturer's product line by a secondary or third party source will not be accepted.
   2. Provide gate hardware from the same manufacturer as mechanical gate hardware, unless otherwise indicated.

B. Regulatory Requirements: Comply with, NFPA 80, NFPA 101 and ANSI A117.1
requirements and guidelines as directed in the model building code including, but not limited to, the following:

1. Where indicated to comply with accessibility requirements, comply with Americans with Disabilities Act (ADA), "Accessibility Guidelines for Buildings and Facilities (ADAAG)," ANSI A117.1 as follows:

2. NFPA 101: Comply with the following for means of egress doors:
   a. Latches, Locks, and Exit Devices: Not more than 15 lbf to release the latch.

C. At completion of installation, provide written documentation that components were applied to manufacturer's instructions and recommendations and according to approved schedule.

1.5 DELIVERY, STORAGE, AND HANDLING

A. Inventory gate hardware on receipt and provide secure lock-up and shelving for gate hardware delivered to Project site.

B. Tag each item or package separately with identification related to the final Gate Hardware Schedule, and include basic installation instructions with each item or package.

C. Deliver, as applicable, permanent keys, and related accessories directly to Omnitrans.

1.6 WARRANTY

A. General Warranty: Attachment G – General Provisions warranties specified in this Article shall not deprive Omnitrans of other rights Omnitrans may have under other provisions of the Contract Documents and shall be in addition to, and run concurrent with, other warranties made by Contractor under requirements of the Contract Documents.

B. Warranty Period: Written warranty, executed by manufacturer(s), agreeing to repair or replace components of standard and electrified gate hardware that fails in materials or workmanship within specified warranty period after final acceptance by Omnitrans. Failures include, but are not limited to, the following:
   1. Faulty operation of the hardware.
   2. Deterioration of metals, metal finishes, and other materials beyond normal weathering.

C. Standard Warranty Period: One year from date of Acceptance, unless otherwise indicated.

1.7 MAINTENANCE SERVICE

A. Continuing Service: Beginning at Acceptance, and running concurrent with the specified warranty period, provide continuous (6) months full maintenance including repair and replacement of worn or defective components, lubrication, cleaning, and adjusting as required for proper door opening operation. Provide parts and supplies as used in the manufacture and installation of original products.
PART 2 - PRODUCTS

2.1 PADLOCKS
   1. Basis of Design:
      a. MASTER LOCK 6125
      b. Or approved equal with similar characteristic-
   2. Lock to be accessible from both sides of gate

2.2 KNOXBOX
A. Knoxbox: KnoxBox 3200 bolted surface mount with hinged door, 1/4” plate steel housing, 1/2” thick steel door with interior gasket seal and stainless steel door hinge. Box and lock UL Listed. Lock has 1/8” thick stainless steel dust cover with tamper seal mounting capability, or approved equal.
   B. Surface mounted on pole per manufacturers specifications
   C. Color to match mounting surface.

2.3 FINISHES
A. Standard: Designations used in the Gate Hardware Sets and elsewhere indicate hardware finishes complying with ANSI/BHMA A156.18, including coordination with traditional U.S. finishes indicated by certain manufacturers for their products.
   B. Provide quality of finish, including thickness of plating or coating (if any), composition, hardness, and other qualities complying with manufacturer's standards, but in no case less than specified by referenced standards for the applicable units of hardware.
   C. Protect mechanical finishes on exposed surfaces from damage by applying a strippable, temporary protective covering before shipping.

PART 3 - EXECUTION

3.1 EXAMINATION
A. Verify that site has been prepared according to the design intent indicated, and that it is ready for hardware installation to commence.

3.2 INSTALLATION
A. Install each item of mechanical hardware to comply with manufacturer's written instructions and according to specifications.
   B. Mounting Heights: Mount Knoxbox units at 42” from finished surface unless otherwise indicated.
C. Storage: Provide a secure lock up for hardware delivered to the project but not yet installed. Control the handling and installation of hardware items so that the completion of the work will not be delayed by hardware losses before and after installation.

3.3 FIELD QUALITY CONTROL

A. Field Inspection: Supplier will perform a final inspection of installed door hardware and state in report whether work complies with or deviates from requirements, including whether door hardware is properly installed, operating and adjusted.

3.4 ADJUSTING

A. Initial Adjustment: Adjust and check each operating item of gate hardware and each gate to ensure proper operation or function of every unit. Replace units that cannot be adjusted to operate as intended. Adjust gate control devices to compensate for final operation and to comply with referenced accessibility requirements.

3.5 CLEANING AND PROTECTION

A. Protect all hardware stored on construction site in a covered and dry place. Protect exposed hardware installed on gates during the construction phase. Install any and all hardware at the latest possible time frame.

B. Clean adjacent surfaces soiled by gate hardware installation.

C. Clean operating items as necessary to restore proper finish and provide final protection and maintain conditions that ensure gate hardware is without damage or deterioration at time of Omnitrans occupancy.

3.6 DEMONSTRATION

A. Instruct Omnitrans' maintenance personnel to adjust, operate, and maintain mechanical gate hardware.

PART 4 - MEASUREMENT AND PAYMENT

A. Padlocks and keys are considered incidental to work under other payment items and no separate measurement and payment will be made to the Contractor for Work of this Section.

B. Measurement for KNOXBOX will be for each key storage box. Payment for KNOXBOX shall include furnishing all transportation, labor, equipment (including welding equipment), disposal, incidentals and materials including welding materials, and any other work necessary as specified and shown.

C. No separate measurement and payment will be made for any other work covered by this Section. The cost of any other work shall be considered incidental.

END OF SECTION
SECTION 31 11 00
SITE PREPARATION

PART 1 - GENERAL

1.1 SUMMARY
   A. Section Includes:
      1. Site clearing and grubbing of trees, stumps, undergrowth, brush, trash, grass, weeds, roots, rubbish, refuse, or other debris, modifying irrigation systems, stripping of topsoil and protecting trees within the limits of excavation, embankment, borrow, and other areas as shown on the Contract Plans or required to perform the Work of this Contract.
   B. Related Specification Sections include but are not necessarily limited to:
      1. Division 01 - General Requirements.
      2. Section 31 11 50 - Demolition, Cutting, and Patching

1.2 ENVIRONMENTAL CONDITIONS
   A. Burial of site clearing materials will not be allowed.
   B. The Contractor must take possession of material and debris collected from site clearing procedures and shall be responsible for disposing of them in accordance with these Specifications, any project permits, and applicable laws and regulations in accordance with Division 01 requirements.
   C. Contractor shall provide noise abatement in accordance with Division 01 requirements.
   D. Site cleanliness, sweeping and dust control shall be in accordance with Division 01 requirements.

PART 2 - PRODUCTS - (NOT APPLICABLE TO THIS SECTION)

PART 3 - EXECUTION

3.1 PREPARATION
   A. Protect existing trees, other vegetation, and existing site improvements on Omnitrans’ or adjacent property that are to remain.
      1. Do not smother trees by stockpiling construction materials or excavated materials within drip line.
      2. Avoid foot or vehicular traffic or parking of vehicles within drip line of trees or shrubs.
   B. Repair or replace trees, vegetation, and existing site improvements including modifying irrigation systems that are to remain that are damaged by construction operations.
      1. Repair of damaged trees and shrubs to be performed by a certified arborist or tree surgeon.
2. Remove trees that are damaged to the extent that a certified arborist or tree surgeon determines cannot be repaired and restored to full-growth status.
   a. Replace with new trees of minimum 4 IN caliper.
3. Damaged vegetation shall be replaced in-kind as approved by the Engineer.
4. Existing site improvements will be repaired or replaced as approved by the Engineer.
   C. Within the limits of clearing, all stumps, roots, root mats, logs, debris and other objectionable material shall be removed.

3.2 CLEAN-UP
   A. Remove and dispose of barricades, coverings or other protections used to prevent damage to existing vegetation or improvements upon clean-up of the Work.

3.3 ACCEPTANCE
   A. Upon completion of the site clearing, obtain Omnitrans’ written acceptance of the extent of clearing, depth of stripping, and removal of deleterious material.

PART 4 - MEASUREMENT AND PAYMENT
   A. Site Clearing (clearing and grubbing) will be measured by lump sum. The Contract Lump Sum Price shall include full compensation for furnishing all labor, materials, fees, tools, equipment, and incidentals for doing all work involved in clearing and grubbing, removals, disposal of materials at a legal dump site (see 1.2, C above), and other incidental site clearing activities as shown on the plans, and as specified in these Specifications.
   B. The Contract Lump Sum Price for Site Clearing shall include full compensation for preparing and gaining approval of the Site Clearing Plan.

END OF SECTION
PART 1 - GENERAL

1.1 SUMMARY

A. Section Includes but is not limited to:
   1. Demolition, removal and disposal, cutting and patching of existing construction, surface or subsurface, where shown on Plans, or as required to accommodate new work shown or specified; including backfilling of excavations and depressions to restore the Work Site to final grade.
   2. Removal and staging of existing rental fence as shown on the contract plans or required to perform the Work of this Contract.
   3. Demolition and removal of existing minor structures (bollards) as shown on the Contract Plans or required to perform the Work of this Contract.

B. Related Specification Sections include but are not necessarily limited to:
   1. Division 01 - General Requirements
   2. Section 31 11 00 - Site Preparation
   3. Section 31 22 00 – Site Excavation

1.2 SUBMITTALS

A. General
   1. Submittals shall be made in accordance with requirements.

B. Contractor shall provide copies of notices, permits, certifications and authorizations:
   1. Copies of permits as required by project environmental documents, federal, state or local agency in accordance with requirements.
   2. Private Property Owner’s Release for material removed from Omnitrans’ project site and deposited on private property.
      a. Releases shall absolve Omnitrans and its member agencies from any and all responsibility in connection with the disposal of materials on private property.
      b. Releases shall be signed by the owner(s) of the property on which the material will be deposited.
      c. Two copies of the releases shall be submitted to Omnitrans for approval a minimum of 15 days prior to the start of material being deposited on private property.
   3. Disposal Certification for materials removed from Job Site indicating they have been disposed of in accordance with applicable laws and regulations.
C. Contractor shall provide material certification:
   1. Indicating manufacturer and type of proposed nonshrink grout and/or epoxy bonding adhesive for patching or repairs to existing concrete structure to remain.

1.3 DELIVERY, STORAGE, AND HANDLING
A. Demolished Materials:
   1. Contractor shall take possession of all demolished materials.
   2. Contractor shall be responsible for disposing of demolished materials in accordance with applicable federal, state and local laws and regulations in accordance with Division 01 requirements.

B. Environmental Requirements:
   1. Cleanliness, Sweeping and Dust Control shall be maintained in accordance with Division 01 requirements.
   2. Contractor will provide noise abatement as required by environmental permits or local agency requirements in accordance with Division 01 requirements.

1.4 SEQUENCING AND SCHEDULING
A. Coordinate and reschedule work as required to avoid interference with other operations of Omnitrans, as identified in the Construction Documents or in accepted schedule of site demolition, cutting and patching.

PART 2 - PRODUCTS

2.1 MATERIALS
A. Nonshrink Grout:
   1. Nonmetallic, noncorrosive and nonstaining.
   2. Premixed with only water to be added in accordance with manufacturer's instructions at jobsite.
   3. Grout to produce a positive but controlled expansion. Mass expansion not to be created by gas liberation or by other means.
   4. Minimum compressive strength at 28 days to be 2500 psi.
   5. Coat exposed edges of grout with a cure/seal compound recommended by grout manufacturer.

B. Epoxy Bonding Adhesive:
   1. Two component, moisture insensitive adhesive manufactured for the purpose of bonding fresh concrete to hardened concrete.

C. Other Temporary or Permanent Material:
   1. Other temporary or permanent Material shall be provided by the Contractor for proper execution of work in this Section.
PART 3 - EXECUTION

3.1 GENERAL

A. No party other than the Contactor shall remove demolished material from Omnitrans property.

B. Contractor shall perform the demolition, removal, salvage, cutting and patching (including handling of demolished debris) in accordance with the Contract Plans, Project Specifications.

C. Remove Existing Rental Chain Link Fencing:
   1. Damage to fencing which is to remain in place shall be repaired to a condition satisfactory to the Engineer, or the damaged fence shall be removed and replaced with new fencing if ordered by the Engineer. Repairing or removing and replacing fencing damaged outside the limits shown in the plans shall be at the Contractor's expense and no compensation will be provided thereof.

D. All demolition materials shall be removed to a legal disposal site. The roadway and adjacent areas shall be left with a neat and finished appearance.

3.2 EXISTING STRUCTURES AND RELATED FACILITIES

A. Where demolition is indicated, remove and dispose of:
   1. Temporary Fencing:
      a. Coordinate temporary fence removal with maintaining temporary and permanent site security.
      b. Existing fence removal shall to be done to the nearest post to provide clean removal limits.
   2. Temporary fences when no longer required to protect and secure the construction site.
   3. Structures in their entirety or portions to be demolished as indicated in the Plans.
      a. Exposed remaining concrete faces shall be saw cut to neat lines or finished with epoxy binder and non-shrink grout.
      b. Concrete shall be removed as required, and any remaining concrete to be utilized in the finished work or left as an existing structure shall be protected from damage and finished with epoxy binder and non-shrink grout or as indicated in the Plans.
   4. Removal and disposal shall be in accordance with these Specifications and the submitted and approved site demolition plan.

B. Contractor shall replace or repair, at no expense to Omnitrans, any existing structure or portion of existing structure or related facility designated to remain that is damaged during removal of the portions designated for demolition.

3.3 UTILITIES

A. Contractor shall protect in place all existing utilities, either shown or not shown on the plans.
3.4 BACKFILL OF DEMOLITION EXCAVATIONS
   A. Any shoring used for support of demolition excavations shall be removed.
   B. Excavations created by demolition activities shall be backfilled and compacted.

3.5 CLEANING OF RIGHT-OF-WAY
   A. The Contractor shall, upon completion of the work to be performed within the right-of-
      way and/or properties of the Railroad and adjacent to its tracks, wire lines and other
      facilities, promptly remove from the Railroad right-of-way all Contractor’s tools,
      implements and other materials whether brought upon the right-of-way by the Contractor
      or any subcontractors employee or agent of Contractor or of any subcontractor, and leave
      the right-of-way in a clean and presentable condition to the satisfaction of the Railroad.

PART 4 - MEASUREMENT AND PAYMENT

4.1 MEASUREMENT
   A. The BID ITEMS listed below will be measured in accordance with the Contract
      Documents and as measured by the Engineer, furnished and completed in accordance
      with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item
      List.
      1. REMOVE EXISTING FENCE
      2. REMOVE AND DISPOSE EXISTING CONCRETE BLOCK – Identified on
         Drawing No. FE0004
      3. REMOVE AND DISPOSE EXISTING CONCRETE BLOCK – Location circled on
         Drawing No. FE0004

4.2 PAYMENT
   A. The BID ITEMS listed below furnished and completed in accordance with the Contract
      Documents will be paid at the Contract Price, as listed on the Bid Item List. This price
      shall include full compensation for furnishing all labor, materials, tools, equipment,
      supplies, supervision, incidentals, contractor’s overhead and profit, and doing the work,
      as shown on the Plans, and as specified in these Specifications, and as directed by the
      Engineer.
      1. REMOVE EXISTING FENCE
      2. REMOVE AND DISPOSE EXISTING CONCRETE BLOCK – Identified on
         Drawing No. FE0004
      3. REMOVE AND DISPOSE EXISTING CONCRETE BLOCK – Location circled on
         Drawing No. FE0004

END OF SECTION
PART 1 - GENERAL

1.1 DESCRIPTION

A. Definitions:
   1. Unsuitable material: Debris and/or soil material judged unsuitable by Engineer for support of slabs or other site improvements.

1.2 EXTRA WORK

A. Removal and replacement of unsuitable material below design elevations will be paid for as extra work.
   1. Notify Omnitran’s agent in time to have Engineer measure and record quantity removed.
   2. Recorded quantity will be basis for payment.
   3. Include unit price per cubic yard on Bid Form.

1.3 QUALITY ASSURANCE

A. Compaction density test:

B. Layout work by Surveyor or Civil Engineer registered in the State of California, as required.

1.4 JOB CONDITIONS

A. Protect existing facilities, utilities (overhead and underground), sidewalks, pavement.
   1. Repair damaged items.
   2. Notify Omnitrans and make emergency repair as directed.

B. Protect graded areas against erosion.
   1. Re-establish grade where settlement or washing occurs at no extra cost

PART 2 - PRODUCTS

2.1 MATERIALS

A. Surplus material:
   1. Remove from site.
PART 3 - EXECUTION

3.1 PREPARATION
   A. Layout units, gates, fencing, and bollards and establish their elevations.
   B. Perform other layout work required.
   C. Replace property corner markers to original location if disturbed or destroyed.

3.2 GENERAL
   A. Excavate for miscellaneous posts, bollards, and other structures.
   B. Maintain ditches and drains to provide drainage.
   C. Provide pumping if required.
   D. Do not fill under footings. If excavation is deeper than necessary, fill with concrete of same strength as footing concrete.
   E. Remove unsuitable materials which cannot be compacted as specified and replace with suitable material.
      1. Dispose material on site as directed.
      2. Dispose material off site as directed.
   F. Remove materials unsuitable to receive fill and replace with suitable material.

PART 4 - MEASUREMENT AND PAYMENT
   A. Work of this Section is considered incidental to work under other payment items and no separate measurement and payment will be made to the Contractor for Work of this Section. Work of this section shall include furnishing all labor, materials, tools, equipment, supplies, supervision, and incidentals necessary as described by the Contract Documents.

END OF SECTION
PART 1 - GENERAL

1.01 SUMMARY

A. This Work includes furnishing all materials and labor Chain link fencing and gates including the chain-link fence fabric and posts, concrete for post bases, rails, ties, bands, bars, rods and other fittings and hardware designed to support the fabric in a vertical, taut position, as indicated, in accordance with provisions of Contract Documents.

1.02 RELATED WORK

A. Related Specification Sections include but are not necessarily limited to:
   1. Division 01 - General Requirements
   2. Division 03 – Concrete
   3. Section 03 31 00 - Concrete Materials and Proportioning

B. Contractor shall coordinate with work of other trades.

1.03 REFERENCES

A. ASTM International (ASTM):
   4. A500, Standard Specification for Cold-Formed Welded and Seamless Carbon Steel Structural Tubing in Rounds and Shapes
   5. A501, Standard Specification for Hot-Formed Welded and Seamless Carbon Steel Structural Tubing

B. American Welding Society (AWS)
C. Chain Link Manufacturer's Institute for "Galvanized Steel Chain Link Fence Fabric and Accessories."
D. Metrolink Engineering Standards ES5106, Right of Way Fencing, Chain Link Fence

1.04 SUBMITTALS

A. Product Data: Material descriptions, construction details, dimension of individual components and profiles, and finishes for the following:
   1. Fence and gate posts, rails, and fittings.
   2. Gates and hardware, including Drop Rods and locks.

B. Shop Drawings: Show locations of fence, each gate, posts, rails, and details of gate swing, or other operation, hardware, and accessories. Indicate materials, dimensions, sizes, weights, and finishes of components. Include plans, elevations, sections, gate swing and other required installation and operational clearances, and details of post anchorage, attachment and bracing. Installation procedures and instructions by manufacturer describing all details for a typical fence and gates.
   1. Large scale Plans, Elevations, Sections, and Details showing extent of fencing required.
   2. Locate hardware mounting plates, and show detail for both the open and closed position

C. Contract Closeout Information:
   1. Maintenance data
   2. Warranty data

1.05 QUALITY ASSURANCE

A. Qualifications:
   1. Installer shall have a minimum two (2) years’ experience installing similar fencing.
   2. Utilize only AWS certified welders

B. Construct fence within reasonable close conformity to lines and grades shown on the Plans, matching existing fencing and at other locations as directed by the Resident Engineer.
C. Obtain the services of fencing manufacturer’s field representative to provide advice and assistance on the installation of the fence.

D. Source Limitations for Fences and Gates: obtain each color, grade, finish, type, and variety of components for fences and gates from one source with resources to provide fences and gates of consistent quality in appearance and physical properties.

E. Emergency Access Requirements: comply with requirements of authorities having jurisdiction for gates serving as a required means of access.

1.06 DELIVERY, STORAGE, AND HANDLING

A. All materials shall be checked to ensure that no damage occurred during shipping or handling.

B. Materials shall be stored in such a manner to ensure proper ventilation and drainage, and to protect against damage, weather, vandalism, and theft.

PART 2 - PRODUCTS

2.01 COMPONENTS

A. Components for Chain Link Fencing shall conform to the Metrolink Engineering Standards ES5106, Right of Way Fencing, Chain Link Fence and these Specifications.

B. Chain Link Fabric:
   1. Fabric type:
      a. ASTM A392 zinc-coated steel:
         1) Coated before weaving, 2.0 OZ/SQ FT.
      2. Wire gage shall be 11 GA for fences 6 FT-0 IN and less and 9 GA for fences over 6 FT-0 IN in accordance with the Project Plans or as determined by the Resident Engineer based on field conditions in accordance with SCRRA Engineering Standards ES5106.
      3. Mesh size shall be 1 IN.
   4. Selvage treatment:
      a. Top: Knuckled
      b. Bottom: Knuckled

C. Concrete:
   1. Minimum cement content shall be 564 LBS/CU YD.
   2. Minimum 28-day compressive strength shall be 2,500 LBS/SQ IN.
   3. Concrete shall be supplied and tested in accordance with Section 03 31 00.

D. Line Post:
   1. ASTM F1083 pipe:
MKP19-35
SBTC SITE FENCE MOD PROJECT

a. Table 1, Schedule 40, regular grade, in sizes as specified on SCERRA Engineering Standards ES5106.

E. Corner or Terminal Posts:
   1. ASTM F1083 pipe:
      a. Table 1, Schedule 40, regular grade, in sizes as specified on SCERRA Engineering Standards ES5106.

F. Brace and Rails:
   1. ASTM F1083 pipe:
      a. Table 1, Schedule 40, regular grade, in sizes as specified on SCERRA Engineering Standards ES5106.

G. Tension Wire and bars:
   1. Top and bottom of fabric:
      a. ASTM A824, galvanized steel, Class 3.
      b. Minimum 7 GA galvanized coil spring steel wire.
   2. Tension bars used in fastening fabric to end and corner posts and gate frames:
      a. ASTM A500 or A501, minimum 3/16 IN x 3/4 IN galvanized high carbon steel bars.

H. Fence Fittings (Post and Line Caps, Rail and Brace Ends, Sleeves-Top Rail, Tie Wires and Clips, Tension and Brace Bands, Tension Bars, Truss Rods):
   1. ASTM F626.
   2. Tie wires shall not be smaller than 11 gage galvanized steel, 6 GA aluminum wire or approved noncorrosive bands.
   3. Truss or tension rods shall be adjustable 3/8 IN DIA. galvanized steel rod.
      a. Adjustable galvanized turnbuckles or other suitable tightening devices shall be provided as necessary.

I. Swing Gate:
   1. ASTM F900.
      a. Gate posts in sizes as shown in SCERRA Engineering Standards ES5106.
   3. Hardware:
      a. Galvanized per ASTM A153.
      b. Hinges to permit gate opening as shown in the Plans.
   4. Hang gates on at least two (2) steel or malleable iron hinges not less than 3 IN in width, designed to clamp to the gate post and permit the gate to be swung as indicated in the plans. The bottom hinge shall have a socket to take the ball end of the gate frame.
5. Gates shall be provided with a combination steel or malleable iron catch and locking attachment system of approved design which will not rotate around the latch post.

J. Drop Rod (Stops) to hold gates open and in closed position as per plans shall be provided.
   1. Shall be one-half inch in diameter
   2. Height as necessary to accommodate pining gate in the open position and also in the closed position
   3. Minimum strength of Drop Rod steel shall have 40,000 psi yield strength
   4. Paint or coat Drop Rod to match gate

K. Locks
   1. See section 08 71 00 for Lock type.
   2. Two keys shall be furnished with each lock and shall be turned over to Omnitrans.

2.02 SOURCE QUALITY CONTROL

A. Test related fence construction materials to meet the following standards:
   1. Posts and rails:
      a. ASTM F1043, Heavy Industrial.
   2. Results of tests to be submitted with material certification submittals.

PART 3 - EXECUTION

3.01 EXAMINATION

A. Verify that site has been prepared according to the design intent indicated, and that it is ready for fence installation to commence.

B. Field Measurements: verify layout information for fences and gates shown on drawings in relation to existing fencing and gates, property survey and existing structures. Verify dimensions by field measurements.

3.02 PREPARATION

A. Installation shall be laid out in accordance with the construction plans, modified as necessary to accommodate actual field dimensions and existing conditions. Stake locations of fence lines, gates, and connection to existing fences or gates. Indicate locations of utilities, irrigation system, underground structures, benchmarks, and property monuments.
3.03 INSTALLATION

A. Install in accordance with:
   1. Manufacturer's instructions
   2. Lines and grades shown on approved Plans
   3. In accordance with ASTM F567
   4. In accordance with SCRRA Engineering Standards ES5102 through ES5109

B. General Post Installation:
   1. Post Excavation: Drill or hand-excavate holes for posts to diameters and spacing indicated, in firm, undisturbed or compacted soil.
   2. Post Setting: Set posts in concrete footing. Protect portion of posts above ground from concrete splatter. Place concrete around posts and consolidation. Using mechanical devices to set posts is not permitted. Verify that posts are set plumb, aligned, and at correct height and spacing, and hold in position during placement and finishing operations until concrete is sufficiently cured.
      a. Dimensions and Profile: As indicated on Drawings.
      b. Space line posts uniformly on center.
      c. Exposed Concrete Footings: Extend concrete 2 inches above grade, smooth, and shape to shed water.
      d. Concealed Concrete Footings: Stop footings 2 inches below grade to allow covering with surface material.
   3. Posts Set into Concrete in Sleeves: Use steel pipe sleeves preset and anchored into concrete for installing posts. After posts have been inserted into sleeves, fill annular space between post and sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.
   4. Posts Set into Concrete in Voids: Form or core drill holes not less than 5 in. deep and ¾ in. larger than OD of post. Clean holes of loose material, insert posts, and fill granular space between post and concrete with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.

C. Posts shall be set in concrete footings conforming to the details shown on the Plans or SCRRA Engineering Standards ES5106 and crowned at the top to shed water.

D. Place fence with bottom edge of fabric at maximum clearance above grade, as shown on Plans.
   1. Correct minor irregularities in earth to maintain maximum clearance.

E. Provide post braces for each gate, corner, pull and terminal post and first adjacent line post.
F. Install tension bars full height of fabric.
   1. Rails: Fit rails with expansion couplings of outside sleeve type when called for in Plans.
   2. Install rails continuous for outside sleeve type for full length of fence.
   3. Provide expansion couplings in top rails at not more than 20 FT intervals.
   4. Anchor top rails to main posts with appropriate wrought or malleable fittings.

G. Install bracing assemblies at all end and gate posts, as well as side, corner, and pull posts.
   1. Locate compression members at mid-height of fabric.
   2. Extend diagonal tension members from compression members to bases of posts.
   3. Install so that posts are plumb when under correct tension.

H. Pull fabric taut and secure to posts and rails.
   1. Secure so that fabric remains in tension after pulling force is released.
   2. Secure to posts at not over 15 IN OC, and to rails at not over 24 IN OC, and to tension wire at not over 24 IN OC.
   3. Use U-shaped wire conforming to diameter of pipe to which attached, clasping pipe and fabric firmly with ends twisted at least two (2) full turns.
   4. Bend ends of wire to minimize hazards to persons or clothing.
   5. Fabric shall be placed on the outside of poles away from the track or as directed by Omnitrans.

I. Install post top at each post.

J. Gates:
   1. Construct with fittings or by welding.
   2. Provide rigid, weatherproof joints.
   3. Assure right, non-sagging, non-twisting gate.
   4. Coat welds with rust preventive paint, color to match pipe.

K. Drop Rod Sleeve
   1. Drop Rod Sleeve to be set into Concrete or AC. Use steel pipe sleeves preset and anchored into concrete or AC. After Sleeves have been inserted into Concrete or AC, fill annular space around sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and sloped to drain water away from sleeve.
   2. Drop Rod Sleeve to be set into earth. Set Sleeves plumb and pour Concrete around sleeve sloped to drain water away from sleeve, with 1 inch lip as shown on plan.
3.04 FIELD QUALITY CONTROL
A. Protect existing and completed work from damage, replace or repair to the satisfaction of Omnitrans.
B. Field Tolerances:
   1. Post to post spacing: +/- 1/2 inch
   2. Plumb-ness of Posts: +/- 1/8 inch
   3. Visual Alignment of fence and gate: Fencing which is visibly misaligned will not be accepted, and shall be corrected.
   4. Connect to existing fence and gate

3.05 REPAIR
A. Welded and abraded areas of galvanized surfaces shall be wire brushed and repaired with two (2) coats of cold galvanized compound.
B. Repair abraded or damaged powder-coated fence per manufacturer's instructions and to the satisfaction of the Resident Engineer.
C. Galvanizing damaged during installation shall be repaired in accordance with SSPWC 2009, Section 210-3.5, Repair of Damaged Zinc Coatings.

3.06 ADJUSTING
A. Adjust hardware on gates to operate smoothly and ensure positive latching.
B. Correct minor grade irregularities to maintain maximum 2-inch clearance.

PART 4 - MEASUREMENT AND PAYMENT

4.01 MEASUREMENT
A. The BID ITEMS listed below will be measured in accordance with the Contract Documents and as measured by the Engineer, furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List.
   1. 4' high 1" mesh fabric chain link fence
   2. 4' high 1" mesh fabric chain link - 8' wide pedestrian double swing gate
   3. Drop Rod
4.02 PAYMENT

A. The BID ITEMS listed below furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List. This price shall include full compensation for furnishing all labor, materials, tools, equipment, supplies, supervision, incidentals, contractor’s overhead and profit, and doing the work, as shown on the Plans, and as specified in these Specifications, and as directed by the Engineer.

1. 4' high 1" mesh fabric chain link fence
2. 4' high 1" mesh fabric chain link - 8' wide pedestrian double swing gate
3. Drop Rod

END OF SECTION
PART 1 - GENERAL

1.01 SUMMARY
A. The Work involves furnishing all labor, materials, tools, equipment, and services for Welded Wire Fences and Gates, rails, posts, gates and all necessary and incidental hardware as indicated, in accordance with provisions of Contract Documents.

1.02 RELATED WORK
A. Related Specification Sections include but are not necessarily limited to
1. Division 01 - General Requirements
2. Division 03 – Concrete
B. Contractor shall coordinate with work of other trades

1.03 REFERENCES
A. Contractor shall comply with all local, State and Federal codes, regulations, specifications, standards and recommended practices.
C. ASTM-A82: Cold Drawn steel wire, Plain, for Concrete Reinforcement. ASTM-A185: Steel Welded Wire Fabric, Plain, for Concrete Reinforcement
F. A1008: Steel, Sheet, Cold-Rolled, Carbon, Structural, High-Strength Low-Alloy (HSLA) and HSLA with Improved Formability
H. A513-00: Standard Specification for Electric-Resistance-Welded Carbon and Alloy Steel Mechanical Tubing
I. A53: Standard Specification for Steel Sheet, Zinc-Coated (Galvanized) or Zinc-Iron Alloy-Coated (Galvannealed) by the Hot-Dip Process
K. B 117: Standard Test Method of Salt Spray (Fog) Testing
L. B 221: Standard Specification for Aluminum and aluminum-alloy extruded bars, rods, wire, shapes and tubes

O. D 3359: Standard Test Methods for Measuring Adhesion by Tape

P. F 900: Standard Specification for industrial and commercial swing gates

Q. F2919: Standard Specification for Welded Wire Mesh Fence Fabric (Metallic-Coated or Polymer Coated) with VariableMesh Patterns or Meshes Greater than 6 sq. in. in Panels

R. F626: Standard Specification for Fence Fittings

1.04 SUBMITTALS

A. Product Data: Material descriptions, construction details, dimension of individual components and profiles, and finishes for the following:
   1. Fence and gate posts, rails, and fittings.
   2. Gates and hardware.

B. Shop Drawings: Show locations of fence, each gate, posts, rails, and details of gate swing, or other operation, hardware, and accessories. Indicate materials, dimensions, sizes, weights, and finishes of components. Include plans, elevations, sections, gate swing and other required installation and operational clearances, and details of post anchorage, attachment and bracing. Installation procedures and instructions by manufacturer describing all details for a typical fence and gates.
   1. Large scale Plans, Elevations, Sections, and Details showing extent of fencing required.
   2. Locate hardware mounting plates, and show detail

C. Samples for Verification: Request a color chip from the manufacturer.

D. Contract Closeout Information:
   1. Maintenance data
   2. Warranty data

E. Submit manufacturer’s certificates of compliance for fence materials.

1.05 QUALITY ASSURANCE

A. Installer shall have a minimum two (2) years’ experience installing welded wire mesh fencing.

B. Installer Qualifications: an experienced installer whose work has resulted in construction with a record of successful in-service performance.

C. Construct fence within reasonable close conformity to lines and grades shown on the Plans, matching existing fencing and at other locations as directed by the Resident Engineer.
D. Source Limitations for Fences and Gates: obtain each color, grade, finish, type, and variety of components for fences and gates from one source with resources to provide fences and gates of consistent quality in appearance and physical properties.

E. Emergency Access Requirements: comply with requirements of authorities having jurisdiction for gates serving as a required means of access.

1.06 DELIVERY, STORAGE, AND HANDLING

A. All materials shall be checked to ensure that no damage occurred during shipping or handling.

B. Materials shall be stored in such a manner to ensure proper ventilation and drainage, and to protect against damage, weather, vandalism, and theft.

1.07 SITE CONDITIONS

A. Existing Utilities: do not interrupt utilities serving facilities occupied by Omnitrans or others unless permitted under the following conditions and then only after arranging to provide temporary utility services according to requirements indicated:

1. Notify Omnitrans’ Representative not less than three days in advance of proposed utility interruptions.

2. Do not proceed with utility interruptions without Omnitrans’ Representative’s written permission.

PART 2 - PRODUCTS

2.01 ACCEPTABLE MANUFACTURERS

A. Pre-fabricated, Welded Wire Mesh Fence:

1. Base:

2. Optional:
   a. Betafence USA, Prism 3D Fence System (888) 650-4766
      b. Or equal

2.02 MATERIALS

A. ‘WireWorks Plus’ double-wire Pre-Fabricated, Architectural Welded Wire Fence System:

1. Nominal height: 4 feet

2. Panel module: 8-foot panels
   a. 4-foot and 6-foot panels may be utilized at special conditions; see layout plans

B. Fabricated Welded Wire Mesh Panels:
1. 98-7/8” wide, formed by one vertical wire of 0.192” placed between two horizontal wires of 0.225”, as per ASTM-A185 & A853
2. The wires are welded by resistance weld at each crossing to form rectangles 1-15/16” x 7 7/8”.
3. Cold rolled wire shall have a tensile strength of at least 75,000 psi and a 3150 lbs break strength for an individual wire.
4. One end of the vertical wires of the panel shall exceed 1” from the last or first horizontal wire thereby creating a spiked top or bottom depending of its position when installed. The other end is cut flush.
6. A 4 mils polyester powder coating is applied on the mesh. Note: Panel camber may not exceed 0.094”.

C. Gate:
1. ‘WireWorks Plus’” double-wire, double-sliding
2. Mesh panels, see 2.2.B
3. All vertical tubes 11 Ga
4. 6-inch square or custom posts, consult manufacturer
5. Double-gate hardware:
   a. One drop bar/anchor bolt to secure in closed position on of the gate leaves, complete with stop pipe/sleeve to engage the center drop rod

D. Posts:
1. 3-inch square, coating to match panels
2. Installed in-ground with concrete footing
3. The posts are cold rolled from 1008 grade steel and meet ASTM 500 and ASTM A787-01.
4. Square, flat aluminum alloy post caps
5. Up-sized posts at gate per detail

E. Hardware:
1. 3-inch ‘Universal Bracket Kit’: 12 gauge steel collar and wire retaining plate, ¼” x 1” nut, washer and carriage bolt, 5/16” x 1-1/4” all galvanized steel. For 90º turn, used the same bracket. For different angles, use the “Universal angle brackets.”
2. 3-inch ‘U Shape Bracket Kit’: a stainless steel U rod Ø5/16”, a rear flange in PVC 3½” x 1½” x 1-1/8”, a forehead support in PVC 2-3/8” x 5/8” x 1-1/16” cosmetic plastic caps and nuts (M8).
3. Gate Hardware shall be provided by Fence/Gate Manufacturer per Manufacturer’s recommendations. Ultimate hardware selection by manufacturer shall accommodate final weight of gate, and shall be approved by the Architect.

F. Drop Rod (Stops) to hold gates open and in closed position as per plans shall be provided.
   1. Shall be one-half inch in diameter
   2. Height as necessary to accommodate pining gate in the open position and also in the closed position
   3. Minimum strength of Drop Rod steel shall have 40,000 psi yield strength
   4. Paint or coat Drop Rod to match gate

G. Locks
   1. See Section 08 71 00
   2. Two keys shall be furnished with each lock and shall be turned over to SBCTA.

H. Concrete: Concrete Mixture: Normal-weight concrete with not less than 3000 psi (20.7 Mpa) compressive strength (28 days), 3 inch slump, and contain “coarse aggregate” of a minimum diameter of 1/5” to a maximum of 3/4” maximum size aggregate.

2.03 COATINGS

A. Zinc Coating:
   1. The wire meshes is coated with 0.5 oz./sqft zinc in conformity with ASTM A 641 (1989) Standard Specification for Zinc-Coated (Galvanized) Carbon Steel Wire, known as galvanized before welding (GBW).
   2. The fence posts, the swing gate frame and posts are zinc coated (galvalume process) – 0.90 oz/sqft as per ASTM A653.

B. The polyester surface coating color shall be standard black. Polyester coating to be minimum 4 mils applied by an electrostatic method. Coating shall cover all surfaces of the wire and post sections. Coating shall be capable of withstanding the following tests:
   1. Mechanical adhesion test as per ASTMD 3359 (1990) - Method B.
   3. Salt spray testing with a min. of 1,000 hrs without red rust appearance, as per ASTM B 117 (1990).
   5. Exposure to ultraviolet light with exposure of 1000 hours using apparatus Type E and 63°C as per ASTM D1499.
PART 3 - EXECUTION

3.01 EXAMINATION

A. Verify that site has been prepared according to the design intent indicated, and that it is ready for fence installation to commence.

B. Field Measurements: verify layout information for fences and gates shown on drawings in relation to existing fencing and gates, property survey, gate open and gate closed and existing structures. Verify dimensions by field measurements.

3.02 PREPARATION

A. Installation shall be laid out in accordance with the construction plans, modified as necessary to accommodate actual field dimensions and existing conditions. Stake locations of fence lines, gates, and connection to existing fences or gates. Indicate locations of utilities, irrigation system, underground structures, benchmarks, and property monuments.

3.03 INSTALLATION

A. Install in accordance with:
   1. Manufacturer's instructions
   2. Lines and grades shown on approved Plans
   3. In accordance with SCRRA Engineering Standards ES5102 through ES5109

B. General Post Installation:
   1. Post Excavation: Drill or hand-excavate holes for posts to diameters and spacing indicated, in firm, undisturbed or compacted soil.
   2. Post Setting: Set posts in concrete footing. Protect portion of posts above ground from concrete splatter. Place concrete around posts and consolidation. Using mechanical devices to set posts is not permitted. Verify that posts are set plumb, aligned, and at correct height and spacing, and hold in position during placement and finishing operations until concrete is sufficiently cured.
      a. Dimensions and Profile: As indicated on Drawings.
      b. Space line posts uniformly on center.
      c. Exposed Concrete Footings: Extend concrete 2 inches above grade, smooth, and shape to shed water.
      d. Concealed Concrete Footings: Stop footings 2 inches below grade to allow covering with surface material.
   3. Posts Set into Concrete in Sleeves: Use steel pipe sleeves preset and anchored into concrete for installing posts. After posts have been inserted into sleeves, fill annular space between post and sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.
4. Posts Set into Concrete in Voids: Form or core drill holes not less than 5 in. deep and ¾ in. larger than OD of post. Clean holes of loose material, insert posts, and fill granular space between post and concrete with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.

C. ‘WireWorks Plus’ Model Installation

1. Terminal Posts: Locate terminal end, corner, and gate posts at changes in horizontal or vertical alignment of 30 degrees or more.

2. 3” Square post installation: Post hole shall be a minimum of 8” in diameter and 42” in depth.

3. Once the concrete is set, the mesh sections are installed with the 3” Universal Bracket kits always install flush with horizontal wire of the panel (no gap).

4. 3” Post spacing: 98-3/4” OC with a adjustment of ± 1½” on each side.

5. For the fence to follow slopes, it is required to step the fence sections. The Universal bracket on square posts can be slid along the post at the desired height and should always be installed flush with horizontal wire (no gap).

6. When faced with a steep slope, it will be necessary to order longer posts and panels cut in half as to keep the gap under the panel to a minimum.

7. Mesh Panels: Vertical wire extensions should point down for safety. The fence panel shall be installed a distance of a minimum of 1¼” and maximum of 2” above finished grade.

8. Upon cutting or trimming, a post or a wire mesh section, apply a zinc rich primer to the exposed ends and finish with the matching touch-up paint supplied by the manufacturer.

D. Drop Rod Sleeve

1. Drop Rod Sleeve to be set into Concrete or AC. Use steel pipe sleeves preset and anchored into concrete or AC. After Sleeves have been inserted into Concrete or AC, fill annular space around sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and sloped to drain water away from sleeve.

2. Drop Rod Sleeve to be set into earth. Set Sleeves plumb and pour Concrete around sleeve sloped to drain water away from sleeve, with 1-inch lip as shown on plan.

E. Concrete:

3. Concrete Mixture: Normal-weight concrete with not less than 3000 psi (20.7-Mpa) compressive strength (28 days), 3-inch slump, and contain coarse aggregate of a minimum diameter of 1/5” to a maximum of ¾” maximum size aggregate. 5-7% air entrained.

F. Grout and Anchoring Cement

1. Nonshrink, Nonmetallic Grout: Premixed, factory-packaged, nonstaining, noncorrosive, nongaseous grout complying with ASTM C 1107. Provide grout, recommended in writing by manufacturer, for exterior applications.

2. Erosion-Resistant Anchoring Cement: Factory-packaged, nonshrink, nonstaining, hydraulic-controlled expansion cement formulation for mixing with potable water at Project site to create pourable anchoring, patching, and grouting compound. Provide formulation that is resistant to erosion from water exposure without needing protection by a sealer or waterproof coating and that is recommended in writing by manufacturer for exterior applications.

3.04 FIELD QUALITY CONTROL

A. Protect existing and completed work from damage, replace or repair to the satisfaction of the Engineer.

B. Field Tolerances:
   1. Post to post spacing: +/- 1/2 inch
   2. Plumb-ness of Posts: +/- 1/8 inch
   3. Visual Alignment of Fence, Posts, gates, and Rails: Fencing which is visibly misaligned will not be accepted, and shall be corrected.

3.05 REPAIR

A. Repair abraded or damaged powder-coated fence per manufacturer's instructions and to the satisfaction of the Resident Engineer.

3.06 ADJUSTING

A. Adjust hardware on gates to operate smoothly and ensure positive latching.

B. Correct minor grade irregularities to maintain maximum 2-inch clearance.

C. Adjust hardware on gates to assure drop rod operation in closed and open position.
PART 4 - MEASUREMENT AND PAYMENT

4.01 MEASUREMENT
A. The BID ITEMS listed below will be measured in accordance with the Contract Documents and as measured by the Engineer, furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List.

1. 3'-6” high welded wire fence - 9' wide pedestrian double swing gate
2. Drop rod

4.02 PAYMENT
A. The BID ITEMS listed below furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List. This price shall include full compensation for furnishing all labor, materials, tools, equipment, supplies, supervision, incidentals, contractor’s overhead and profit, and doing the work, as shown on the Plans, and as specified in these Specifications, and as directed by the Engineer.

1. 3'-6” high welded wire fence - 9' wide pedestrian double swing gate
2. Drop rod

END OF SECTION
SECTION 32 31 19
TUBULAR STEEL FENCES AND GATES

PART 1 - GENERAL

1.01 SUMMARY
A. This Work involves furnishing all materials, labor and equipment necessary and incidental to the installation of tubular steel fencing, edge fence, Locks, Keys, and Tubular Steel Swing Gates, as indicated, in accordance with provisions of Contract Document.

1.02 RELATED WORK
A. Related Specification Sections include but are not necessarily limited to:
   1. Division 01 – General Requirements
   2. Division 03 – Concrete
   3. Section 03 31 00 – Concrete Materials and Proportioning
B. Contractor shall coordinate with work of other trades

1.03 REFERENCES
A. Contractor shall comply with all local, State and Federal codes, regulations, specifications, standards and recommended practices.
B. ASTM International (ASTM):
   4. A525, Specification for General Requirements for Steel Sheet, Zinc-Coated (Galvanized) by Hot-Dip Process.
   5. A653, Standard Specification for Steel Sheet, Zinc-Coated (Galvanized) or Zinc-Iron Alloy-Coated (Galvannealed) by the Hot-Dip Process.
C. SCRRA Engineering Standard ES5102, Right-of-Way Fencing, Station Fencing, Platform Edge Fence and Inter-Track Fence
D. SCRRA Engineering Standard ES5104, Right-of-Way Fencing, Tube Steel Fencing
1.04 SUBMITTALS
A. Product Data: Material descriptions, construction details, dimension of individual components and profiles, and finishes for the following:
   1. Fence and gate posts, rails, and fittings.
   2. Gates and hardware.
B. Shop Drawings: Show locations of fence, each gate, posts, rails, and details of gate swing, or other operation, hardware, and accessories. Indicate materials, dimensions, sizes, weights, and finishes of components. Include plans, elevations, sections, gate swing and other required installation and operational clearances, and details of post anchorage, attachment and bracing. Installation procedures and instructions by manufacturer describing all details for a typical fence and gates.
   1. Large scale Plans, Elevations, Sections, and Details showing extent of fencing required.
   2. Locate hardware mounting plates, and show detail
C. Samples for Verification: Request a color chip from the manufacturer.
D. Contract Closeout Information:
   1. Maintenance data
   2. Warranty data
E. Submit manufacturer’s certificates of compliance for fence materials.

1.05 QUALITY ASSURANCE
A. Installer shall have a minimum two (2) years’ experience installing tubular fencing.
B. Obtain the services of fencing manufacturer’s field representative to provide advice and assistance on the installation of the fence.
C. Construct fence within reasonable close conformity to lines and grades shown on the Plans, matching existing fencing and at other locations as directed by the Resident Engineer.
D. Source Limitations for Fences and Gates: obtain each color, grade, finish, type, and variety of components for fences and gates from one source with resources to provide fences and gates of consistent quality in appearance and physical properties.
E. Emergency Access Requirements: comply with requirements of authorities having jurisdiction for gates serving as a required means of access.

1.06 DELIVERY, STORAGE, AND HANDLING
A. All materials shall be checked to ensure that no damage occurred during shipping or handling.
B. Materials shall be stored in such a manner to ensure proper ventilation and drainage, and to protect against damage, weather, vandalism, and theft.
PART 2 - PRODUCTS

2.01 FENCE AND GATES

A. Pickets and rings: Pickets and rings shall be galvanized, 5/8 IN solid square steel tubular members conforming to ASTM A787, 45,000 psi yield strength, and G90 zinc coating. Picket spacing shall be 4 IN maximum center to center.
   1. Rings occur at center fence.

B. Panel height: Finished fence height shall be 6 FT or 4 FT as indicated on the plans. Panel width shall be 8 FT maximum.

C. Posts:
   1. Galvanized, square steel tubular members conforming to ASTM A653, 50,000 psi yield strength and G90 zinc coating.
   2. Posts shall be 2-3/8 x 2-3/8 IN, with a wall thickness of 3/32 IN.
   3. Base Plates and Miscellaneous Hardware for Center Fence: ASTM A36/A36M.

D. Horizontal Rails:
   1. Galvanized, square steel tubular members conforming to ASTM A653, 50,000 psi yield strength and G90 zinc coating.
   2. Rails shall be 1 IN x 2 IN, with a wall thickness of 1/8 IN.
   3. Attach rails to posts with tamper resistant fasteners.

E. Gate Hardware: Hinges, latches, drop rods, as needed, shall be hot dipped galvanized steel in accordance with ASTM A153 and sized to assure proper gate operation. And per section 08 71 00 of these specifications.

F. Locks
   1. See section 08 71 00.
   2. Two keys shall be furnished with each lock and shall be turned over to Omnitrans.

G. Drop Rod (Stops) to hold gates open and in closed position as per plans shall be provided.
   1. Shall be one-half inch in diameter
   2. Height as necessary to accommodate pining gate in the open position and also in the closed position
   3. Minimum strength of Drop Rod steel shall have 40,000 psi yield strength
   4. Paint or coat Drop Rod to match gate
2.02 CONCRETE

A. Concrete:

3. Concrete Mixture: Normal-weight concrete with not less than 3000 psi (20.7- Mpa) compressive strength (28 days), 3-inch slump, and contain coarse aggregate of a minimum diameter of 1/5” to a maximum of ¾” maximum size aggregate. 5-7% air entrained.

2.03 SHOP FINISHES

A. Zinc: Hot dipped galvanize pickets, rings, rails, and posts after fabrication in accordance with ASTM A123.

B. Powder Coat: Powder coat all parts of fence including hardware after galvanizing and in accordance with coating manufacturer’s instructions. Powder coat: O’Brien TGIC-Polyster or approved equivalent. Color: Black.

PART 3 - EXECUTION

3.01 EXAMINATION

A. Verify that site has been prepared according to the design intent indicated, and that it is ready for fence installation to commence.

B. Field Measurements: verify layout information for fences and gates shown on drawings in relation to existing fencing and gates, property survey and existing structures. Verify dimensions by field measurements.

3.02 PREPERATION

A. Installation shall be laid out in accordance with the construction plans, modified as necessary to accommodate actual field dimensions and existing conditions. Stake locations of fence lines, gates, and connection to existing fences or gates. Indicate locations of utilities, irrigation system, underground structures, benchmarks, and property monuments.
3.03 INSTALLATION

A. Install in accordance with:
   1. Manufacturer's instructions
   2. Lines and grades shown on approved Plans
   3. In accordance with SCRRA Engineering Standards ES5102 through ES5109

B. General Post Installation:
   1. Post Excavation: Drill or hand-excavate holes for posts to diameters and spacing indicated, in firm, undisturbed or compacted soil.
   2. Post Setting: Set posts in concrete footing. Protect portion of posts above ground from concrete splatter. Place concrete around posts and consolidation. Using mechanical devices to set posts is not permitted. Verify that posts are set plumb, aligned, and at correct height and spacing, and hold in position during placement and finishing operations until concrete is sufficiently cured.
      a. Dimensions and Profile: As indicated on Drawings.
      b. Space line posts uniformly on center, 8 FT maximum.
      c. Exposed Concrete Footings: Extend concrete 2 inches above grade, smooth, and shape to shed water.
      d. Concealed Concrete Footings: Stop footings 2 inches below grade to allow covering with surface material.
   3. Posts Set into Concrete in Sleeves: Use steel pipe sleeves preset and anchored into concrete for installing posts. After posts have been inserted into sleeves, fill annular space between post and sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.
   4. Posts Set into Concrete in Voids: Form or core drill holes not less than 5 in. deep and ¾ in. larger than OD of post. Clean holes of loose material, insert posts, and fill granular space between post and concrete with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished sloped to drain water away from post.

C. Concrete Footings: Drill or dig holes for post footings in firm, undisturbed or compacted soil. Size footings in accordance with Contract Plans or approved Shop Drawings. Trowel tops of footings and slope or dome to direct water away from posts. Slope, do not dome, in pedestrian paving.

D. Posts: Spaced at 8 FT or less on center and set in concrete footings, plumbed vertical. Post depth as specified on the Contract Plans. Space posts at lesser distance between centers to compensate for terrain variation such as sharp variations in incline or decline. Any high points that interfere with placing the fence shall be excavated to provide the clearance shown on the Contract Plans.
E. Field Joints: Field joints shall be kept to a minimum and concealed to the greatest extent possible. Field joints shall be strong, rigid, watertight and flush with hairline fit. Ease sharp corners.

F. Drop Rod Sleeve
   1. Drop Rod Sleeve to be set into Concrete or AC. Use steel pipe sleeves preset and anchored into concrete or AC. After Sleeves have been inserted into Concrete or AC, fill annular space around sleeve with anchoring cement, mixed and placed to comply with anchoring material manufacturer's written instructions, and finished to drain water away from sleeve.
   2. Drop Rod Sleeve to be set into earth. Set Sleeves plumb and pour Concrete around sleeve sloped to drain water away from sleeve, with 1 inch lip as shown on plan.

G. Knox Box - Self-locking device with padlock eyes as an integral part of latch. High Security Keyed Lock Box (Knox Box): surface mount with hinged door, with/without UL Listed tamper switches. 1/4” plate steel housing, 1/2” thick steel door with interior gasket seal and stainless steel door hinge. Box and lock UL Listed. Lock has 1/8” thick stainless steel dust cover with tamper seal mounting capability per local jurisdictional emergency access requirements or equal.
   a. Exterior Dimensions: Surface mount body- 4"H x 5"W x 3-3/4"D
   b. UL Listed. Double-action rotating tumblers and hardened steel pins accessed by a biased cut key.
   c. Color: Standard – Signal Black/RAL 9004

H. Adjust fence for uninterrupted visual continuity and tight, non-rattling connections.
   I. Contractors shall provide keys for gates to Omnitrans.

3.04 FIELD QUALITY CONTROL

A. Protect existing and completed work from damage, replace or repair to the satisfaction of the Engineer.

B. Field Tolerances:
   1. Post to post spacing: +/- 1/2 inch
   2. Plumb-ness of Posts: +/- 1/8 inch
   3. Visual Alignment of fence and gate: Fencing which is visibly misaligned will not be accepted, and shall be corrected.
   4. Connect to existing fence and gate

3.05 REPAIR

A. Welded and abraded areas of galvanized surfaces shall be wire brushed and repaired with two (2) coats of cold galvanized compound.

B. Repair abraded or damaged powder-coated fence per manufacturer's instructions and to the satisfaction of the Resident Engineer.
C. Galvanizing damaged during installation shall be repaired in accordance with SSPWC 2009, Section 210-3.5, Repair of Damaged Zinc Coatings.

D. Fence top extension shall face away from the track.

3.06 ADJUSTING

A. Adjust hardware on gates to operate smoothly and ensure positive latching.
B. Correct minor grade irregularities to maintain maximum 2-inch clearance.

PART 4 - MEASUREMENT AND PAYMENT

4.01 MEASUREMENT

A. The BID ITEMS listed below will be measured in accordance with the Contract Documents and as measured by the Engineer, furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List.

1. 3'-6” high tubular steel fence
2. 3'-6” high tubular steel fence - 8' wide pedestrian double swing gate
3. 3'-6” high tubular steel fence - 7' wide pedestrian swing gate
4. 6' high tubular steel fence
5. 6' high tubular steel fence - 7' wide pedestrian swing gate
6. 6' high tubular steel fence - 23' wide vehicular double swing gate
7. Drop rod
8. Knox box

4.02 PAYMENT

A. The BID ITEMS listed below furnished and completed in accordance with the Contract Documents will be paid at the Contract Price, as listed on the Bid Item List. This price shall include full compensation for furnishing all labor, materials, tools, equipment, supplies, supervision, incidentals, contractor’s overhead and profit, and doing the work, as shown on the Plans, and as specified in these Specifications, and as directed by the Engineer.

1. 3'-6” high tubular steel fence
2. 3'-6” high tubular steel fence - 8' wide pedestrian double swing gate
3. 3'-6” high tubular steel fence - 7' wide pedestrian swing gate
4. 6' high tubular steel fence
5. 6' high tubular steel fence - 7' wide pedestrian swing gate
6. 6' high tubular steel fence - 23' wide vehicular double swing gate
7. Drop rod
8. Knox box

REGULATORY REQUIREMENTS

* Marks Required Subcontract Provisions that must flow down to all subcontracts as defined in the Article entitled SUBCONTRACTORS AND SUPPLIERS herein.

**Required Clauses for All FTA-Assisted Third-Party Contracts and Subcontracts**

**RR-01**
**NO FEDERAL OBLIGATION TO THIRD PARTIES** *

In connection with the Project, the Recipient agrees that, absent the Federal Government’s express written consent, the Federal Government shall not be subject to any obligations or liabilities to any subrecipient, lessee, third party contractor, or other participant at any tier of the Project, or other person or entity that is not a party to the Grant Agreement or Cooperative Agreement for the Project. Notwithstanding that the Federal Government may have concurred in or approved any solicitation, subagreement, lease, third party contract, or arrangement at any tier, the Federal Government has no obligations or liabilities to any entity other than the Recipient, including any subrecipient, lessee, third party contractor, or other participant at any tier of the Project.

**RR-02**
**FALSE OR FRAUDULENT STATEMENTS OR CLAIMS – CIVIL AND CRIMINAL FRAUD** *

A. Civil Fraud.

The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, “Program Fraud Civil Remedies,” 49 C.F.R. Part 31, apply to the Recipient’s activities in connection with the Project. By executing the Grant Agreement or Cooperative Agreement for the Project, the Recipient certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Recipient also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Recipient the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

B. Criminal Fraud.

If the Recipient makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Recipient
the penalties of 49 U.S.C. § 5323(l), 18 U.S.C. § 1001, or other applicable Federal law to
the extent the Federal Government deems appropriate.

C. Contractor shall include this Article in each subcontract financed in whole or in part with
Federal assistance provided by FTA. Contractor shall not modify the Article, except to
identify the Subcontractor who will be subject to the provisions.

RR-03
ACCESS TO THIRD PARTY CONTRACT RECORDS *

A. Access to Third Party Contract Records.
The Recipient agrees to require, and assures that its subrecipients require, their third party
contractors and third party subcontractors at each tier to provide to the U.S. Secretary of
Transportation and the Comptroller General of the United States or their duly authorized
representatives, access to all third party contract records as required by 49 U.S.C. §
5325(g). The Recipient further agrees to require, and assures that its subrecipients require,
their third party contractors and third party subcontractors, at each tier, to provide sufficient
access to third party procurement records as needed for compliance with Federal laws and
regulations or to assure proper Project management as determined by FTA.

Contractor agrees to provide Omnitrans, the FTA Administrator, the Comptroller General
of the United States or any of their authorized representatives access to any books,
documents, papers and records of the Contractor which are directly pertinent to this
Contract for the purposes of making audits, examinations, excerpts and transcriptions.
Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator
or the FTA’s authorized representatives, including any FTA Project Management
Oversight Contractor, access to Contractor's records and construction sites pertaining to a
major capital project, defined at 49 U.S.C. 5302(a) 1, which is receiving federal financial
assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

B. If this Contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a) 1) and
was entered in to through other than competitive bidding, the Contractor shall make records
related to this Contract available to Omnitrans, the Secretary of Transportation and the
Comptroller General or any authorized officer or employee of any of them for the purposes
of conducting an audit and inspection.

C. Contractor shall maintain all books, records, accounts and reports required under this
Contract for a period of not less than three years after the date of termination or expiration
of this Contract, except in the event of litigation or settlement of claims arising from the
performance of this Contract, in which case Contractor agrees to maintain same until
Omnitrans, the FTA Administrator, the Comptroller General, or any of their duly
authorized representatives, have disposed of all such litigation, appeals, claims or
exceptions related thereto.
A. This Contract includes, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008 and revised March 18, 2013 (including any changes), and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Omnitrans requests which would cause Omnitrans to be in violation of the FTA terms and conditions.

B. Federal Transit Administration of the US Department of Transportation and all laws, regulations, guidelines, and provisions of the financial assistance agreement apply to this Contract and are incorporated by reference as if fully set forth herein.

C. Contractor shall at all times comply with all applicable federal laws and regulations, including without limitation FTA regulations, policies, procedures and directives, including those listed directly or by reference in Applicable Grant Agreements between Omnitrans and FTA, as they may be amended or promulgated from time to time during the term of this Contract collectively “Federal Requirements”. These Federal Requirements may change and the changed Federal Requirements will apply to this Contract as required unless the Federal Government determines otherwise. Contractor's failure to so comply with the Federal Requirements shall constitute a material breach of this Contract.

CIVIL RIGHTS REQUIREMENTS (TITLE VI, ADA, EEO (EXCEPT SPECIAL DOL CONSTRUCTION CLAUSE *

B. Equal Employment Opportunity

(a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor shall comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of
Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq. , (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of the Contract. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, Contractor shall refrain from discrimination against present and prospective employees for reason of age. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(d) Contractor shall include these requirements in each subcontract, modified only if necessary to identify parties, as required by Federal regulations.

RR-06
DISADVANTAGED BUSINESS ENTERPRISE (DBE) 49 CFR Part 26

Disadvantaged Business Enterprises

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The agency’s overall goal for DBE participation is 1%.

B. Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted Contract. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Omnitrans deems
appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. Bidders are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following concurrent with and accompanying sealed bid concurrent with and accompanying an initial proposal prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written documentation of the bidder’s commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime contractor’s commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so.

Bidders must present the information required above as a matter of responsiveness with initial proposals prior to contract award] (see 49 CFR 26.53(3)).

The successful bidder will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

D. Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 7 days after the contractor’s receipt of payment for that work from the Omnitrans. In addition, Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor’s work related to his contract is satisfactorily completed.

E. Contractor must promptly notify Omnitrans whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Omnitrans.

RR-07

DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a). ‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair,
including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

**Clause Language**

**Davis-Bacon and Copeland Anti-Kickback Acts**

(1) **Minimum wages** - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and

(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified
in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) Withholding - Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor,
applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii) (A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;
(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees - (i) Apprentices - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for
the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.

(5) Compliance with Copeland Act requirements - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment - A breach of the contract clauses in 29 CFR 5.5 may be
grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) **Compliance with Davis-Bacon and Related Act requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) **Disputes concerning labor standards** - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) **Certification of eligibility** - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

**RR-08**

**SEISMIC SAFETY REQUIREMENTS 42 U.S.C. 7701 et seq. 49 CFR Part 41**

**Applicability to Contracts**

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

**Flow Down**

The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

**Model Clauses/Language**

The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

**Seismic Safety** - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all
work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

**RR-09**
**TERMINATION 49 U.S.C. Part 18 FTA Circular 4220.1F**

**Applicability to Contracts**
All contracts (with the exception of contracts with nonprofit organizations and institutions of higher education,) in excess of $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. (For contracts with nonprofit organizations and institutions of higher education the threshold is $100,000.) In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

**Flow Down**
The termination requirements flow down to all contracts in excess of $10,000, with the exception of contracts with nonprofit organizations and institutions of higher learning.

a. **Termination for Convenience (General Provision)** Omnitrans may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Omnitrans to be paid the Contractor. If the Contractor has any property in its possession belonging to the Omnitrans, the Contractor will account for the same, and dispose of it in the manner the Omnitrans directs.

b. **Opportunity to Cure (General Provision)** Omnitrans in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to Omnitrans’ satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Omnitrans setting forth the nature of said breach or default, Omnitrans shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Omnitrans from also pursuing all available remedies against Contractor and its sureties for said breach or default.

c. **Waiver of Remedies for any Breach** In the event that Omnitrans elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Omnitrans shall not limit Omnitrans remedies for any
succeeding breach of that or of any other term, covenant, or condition of this Contract.

d. **Termination for Default (Construction)** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, Omnitrans may terminate this contract for default. Omnitrans shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, Omnitrans may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to Omnitrans resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Omnitrans in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if-

1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the Recipient, acts of another Contractor in the performance of a contract with the Recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The contractor, within [10] days from the beginning of any delay, notifies Omnitrans in writing of the causes of delay. If in the judgment of Omnitrans, the delay is excusable, the time for completing the work shall be extended. The judgment of Omnitrans shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Omnitrans.

**RR-010**

**SUSPENSION AND DEBARMENT**

A. This Contract is a covered transaction for purposes of 49 CFR Part 29. As such, Contractor shall verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.
Contractor shall comply with 49 CFR 29, Subpart C and shall include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

B. By entering into this Contract, Contractor certifies that it shall comply with the requirements of 49 CFR 29, Subpart C throughout the period of this Contract. This certification is a material representation of fact relied upon by Omnitrans. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to remedies available to Omnitrans, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

RR-011
CONTRACT WORK HOURS AND SAFETY STANDARDS ACT *

A. Applicability

This Article applies to federally funded construction contracts over $2,000 (including ferry vessels), rolling stock purchases over $2,500 and to operations/management contracts over $2,500 (except transportation services)

B. Pursuant to the Labor Standards Provisions Applicable to Non-construction Contracts subject to the Federal Contract Work Hours and Safety Standards Act, 40 U.S.C.A. § 327 through 332 as implemented by U.S. Department of Labor regulations, 29 CFR 5.5 (b) and (c) Contractor and Subcontractor’s contracting for any part of the Contract work shall comply with the following:

1. Overtime requirements – Neither Contractor nor any Subcontractor contracting for any part of the Contract work that requires or involves the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; liability for unpaid wages; liquidated damages – In the event of any violation of the Article set forth in paragraph (1) of this Article Contractor and any Subcontractor responsible therefore shall be liable for the unpaid wages. In addition, Contractor and Subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this Article, in the sum of ten dollars ($10) for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this Article.
3. **Withholding for unpaid wages and liquidated damages** – Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by Contractor or Subcontractor under the Contract or any other Federal contract with Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Contractor, such sums as may be determined to be necessary to satisfy any liabilities of Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this Article.

4. **Subcontracts** – Contractor or Subcontractor shall insert this Article in any Subcontracts and also an Article requiring the Subcontractors to include this Article in any lower tier Subcontracts. Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with this Article.

5. **Payrolls and basic records** – The records to be maintained hereinabove shall be made available by Contractor or Subcontractor for inspection, copying, or transcription by Omnitrans and U.S. Dept. of Labor. Contractor and Subcontractor shall maintain payrolls and basic records during the course of the work and shall preserve them for a period of three (3) years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made and actual wages paid.

**RR-012**

**BONDING REQUIREMENTS**

**Applicability to Contracts**

For those construction or facility improvement contracts or subcontracts exceeding $100,000, FTA may accept the bonding policy and requirements of the recipient, provided that they meet the minimum requirements for construction contracts as follows:

A. A bid guarantee from each bidder equivalent to five (5) percent of the bid price. The "bid guarantees" shall consist of a firm commitment and may be in any of the following forms: (a) cash; (b) cashier’s check payment to Omnitrans; (c) a certified check payable to the city; or (d) a bidder’s bond executed by an admitted surety insurer. Such as a bid bond, certifies check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

B. A performance bond on the part of the Contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
C. A payment bond on the part of the Contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment, as required by law, of all persons supplying labor and material in the execution of the work provided for in the contract.

RR-013
SEISMIC SAFETY REQUIREMENTS 42 U.S.C. 7701 et seq. 49 CFR Part 41

Applicability to Contracts

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

Flow Down
The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

Model Clauses/Language
The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

Seismic Safety - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

RR-014
ENERGY CONSERVATION REQUIREMENTS

A. Applicability

This Article applies to all federally funded contracts.

B. Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 USC §6321 et seq.
RR-015
RECYCLED PRODUCTS

A. Applicability

This Article applies to federally funded operations/management, construction, or materials & supplies contracts for items designated by the Environmental Protection Agency, when procuring $10,000 or more per year.

B. To the extent practicable and economically feasible, a competitive preference shall be given for products and services that conserve natural resources and protect the environment and are energy efficient.

C. The Contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

RR-016
ADA ACCESS

A. Applicability

This Article applies to federally funded Architect & Engineer, Operations/Management, Rolling Stock Purchase, and Construction contracts.

B. Access Requirements for Persons with Disabilities

Contractor shall comply with:

1. The requirements of 49 U.S.C. § 5301(d), which states the Federal policy that elderly persons and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy;

2. All applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps;

3. The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act;
4. The Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act; and

5. All applicable requirements of the following regulations and any subsequent amendments thereto:

   (1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;

   (2) U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;

   (8) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and

   (9) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. Part 1194; and

   (10) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609;

   (11) Any implementing requirements FTA may issue.
A. Applicability

This Article applies to all contracts.

B. Compliance with §§1090 et. seq. and §§87100 et. seq. of the California Government Code

Contractor shall comply with all applicable provisions of §§1090 et. seq. and §§87100 et. seq. of the California Government Code. Without reducing or affecting its obligation to comply with any and all of said provisions, Contractor specifically covenants:

1. Contractor shall not cause or permit any member, officer, or employee of Omnitrans to have any financial interest in the Contract;

2. Contractor shall not enter into any Subcontract involving services or property with a person or business prohibited from transacting such business with Omnitrans;

3. Contractor warrants and represents that to its knowledge no Board member, officer, or employee of Omnitrans has any interest, whether contractual, non-contractual, financial or otherwise, in this Contract, or in the business or any other contract or transaction of the Contractor or any Subcontractor and that if any such interest comes to Contractor’s knowledge at any time, Contractor shall make a full and complete disclosure of all such information in writing to Omnitrans.

C. Campaign Contributions

Neither Contractor nor its Agents shall give or offer to give any campaign contribution to any member of Omnitrans Board of Directors in violation of the California Government Code §§84300 et seq., or of the Administrative Code. Contractor shall submit a Certification of Campaign Contributions with all COs of two hundred thousand dollars ($200,000) or more.

A. Applicability

This Article applies to all contracts.

B. In connection with the performance of Work provided for under this Contract, Contractor agrees that it will not, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, medical condition, marital status, sex, sexual orientation, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Federal, State or local laws.
RR-019
WHISTLEBLOWER REQUIREMENTS *

A. Applicability

This Article applies to all contracts.

B. Contractor shall not adopt any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency, where the employee believes the information discloses violation or noncompliance with a state or Federal regulation; nor shall Contractor retaliate against an employee for taking such actions as set forth in the t. seq.

RR-020
PUBLIC RECORDS ACT *

A. Applicability

This Article applies to all contracts.

B. Except as otherwise provided herein, all records, documents, drawings, plans, specifications, and all other information relating to the conduct of Omnitrans business, including all information and documents submitted by Contractor (“Records”), shall become the exclusive property of Omnitrans and shall be deemed public records. Said Records are subject to the provisions of the California Public Records Act (Government Code §6250 et. seq.). Omnitrans use and disclosure of its records are governed by this Act. Omnitrans will use its best efforts to inform the Contractor of any request for any financial records or documents marked “Trade Secret”, “Confidential” or “Proprietary” provided by Contractor to Omnitrans. Omnitrans will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act.

C. In the event of litigation concerning the disclosure of any Records, Omnitrans sole involvement will be as a stakeholder, retaining the Records until otherwise ordered by a court. The submitting party, at its sole expense and risk, shall be fully responsible for any and all fees for prosecuting or defending any action concerning the Records and shall indemnify and hold Omnitrans harmless from all costs and expenses including attorney’s fees in connection with any such action.

RR-021
PRIVACY ACT - 5 U.S.C. 552

Applicability to Contracts

When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts.
**Flow Down**
The Federal Privacy Act requirements flow down to each third party contractor and their contracts at every tier.

**Model Clause/Language**
The text of the following clause has not been mandated by statute or specific regulation, but has been developed by FTA.

**Contracts Involving Federal Privacy Act Requirements** - The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:

1. The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

2. The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

**RR-022**
**VETERANS PREFERENCE**

Veterans Employment. Contractors working on a capital project funded using FTA assistance shall give a hiring preference, to the extent practicable, to veterans (as defined in section 2108 of title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.
PLANNING, RESEARCH, DEVELOPMENT AND DEMONSTRATION PROJECTS

PATENT RIGHTS

a. General. If any invention, improvement, or discovery of the Recipient or of any subrecipient, lessee, third party contractor, or other participant at any tier of the Project is conceived or first actually reduced to practice in the course of or under the Project, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Recipient agrees to notify FTA immediately and provide a detailed report in a format satisfactory to FTA.

b. Federal Rights. The Recipient agrees that its rights and responsibilities, and those of each subrecipient, lessee, third party contractor, or other participant at any tier of the Project, pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Absent a determination in writing to the contrary by the Federal Government, the Recipient agrees to transmit to FTA those rights due the Federal Government in any invention, improvement, or discovery resulting from that subagreement, third party contract, third party subcontract, or arrangement, as specified in 35 U.S.C. §§ 200 et seq., and U.S. Department of Commerce regulations, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” 37 C.F.R. Part 401, irrespective of the status of the Recipient, subrecipient, lessee, third party contractor or other participant in the Project (i.e., a large business, small business, State government, State instrumentality, local government, Indian tribe, nonprofit organization, institution of higher education, or individual).

c. License Fees and Royalties. FTA considers income earned from license fees and royalties for patents, patent applications, and inventions produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

RIGHTS IN DATA AND COPYRIGHTS

a. Definition. The term “subject data,” as used in this Section 18 of this Master Agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Grant Agreement or Cooperative Agreement for the Project. Examples include, but are not limited to: computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information. “Subject data” do not include financial reports, cost analyses, or other similar information used for Project administration.

b. General. The following restrictions apply to all subject data first produced in the performance of the Grant Agreement or Cooperative Agreement for the Project:
(1) Except for its own internal use, the Recipient may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the Recipient authorize others to do so, without the prior written consent of the Federal Government, unless the Federal Government has previously released or approved the release of such data to the public.

(2) The restrictions on publication of Paragraph 18.b(1) of this Master Agreement, however, do not apply to a Grant Agreement or Cooperative Agreement with an institution of higher learning.

c. Federal Rights in Data and Copyrights. The Recipient agrees to provide to the Federal Government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the subject data described in this Subsection 18.c of this Master Agreement. As used herein, “for Federal Government purposes,” means use only for the direct purposes of the Federal Government. Without the copyright owner’s consent, the Federal Government may not provide or otherwise extend to other parties the Federal Government’s license to:

(1) Any subject data developed under the Grant Agreement or Cooperative Agreement for the Project, or under a subagreement, lease, third party contract or other arrangement at any tier of the Project, supported with Federal assistance derived from the Grant Agreement or Cooperative Agreement for the Project, whether or not a copyright has been obtained; and

(2) Any rights of copyright to which a Recipient, subrecipient, lessee, third party contractor, or other participant at any tier of the Project purchases ownership using Federal assistance.

d. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies Projects. In general, FTA’s purpose in providing Federal assistance for a research, development, demonstration, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to Project participants. Therefore, when the Project is completed, the Recipient agrees to provide a Project report that FTA may publish or make available for publication on the Internet. In addition, the Recipient agrees to provide other reports pertaining to the Project that FTA may request. The Recipient agrees to identify clearly any specific confidential, privileged, or proprietary information it submits to FTA. In addition, except to the extent that FTA determines otherwise in writing, the Recipient of Federal assistance to support a research, development, demonstration, or a special studies Project agrees that, in addition to the rights in data and copyrights that it must provide to the Federal Government as set forth in Subsection 18.c of this Master Agreement, FTA may make available to any FTA recipient, subrecipient, third party contractor, third party subcontractor or other participant at any tier of the Project, either FTA’s license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in Subsection 18.a of this Master Agreement and shall be delivered as the Federal Government may direct. This Subsection 18.d, however, does not apply to adaptations of automatic data processing equipment or programs for the Recipient’s use when the costs thereof are financed with Federal assistance through an FTA capital program.

e. License Fees and Royalties. FTA considers income earned from license fees and royalties for copyrighted material, or trademarks produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.
f. Hold Harmless. Except as prohibited or otherwise limited by State law or except to the extent that FTA determines otherwise in writing, upon request by the Federal Government, the Recipient agrees to indemnify, save, and hold harmless the Federal Government and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Recipient of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project. The Recipient shall not be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.

g. Restrictions on Access to Patent Rights. Nothing in Section 18 of this Master Agreement pertaining to rights in data shall either imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

h. Data Developed Without Federal Funding or Support. In connection with the Project, the Recipient may find it necessary to provide data to FTA developed without any Federal funding or support by the Federal Government. The requirements of Subsections 18.b, 18.c, and 18.d of this Master Agreement do not apply to data developed without Federal funding or support by the Federal Government, even though that data may have been used in connection with the Project. Nevertheless, the Recipient understands and agrees that the Federal Government will not be able to protect data from unauthorized disclosure unless that data is clearly marked “Proprietary” or “Confidential.”

i. Requirements to Release Data. To the extent required by U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” at 49 C.F.R. § 19.36(d), or other applicable Federal laws or Federal regulations, the Recipient understands and agrees that the data and information it submits to the Federal Government may be required to be released in accordance with the Freedom of Information Act (or another Federal law or Federal regulation providing access to such records).

**SPECIAL NOTIFICATION REQUIREMENTS FOR STATES**

**SPECIAL NOTIFICATION REQUIREMENTS FOR STATES**

To the extent required by Federal law, the State agrees that, in administering any Federal assistance Program or Project supported by the Grant Agreement or Cooperative Agreement, any request for proposals, solicitation, grant application, form, notification, press release, or other publication involving the distribution of FTA assistance for the Program or the Project shall indicate that FTA is the Federal agency that is providing the Federal assistance, the Catalog of Federal Domestic Assistance Number of the program from which the Federal assistance is authorized, as may be applicable, and the amount of Federal assistance FTA provided.

1. **SCHEDULE OF VALUES**

Within 15 calendar days after "Notice to Proceed," the Contractor shall, upon request by Omnitrans, submit a Schedule of Values of the lump sum Bid entered on the Bid Form for all construction work. This Schedule of Values will form the basis for progress payments in accordance with these Specifications and shall show all of the major categories and subcategories of work and equipment requested by Omnitrans. Bonds and insurance costs will be identified as a separate line item. Such Schedule of Values shall not be required if Omnitrans, at its sole discretion, elects to pay the Contractor in lump sum within thirty (30) calendar days of receipt of proper invoice following the Contractor's satisfactory completion and Omnitrans’ acceptance of all work.

2. **PROGRESS PAYMENTS**

   a. Invoicing Instructions and Requirements:

   1) Contractor shall invoice Omnitrans monthly based upon the Schedule of Values.

   2) Invoices shall be separately numbered and sent to Omnitrans at the address listed below:

      Omnitrans  
      1700 West Fifth Street  
      San Bernardino, California 92411  
      Attn: AccountsPayables@omnitrans.org and contracts@omnitrans.org

   3) The Contractor is required to submit a Conditional Waiver and Release Upon Partial Payment with each invoice. The Contractor must submit the Contractor Final Release with the final invoice. In addition, the Contractor shall submit a completed Disadvantaged Business Enterprise (DBE) form with each payment application.

   b. For capital projects, Omnitrans pays invoices on the first Thursday of each month.

      1) Subject to verification of receipt, accuracy, and quality of orders, invoices received will be paid on the first Thursday of the month after the received date of an invoice.

      2) If received within the 10 days prior to the first Thursday of the month, payment may be delayed to the following month.

   c. In no event shall Omnitrans be obligated to make any payment on account of the Services which would cause the total amount paid to Contractor to exceed that not-to-exceed amount set forth above unless the Contract is amended through a Change Order.

   d. For purposes of calculating the progress payments, Omnitrans will use the Schedule of Values submitted by the Contractor at the start of this Agreement. In no event will Omnitrans make a progress payment that, when added to the prior progress payments, amounts to a sum more than the Contractor's actual aggregate incurred expenses, adjusted to include Contractor's overhead and profit as allocated to such incurred expenses.

   e. Omnitrans will pay only 95% of each progress payment amount as determined above, retaining 5% as part security for the fulfillment of this Agreement by the Contractor. Unless otherwise required by law, the final payment of five percent (5%) of the value
of the total price of this Agreement, if unencumbered, shall be paid no later than sixty (60) days after the date of recordation of the Notice of Completion.

f. No progress payments will be made for materials not installed.

g. Progress payments made by Omnitrans in no way shall be deemed or construed as acceptance by Omnitrans of work or waiver by Omnitrans of any rights hereunder.

h. Acceptance by Contractor of the final payment shall constitute a waiver of all claims against Omnitrans arising from this Agreement.

i. The Contractor shall pay subcontractors, promptly upon receipt of each Omnitrans progress payment, the respective amounts allowed the Contractor on account of the work performed by subcontractors, to the extent of each such subcontractor's interest therein. Such payments to subcontractors shall be based on estimates made pursuant to this Agreement. Any diversion by the Contractor of payments received for prosecution of a contract, or failure to reasonably account for the application or use of such payments, constitutes ground for termination of the Contractor's control over the work and for taking over the work, in addition to disciplinary action by the Contractor's State License Board. The subcontractor shall notify, in writing, the Contractor's State License Board and Omnitrans of any payment less than the amount or percentage approved for the class or item of work as set forth in this Agreement.

j. In addition to other amounts properly withheld under this Agreement, Omnitrans shall withhold all legally required sums for, but not necessarily limited to, stop payment notices, labor and tax liens, etc.

3. FINAL INSPECTION AND ACCEPTANCE

Promptly after Substantial Completion has occurred, Contractor shall perform all Punch List Work, if any, which was deferred for purposes of Project Completion, and shall satisfy all of its other contractual obligations under the contract documents.

When the Contractor determines that the work is fully completed, including satisfactory completion of all inspections, tests, and required documentation, Punch List and clean-up items, Contractor shall give Omnitrans a written request for Final Acceptance within ten (10) days thereafter, specifying that the work is completed and the date on which it was completed.

Within thirty (30) days after receipt of the request for Final Acceptance from Contractor, Omnitrans will make a final inspection of the work and will either:

a. Reject the request for Final Acceptance, specifying the defective or uncompleted work; or

b. Issue a written Final Acceptance and record Notice of Completion with County Recorder.

Substantial Completion is defined herein as; In the opinion of Omnitrans, that Work or portion thereof that is sufficiently complete and in accordance with the Contract, that it can be utilized by Omnitrans for the purpose for which it was intended. A determination of Substantial Completion does not waive, but may not require the prior completion of minor items, which do not impair Omnitrans ability to safely occupy and utilize the Work for its intended purpose.
4. **FINAL PAYMENT**

   a. After the filing of the Notice of Completion, Omnitrans will make a proposed final estimate, in writing, of the total amount payable to the Contractor, including therein an itemization of said amount, segregated as to contract item quantities, extra work and any other basis for payment, and shall also show therein all deductions made or to be made for prior payments and amounts to be kept or retained under the provisions of the contract. All prior estimates and payments shall be subject to correction in the proposed final estimate. Within 15 days after proposed final estimate has been submitted, Contractor shall submit to Omnitrans written approval of proposed final estimate and/or a written statement of all claims of the contract. No claim will be considered that was not included in written statement of claims, nor will any claim be allowed unless the Contractor has previously complied with the notice and protest requirements.

   b. On the Contractor's approval, or if he files no claim within stated period, Omnitrans will issue a final written estimate, in accordance with the proposed final estimate submitted to the Contractor; and 35 days after the date of filing the Notice of Completion Omnitrans will pay the entire sum found to be due. Such final estimate and payment thereon shall be conclusive and binding against the Contractor on all questions relating to the amount of work done and the compensation payable therefore, except as otherwise provided.

   c. If the Contractor within said period of 15 days, files claims, Omnitrans will issue a semi-final estimate in lieu of the final estimate submitted to the Contractor; and 35 days after the date of filing of the Notice of Completion, Omnitrans will pay the sum found to be due. Such semi-final estimate and payment thereon shall be conclusive and binding against the Contractor on all questions relating to the amount of work done and the compensation payable therefore, except insofar as affected by the claims filed within the time and in the manner required hereunder and except as otherwise provided.

   d. Upon final determination of any outstanding claims, Omnitrans shall then make and issue a final estimate in writing and within 30 days thereafter, Omnitrans will pay the entire sum, if any, found due. Such final estimate shall be conclusive and binding against the Contractor on all questions relating to the amount of work done and the compensation payable therefore, except as otherwise provided.

5. **MODIFICATION TO SPECIFICATION (CHANGE ORDERS) AND SCOPE OF WORK**

   a. Modifications to the Specifications and or Scope of Work

   1) Omnitrans may, from time to time, make changes to the Specifications and or Scope of Work under the Contract, through a Change Order.

   2) A Change Order shall not modify the overall purpose of the Contract.

   3) At any time during the term of the Contract, Omnitrans may order Additional Services to be performed by the Contractor by a Change Order.

   4) *Additional Services* are defined as services that were not contained in the Contract and are determined by Omnitrans to be necessary, and where a reasonable relationship to the services originally described in the Contract exists.
5) Contractor shall not be entitled to make any changes in the services or perform any Additional Services unless authorized, in advance, by written Change Order.

6) Contractor shall continue performance of the Scope of Work as modified by the Change Order upon receipt of a Change Order approved by Omnitrans.

7) Contractor and Owner hereby agree and acknowledge that execution of the Change Order constitutes a mutual accord and satisfaction as to the work covered hereby. Contractor specifically waives and releases: any and all claims; rights or interest; including, but not limited to, those for: impact; disruption; loss of efficiency; “ripple”; other extraordinary; or consequential costs, arising directly or indirectly out of the work described in this Change Order, except as specifically included herein.

b. Authorization of Additional Work

1) Authorization to make changes to the Specifications and or Scope of Work under the Contract shall be completed through a written Change Order.

2) Persons authorized to make those changes will exclusively be:

   **Contractor**: the person whose duly authorized signature appears on the BID documents and has authority to legally bind the firm.

   **Omnitrans**: CEO/General Manager.

3) Either Omnitrans or Contractor may designate other persons as agreed upon in writing or as designated herein.

4) For the purposes of this contract, temporary work ordered for special occasions that is not meant to affect the overall purpose and intent of this contract will be issued by Omnitrans under a separate contract and or purchase order. Any such additional work will be under the terms and conditions of that contract or purchase order, but may reference any portions of this contract.

c. Price Adjustments

1) Any change in the contract that causes an increase or decrease in cost to Omnitrans, or the time required for the performance of the contract, must be approved as prescribed herein.

2) An equitable adjustment in the compensation and schedule will be made upon an approved Change Order, which shall be incorporated, into the Contract by reference.

3) Contractor shall be liable for all costs resulting from, and or for satisfactorily correcting, any specification changes not properly ordered by written modification to the contract and signed by the Contracting Officer.

4) Except as otherwise expressly provided in the Contract, when costs are a factor in any determination of a contract price adjustment, such costs shall be in accordance with the applicable cost principles of Subpart 31.2 of the Federal Acquisition Regulations (FARs) in effect at the onset of the Contract.
6. CLAIMS

a. In accordance with Public Contract Code Sections 20104 et seq. and other applicable law, public works claims of $375,000 or less which arise between the Contractor and Omnitrans shall be resolved under the following statutory procedure unless Omnitrans has elected to resolve the dispute pursuant to Public Contract Code Section 10240 et seq.

b. All Claims. All claims shall be submitted in writing and accompanied by substantiating documentation. Claims must be filed on or before the date of final payment unless other notice requirements are provided in the Contract Documents. "Claim" means a separate demand by the claimant for (1) a time extension, (2) payment of money or damages arising from work done by or on behalf of the claimant and payment of which is not otherwise expressly provided for or the claimant is not otherwise entitled, or (3) an amount the payment of which is disputed by Omnitrans. The Contractor shall promptly comply with the Contract Documents in the performance of Work and/or the requests of Omnitrans even though a written claim has been filed. The Contractor and Omnitrans shall make good faith efforts to resolve any and all claims that may arise during performance of the Work covered by this Contract.

c. Claims Under $50,000. Omnitrans shall respond in writing to the claim within 45 days of receipt of the claim, or, Omnitrans may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims Omnitrans may have. If additional information is needed thereafter, it shall be provided upon mutual agreement of Omnitrans and the claimant. Omnitrans' written response shall be submitted 15 days after receiving the additional documentation, or within the same period of time taken by the claimant to produce the additional information, whichever is greater.

d. Claims over $50,000 but less than or equal to $375,000. Omnitrans shall respond in writing within 60 days of receipt, or, may request in writing within 30 days of receipt of the claim, any additional documents supporting the claim or relating to defenses or claims Omnitrans may have against the claimant. If additional information is needed thereafter, it shall be provided pursuant to mutual agreement between Omnitrans and the claimant. Omnitrans’ response shall be submitted within 30 days after receipt of the further documents, or within the same period of time taken by the claimant to produce the additional information or documents, whichever is greater. The Contractor shall make these records and documents available at all reasonable times, without any direct charge.

e. The Contractor will submit the claim justification in the following format:

1) Summary of claim merit and price, and Contract clause pursuant to which the claim is made.

2) List of documents relating to claim
   i. Specifications
   ii. Drawings
   iii. Clarifications (Requests for Information)
   iv. Schedules
   v. Other
3) Chronology of events and correspondence

4) Analysis of claim merit

5) Analysis of claim cost

6) Analysis of time impact analysis in CPM format

7) Cover letter and certification of validity of the claim

f. If the claimant disputes Omnitrans’ response, or if Omnitrans fails to respond within the statutory time period(s), the claimant may so notify Omnitrans within 15 days of the receipt of the response or the failure to respond, and demand an informal conference to meet and confer for settlement. Upon such demand, Omnitrans shall schedule a meet and confer conference within 30 Days.

g. If following the meet and confer conference, the claim or any portion thereof remains in dispute, the claimant may file a claim pursuant to Government Code 900 et seq. and Government Code 910 et seq. For purposes of those provisions, the time within which a claim must be filed shall be tolled from the time the claimant submits the written claim until the time the claim is denied, including any time utilized for the meet and confer conference.

Submission of a claim, properly certified, with all required supporting documentation, and written rejection or denial of all or part of the claim by Omnitrans, is a condition precedent to any action, proceeding, litigation, suit, general conditions claim, or demand for arbitration by Contractor.

Claims submitted by the Contractor shall be accompanied by a notarized certificate containing the language listed below. Failure to submit the notarized certificate will be cause for denying the claim.
Certificate

7. ACCELERATION
   a. Omnitrans reserves the right to accelerate the work of the Contract at any time during its performance. In the event that Omnitrans directs acceleration, such directive will be given to the Contractor in writing. The Contractor shall keep cost and other Project records related to the acceleration directive separately from normal Project cost records and shall provide a written record of acceleration costs to Omnitrans on a daily basis.
   b. In the event that the Contractor believes that some action or inaction on the part of Omnitrans constitutes an acceleration directive, the Contractor shall immediately notify Omnitrans in writing that the Contractor considers the actions or inactions an acceleration directive. This written notification shall detail the circumstances of the acceleration directive. The Contractor shall not accelerate their work efforts until Omnitrans responds to the written notification. If acceleration is then directed or required by Omnitrans, all cost records referred to in section (1) shall be maintained by the Contractor and provided to Omnitrans on a daily basis.
   c. In order to recover additional costs due to acceleration, the Contractor must document that additional expenses were incurred and paid by the Contractor. Labor costs recoverable will only be overtime or shift premium costs or the cost of additional laborers brought to the site to accomplish the accelerated work effort. Equipment costs recoverable will only be the cost of added equipment mobilized to the site to accomplish the accelerated work effort.

8. STOP PAYMENT NOTICES
   Omnitrans, at its sole discretion, may, at any time, retain out of any amounts due to the Contractor, sums sufficient to cover claims filed pursuant to Section 9350 et. seq. of the California Civil Code.

9. ORDER OF WORK
   Contractor shall perform work hereunder at such places, and in such order or precedence, as may be determined necessary by the Project Manager to expedite completion of the required work.

10. LABOR PROVISIONS
    a. Prevailing Wages
       1) Contractor shall comply with all applicable requirements of Division 2, Part 7, Chapter 1 of the Labor Code and all applicable federal requirements respecting prevailing wages. If there is a difference between the wage rates predetermined by the Secretary of Labor and the wage rates determined by the Director of the Department of Industrial Relations (DIR) for similar classifications of labor, the Contractor and subcontractors shall pay the higher wage rate. The DIR will not accept lower state wage rates not specifically included in the Federal minimum wage determination.

       2) The Contractor and each subcontractor shall forfeit as a penalty to Omnitrans not more than Two Hundred Dollars ($200.00) for each calendar day, or portion thereof, for each worker paid less than the stipulated prevailing wage rate for any work done by him, or by any subcontract under him, in violation of the provisions of the Labor Code. The difference between such stipulated prevailing wage rate and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage rate shall be paid to each worker by the Contractor.
3) The Contractor shall obtain a copy of the prevailing rates of per diem wages at the commencement of this Agreement from the website of the Division of Labor Statistics and Research of the Department of Industrial Relations located at www.dir.ca.gov/dlsr/. In the alternative, the Contractor may view a copy of the prevailing rates of per diem wages upon request to OMNITRANS. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification, or type of worker needed to perform work on the Project available to interested parties upon request, and shall post copies at the Contractor’s principal place of business and at the Project Site. Contractor shall post, at appropriate conspicuous points on the Project Site, a schedule showing all determined general prevailing wage rates and all authorized deductions, if any, from unpaid wages actually earned.

b. Minimum Wages

1) All mechanics and laborers employed or working upon the site of the work will be paid unconditionally, and not less often than once a week and without subsequent deduction or rebate on any account, the full amounts due at time of payment computed at wage rates not less than those specified in the General Wage Determinations referenced in this section regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics; and the wage determination decision shall be posted by the Contractor at the site of the work in a prominent place where it can be easily seen by the workers. For the purpose of this clause, contributions made or cost reasonably anticipated under the Labor Code of the State of California on behalf of laborers or mechanics are considered wages paid by such Laborers or mechanics. Also for the purpose of this clause, regular contributions made or costs incurred for more than a weekly period under plans, funds or programs, but covering the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

2) Omnitrans shall require that any class of laborers or mechanics, including apprentices and trainees, which is not listed in the General Wage Determinations and which is to be employed under this Contract, shall be classified conformably to such wage determinations. In the event Omnitrans does not concur in the Contractor's proposed classification or reclassification of a particular class of laborers and mechanics (including apprentices and trainees) to be used, the question, accompanied by the recommendation of Omnitrans, shall be referred to the State Director of Industrial Relations for determination.

3) Omnitrans shall require, whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly wage and the Contractor is obligated to pay a cash equivalent of such a fringe benefit, an hourly cash equivalent thereof to be established. In the event the interested parties cannot agree upon cash equivalent of the fringe benefit, the questions, accompanied by the recommendation of Omnitrans, shall be referred to the State Director of Industrial Relations for determination.

4) All disputes concerning the payment of wages or the classification of workers under this Agreement shall be promptly reported to Omnitrans.
c. Deductions

In addition to amounts which Omnitrans may retain under other provisions of the Contract Documents Omnitrans may withhold payments due to Contractor as may be necessary to cover:

1) Stop Payment Notice Claims.

2) Defective work not remedied.

3) Failure of Contractor to make proper payments to its subcontractors or suppliers.

4) Completion of the Contract if there exists a reasonable doubt that the work can be completed for balance then unpaid.

5) Damage to another Contractor or third party.

6) Amounts which may be due Omnitrans for claims against Contractor.

7) Failure of Contractor to keep the record (“as-built”) drawings up to date.

8) Failure to provide updates on the construction schedule and/or a recovery schedule if required.

9) Site clean-up.

10) Failure of the Contractor to comply with requirements of the Contract Documents, including but not limited to Contractor’s failure to provide approved complete as-builts prior to filing of Notice of Completion.

11) Liquidated damages.

12) Legally permitted penalties.

i. Omnitrans may apply such withheld amount or amounts to payment of such claims or obligations at its discretion with the exception of subsections (a), (c) and (e) of this Article, which must be retained or applied in accordance with applicable law. In so doing, Omnitrans shall be deemed the agent of Contractor and any payment so made by the Contractor shall be considered as a payment made under contract by Omnitrans to Contractor and Omnitrans shall not be liable to Contractor for such payments made in good faith. Such payments may be made without prior judicial determination of the claim or obligations. Omnitrans will render Contractor a proper accounting of such funds disbursed on behalf of the Contractor.

ii. Upon completion of the Contract, Omnitrans will reduce the final Contract amount to reflect costs charged to the Contractor, back charges or payments withheld pursuant to the Contract Documents.

iii. All amounts owing by Contractor to Omnitrans under the Contract shall earn interest from the date on which such amount is owing at the lesser of (i) 10% per annum or (ii) the maximum rate allowable under applicable Governmental Rules.
d. Payrolls and Basic Records

1) Payrolls and basic records relating thereto will be maintained during the course of the work and preserved for a period of three (3) years thereafter for all laborers and mechanics working at the site of the work. Such records will contain the name, address and social security number of each such worker, the correct classification, rates of pay, daily and weekly number of hours worked, deductions made and actual wages paid.

2) Pursuant to Labor Code Section 1776, the Contractor and each subcontractor shall maintain weekly certified payroll records showing the name, address, social security number, work classification, straight time and overtime hours paid each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed in connection with the work. Contractor shall certify under penalty of perjury that records maintained and submitted by Contractor are true and accurate. Contractor shall also require subcontractor(s) to certify weekly payroll records under penalty of perjury.

3) The Contractor will submit weekly a copy of all payrolls to Omnitrans as required in these "Labor Provisions" as well as to the Department of Industrial Relations (DIR). See subsection 17, Certified Payroll Compliance Monitoring, in this section. The copy shall be accompanied by a statement signed by the employer or its agent indicating that the payrolls are correct and complete, that the wage rates contained therein are not less than those determined by the State Director of Industrial Relations and that the classifications as set forth for each laborer or mechanic conform to the work performed. A submission of the "Weekly Statement of Compliance," which is required under this Contract, shall satisfy this requirement. The prime Contractor shall be responsible for the submission of copies of payrolls of all subcontractors. The Contractor will make the records required under the labor standard clauses of the contract available for the inspection by authorized representatives of Omnitrans, and will permit such representatives to interview employees during working hours on the job. In the event of noncompliance with the requirements of this Section, the Contractor shall have ten (10) days in which to comply subsequent to receipt of written notice specifying any item or actions necessary to ensure compliance with this section. Should noncompliance still be evident after such ten (10) day period, the Contractor shall, as a penalty to Omnitrans, forfeit One Hundred Dollars ($100.00) for each day, or portion thereof, for each worker until strict compliance is effectuated. Upon the request of the DIR, such penalties shall be withheld from contract payments.

e. Apprentices and Trainees

1) Apprentices: Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed and individually registered in a bona fide apprenticeship program as defined in section 1777.5 of the Labor Code of the State of California. The allowable ratio of apprentices to journeymen in any craft classification shall not be greater than the ratio permitted to the Contractor as to his entire work force under the registered program. Any employee listed on a payroll at an apprentice wage rate who is not registered or otherwise employed as stated above, shall be paid the wage rate determined by the State Director of Industrial Relations for the classification of work he actually performed. The Contractor or subcontractor will be required to furnish to Omnitrans or the State Director of Industrial Relations written evidence of the registration of his program and apprentices as well as the appropriate ratios and wage rates (expressed in percentages of the journeyman's rate contained in the applicable wage determination).
2) Trainees: Except as provided in 29 CFR 5.15, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to or individually registered in a program which has received prior approval, evidenced by formal certification, by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training. The ratio of trainees to journeymen shall not be greater than that permitted under the plan approved by the Bureau of Apprenticeship and Training. Every trainee must be paid at not less than the rate specified in the approved program for his level of progress. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Bureau of Apprenticeship and Training shall be paid not less than the wage rate determined by the Secretary of Labor for the classification of work he actually performed. The Contractor or subcontractor will be required to furnish the contracting officer or a representative of the Wage-Hour Division of the U.S. Department of Labor written evidence of the certification of his program, the registration of the trainees, and the ratios and wage rates prescribed in that program. In the event the Bureau of Apprenticeship and Training withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

3) Equal Employment Opportunity: The utilization of apprentices and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR, Part 30.

f. Compliance with Copeland Regulations (29 CFR, Part 3)

The Contractor shall comply with the Copeland Regulations (29 CFR, Part 3) of the Secretary of Labor which is herein incorporated by reference.

g. Contract Termination; Debarment

A breach of item 1 through 6 may be grounds for termination of the contract, and for debarment as provided in 29 CFR 5.6.

h. Overtime Requirements

No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any laborer or mechanic in any work week in which he is employed on such work to work in excess of 8 hours a day or 40 hours in such work week unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 8 hours a day or 40 hours in such work week.

i. Violation; Liability for Unpaid Wages

Pursuant to section 1775 of the Labor Code of the State of California, in the event that any workman employed on this public works project is paid less than the amount specified in the General Prevailing Wage Determinations or less than is required, relative to overtime, the Contractor and any subcontractor responsible therefore shall be liable to the affected workman for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the State of California or Omnitrans for liquidated damages. Such liquidated damages shall be computed with respect to each individual workman found to be underpaid and shall be in the amount of $50 per calendar day that a workman was underpaid.

General Provisions Page 15
j. Withholding for Liquidated Damages

Omnitrans may withhold or cause to be withheld, from any monies payable on account of work performed by the Contractor or subcontractor, such sums as may administratively be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for liquidated damages as provided in this section.

k. Final Labor Summary

The Contractor and each subcontractor shall furnish to Omnitrans, upon the completion of the contract, a summary of all employment, indicating for the completed project, the total hours worked and the total amount earned.

l. Final Certificate

Upon completion of the contract, the Contractor shall submit to Omnitrans, with the voucher for a final payment for any work performed under the contract, a concerning wages and classifications for laborers and mechanics, including apprentices and trainees employed on the project, in the following form:

The undersigned, Contractor on

__________________________________
(Contract No.)

__________________________________
hereby certifies that all laborers, mechanics, apprentices and trainees employed by the Contractor or by a subcontractor performing work under the contract on the project have been paid wages at rates not less than those required by the contract provisions, and that the work performed by each such laborer, mechanic, apprentice or trainee conformed to the classifications set forth in the contract or training program provisions applicable to the wage rate paid.

__________________________________
Signature and Title

m. Notice to Omnitrans of Labor Dispute

Whenever the Contractor has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this contract, the Contractor shall immediately give notice thereof, including all relevant information with respect thereto, to Omnitrans.

n. Disputes Clause

1) All disputes concerning the payment of prevailing wage rates or classifications shall be promptly reported to Omnitrans for its referral to DOT for decision or, at the option of Omnitrans, DOT referral to the Secretary of Labor. The decision of DOT or the Secretary of Labor, as the case may be, shall be final.
2) All questions relating to the application or interpretation of the Copeland Act, the Contract Work Hours Standards Act, the Davis-Bacon Act, or Section 13 of the Act shall be sent to the Federal Transit Administration (FTA) for referral to the Secretary of Labor for ruling or interpretation, and such ruling or interpretation shall be final.

o. Convict Labor

In connection with the performance of work under this Contract, the Contractor agrees not to employ any person-undergoing sentence of imprisonment at hard labor. This does not include convicts who are on parole or probation.

p. Insertion in Subcontracts

The Contractor shall set forth in item 1 through 15 of this Section so that all of the provisions of this section will be inserted in all construction subcontracts of any tier, and such other clauses as the Government may by appropriate instructions require.

q. Certified Payrolls Compliance Monitoring

1) This project is subject to monitoring and enforcement by the Department of Industrial Relations (DIR).

2) This project is subject to prevailing wages.

3) Contractors and subcontractors are obligated to submit certified payroll records utilizing the DIR’s eCPR system. You can access additional information regarding the DIR’s reporting system by using the following link: [http://www.dir.ca.gov/Public-Works/Certified-Payroll-Reporting.html](http://www.dir.ca.gov/Public-Works/Certified-Payroll-Reporting.html).

11. TIME EXTENSION/DELAYS

a. Contractor may be granted an extension of time for any portion of a delay in completion of the work due to acts of God, the public enemy, wars, civil unrest, fires, quarantine restrictions, or weather more severe than normal, providing that (1) the aforesaid causes were not foreseeable and did not result from an act or omission by the Contractor, (2) Contractor has taken reasonable precautions to prevent further delays owing to such causes, and (3) Contractor notifies Omnitrans in writing of the cause(s) for the delay within ten (10) days from the beginning of any such delay. No claims for additional compensation or damages for the foregoing delays shall be allowed to the Contractor, and the extension of time provided for herein shall be the sole remedy of the Contractor on account of any such delays.

b. An extension of time will not be granted for a delay described in the above paragraph(s) caused by a shortage of materials, except if materials are furnished by Omnitrans, unless the Contractor supplies Omnitrans with documented proof that every effort to obtain the materials from all known sources that (a) such materials could have been obtained only at exorbitant prices or (b) the prices were entirely inconsistent with current rates, taking into account the quantities; and (c) such facts could not have been known or anticipated at the time the Notice To Proceed was issued. Contractor shall also submit proof, that the inability to obtain such materials when originally planned, did in fact, cause a delay in completion of the work that could not be compensated for by revising the sequence of its operations. Only the physical shortage of material will be considered as a basis for an extension of time.
c. An extension of time for weather more severe than normal shall be granted only to the extent the work is actually delayed as determined by Omnitrans. Normal is defined as the monthly average of the temperature and rainfall wherein the work was performed for the prior 20 years before the execution of the contract.

d. In the event Contractor is actually and necessarily delayed by an act or omission on the part of Omnitrans, as determined by Omnitrans, the Contractor shall notify Omnitrans in writing within five (5) days from the beginning of any such delay. The time for completion of the work may be extended at the sole discretion of Omnitrans.

e. Within 30 days after the last day of delay, Contractor shall provide Omnitrans with detailed information concerning the circumstances of the delay, the number of days actually delayed, and the measures taken to minimize or prevent the delay. Failure to submit information shall be sufficient reason to deny the claim. Omnitrans shall ascertain the facts and the extent of the delay; and provide the Contractor its written findings, which will be final and conclusive. Except for the additional compensation for herein and except as provided in Public Contract Code Section 7102, Contractor shall have no claim for damages or compensation for any delay or hindrance.

f. No extension of time will be granted for any Omnitrans caused delay or delay as defined in which (a) the performance of work would have been concurrently delayed by Contractor induced causes, including but not limited to an act or omission of the Contractor, or (b) remedies are included or excluded by any other contract provision. Only the actual delay necessarily resulting from the causes specified in this Article shall be grounds for extension of time. Should the Contractor be delayed at any time for any period by two or more of the causes specified in this article, Contractor shall only be entitled to one time extension for the entire delay.

g. Any time extension granted to Contractor shall not release the Contractor or surety from its obligations. Work shall continue and be carried on in accordance with the contract provisions, unless formally suspended or terminated by Omnitrans.

12. NONDISCRIMINATION

During the performance of this Contract, the Contractor agrees as follows:

a. Contractor will not discriminate against any employee or applicant for employment because of race, creed, color or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, sex or national origin. Such action shall include, but not be limited to employment; upgrading; demotion; transfer; recruitment or recruitment advertising; layoff; termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post, in conspicuous places available to the employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex or national origin.
c. Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this Section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

e. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order, of the Secretary of Labor, or as otherwise provided by law.

f. Contractor will include the provisions of this Paragraph ("Nondiscrimination") in every subcontract or purchase order entered into under this Agreement unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

g. No person employed on the work covered by this Agreement shall be discharged or in any way discriminated against because he has filed any complaints or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable hereunder to his employer.

13. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

14. GOVERNMENT INSPECTIONS

Omnitrans or Government representatives shall have access to the construction site and shall have the right to inspect all project works.

15. LICENSING, PERMITS AND INSPECTION COSTS

a. Contractor warrants that it has all necessary licenses and permits required by the laws of the United States, State of California, the County of San Bernardino, the Local Jurisdictions, and all other appropriate governmental agencies, and agrees to maintain these licenses and permits in effect for the duration of the Agreement. Further, Contractor warrants that its employees, agents, and Contractors and subcontractors shall conduct themselves in compliance with such laws and licensure requirements including, without limitation, compliance with laws applicable to nondiscrimination, sexual harassment and ethical behavior throughout the duration of this Agreement. Contractor further warrants that it shall not retain or employ an unlicensed subcontractor to perform work on this Project. Contractor shall notify Omnitrans immediately and in writing of its employees’, agents’, Contractors’ or subcontractors’ inability to obtain or maintain, irrespective of the pendency of any appeal, any such licenses, permits, approvals, certificates, waivers, and exemptions. Such inability shall be cause for termination of this Agreement.

b. Contractor shall procure all permits and licenses and pay all charges, assessments and fees as may be required by the ordinances and regulations of the public agencies having jurisdiction over the areas in which the work is located, and shall comply with all the terms and conditions thereof and with all lawful orders and regulations of each such public agency relating to construction operations under the jurisdiction of such agency.

c. Contractor shall act as permittee on behalf of Omnitrans for coordination of all associated City of San Bernardino Building Department inspections.

16. HAZARDOUS SUBSTANCES

a. Cal/OSHA Requirements

All flammable, corrosive, toxic or reactive materials being bid must have a complete Cal/OSHA Safety Data Sheet (SDS) accompanying the submitted bid.

b. Notice of Hazardous Substances

Title 8, California Code of Regulations, Section 5194 (e)(c), states that the employer must inform any Contractor employers with employees working in the employer’s workplace of the hazardous substances to which their employees may be exposed while performing their work. In compliance with this requirement, Omnitrans hereby gives notice to all Bidders that the following general categories of hazardous substances are present on Omnitrans’ premises:

1) adhesives, sealant, patching and coating products
2) antifreeze, coolants
3) cleaners, detergents
4) paints, thinners, solvents
5) pesticides, petroleum products (diesel and unleaded fuel, oil products)
6) printing, photocopying materials
7) propane welding materials/compressed gases (e.g., acetylene, oxygen, nitrogen)
More specific information may be obtained from Omnitrans Safety and Security Office, and from Safety Data Sheets for individual products.

17. **MEDIA AND THE PUBLIC**

Contractor shall immediately refer all inquiries from the news media or other public sources to Omnitrans’ Project Manager, or designated representative, relating to this project.

18. **COORDINATION AND ACCESS**

Omnitrans may undertake or award other contracts for additional work at the project site. Contractor is responsible for coordinating its work with the work of other Contractors as appropriate. The Contractor acknowledges that they do not have any exclusive access to the site or other work areas. Omnitrans may require that certain facilities and areas be used concurrently by the Contractors and others. Contractor shall cooperate fully with Omnitrans Contractors/consultants that may be performing work in the construction area.

19. **UTILITIES RELATED DELAYS**

If, due to interruptions caused by the undocumented utilities, Contractor sustains loss which could not have been avoided by the judicious handling of forces, equipment and plant, there shall be paid to the Contractor that amount that Omnitrans may find to be a fair and reasonable compensation for the part of the Contractor’s actual loss, that, in the opinion of Omnitrans was unavoidable, determined as follow: Compensation for idle time of equipment will be determined in the same manner as determinations are made for equipment used in the performance of extra work paid for on a force account basis per Section 5, Modifications in the Specifications and Scope of Work, with the following exceptions:

a. The utility related delay factor for each classification of equipment shown in the Department of Transportation publication entitled Labor Surcharge and Equipment Rental Rates will be applied to that equipment rental rate.

b. The time for which the compensation will be paid will be the actual normal working time during which the delay condition exists, but in no case will exceed 8 hours in any one day.

c. The days for which compensation will be paid will be the calendar days, excluding Saturdays, Sundays and legal holidays, during the existence of the delay, except that when the rented equipment can be returned or used elsewhere on the project, then no payment will be made for utilities related delays.

Actual loss shall be understood to include no items of expense other than idle time of equipment and necessary payments for idle time of workers, and cost of extra moving of equipment.

20. **UTILITIES AND SUBSURFACE STRUCTURES**

Contractor shall protect from damage utility and other subsurface structures that are to remain in place, be installed, relocated or otherwise rearranged (as used herein, rearranged includes installation, relocation, alteration or removal).
The right is reserved to Omnitrans, or their authorized agents, to enter upon the site for the purpose of making those changes that are necessary for the rearrangement of their facilities or for making necessary connections or repairs to their properties. Contractor shall cooperate with forces engaged in this work and shall conduct operations in such a manner as to avoid any unnecessary delay or hindrance to the work being performed by the other forces. Wherever necessary, the work of Contractor shall be coordinated with the rearrangement of utility or other non-highway facilities, and Contractor shall make arrangements with the owner of those facilities for the coordination of the work.

Attention is directed to the possible existence of underground main or trunk line utilities not indicated on the plans or in the special provisions and to the possibility that underground main or trunk lines may be in a location different from that which is indicated on the plans or in the special provisions. Contractor shall ascertain the exact location of underground main or trunk lines whose presence is indicated on the plans or in the special provisions, the location of their service laterals or other appurtenances, and of existing service lateral or appurtenances of any other underground facilities which can be inferred from the presence of visible facilities such as buildings, meters and junction boxes prior to doing work that may damage any of the facilities or interfere with their service.

If Contractor cannot locate an underground utility whose presence is indicated on the plans or in the special provisions, the Contractor shall so notify Omnitrans in writing. If the utility for which the notice is given is in a substantially different location from that indicated on the plans or in the special provisions, the additional cost of locating the utility will be paid for as extra per Section 5, Modifications in the Specifications and Scope of Work.

If Contractor discovers underground main, trunk lines or other structures and utilities not indicated on the plans or in the special provisions, Contractor shall immediately give Omnitrans and the Utility Company written notification of the existence of those utilities. Such utilities shall be located and protected from damage as directed by Omnitrans, and the cost of that work will be paid for as extra work per Section 5, Modifications in the Specifications and Scope of Work. Contractor shall, if directed by Omnitrans repair any damage which may occur to the main or trunk lines. The cost of that repair work, not due to the failure of the Contractor to exercise reasonable care, will be paid for as extra work per Section 5, Modifications in the Specifications and Scope of Work. Damage due to Contractor's failure to exercise reasonable care shall be repaired at the Contractor's cost and expense.

Where it is determined by Omnitrans that the rearrangement of an underground utility essential in order to accommodate the project work and the plans and specifications do not provide that the utility is to be rearranged, Omnitrans will provide for the rearrangement of the utility by other forces or the rearrangement shall be performed by Contractor and will be paid for as extra work per Section 5, Modifications in the Specifications and Scope of Work.

When ordered by Omnitrans in writing, Contractor shall rearrange any utility or other subsurface structures necessary to be rearranged as a part of the project work and that work will be paid for as extra work per Section 5, Modifications in the Specifications and Scope of Work.

Should Contractor desire to have any rearrangement made in any utility facility, or other improvement, for the Contractor's convenience in order to facilitate the Contractor's construction operations, which rearrangement is in addition to, or different from, the
rearrangements indicated on the plans or in the special provisions, the Contractor shall make whatever arrangements are necessary with the owners of the utility or other subsurface structure for the rearrangement and bear all expenses in connection therewith.

Contractor shall immediately notify Omnitrans of any delays to the Contractor's operations as a direct result of underground utilities or other structures which were not indicated on the plans or in the special provisions or were located in a position substantially different from that indicated on the plans or in the special provisions, (other than delays in connection with rearrangements made to facilitate the Contractor's construction operations or delays due to a strike or labor dispute). These delays will be considered utilities related delays within the meaning of Section 19, Utilities Related Delays and compensation for the delay will be determined in conformance with the provisions in Section 10, Labor Provisions. Contractor shall be entitled to no other compensation for that delay.

21. LOCATION OF UNDERGROUND UTILITIES (OFFSITE WORK ONLY)

Contractor is required to obtain permits prior to start of excavation by contacting the appropriate permitting agencies at least 15 calendar days in advance. For the Offsite work scan, the construction site with electromagnetic or sonic equipment, and mark the surface of the ground where existing underground utilities are discovered. Verify the elevations of existing piping, utilities, and any type of underground obstruction not indicated or specified to be removed but indicated or discovered during scanning in locations to be traversed by piping, ducts, and other work to be installed. Verify elevations before installing new work closer than nearest manhole or other structure at which an adjustment in grade can be made. Perform potholing to confirm location of all the utilities along the construction alignment prior to start of the construction. The Contractor is responsible for all costs associated with these investigations including the cost of equipment, labor and materials required for any confined space entry.

22. UNFORESEEN HAZARDOUS OR REGULATED MATERIALS

All known hazardous or regulated materials are indicated in the contract documents. If material that is not indicated in the contract documents is encountered that may be dangerous to human health upon disturbance during construction operations, stop that portion of work and notify Omnitrans immediately. Intent is to identify materials such as PCB, lead paint, mercury, petroleum products, and friable and non-friable asbestos. The handling, containment and disposal of hazardous and containme material shall be in accordance with applicable State, Federal, and local environmental laws and regulations.

Contractor shall immediately notify Omnitrans of any delays to the Contractor's operations as a direct result of Unforeseen Hazardous and Regulated Materials These delays will be considered utilities related delays within the meaning of Section 19, Utilities Related Delays and compensation for the delay will be determined in conformance with the provisions in Section 10, Labor Provisions. Contractor shall be entitled to no other compensation for that delay.
23. CONTRACTOR’S OBLIGATIONS

a. Overview of Contractor’s Responsibilities

1.1. General:

Contractor shall furnish the following on the Project, in accordance with Omnitrans-furnished Contract Documents and all other requirements set forth in the Contract:

1.1.1. Construction Services – Contractor shall furnish labor, material and equipment necessary to construct the Project as designed in a timely manner, in accordance with all construction practices generally accepted as standards of the industry in the State of California, in a good and workmanlike manner, free from construction defects.

1.2. Compliance with Requirements – Contractor shall perform all services set forth in Paragraph entitled General Guidelines above (in this section), provide all materials and undertake all efforts necessary or appropriate (excluding only those materials, services and efforts that the Contract Documents specify will be furnished by Omnitrans or other persons) to construct the Project in accordance with the requirements of the Contract Documents, the Schedule, all applicable Laws, all Governmental Approvals, the Construction Documents provided to Omnitrans, and all other applicable safety, environmental and other requirements, and other physical limits resulting from constraints affecting the Project, so as to achieve Substantial Completion and Final Acceptance and to perform all required tests by the deadlines specified herein, and otherwise to do everything required by and in accordance with the Contract Documents.

1.3. Professional Qualifications – Contractor shall perform the Work under the supervision of persons licensed and certified to practice the applicable function/profession in the State of California, by personnel who are careful, skilled, experienced and competent in their respective trades or professions, who are professionally qualified to perform the Work in accordance with the Contract, and who shall assume professional responsibility for the accuracy and completeness of the Work prepared or checked by them.

1.4. Governing Dimensions – Before commencing any construction work, Contractor shall verify all governing dimensions at the Worksite, examine all adjoining work and activities that may have an impact on Work, and ensure that the Contract Documents (and any other documents related to the Work) accurately depict all governing and adjoining dimensions.

1.5. Scheduling – Contractor shall schedule and direct its work to provide an orderly work progression, achieve on-time completion of all Milestones set forth in the Schedule, and complete its work within the Contract Time. To accomplish this goal, Contractor shall furnish such employees, materials, facilities and Equipment, and work such hours (including extra shifts, overtime operations, Sundays and holidays), as may be necessary.

1.6. Means and Methods – Contractor shall be solely responsible for the performance of its Work in accordance with its own means, methods, sequences, and procedures, and for coordination of all portions of its Work in compliance with the Contract.
1.7. **Performance During Disputes** – At all times during the term hereof, including during any Dispute, Contractor shall perform as directed by Omnitrans, and shall comply with all provisions of the Contract.

1.8. **Ascertaining Facts** – Contractor shall be solely responsible for its failure to ascertain the facts and take the actions described, represented, warranted, and acknowledged in this Article, and no provision of this Contract shall be construed to relieve Contractor from responsibility for such failure.

1.9. **Subcontractors & Suppliers** – Contractor shall be responsible for the acts and omissions of its Subcontractors and Suppliers. Contractor agrees to bind every subcontractor to the terms of this Agreement as far as such terms are applicable to subcontractor’s portion of the Work.

1.10. **Assistance to Omnitrans** – Contractor shall provide such assistance as is reasonably requested by Omnitrans in dealing with any Government Entity, or in prosecuting and defending Environmental lawsuits in any and all matters relating to the Work. Such assistance may include providing information and reports regarding the Work, as well as executing declarations and attending meetings and hearings. In no event shall the Contractor be required to provide legal services.

1.11. **Cooperation** – The Contractor will cooperate with Omnitrans and its Authorized Representative(s), in their review(s) and/or inspection(s) of any portion or phase of the Work, and other matters relating to the Work.

1.12. **Mitigation** – The Contractor will Mitigate Delay in all circumstances, to the extent reasonably possible, including the re-sequencing, reallocating or redeploying of its forces to other work, as appropriate.

24. **CONTRACTOR’S REPRESENTATIONS, WARRANTIES AND COVENANTS**

Contractor represents, warrants and covenants for the benefit of Omnitrans that:

a. **Status** – If it is a corporation, limited partnership, general partnership, and/or joint venture, it is duly organized, validly existing and in good standing under the Laws of its jurisdiction of formation, and has full power and authority to own and operate its business and properties and perform the Work within the State of California.

b. **Contractor & Subcontractor Qualifications** – It and all of its Subcontractors are, and will be and will remain, fully experienced and properly qualified to perform the Work, and are, and throughout the term of this Contract shall remain, properly licensed, equipped, organized and financed to perform the Work hereunder and shall perform it in accordance with the Contract and in accordance with professional standards of skill, care, and diligence adhered to by firms recognized for their expertise, experience and knowledge in performing Work of a similar nature.

c. **Control of Employees and Subcontractors** – It shall maintain complete control of its employees, and its Subcontractors and Suppliers of all tiers, and shall not assign or transfer Work from itself or any listed Subcontractor or Supplier to itself or any other Subcontractor or Supplier without the written consent of Omnitrans.
d. Review of Information and Inspection of Worksites – It has, in accordance with prudent and generally accepted engineering and construction practices:

   1) Reviewed all of the information provided in the Contract (including reports provided by Omnitrans);

   2) Inspected and evaluated the Worksite and surrounding locations to the extent the Contractor deems necessary or advisable for performing all portions/phases of the Work under the Contract. These inspections and evaluations include without limitation:

      i. The character, quality, and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the Worksite, including review of the Contract Documents provided by Omnitrans.

      ii. Conditions bearing upon transportation, disposal, handling, and storage of materials, Goods, and Equipment;

      iii. The availability of labor, water, electric power, and roads;

      iv. Uncertainties of weather, or physical conditions at the site;

      v. The conformation and conditions of the ground;

      vi. The character of Equipment and facilities needed preliminary to and during Work performance; and

e. Physical Requirements – As a result of its inspection and examination of the Worksite, and other related and surrounding sites and conditions, it is familiar with and accepts the physical requirements of the Work.

f. Feasibility – As a result of its review of all the information and its inspection and examination of the Worksite, it has evaluated the feasibility of performing the Contract within the Contract Time and for the Total Contract Price, and has reasonable grounds for believing and does believe that such performance, including achievement of Substantial Completion of the Project within the Contract Time, for the Total Contract Price is feasible and practicable.

g. Legal Proceedings – There are no existing or threatened legal proceedings against Contractor that would have an adverse effect on its ability to perform its obligations under the Contract, its financial condition or its operations.

h. Governmental Approvals – Based upon its review of the Contract Documents, it shall be able to obtain and keep in effect throughout the Contract Time all Governmental Approvals the Contractor is obligated to obtain in accordance with the Contract.
i. Difficulty and Cost of Work – It has estimated the difficulty and cost of successfully performing the Work, and based upon that estimate has concluded that it can successfully perform the Work at the Total Contract Price.

j. Non-Debarment: In accordance with the provisions of the California Labor Code, Contractors or subcontractors may not perform work on a public works project with a subcontractor who is ineligible to perform work on a public project pursuant section 1777.1 or section 1777.7 of the California Labor Code. Any contract on a public works project entered into between a Contractor and a debarred subcontractor is void as a matter of law. A debarred subcontractor may not receive any public money for performing work as a subcontractor on a public works contract. Any public money that is paid to a debarred subcontractor by the Contractor for the Project shall be returned to Omnitrans. The Contractor shall be responsible for the payment of wages to workers of a debarred subcontractor who has been allowed to work on the Project.

k. Non-Discrimination: Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations pertaining to non-discrimination, including but not limited to, Section 1735 of the California Labor Code and Section 12940 of the California Government Code. The Contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of Title 49 CFR (Code of Federal Regulations) part 26 in the award and administration of US DOT assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the recipient deems appropriate. Each subcontract signed by the bidder must include this assurance.

l. Conflicts of Interest/ Criminal Activities: A Contractor shall not permit any official, officer or employee of Omnitrans during his tenure, or for one year thereafter, to have any interest, direct or indirect, in this Contract or the proceeds thereof. However, this subsection shall not be construed to extend to this Contract if made with a corporation for its general benefit. Contractor, its employees, its Subcontractors or their employees shall not provide or offer to provide any campaign contribution to any member of Omnitrans in violation of California Government Code Section 84308. Further, to Contractor's knowledge, neither Contractor nor any of its employees nor its Subcontractors nor their employees has either promised or provided a campaign contribution of $250 or more to any member of Omnitrans within 12 months prior to the award of this Contract or any subcontract of this Contract, unless an explicit statement to the contrary accompanies Contractor's bid. In no event shall gratuities (in the form of entertainment, gifts, or otherwise) be offered promised or given by Contractor, or any agent or representative of Contractor, to any official, officer or employee of Omnitrans or its Authorized Representative. Contractor or his employees shall not enter into any Contract involving not be considered a conflict under Sections 1090 et seq. and 87100 et seq. of the Government Code of the State of California. In the event Contractor, or any of its officers, partners, principals or employees are convicted of any crime arising out of, or in connection with, the work to be done or payment to be made under this Contract, this Contract in whole or any part thereof may, at the discretion of Omnitrans, be terminated for default. Any violation of the terms of this Section by Contractor may be considered a default of the Contract by Omnitrans and may result in termination of same pursuant to applicable provisions of this Contract. In the event of such a termination, Omnitrans shall be entitled
to pursue the same remedies against Contractor as it could pursue in the event of a breach of the Contract by Contractor. Rights and remedies provided to Omnitrans by this Section are in addition to any additional rights and remedies provided by law or under the Contract services or property with a person or business prohibited from transacting such business with Omnitrans pursuant to Sections 1090 et seq. and 87100 et seq. of the Government Code of the State of California. To Contractors knowledge, no Board member, officer, or employee of Omnitrans has any interest, whether contractual, non-contractual, financial or otherwise, in this transaction, or in the business of Contractor, unless an explicit statement to the contrary accompanies Contractor's bid. If any such transaction comes to the knowledge of Contractor at any time, a full and complete disclosure of such information shall be made to Omnitrans, even if such interest would

25. INDEPENDENT CONTRACTOR

a. Contractor, and its Subcontractors and Suppliers of any tier, are independent Contractors, and nothing in this Contract shall be construed to create the relationship of agent, servant, employee, partnership, joint venture, or other association as between Contractor and Omnitrans. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

b. Contractor, as an independent Contractor, shall have responsibility for and control over the details and means for performing the Work, provided that Contractor is in compliance with the terms of this Contract. Anything in this Contract that may appear to give Omnitrans the right to direct Contractor as to the details of the performance of the Work, or to exercise a measure of control over Contractor, shall mean that Contractor shall follow the desires of Omnitrans only as to the intended results of the Work.

26. COMPENSATION AND BENEFITS

Contractor shall be solely liable and responsible for providing all compensation and benefits to, or on behalf of, all persons performing Work pursuant to this Contract. Omnitrans will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

27. WORKERS’ COMPENSATION INSURANCE AND LIABILITY

If Contractor employs any person to perform work in connection with this Contract, Contractor shall procure and maintain at all times during the performance of such work Workers’ Compensation Insurance in conformance with the laws of the State of California and Federal laws where applicable. Employers’ Liability Insurance shall not be less than $1,000,000 per accident or disease. Prior to execution of this Contract by any such employee, Contractor shall deliver to Omnitrans a Certificate of Insurance that shall stipulate that 30 days’ advance written notice of cancellation, non-renewal or reduction in limits shall be given to Omnitrans.

28. CONTRACTOR'S REPRESENTATIVE, ORGANIZATION AND PERSONNEL

Before starting any Work, the Contractor shall submit for Omnitrans review and acceptance, an organization chart showing the proposed organization established by the Contractor for the performance of the Work, including:
a. Lines of authority, responsibility, and communication;

b. Office organizations, if any; and

c. Names, titles, and functions of all the Contractor’s key personnel.

29. SUPERINTENDENT

a. Contractor shall designate and keep a competent superintendent on the work at all times during its progress. The superintendent will be the Contractor's representative at the site and shall have authority to act on behalf of the Contractor. Qualifications and experience shall include:

1) Demonstrated ability to work safely and supervise individuals in safe work.

2) Previous experience supervising and planning work activities of foremen and crews.

3) Ability to read and understand construction plans.

b. The Superintendent must be:

a. Able to respond immediately to emergency or problem calls, 7 days a week, 24 hours a day.

c. The Superintendent shall manage and directly oversee the safety, condition, and quality of work that has been modified by the Contractor and shall direct corrective and maintenance measures to keep the site operating safely.

30. CHANGE IN CONTRACTOR'S REPRESENTATIVE AND KEY PERSONNEL

Contractor shall secure the prior written acceptance of Omnitrans for any change or reassignment of the Contractor’s Representative(s) and other key personnel, submitting written documentation of the new individuals’ qualifications. The Contractor shall not reassign key personnel to other projects until a satisfactory replacement has been approved by Omnitrans.

31. REMOVAL OF CONTRACTOR PERSONNEL

Omnitran's may require the Contractor to remove any person assigned by the Contractor or by any Subcontractor or Supplier from the Project performing on the Project, if Omnitran’s considers such removal in the best interest of Omnitran and the Work. Omnitran’s decision to require Contractor to remove any Contractor personnel, including Contractor’s Representative, shall be final and binding on the Contractor. Upon such direction, Contractor shall remove the person(s) and resolve all employment or contractual issues at no cost or expense to, and shall fully indemnify, Omnitran.

32. TRENCHES

a. Trenches Five Feet or More in Depth. Contractor shall submit to Omnitrans, in advance of excavation, a detailed plan showing the design of shoring, bracing, sloping or other provisions to be made for worker protection from the hazard of caving ground during the
excavation of any trench or trenches five feet or more in depth. If the plan varies from shoring system standards, the plan shall be prepared by a registered civil or structural engineer. The plan shall not be less effective than the shoring, bracing, sloping, or other provisions of the Construction Safety Orders, as defined in the California Code of Regulations.

b. **Excavations Deeper than Four Feet.** If work under this Contract involves digging trenches or other excavation that extends deeper than four feet below the surface, Contractor shall promptly, and before the following conditions are disturbed, notify Omnitrans, in writing, of any:

1) Material that the Contractor believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II, or Class III disposal site in accordance with provisions of existing law.

2) Subsurface or latent physical conditions at the Site differing from those indicated.

3) Unknown physical conditions at the Site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

Omnitrans shall promptly investigate the conditions, and if it finds that the conditions do so materially differ, or do involve hazardous waste, and cause a decrease or increase in Contractor’s cost of, or the time required for, performance of any part of the Work, shall issue a change order under the procedures described in the Contract Documents.

In the event that a dispute arises between Omnitrans and the Contractor as to whether the conditions materially differ, or involve hazardous waste, or cause a decrease or increase in the Contractor’s cost of, or time required for, performance of any part of the Work, the Contractor shall not be excused from any scheduled completion date provided for by the Contract, but shall proceed with all Work to be performed under the Contract. Contractor shall retain any and all rights provided either by contract or by law which pertain to the resolution of disputes and protests between the parties.

### 33. SANITARY FACILITIES

Contractor shall provide sanitary temporary toilet buildings for the use of all workers. All toilets shall comply with local codes and ordinances. Toilets shall be kept supplied with toilet paper, hand sanitizers and shall have workable door fasteners. Toilets shall be serviced no less than once weekly and shall be present in a quantity of not less than 1 per 20 workers as required by Cal/OSHA regulation. The toilets shall be maintained in a sanitary condition at all times. Use of toilet facilities in The Work under construction shall not be permitted. Any other Sanitary Facilities required by Cal/OSHA shall be the responsibility of the Contractor.

### 34. AIR POLLUTION CONTROL

Contractor shall comply with all air pollution control rules, regulations, ordinances and statutes. All containers of paint, thinner, curing compound, solvent or liquid asphalt shall be labeled to indicate that the contents fully comply with the applicable material requirements.
35. **CLEAN UP**

Contractor at all times shall keep premises free from debris such as waste, rubbish, and excess materials and equipment. Contractor shall not store debris under, in, or about the premises. Upon completion of Work, Contractor shall clean the interior and exterior of the building or improvement including fixtures, equipment, walls, floors, ceilings, roofs, window sills and ledges, horizontal projections, and any areas where debris has collected so surfaces are free from foreign material or discoloration. Contractor shall clean and polish all glass, plumbing fixtures, and finish hardware and similar finish surfaces and equipment and Contractor shall also remove temporary fencing, barricades, planking and construction toilet and similar temporary facilities from Site. Contractor shall also clean all buildings, asphalt and concrete areas to the degree necessary to remove oil, grease, fuel, or other stains caused by Contractor operations or equipment.

Contractor shall fully clean up the Site at the completion of the Work. If the Contractor fails to immediately clean up at the completion of the Work, Omnitrans may do so and the cost of such clean up shall be charged back to the Contractor.

36. **OCCUPANCY**

Omnitrans reserves the right to occupy or utilize any portion of the Work at any time before completion, and such occupancy or use shall not constitute Acceptance of any part of Work covered by this Contract. This use shall not relieve the Contractor of its responsibilities under the Contract.

37. **STATE LICENSE BOARD NOTICE**

Contractors are required by law to be licensed and regulated by the Contractors’ State License Board which has jurisdiction to investigate complaints against Contractors if a complaint regarding a patent act or omission is filed within four (4) years of the date of the alleged violation. A complaint regarding a latent act or omission pertaining to structural defects must be filed within ten (10) years of the date of the alleged violation. Any questions concerning a Contractor may be referred to the Registrar, Contractors’ State License Board, P.O. Box 26000, Sacramento, California 95826.

38. **WAIVER**

No provision of these Contract Documents shall be deemed waived by either party unless such waiver shall be expressly specified in writing, regardless of the actions or inaction of the parties.

39. **MISCELLANEOUS**

These Contract Documents shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of these Contract Documents, the action shall be brought in a state or federal court situated in the County of San Bernardino, State of California.
40. INTEGRATION

No oral order, objection, direction, claim or notice by any party or person shall affect or modify any of the terms or obligations contained in the RFQ. The RFQ represents the entire agreement of Omnitrans and the Contractor.

41. SCHEDULE OF WORK

a. Normal hours of work shall be between the hours of 7:00 a.m. and 6:00 p.m. Other hours, such as weekends and holidays, are permissible provided prior authorization has been granted by Omnitrans, Project Manager(s).

b. Contractor shall submit a Schedule of Work to Omnitrans’ Project Manager as follows:
   1) Submit within two (2) days after the Notice to Proceed date.
   2) Show all major elements of the work and their duration and interrelationships; showing the proposed dates of commencement and completion.
   3) All work must be completed by October 31, 2019.
   4) Submit a conceptual schedule with bid.

3. If any activity falls behind schedule, Contractor shall regain the time lost at its own cost and expense.

42. EXAMINATION OF WORK SITE

Bidder shall visit and become acquainted with the work site and the conditions thereof to fully understand the scope of work, difficulties and restrictions attending the execution of the work under contract.

43. OBSTRUCTIONS

Contractor shall remove and dispose of all structures, or other obstructions of any character necessary to accommodate the work. Where such obstructions consist of improvements not required by law to be removed by Omnitrans, improvements shall be removed, maintained, and permanently replaced by the Contractor at his expense except as otherwise specifically provided in the Contract.

44. QUALITY OF THE WORK

a. AUTHORITY OF THE DIRECTOR OF MAINTENANCE

Project Manager, and/or his designee, shall decide any and all questions which may arise as to the interpretation of the plans and specifications and shall have authority to disapprove or reject materials and equipment furnished and work performed which, in his opinion, is not in accordance with the Contract.

b. SUPPLEMENTAL DRAWINGS

1) The plans may be supplemented by such drawings as are necessary to better define the work. All such drawings delivered to the Contractor by the Project Manager shall be deemed written instructions to the Contractor. If the Contractor believes that any supplemental drawings call for changes in the work for which the contract
amount or time for completion should be changed, he shall not proceed with the
changes in the work so called for and shall within seven days of the receipt of the
supplemental drawings notify the Project Manager in writing of his estimate of the
changes in the contract amount and time for completion he believes to be
appropriate.

2) No payment for changes in the work will be made and no change in the time for
completion by reason of changes in the work will be made, unless the changes are
covered by a written change order approved by Omnitrans in advance of the
Contractor's proceeding with the changed work.

c. CONFORMITY WITH CONTRACT DOCUMENTS

1) The work shall conform to the lines, grades, dimensions, tolerances, and material
and equipment requirements shown on the plans or set forth in the specifications.
Although measurement, sampling, and testing may be considered evidence as to
such conformity, the Project Manager shall be the sole judge as to whether the work
or materials deviate from the plans and specifications, and his decision as to any
allowable deviations therefore shall be final.

2) If specific lines, grades, and dimensions are not shown on plans, those furnished by
the Project Manager shall govern.

d. MANUFACTURER'S INSTRUCTIONS

All materials and equipment shall be applied, installed, connected, erected, used,
cleaned, and conditioned in accordance with the instructions of the applicable
manufacturer, fabricator, supplier, or distributor, except as otherwise specifically
provided in the Contract.

45. SUPERVISION AND SUPERINTENDENCE

a. Contractor shall supervise and direct the work competently and efficiently, devoting
such attention thereto and applying such skills and expertise as may be necessary to
perform the work in accordance with the Contract. Contractor shall be solely responsible
for the means, methods, techniques, sequences, and procedures of construction, but the
Contractor shall not be solely responsible for the negligence of others in the design or
selection of a specific means, method, technique, sequence, or procedure of construction
which is indicated in and required by the Contract except as otherwise provided.

b. Contractor shall be responsible to see that the completed work complies with the
Contract.

c. Contractor shall designate and keep a competent superintendent on the work at all times
during its progress who shall not be replaced without written notice to the Project
Manager. The superintendent will be the Contractor's representative at the site and shall
have authority to act on behalf of the Contractor. All communications given to the
superintendent shall be as binding as if given to the Contractor. During periods when
the work is suspended, the Contractor shall make appropriate arrangements for any
emergency work, which may be required.

d. Whenever the superintendent is not present on any particular part of the work where the
Project Manager may desire to inform the Contractor relative to interpretation of the
plans and specifications or to disapproval or rejection of materials or work performed,
the Project Manager may so inform the foreman or other worker in charge of the particular part of the work in reference to which the information is given. Information so given shall be as binding as if given to the superintendent.

e. All equipment, materials, and supplies to be incorporated in the work shall be new, unless otherwise specified. All equipment, materials, and supplies shall be produced in a good and workmanlike manner. When the quality of a material, process, or article is not specifically set forth in the plans and specifications, the best available quality of the material, process, or article shall be provided.

46. CONTRACTOR'S RESPONSIBILITY FOR THE WORK

a. In the event any hazardous materials, including but not limited to asbestos, are utilized in construction or hazardous materials are otherwise encountered during construction, the Contractor shall take all appropriate precautions to protect persons and property and shall comply with all applicable regulations for the installation and handling of such hazardous materials. Contractor is solely responsible for protection of persons and property that could be affected by construction and the Contractor's handling of such materials.

b. Until the acceptance of the work, the Contractor shall have the responsible charge and care of the work and of the materials to be used therein (including materials for which he has received partial payment or materials which have been furnished by the OmniTrans) and shall bear the risk of injury, loss, or damage to any part thereof by the action of the elements or from any other cause, whether arising from the execution or from the non-execution of the work.

c. Contractor shall rebuild, repair, restore, and make good all injuries, losses, or damages to any portion of the work or the materials occasioned by any cause before its completion and acceptance and shall bear the expense thereof. Where necessary to protect the work or materials from damage, the Contractor shall, at his expense, provide suitable drainage and erect such temporary structures as are necessary to protect the work or materials from damage. The suspension of the work or the granting of an extension of time from any cause whatever shall not relieve the Contractor of his responsibility for the work and materials as herein specified.

d. In an emergency affecting the safety of life or property, including adjoining property, Contractor, without special instructions or authorizations, shall act at his discretion to prevent such threatened loss or injury.

e. Notwithstanding the foregoing provisions of this clause, the Contractor shall not be responsible for the cost of repairing or restoring damage to the work, which damage is determined to have been proximately caused by an Act of God, in excess of 5 percent of the contracted amount, provided that the work damaged is built in accordance with accepted and applicable building standards and the plans and specifications. For the purposes of this paragraph, "Acts of God" shall include the following occurrence or conditions and effect: earthquakes in excess of a magnitude of 3.5 on the Richter scale.
47. PRESERVATION OF PROPERTY

a. Contractor shall exercise due care to avoid injury to existing improvements or facilities, utility facilities, adjacent property, and trees and shrubbery that are not to be removed.

b. All trees, shrubbery, and landscaping that are not to be removed, and pole lines, fences, signs, survey markers and monuments, buildings and structures, conduits, pipelines under or above ground, sewer and waterlines, all highway or street facilities, and any other improvements or facilities within or adjacent to the work shall be protected from injury or damage, and the Contractor shall provide and install suitable safeguards to protect such objects from injury or damage. If such objects are injured or damaged by reason of the Contractor's operation, they shall be replaced or restored at the Contractor's expense to a condition as good as when the Contractor entered upon the work or as good as required by the plans and specifications if any such objects are a part of the work being performed.

c. The fact that any such pipe or other underground facility is not shown on the plans shall not relieve the Contractor of his responsibility under this clause.

d. In addition to any requirements imposed by law, the Contractor shall shore up, brace, underpin, and protect as may be necessary, all foundations and other parts of all existing structures adjacent to and adjoining the site of the work which are in any way affected by the excavations or other operations connected with the performance of the work. Whenever any notice is required to be given by Omnitrans or the Contractor to any adjacent or adjoining landowner or other party before commencement of any work, such notice shall be given by the Contractor.

e. In an emergency affecting the safety of life or property, including adjoining property, the Contractor, without special instructions or authorizations, shall act at his discretion to prevent such threatened loss or injury.

48. REGIONAL NOTIFICATION CENTER CONTACT

a. Contractor, except in an emergency, shall contact the appropriate regional notification center at least two working days prior to commencing any excavation if the excavation will be conducted in an area or in a private easement which is known, or reasonably should be known, to contain subsurface installations other than the underground facilities owned or operated by the Owner, and obtain an inquiry identification number from that notification center. No excavation shall be commenced and carried out by the Contractor unless such an inquiry identification number has been assigned to the Contractor or any subcontractor of the Contractor and Omnitrans has been given the identification number by the Contractor.

b. Emergency shall be defined as a sudden, unexpected occurrence, involving a clear and imminent danger, demanding immediate action to prevent or mitigate loss of, or damage to, life, health, property, or essential public services. Emergency includes such occurrences as fire, flood, earthquake, or other soil or geologic movements, as well as such occurrences as riot, accident, or sabotage (Government Code Section 4216).

c. Subsurface installation means any underground pipeline, conduit, duct, wire, or other structure operated or maintained in or across a public street or public right-of-way (Government Code Section 4216).
49. **SAFETY**

a. In accordance with generally accepted construction practices, the Contractor shall be solely and completely responsible for conditions of the job site, including safety of all persons and property during performance of the work, and the Contractor shall fully comply with all state, federal and other laws, rules, regulations, and orders relating to safety of workers and all others.

b. The right of the Omnitrans to conduct construction review or observation of the Contractor's performance will not include review or observation of the adequacy of the Contractor's safety measures in, on, or near the construction site.

3. Omnitrans reserves the right to correct unsafe practices by the Contractor’s employees, or to stop work until the Contractor makes the necessary corrections.

d. **Smoking**

Omnitrans uses designated areas for smoking. Smoking is not allowed at any time in the bus yard, on or in any buildings, or by the entrances to any buildings. Smoking by employees of the Contractor, or sub-Contractors, shall not create a hazardous condition for themselves, co-workers, or employees and property of Omnitrans.

e. **Eye Protection**

1) Per Omnitrans eye protection policy, ANSI Z87 approved eye protection shall be worn by all persons while conducting business outside the boundaries of the established “green zone”. The policy also requires that eye protection be utilized if hazardous work is being conducted within the “green zone”. The Contractor shall ensure that all of its employees have been provided eye protection that meets the requirement.

2) The Project Manager, or his designee, reserves the right to stop the Contractor’s work in the event that a Contractor employee is in violation, and that work will remain stopped until the violation is corrected.

f. **Vests**

1) Contractors and their employees working or performing services in outside work zones shall wear ANSI Class 2 Safety Vests.

2) Safety Vests are not required while in designated, marked with painted green borders Safety Zones on Agency property or while on sidewalks, curbs, or raised pavement.

g. **Hazardous Materials**

1) Contractor shall perform all work in a clean, safe and professional manner, causing no hazards to Omnitrans staff, facility the environment or Contractors service personnel.

2) All hazardous waste shall be handled, collected, stored and disposed of in accordance with federal, state and local environmental compliance regulations.

3) Coordination of hazardous waste collection, storage, and disposal shall be made through the Omnitrans’ Facility Manager, or his designee.
50. **WARRANTY OF TITLE**

No materials, supplies, or equipment for the work under this contract shall be purchased subject to any chattel mortgage or under a conditional sale contract or other agreement by which an interest therein or any part thereof is retained by the seller or supplier. The Contractor warrants clear and good title to all materials, supplies, and equipment installed and incorporated in the work and agrees upon completion of all work to deliver the premises, together with all improvements and appurtenances constructed or placed thereon by him, to Omnitrans free from any claims, liens, encumbrances, or charges and further agrees that neither he nor any person, firm, or corporation furnishing any material or labor for any work covered by the contract shall have any right to a lien upon the premises or any improvement or appurtenance thereon, provided that this shall not preclude the Contractor from installing metering devices or other equipment of utility companies or of municipalities, the title of which is commonly retained by the utility company or the municipality. Nothing contained in this clause, however, shall defeat or impair the right of such persons furnishing materials or labor under any bond given by the Contractor for their protection or any right under any law permitting such persons to look to funds due the Contractor in the hands of Omnitrans. The provisions of this clause shall be inserted in all subcontract and material contracts, and notices of its provision shall be given to all persons furnishing materials for the work when no formal contract is entered into for such materials.

51. **PROPERTY RIGHTS IN MATERIALS**

a. Nothing in the contract shall be construed as vesting in the Contractor any right of property in the materials used after they have been attached or affixed to the work or the soil, or after payment has been made for materials delivered to the site of the work, or stored subject to or under the control of Omnitrans. All such materials shall become the property of Omnitrans upon being so attached or affixed or upon payment for materials delivered to the site of the work or stored subject to or under the control of Omnitrans.

b. Soil, stone, gravel, and other materials found at the site of the work and which conform to the plans and specifications for incorporation into the work may be used in the work. No other use shall be made of such materials except as may be otherwise described in the plans and specifications.

52. **MUTUAL RESPONSIBILITY OF CONTRACTORS**

a. Nothing in the contract shall be interpreted as granting to the Contractor exclusive occupancy of the site of the project. The Contractor must ascertain to his own satisfaction the scope of the project and the nature of any other contracts that have been or may be awarded by Omnitrans in the construction of the project, to the end that the Contractor may perform this contract in the light of such other contracts, if any.

b. Contractor shall not cause any unnecessary hindrance or delay to any other Contractor working on the project. If the performance of any contract for the project is likely to be interfered with by the simultaneous performance of some other contract or contracts, the Project Manager shall decide which Contractor shall cease work temporarily and which Contractor shall continue or whether the work under the contracts can be coordinated so that the Contractors may proceed simultaneously. On all questions
concerning conflicting interest of Contractors performing related work, the decision of the Project Manager shall be binding upon all Contractors concerned and Omnitrans, the Project Manager, and their Contractors shall not be responsible for any damages suffered or extra costs incurred by the Contractor resulting directly or indirectly from the award or performance or attempted performance of any other contract or contracts on the project or caused by a decision or omission of the Project Manager respecting the order of precedence in the performance of the contracts.

c. If through acts of neglect on the part of the Contractor, any other Contractor or any subcontractor shall suffer loss or damage on the work, the Contractor agrees to settle with such other Contractor or subcontractor by agreement or arbitration, if such other Contractor or subcontractor will so settle. If such other Contractor or subcontractor shall assert any claim against Omnitrans, the Project Manager, or their Contractors or any of their directors, officers, employees, or agents on account of any damage alleged to have been so sustained, Omnitrans shall notify the Contractor who shall hold harmless, indemnify, and defend Omnitrans, the Project Manager, and their Contractors, and each of their directors, officers, employees, and agents against any such claim, including all attorneys' fees and any other costs incurred by the indemnified parties relative to any such claim.

53. ASSIGNMENT OF ANTI-TRUST ACTIONS

a. In entering into a public works contract or subcontract to supply goods, services, or materials pursuant to a public works contract, the Contractor or subcontractor offers and agrees to assign to the awarding body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 [commencing with Section 16700] of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to the Contractor, without further acknowledgment by the parties.

b. In submitting a bid, the bidder offers and agrees that if the bid is accepted, it will assign to the awarding body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 [commencing with Section 16700] of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the awarding body pursuant to the bid. Such assignment shall be made and become effective at the time the awarding body tenders final payment to the bidder.

54. EXISTING CONDITIONS

a. Drawings, if any, show existing conditions as supposed or believed. Drawings are based on the best evidence and information available, but no warranty is thereby expressed or implied that such conditions actually exist.

b. Omnitrans and any of its Contractors shall not be liable for any loss sustained by Contractor as a result of any variance between existing conditions as indicated on the plans and the actual conditions revealed during the progress of the work, provided that the Contractor should have reasonably known of or identified the existing condition.
55. **WARRANTY OF SCOPE OF WORK AND LUMP SUM PRICING**

   a. Contractor represents and warrants that in setting the Lump Sum Pricing herein, that:
      
      1) Contractor has done so after a thorough review of the description of work, plans, drawings and specifications;
      
      2) Contractor deems that the aforementioned documents are sufficiently complete to enable Contractor to establish the Lump Sum Pricing set forth herein;
      
      3) Contractor deems the contract price is adequate to provide all the necessary labor, service, equipment or material to complete the work as stated herein, according to industry standards and good workmanship, and within the contract time set forth herein.

   b. Contractor acknowledges that except for adjustments in the Lump Sum Pricing by change orders, Contractor shall build the project in conformance to the contract documents and Omnitrans shall in no event be chargeable for more than the Lump Sum Pricing.

56. **OBSERVATION OF WORK BY PROJECT MANAGER**

   a. The Project Manager, shall at all times have access to the work during construction and shall be furnished with every reasonable facility for ascertaining full knowledge respecting the progress, workmanship, and character of materials and equipment used and employed in the work.

   b. Whenever the Contractor varies the normal period during which work or any portion of it is carried on each day, he shall give timely notice to the Project Manager so that the Project Manager may be present to observe the work in progress. If the Contractor fails to give such timely notice, any work done in the absence of the Project Manager will be subject to rejection.

   c. The Contractor shall give timely notice to the Project Manager in advance of backfilling or otherwise covering any part of the work so that the Director of Maintenance may observe such part of the work before it is concealed.

   d. The observation, if any, by the Project Manager of the work shall not relieve the Contractor of any of his obligations to fulfill the contract as prescribed. Defective work shall be made good, and materials and equipment furnished and work performed which is not in accordance with the Contract documents may be rejected notwithstanding the fact that such materials, equipment, and work have been previously observed by the Project Manager or that payment therefore has been included in an estimate for payment.

57. **REMOVAL OF DEFECTIVE AND UNAUTHORIZED WORK**

   a. Any work which does not conform to the requirements of the Contract documents shall be remedied or removed and replaced by the Contractor, together with any other work which may be displaced in so doing, and no compensation or extension of time will be allowed him for such removal, replacement, or remedial work. All nonconforming materials shall be immediately removed from the site.
b. Costs for re-testing and re-inspecting construction that replaces or is necessitated by work that failed to comply with the Contract Documents will be charged to Contractor and the Contract Price will be adjusted by Change Order.

c. Any work done beyond the lines and grades shown on the plans or established by the Project Manager or any changes in, additions to, or deductions from the work done without written authority will be considered as unauthorized and will not be paid for. Work so done may be ordered remedied, removed, or replaced at the Contractor's expense.

d. Upon failure on the part of the Contractor to comply promptly with any order of the Project Manager made under the provisions of this Contract, the Project Manager shall have authority to cause non-conforming materials, rejected work, or unauthorized work to be remedied, removed, or replaced at the Contractor's expense and to deduct the costs from any moneys due or to become due to the Contractor.

58. **USE OF COMPLETED PORTIONS**

a. When the Work or any portion of it is sufficiently complete to be utilized or placed into service, Omnitrans shall have the right upon written notification to the Contractor to utilize such portions of the work and to place the operable portions into service and to operate same.

b. Upon said notice and commencement of utilization or operation by Omnitrans, the Contractor shall be relieved of the duty of maintaining the portions so utilized or placed into operation; provided, however, that nothing in this article shall be construed as relieving the Contractor of the full responsibility for completing the work in its entirety, for making good defective work and materials, for protecting the work from damage, and for being responsible for damage and for the work as set forth in the Contract nor shall such action by Omnitrans be deemed completion and acceptance, and such action shall not relieve the Contractor, his sureties, or insurers of the provisions of Contractor's insurance, indemnity, and guarantees.

59. **PROJECT COMPLETION**

Project completion shall be defined as the date on which it is agreed by Omnitrans and its representatives, Contractor and permitting agencies that the project is accepted.

60. **OBLIGATION TO CONTINUE WORK**

Contractor, in the event of any dispute or controversy with Omnitrans over any matter whatsoever, shall not cause any delay or cessation in or of Contractor’s work, but shall proceed under the contract with the performance of the work required thereby.

61. **SUSPENSION OF WORK BY OMNITRANS**

a. Omnitrans may, without cause, order Contractor in writing to suspend, delay, or interrupt the work in whole or in part for such period of time as Omnitrans may determine.
b. An adjustment shall be made for increases in the cost of performance of the contract, including profit on the increased cost of performance caused by suspension, delay or interruption.

c. No adjustment shall be made to the extent that:
   1) Performance is, was or would have been so suspended, delayed or interrupted by another cause for which Contractor is responsible;
   2) Force Majeure;
   3) An equitable adjustment was made under another provision of this contract.

d. Any such petitions for adjustments are subject to audit, Federal Cost Principles, and any other provision of this contract.

62. GENERAL REQUIREMENTS

a. Contractor to field verify all areas for appropriate square footages, linear feet, etc.

b. It is the Contractor’s responsibility to coordinate the Work so as to minimize conflicts and optimize efficiency.

c. If and when it should be necessary for the Contractor to impact day-to-day operations of Omnitrans functions in order to pursue the Work, the Contractor shall furnish adequate notice to Omnitrans and coordinate the means and timing to avoid, minimize, or circumvent such impacts. Omnitrans reserves the right to assess and anticipate such impacts and the right to stop or postpone the Work until a mutually satisfactory time and means can be agreed upon.

d. The Contractor shall not stop or park any of his vehicles in such a manner to prevent the timely entrance and exit of Omnitrans coaches from the parking area. Our customers expect prompt service, and our service is scheduled on a tight timeline, and we will not accept any delays.

e. All Work is to comply with all applicable state and city code requirements.

f. The Contractor shall ensure that all of his operations strictly adhere to all Federal, State, and Local safety and environmental laws and regulations. Omnitrans, in accordance with the dual employer law, reserves the right to correct unsafe practices by the Contractor’s employees, or stop work until the Contractor makes the appropriate corrections.

g. The Contractor shall arrange for the disposal of all materials generated in the performance of this contract. No trash or waste of any kind that is generated by the Contractor shall be disposed of in any receptacle that is in place for the use of our employees. Any trash or waste that must be disposed of by Omnitrans due to the Contractor’s failure to provide for proper disposal will result in a liquidated damage to the Contractor equal to the cost of disposal plus the labor costs associated with making those arrangements.

h. Contractor to repair any damage to irrigation or landscaping as a result of construction activity.
63. **WARRANTY**

   a. Contractor warrants all Work under the Contract (which for purposes of this Section shall be deemed to include unauthorized work which has not been removed and any non-conforming materials incorporated into the Work) to be of good quality and free from any defective or faulty material and workmanship.

   b. Contractor agrees that for a period of one year (or the period of time specified elsewhere in the Contract or in any guarantee or warranty provided by any manufacturer or supplier of equipment or materials incorporated into the Work, whichever is later) after the date of final acceptance, Contractor shall within ten (10) days after being notified in writing by Omnitrans of any defect in the Work or non-conformance of the Work to the Contract, commence and prosecute with due diligence all Work necessary to fulfill the terms of the warranty at its sole cost and expense.

   c. Contractor shall act sooner as requested by Omnitrans in response to an emergency.

   d. In addition, Contractor shall, at its sole cost and expense, repair and replace any portions of the Work (or work of other contractors) damaged by its defective Work or which becomes damaged in the course of repairing or replacing defective Work. For any Work so corrected, Contractor’s obligation hereunder to correct defective Work shall be reinstated for an additional one-year period, commencing with the date of acceptance of such corrected Work. Contractor shall perform such tests as Omnitrans may require to verify that any corrective actions, including, without limitation, redesign, repairs, and replacements comply with the requirements of the Contract. All costs associated with such corrective actions and testing, including the removal, replacement, and reinstitution of equipment and materials necessary to gain access, shall be the sole responsibility of Contractor.

   e. All warranties and guarantees of subcontractors, suppliers and manufacturers with respect to any portion of the Work, whether express or implied, are deemed to be obtained by Contractor for the benefit of Omnitrans, regardless of whether or not such warranties and guarantees have been transferred or assigned to Omnitrans by separate agreement and Omnitrans agrees to enforce such warranties and guarantees, if necessary, on behalf of Omnitrans.

   f. In the event that Contractor fails to perform its obligations under this Section, or under any other warranty or guaranty under this Contract, to the reasonable satisfaction of Omnitrans, Omnitrans shall have the right to correct and replace any defective or non-conforming Work and any work damaged by such work or the replacement or correction thereof at Contractor’s sole expense. Contractor shall be obligated to fully reimburse Omnitrans for any expenses incurred hereunder upon demand.

64. **LIQUIDATED DAMAGES**

Failure of the Contractor to complete the Work within the time allowed will result in damages being sustained by Omnitrans. Such damages are, and will continue to be, impracticable and extremely difficult to determine. For each consecutive calendar day in excess of the time specified for completion of the Work, as adjusted in accordance with the Schedule of Values, the Contractor shall pay Omnitrans, or have withheld from monies due it, the sum of $0 per day as delay damages, unless otherwise specified.
Execution of the Contract shall constitute agreement by Omnitrans and Contractor that $0 per day is the minimum value of the costs and actual damage caused by the failure of the Contractor to complete the Work within the allotted time. Such sum is liquidated damages for delay and shall not be construed as a penalty, and may be deducted from payment due the Contractor if such delay occurs.

65. PROSECUTION AND COMPLETION OF WORK

Contractor shall commence performance of the Work on the date specified in the formal Notice to Proceed (NTP) issued to the Contractor. Contractor shall furnish sufficient labor (including extra crews) and facilities and shall work such hours (including extra shifts and overtime operations) so as to prosecute the Work to completion.

The Contractor is not authorized to perform any work unless it receives a Notice-to-Proceed written authorization to begin.

66. HOLIDAYS

Omnitrans’ facility is closed for the following non-working holidays:

- Memorial Day: May 27, 2019
- Fourth of July: July 4, 2019
- Labor Day: September 2, 2019
- Veteran’s Day: November 11, 2019

67. PRE-CONSTRUCTION SUBMITTALS

Upon award of a contract, the following shall be submitted prior to or on the day of the pre-construction meeting for Omnitrans’ review and comment. The Contractor's complete submittal, due after NTP, shall not substantially differ from the information provided in these documents submitted by the Contractor.

a. Preliminary Project Schedule indicating proposed approach to phased construction where required (supplement with supporting plans and/or diagrams as required)

b. Baseline Schedule

c. Schedule of Values

d. Submittal Schedule

e. Location of field office, storage areas, and layouts

f. Site Specific Health and Safety Plan

g. Project Specific Quality Control Plan

h. Contractor's Key Personnel (Including Emergency Contact information)
68. **COOPERATION WITH OMNITRANS DURING BUSINESS OPERATIONS**

   a. **Contractor Interface with Omnitrans Bus Operation**

      1) It is expected that Omnitrans will cooperate with Contractor to the extent that the Work may be handled in an efficient manner, but Contractor shall have no claim for damage or extra compensation in the event its Work is delayed by Omnitrans bus operations.

      2) Contractor shall perform its Work in such manner and at such times as to not endanger or interfere with the safe and timely operation of Omnitrans’ buses at or in the vicinity of the Work.

      3) Any proposed plan by Contractor that may cause infringement of clearances items a.1 and a.2 above due to Contractor's operations shall be submitted to the Construction Manager (CM) in writing 30 Days in advance and such Work shall not begin until notified by Project Manager that such a plan has been approved by Omnitrans. No damage or extra compensation will be allowed in the event the Contractor's Work is delayed pending Omnitrans approval or if the Plan is rejected.

      4) Contractor shall give a 30 Day written notice to the Project Manager before commencing any Work in connection with construction or other activities that affect Omnitrans route safety and performance and its customer’s safety and accessibility.

69. **PROTECTION OF PROPERTY AND RESTORATION OF EXISTING IMPROVEMENTS**

   The Contractor shall be responsible for the protection of public and private property adjacent to the Work and shall exercise due caution to avoid damage to such property.

   The Contractor shall repair or replace existing improvements within the right-of-way or temporary construction easement which are not designated for removal (e.g. curbs, sidewalks driveways, fences, walls, signs, billboards, utility installations, monitoring wells, pavement, structures, landscaping, irrigations and etc.) which are damaged or removed as a result of its operations. When a portion of a sprinkler system within the right-of-way must be removed, the remaining lines shall be capped and remaining system shall be kept functional and not cause new damages. Repairs and replacements shall be at least equal to existing improvements and shall match them in finish and dimension.

   The Contractor, during the progress of the Work, shall maintain existing or temporary street lightings and traffic signal systems. If any damage to existing or temporary street lightings and traffic signal system occur, the Contractor shall immediately notify the Engineer and arrange for immediate repair and restoration of service. The Contractor shall commence repairs or replacements as soon as possible and in no case later than 4 hours after damaging the system or receiving approval of the equipment and materials by the Engineer, whichever takes longer. A licensed electrical contractor shall make all temporary and permanent repairs.

   Trees, lawns, and shrubbery that are not to be removed shall be protected from damage or injury. If damaged or removed due to Contractor’s operations, they shall be restored or replaced in as nearly the original condition and location as is reasonably possible. Lawns shall be reseeded and covered with suitable mulch.
The Contractor shall give reasonable notice of at least 30 Days to occupants or owners of adjacent property to permit them to salvage or relocate plants, trees, fences, sprinklers, and other improvements, within the right-of-way which are designated for removal and would be destroyed because of the Work.

All costs to the Contractor for protecting, removing, and restoring existing improvements shall be included in the Bid.

70. TRAFFIC AND ACCESS

The Contractor’s operations shall cause no unnecessary inconvenience for bus maintenance and storage. The Contractor shall be afforded a work zone within which to complete the majority of the work. These areas are indicated on the plans and shall be separated from the Agency’s operations by k-rail. Some work will be performed within the operational area of the yard and shop. Therefore, the access rights of the Agency shall be considered at all times. Unless otherwise authorized in writing by the Engineer prior to start of Work, traffic shall be permitted to pass through the Work, or an approved detour shall be provided by the Contractor at its own cost. It is also recognized that improvements within the bus yard will impact parking areas. The Contractor shall present a plan to mitigate the impact of construction. The Agency shall have access to required parking at all times which may result in phasing of the work. The Contractor will not be entitled to damages, additional compensation, or time extension resulting from the need to phase construction.

Safe and adequate pedestrian and vehicular access shall be provided and maintained to: fire hydrants; schools and parking lots; residences; and establishment of similar in nature. Access to these facilities shall be continuous and unobstructed unless otherwise authorized in writing by the Engineer prior to start of Work.

Grading operations, excavation, and fill construction shall be conducted by the Contractor in a manner to provide a reasonably satisfactory surface for traffic. When these activities completed, the roadbed surface shall be brought to a smooth, even condition satisfactory for property access. The use of plating is encouraged. If used, plating shall be beam with asphalt or other material to eliminate movement. Plating shall be bedded to reduce noise under vehicle loading.

Unless otherwise authorized in writing by the Engineer prior to start of Work, work shall be performed in only that portion of the bus access roadway at one time that still permits safe access for buses. The access portion shall be kept open and unobstructed until the opposite side is ready for use.

a. Restrictions
   1) No work during special events or holidays, without prior approval of the Agency
   2) Access Closures – Allowed by special permission only, determined on a case/day by case/day basis, traffic control plan required.

b. Notification
   Advance Notification – Obtain Agency approval of closure plan a minimum 72 hours prior to proposed closure.

SP-02 PROSECUTION AND COMPLETION OF WORK

Contractor shall commence performance of the Work on the date specified in the formal Notice to Proceed (NTP) issued to the Contractor. Contractor shall furnish sufficient labor (including extra crews) and facilities and shall work such hours (including extra shifts and overtime operations) so as to prosecute the Work to completion.

The Contractor is not authorized to perform any work unless it receives a Notice-to-Proceed written authorization to begin.

SP-03 CONSTRUCTION SAFETY AND SECURITY

A. Contractor shall be responsible for compliance with all safety rules and regulations of the Federal Occupational Safety and Health Act of 1970, and all applicable State and local laws, ordinances, and regulations during the performance of construction at the Work Site.

B. In accordance with the Contract, the Contractor shall indemnify Omnitrans for fines, penalties, and corrective measures that result from the acts of the Contractor, its subcontractors, agents, employees, and assigns and their failure to comply with safety rules, laws, ordinances and regulations.

C. Contractor shall be solely responsible for accident prevention and job site safety on the Project. In accordance with 29 CFR 1926.16, this responsibility cannot be delegated to subcontractors, suppliers, Omnitrans, or other persons. Incompliance with these provisions, the Contractor shall perform the following:

1. Stop any construction site activity when, in their opinion, such stoppage is warranted for the protection of life and/or property;

2. Plan and execute all work to comply with all applicable federal, state and local laws, regulations; industry standards and this Contract's requirements with regard to safety, as well as the stated objectives and safety requirements contained in the Contractor's Safety Plan;
(3) Develop, administer, and properly conduct all applicable statutory safety education/training programs mandated by the US. Dept. of Labor (OSHA) and Cal/OSHA;

(4) Conduct initial and annual orientation and training programs for employees which shall include, as a minimum, a review of hazards present in the area in which they will be working and the personal protective equipment and apparel the workers will be required to use or wear as specified under OSHA (State and Federal);

(5) Ensure that formal safety meetings are conducted on a weekly basis. Computerize Documentation of topics discussed and attendees shall be maintained;

(6) Ensure that any and all such training is presented in English, as well as the predominant language of the majority of the applicable work force, if that is different from English;

(7) Furnish and enforce the wearing and use of the following required personal protective equipment for all Contractor and subcontractor personnel working on the Project:
   (a) Hard hats, meeting the requirements of ANSI-Z89.1, at all times;
   (b) Work boots, meeting the requirements of ANSI-Z41, Class 75, at all times;
   (c) Eye protection with side shields, meeting the requirements of ANSI Z87.1, at all times;
   (d) Warning vests made of high visibility material with reflectorized tape, meeting the requirements of ANSI/ISEA-107 Class II, at all times;
   (e) Ear protection, respirators, protective clothing and gloves, safety belts, safety harnesses, lifelines and lanyards, and any and all other personal protective equipment, in accordance with OSHA's specific guidelines for work activities and conditions that necessitate such items for work safety.

(8) Ensure that all of the Contractor’s subcontractors, suppliers, vendors and other visitors to the Work Site are properly informed of and comply with all applicable Contractor safety plans and programs, to include all personal protective equipment requirements;

(9) Notify Omnimtrans Safety and Security Officer immediately if a safety inspector from OSHA and/or EPA arrives at the Work Site;

D. Members of the Contractor's staff must be qualified and shall have will have responsibilities with respect to safety:

(1) Contractor's Project Manager, hereinafter referred to as PM, will ensure compliance with all safety provisions of the Contract, including the Safety Plan, OSHA, Cal/OSHA, and other Agency and industry safety requirements and standards. Additional safety duties of the PM shall include the following:
   (a) Review and direct immediate action to correct all non-standard safety conditions brought to his/her attention;
   (b) Take an active part in all supervisory safety meetings, including the discussion of observed unsafe work practices and corrective actions, and encouragement of safety suggestions from employees;
   (c) Ensure that a job-site "Safety Bulletin Board" is established and maintained to include all required postings and relevant safety posters/information; and
   (d) Cooperate with the Engineer and Omnimtrans Project Manager.
SP-04  STANDARD WORK WEEK

Eight (8) hours of work shall constitute a legal day’s work. The Contractor and each subcontractor shall forfeit, as penalty to Omnitrans, twenty-five dollars ($25) for each worker employed in the execution of Work by the Contractor or any subcontractor for each day during which such worker is required or permitted to work more than eight (8) hours in any one day and forty (40) hours in any week in violation of the provisions of the Labor Code, and in particular, Section 1810 to Section 1815, except that work may be performed by employees of the Contractor and his subcontractors in excess of eight hours per day at not less than one and one-half times the basic rate of pay, as provided in Labor Code Section 1815.

Work shall be accomplished on a regularly scheduled eight (8) hour per day work shift basis, Monday through Friday, between the hours of 7:00 a.m. and 6:00 p.m., unless specifically approved in writing by Omnitrans Representative.

It shall be unlawful for any person to operate, permit, use, or cause to operate any of the following at the Project Site, other than between the hours of 7:00 a.m. to 6:00 p.m., Monday through Friday, with no Work allowed on Omnitrans-observed holidays, unless otherwise specifically approved in writing by Omnitrans Representative:

1. Powered Vehicles
2. Construction Equipment
3. Loading and Unloading Vehicles

SP-05  HOLIDAYS

Omnitrans’ Administration Offices are closed for the following holidays:

- Memorial Day: May 27, 2019
- Fourth of July: July 4, 2019
- Labor Day: September 2, 2019
- Veteran’s Day: November 11, 2019

SP-06  PAYMENT OF PREVAILING WAGES

This project is funded under a financial assistance contract by the U.S. Department of Transportation and is subject to all conditions of the Davis-Bacon Act (40 U.S.C. 276a) and the Labor Code of the State of California commencing in Section 1770 et. seq. It is required that all mechanics and laborers employed or working at the site be paid not less than the current basic hourly rates of pay and fringe benefits. Wage schedules are attached or available on the internet at:

- www.dir.ca.gov/DLSR/statistics_research.html
- www.access.gpo.gov/davisbacon/

Bidders shall utilize the relevant prevailing wage determinations in effect on the first advertisement date of the Invitation for Bids. In the event there are any differences between the minimum wage rates as determined by the United States Secretary of Labor and those determined by the State of California, the highest rate MUST BE PAID.

SPECIAL PROVISIONS PAGE 4
SP-07 RIGHTS-OF-WAY, EASEMENTS AND PREMISES

Contractor shall be responsible for all permits, agency coordination, and traffic control for all work in the public right of way.

SP-08 FINES ASSESSED FOR NON-COMPLIANCE

Any fines assessed by a governing agency to Omnitrans for any violation relative to the work performed by the Contractor due to Contractor’s negligent conduct or non-compliance with any governing agency requirements will be borne by the Contractor.

SP-09 CLASSIFICATION OF CONTRACTOR’S LICENSE

All bidders must possess the proper license at the time of Contract award. A California State Contractor’s License, Classification “B”, General Contractor, and/or C-13 – Fencing Contractor is required of the prime bidder. All subcontractors must possess the appropriate licenses for each specialty subcontracted.

A. Contractor’s Capabilities, Licenses and Registrations

1. General – For the duration of the Work, Contractor, and its Subcontractors shall possess and maintain the following:
   a) Experience and professional capability to perform the Work; and
   b) All required State of California Contractors license(s), Professional license(s) and registrations needed for the Work.

2. Evidence of Valid Licenses/Registrations – Proof of validity of all licenses and registrations required in this Article shall be provided to Omnitrans’ Contract Administrator within 3 days of NTP and annually thereafter.

3. Business Licenses – The Contractor and its Subcontractors are required to have Business Licenses in the City of San Bernardino.

SP-10 PERMITS

A. The Contractor must obtain the following permits from the City of San Bernardino – Public Works

   1. Combination (including Right of Way and Excavation)
   2. Lane Closure

B. The above listed permits are known to the Project and it does not preclude the Contractor from performing due diligence. The Contractor shall be responsible for all fees, businesses licenses needed for obtaining permits. Omnitrans’ assistance in obtaining the permits does not relieve the Contractor from these requirements nor be responsible for delays. The Contractor shall obtain all the required permits, licenses authorizing the Contractor to perform the said work for the agency. The Contractor is also required to verify with all local entities regarding the applicable permits that may not be listed above.

SP-11 PROTECTION OF PROPERTY AND RESTORATION OF EXISTING IMPROVEMENTS

Contractor shall be responsible for the protection of public and private property adjacent to the Work and shall exercise due caution to avoid damage to such property.

Contractor shall repair or replace existing improvements within the right-of-way or temporary construction easement which are not designated for removal (e.g. curbs, sidewalks driveways, fences, walls, signs, billboards, utility installations, monitoring wells, pavement, structures, landscaping, irrigations and etc.) which are damaged or removed as a result of its operations. When a portion of a sprinkler system within the right-of-way must be removed, the remaining lines shall be capped and remaining system shall be kept functional and not cause new damages.
Repairs and replacements shall be at least equal to existing improvements and shall match them in finish and dimension.

Contractor, during the progress of the Work, shall maintain existing or temporary street lightings and traffic signal systems. If any damage to existing or temporary street lightings and traffic signal system occur, the Contractor shall immediately notify the Engineer and arrange for immediate repair and restoration of service. The Contractor shall commence repairs or replacements as soon as possible and in no case later than 4 hours after damaging the system or receiving approval of the equipment and materials by the Engineer, whichever takes longer. A licensed electrical contractor shall make all temporary and permanent repairs.

Trees, lawns, and shrubbery that are not to be removed shall be protected from damage or injury. If damaged or removed due to Contractor’s operations, they shall be restored or replaced in as nearly the original condition and location as is reasonably possible. Lawns shall be reseeded and covered with suitable mulch.

All costs to the Contractor for protecting, removing, and restoring existing improvements shall be included in the Bid.

**SP-12 TRAFFIC AND ACCESS**

Unless otherwise authorized in writing by the Project Manager / Engineer prior to start of Work, traffic shall be permitted to pass through the Work, or an approved detour shall be provided by the Contractor at its own cost. The Contractor will not be entitled to damages, additional compensation, or time extension resulting from the need to phase construction.

Safe and adequate pedestrian and vehicular access shall be provided and maintained to: fire hydrants, schools and parking lots, residences, and establishment of similar in nature. Access to these facilities shall be continuous and unobstructed unless otherwise authorized in writing by the Project Manager / Engineer prior to start of Work.

Grading operations, excavation, and fill construction shall be conducted by the Contractor in a manner to provide a reasonably satisfactory surface for traffic. When these activities are completed, the roadbed surface shall be brought to a smooth, even condition satisfactory for property access. If used, plating shall be bermed with asphalt or other material to eliminate movement. Plating shall be bedded to reduce noise under vehicle loading.

**SP-13 PROJECT STAKEHOLDERS**

This Contract includes, in part, certain terms and conditions required by the Project Stakeholders, whether or not expressly set forth in the Contract provisions. All contractual provisions required by the Project Stakeholders, as set forth in each memorandum of understanding and cooperative agreement, including any changes or addenda thereto, and as may be promulgated from time to time during the term of this Contract, are hereby incorporated by reference. Contractor shall at all times comply with all applicable terms and conditions required by the Project Stakeholders. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any request from Omnitrans that would cause Omnitrans to be in violation of the terms and conditions of any memorandum of understanding or cooperative agreement between Omnitrans and any other Project Stakeholder. Contractor’s failure to so comply shall constitute a material breach of this contract whereupon Omnitrans, in its sole and absolute discretion, may terminate this Contract for cause.

CLASSIFICATION GROUPS

**GROUP 1**
- Boring Machine Helper (Outside)
- Certified Confined Space Laborer
- Cleaning and Handling of Panel Forms
- Concrete Screeding for Rough Strike-Off
- Concrete, Water Curing
- Demolition Laborer, the cleaning of brick if performed by an employee performing any other phase of demolition work, and the cleaning of lumber
- Fiberoptic Installation, Blowing, Splicing, and Testing Technician on public right-of-way only
- Fire Watcher, Limbers, Brush Loaders, Pilers and Debris Handlers
- Flagman
- Gas, Oil and/or Water Pipeline Laborer
- Laborer, Asphalt-Rubber Material Loader
- Laborer, General or Construction
- Laborer, General Cleanup
- Laborer, Jetting
- Laborer, Temporary Water and Air Lines
- Plugging, Filling of Shee-Bolt Holes; Dry Packing of Concrete and Patching
- Post Hole Digger (Manual)
- Railroad Maintenance, Repair Trackman and Road Beds; Streetcar and Railroad Construction Track Laborers
- Rigging and Signaling
- Scaler
- Slip Form Raisers
- Tarman and Mortar Man
- Tool Crib or Tool House Laborer
- Traffic Control by any method
- Water Well Driller Helper
- Window Cleaner
- Wire Mesh Pulling - All Concrete Pouring Operations

**GROUP 2**
- Asphalt Shoveler
- Cement Dumper (on 1 yard or larger mixer and handling bulk cement)
- Cesspool Digger and Installer
- Chucktender
- Chute Man, pouring concrete, the handling of the chute from readymix trucks, such as walls, slabs, decks, floors, foundations, footings, curbs, gutters and sidewalks
- Concrete Curer-Impervious Membrane and Form Oiler
- Cutting Torch Operator (Demolition)
- Fine Grader, Highways and Street Paving, Airport, Runways, and similar type heavy construction
- Gas, Oil and/or Water Pipeline Wrapper-Pot Tender and Form Man
- Guinea Chaser
- Headerboard Man-Asphalt
- Installation of all Asphalt Overlay Fabric and Materials used for Reinforcing Asphalt
- Laborer, Packing Rod Steel and Pans
- Membrane Vapor Barrier Installer
- Power Broom Sweepers (small)
- Riprap, Stonepaver, placing stone or wet sacked concrete
- Roto Scraper and Tiller
- Sandblaster (Pot Tender)
- Septic Tank Digger and Installer (leadman)

**GROUP 2 (continued)**
- Tank Scaler and Cleaner
- Tree Climber, Faller, Chain Saw Operator, Pittsburgh Chipper and similar type Brush Shredders
- Underground Laborer, including Caisson Bellower

**GROUP 3**
- Asphalt Installation of all fabrics
- Buggymobile Man
- Compactor (all types including Tampers, Barko, Wacker)
- Concrete Cutting Torch
- Concrete Pile Cutter
- Driller, Jackhammer, 2 1/2 ft. drill steel or longer
- Dri Pak-it Machine
- Gas, Oil and/or Water Pipeline Wrapper - 6-inch pipe and over by any method, inside and out
- Impact Wrench, Multi-Plate
- Kettlemen, Potmen and Men applying asphalt, lay-kold, creosote, lime caustic and similar type materials
- Laborer, Fence Erector
- Material Hoseman (Walls, Slabs, Floors and Decks)
- Operators of Pneumatic, Gas, Electric Tools, Vibrating Machines, Pavement Breakers, Air Blasting, Come-Alongs, and similar mechanical tools not separately classified herein; operation of remote controlled robotic tools in connection with Laborers work
- Pipelayer's backup man, coating, grouting, making of joints, sealing, caulking, diapering and including rubber gasket joints, pointing and any and all other services
- Power Post Hole Digger
- Rock Slinger
- Rotary Scarifier or Multiple Head Concrete Chipping Scarifier
- Steel Headerboard Man and Guideline Setter
- Trenching Machine, Hand Propelled

**GROUP 4**
- Any Worker Exposed to Raw Sewage
- Asphalt Raker, Luteman, Ironer, Asphalt Dumpman, and Asphalt Spreader Boxes (all types)
- Concrete Core Cutter (walls, floors or ceilings), Grinder or Sander
- Concrete Saw Man, Cutting Walls or Flat Work, Scoring old or new concrete
- Cribber, Shorer, Lagging, Sheeting and Trench Bracing, Hand-Guided Lagging Hammer
- Head Rock Slinger
- High Scaler (including drilling of same)
- Laborer, Asphalt-Rubber Distributor Bootman
- Laser Beam in connection with Laborer's work
- Oversize Concrete Vibrator Operator, 70 pounds and over
- Pipelayer
- Prefabricated Manhole Installer
- Sandblaster (Nozzleman), Water Blasting, Porta Shot-Blast
- Subsurface Imaging Laborer
- Traffic Lane Closure, certified

**GROUP 5**
- Blasters Powderman
- Driller
- Toxic Waste Removal
- Welding, certified or otherwise in connection with Laborers’ work
October 22, 2018

IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES REGARDING A CORRECTION TO THE DIRECTOR’S GENERAL PREVAILING WAGE DETERMINATIONS

Dear Public Official/Other Interested Parties:

CRAFT: LABORER AND RELATED CLASSIFICATIONS
DETERMINATION: SC-23-102-2-2018-1
LOCALITY: Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, and Ventura counties

The expiration date of determination July 31, 2019** should read June 30, 2019**.

With the exception of the above correction, all of the wage rates and other conditions found in the above referenced prevailing wage determinations remain unchanged.
General Decision Number: CA190026 02/15/2019 CA26

Superseded General Decision Number: CA20180037

State: California

Construction Types: Building, Heavy (Heavy and Dredging) and Highway

County: San Bernardino County in California.

BUILDING CONSTRUCTION PROJECTS; DREDGING PROJECTS (does not include hopper dredge work); HEAVY CONSTRUCTION PROJECTS (does not include water well drilling); HIGHWAY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.60 for calendar year 2019 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.60 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2019. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

**PREMIUM PAY:**

$3.75 per hour shall be paid on all Power Equipment Operator work on the following Military Bases: China Lake Naval Reserve, Vandenberg AFB, Point Arguello, Seely Naval Base, Fort Irwin, Nebo Annex Marine Base, Marine Corp Logistics Base Yermo, Edwards AFB, 29 Palms Marine Base and Camp Pendleton

Workers required to suit up and work in a hazardous material environment: $2.00 per hour additional. Combination mixer and compressor operator on gunite work shall be classified as a concrete mobile mixer operator.

**SEE ZONE DEFINITIONS AFTER CLASSIFICATIONS**

**POWER EQUIPMENT OPERATORS CLASSIFICATIONS**

**GROUP 1:** Bargeman; Brakeman; Compressor operator; Ditch Witch, with seat or similar type equipment; Elevator operator-inside; Engine Room; Forklift operator (includes hoist, lull or similar types under 5 tons; Generator operator; Generator, pump or compressor plant operator; Pump operator; Signalmaker; Switchman

**GROUP 2:** Asphalt-rubber plant operator (nurse tank operator); Concrete mixer operator (skip type); Conveyor operator; Fireman; Forklift operator (includes hoist, lull or similar types over 5 tons; Hydrostatic pump operator; oiler crusher (asphalt or concrete plant); Petromat laydown machine; PJU side dump jack; Screening and conveyor machine operator (or similar types); Skiploader (wheel type up to 3/4 yd. without attachment); Tar pot fireman; Temporary heating plant operator; Trenching machine oiler

**GROUP 3:** Asphalt-rubber blend operator; Bobcat or similar type (Skid steer); Equipment greaser (rack); Ford Ferguson (with dragtype attachments); Helicopter radio man (ground); Stationary pipe wrapping and cleaning machine operator

**GROUP 4:** Asphalt plant firefighter; Backhoe operator (mini-max or similar type); Boring machine operator; Boxfly or mixerman (asphalt or concrete); Chip spreading machine operator; Concrete cleaning decontamination machine operator; Concrete Pump Operator (small portable); Drilling machine operator, small auger types (Texoma super economic or
similar types - Hughes 100 or 200 or similar types - drilling depth of 30' maximum); Equipment greaser (grease truck); Guard rail post driver operator; Highline cableway signalman; Hydra-hammer-aero stomper; Micro Tunneling (above ground tunnel); Power concrete curing machine operator; Power concrete saw operator; Power-driven jumbo form setter operator; Power sweeper operator; Rock Wheel Saw/Trencher; Roller operator (compacting); Screed operator (asphalt or concrete); Trenching machine operator (up to 6 ft.); Vacuum or much truck

GROUP 5: Equipment Greaser (Grease Truck/Multi Shift).

GROUP 6: Articulating material hauler; Asphalt plant engineer; Batch plant operator; Bit sharpener; Concrete joint machine operator (canal and similar type); Concrete planer operator; Dandy digger; Deck engine operator; Derrickman (oilfield type); Drilling machine operator, bucket or auger types (Calweld 100 bucket or similar types - Watson 1000 auger or similar types - Texoma 330, 500 or 600 auger or similar types - drilling depth of 45' maximum); Drilling machine operator; Hydrographic seeder machine operator (straw, pulp or seed); Jackson track maintainer, or similar type; Kalamazoo Switch tamper, or similar type; Machine tool operator; Maginnis internal full slab vibrator, Mechanical berm, curb or gutter(concrete or asphalt); Mechanical finisher operator (concrete, Clary-Johnson-Bidwell or similar); Micro tunnel system (below ground); Pavement breaker operator (truck mounted); Road oil mixing machine operator; Roller operator (asphalt or finish), rubber-tired earth moving equipment (single engine, up to and including 25 yds. struck); Self-propelled tar pipelining machine operator; Skiploader operator (crawler and wheel type, over 3/4 yd. and up to and including 1-1/2 yds.); Slip form pump operator (power driven hydraulic lifting device for concrete forms); Tractor operator-bulldozer, tamper-scrapers (single engine, up to 100 h.p. flywheel and similar types, up to and including D-5 and similar types); Tugger hoist operator (1 drum); Ultra high pressure waterjet cutting tool system operator; Vacuum blasting machine operator

GROUP 8: Asphalt or concrete spreading operator (tamping or finishing); Asphalt paving machine operator (Barber Greene or similar type); Asphalt-rubber distribution operator; Backhoe operator (up to and including 3/4 yd.), small ford, Case or similar; Cast-in-place pipe laying machine operator; Combination mixer and compressor operator (gunite work); Compactor operator (self-propelled); Concrete mixer operator (paving); Crushing plant operator; Drill Doctor; Drilling machine operator, Bucket or auger types (Calweld 150 bucket or similar types - Watson 1500, 2000 2500 auger or similar types - Texoma 700, 800 auger or similar types - drilling depth of 60' maximum); Elevating grader operator; Grade checker; Gradall operator; Grouting machine operator; Heavy-duty repairman; Heavy equipment robotics operator; Kalamazoo balliste regulator or similar type; Kolman belt loader and similar type; Le Tourneau blob compactor or similar type; Loader operator (Athey, Euclid, Sierra and similar types); Mobark Chipper or similar; Ozzie padder or
similar types; P.C. slot saw; Pneumatic concrete placing machine operator (Hacklely-Presswell or similar type); Pumpcrete gun operator; Rock Drill or similar types; Rotary drill operator (excluding caisson type); Rubber-tired earth-moving equipment operator (single engine, caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. up to and including 50 cu. yds. struck); Rubber-tired earth-moving equipment operator (multiple engine up to and including 25 yds. struck); Rubber-tired scraper operator (self-loading paddle wheel type-John Deere, 1040 and similar single unit); Self-propelled curb and gutter machine operator; Shuttle buggy; Skiploader operator (crawler and wheel type over 1-1/2 yds. up to and including 6-1/2 yds.); Soil remediation plant operator; Surface heaters and planer operator; Tractor compressor drill combination operator; Tractor operator (any type larger than D-3 - 100 flywheel h.p. and over, or similar-bulldozer, tamper, scraper and push tractor single engine); Tractor operator (boom attachments), Traveling pipe wrapping, cleaning and bending machine operator; Trenching machine operator (over 6 ft. depth capacity, manufacturer's rating); trenching Machine with Road Miner attachment (over 6 ft depth capacity); Ultra high pressure waterjet cutting tool system mechanic; Water pull (compaction) operator

GROUP 9: Heavy Duty Repairman

GROUP 10: Drilling machine operator, Bucket or auger types (Calweld 200 B bucket or similar types-Watson 3000 or 5000 auger or similar types-Texoma 900 auger or similar types-drilling depth of 105' maximum); Dual drum mixer, dynamic compactor LDC350 (or similar types); Monorail locomotive operator (diesel, gas or electric); Motor patrol-blade operator (single engine); Multiple engine tractor operator (Euclid and similar type-except Quad 9 cat.); Rubber-tired earth-moving equipment operator (single engine, over 50 yds. struck); Pneumatic pipe ramming tool and similar types; Prestressed wrapping machine operator; Rubber-tired earth-moving equipment operator (single engine, over 50 yds. struck); Rubber tired earth moving equipment operator (multiple engine, Euclid, caterpillar and similar over 25 yds. and up to 50 yds. struck), Tower crane repairman; Tractor loader operator (crawler and wheel type over 6-1/2 yds.); Woods mixer operator (and similar Pugmill equipment)

GROUP 11: Heavy Duty Repairman - Welder Combination, Welder - Certified.

GROUP 12: Auto grader operator; Automatic slip form operator; Drilling machine operator, bucket or auger types (Calweld, auger 200 CA or similar types - Watson, auger 6000 or similar types - Hughes Super Duty, auger 200 or similar types - drilling depth of 175' maximum); Hoe ram or similar with compressor; Mass excavator operator less than 750 cu. yards; Mechanical finishing machine operator; Mobile form traveler operator; Motor patrol operator (multi-engine); Pipe mobile machine operator; Rubber-tired earth-moving equipment operator (multiple engine, Euclid, Caterpillar
and similar type, over 50 cu. yds. struck); Rubber-tired self-loading scraper operator (paddle-wheel-auger type self-loading – two (2) or more units)

GROUP 13: Rubber-tired earth-moving equipment operator operating equipment with push-pull system (single engine, up to and including 25 yds. struck)

GROUP 14: Canal liner operator; Canal trimmer operator; Remote- control earth-moving equipment operator (operating a second piece of equipment: $1.00 per hour additional); Wheel excavator operator (over 750 cu. yds.)

GROUP 15: Rubber-tired earth-moving equipment operator, operating equipment with push-pull system (single engine, Caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. and up to and including 50 yds. struck); Rubber-tired earth-moving equipment operator, operating equipment with push-pull system (multiple engine-up to and including 25 yds. struck)

GROUP 16: Rubber-tired earth-moving equipment operator, operating equipment with push-pull system (single engine, over 50 yds. struck); Rubber-tired earth-moving equipment operator, operating equipment with push-pull system (multiple engine, Euclid, Caterpillar and similar, over 25 yds. and up to 50 yds. struck)

GROUP 17: Rubber-tired earth-moving equipment operator, operating equipment with push-pull system (multiple engine, Euclid, Caterpillar and similar, over 50 cu. yds. struck); Tandem tractor operator (operating crawler type tractors in tandem - Quad 9 and similar type)

GROUP 18: Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps and similar types in any combination, excluding compaction units – single engine, up to and including 25 yds. struck)

GROUP 19: Rotex concrete belt operator (or similar types); Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps and similar types in any combination, excluding compaction units – single engine, Caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. and up to and including 50 cu. yds. struck); Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps and similar types in any combination, excluding compaction units – multiple engine, up to and including 25 yds. struck)

GROUP 20: Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps and similar types in any combination, excluding compaction units – single engine, over 50 yds. struck); Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units – multiple engine, Euclid, Caterpillar and similar, over 25 yds. and up to 50 yds. struck)
GROUP 21: Rubber-tired earth-moving equipment operator, operating in tandem (scrapers, belly dumps and similar types in any combination, excluding compaction units - multiple engine, Euclid, Caterpillar and similar type, over 50 cu. yds. struck)

GROUP 22: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, up to and including 25 yds. struck)

GROUP 23: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, Caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. and up to and including 50 yds. struck); Rubber-tired earth-moving equipment operator, operating with the tandem push-pull system (multiple engine, up to and including 25 yds. struck)

GROUP 24: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, over 50 yds. struck); Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (multiple engine, Euclid, Caterpillar and similar type, over 25 yds. and up to 50 yds. struck)

GROUP 25: Concrete pump operator-truck mounted; Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (multiple engine, Euclid, Caterpillar and similar type, over 50 cu. yds. struck)

CRANES, PILEDRIVING AND HOISTING EQUIPMENT CLASSIFICATIONS

GROUP 1: Engineer oiler; Fork lift operator (includes loed, lull or similar types)

GROUP 2: Truck crane oiler

GROUP 3: A-frame or winch truck operator; Ross carrier operator (jobsite)

GROUP 4: Bridge-type unloader and turntable operator; Helicopter hoist operator

GROUP 5: Hydraulic boom truck; Stinger crane (Austin-Western or similar type); Tugger hoist operator (1 drum)

GROUP 6: Bridge crane operator; Cretor crane operator; Hoist operator (Chicago boom and similar type); Lift mobile operator; Lift slab machine operator (Vagthborg and similar types); Material hoist and/or manlift operator; Polar gantry crane operator; Self Climbing scaffold (or similar type); Shovel, backhoe, dragline, clamshell operator (over 3/4 yd. and up to 5 cu. yds. mrc); Tugger hoist operator

GROUP 7: Pedestal crane operator; Shovel, backhoe, dragline, clamshell operator (over 5 cu. yds. mrc); Tower crane repair; Tugger hoist operator (3 drum)
GROUP 8: Crane operator (up to and including 25 ton capacity); Crawler transporter operator; Derrick barge operator (up to and including 25 ton capacity); Hoist operator, stiff legs, Guy derrick or similar type (up to and including 25 ton capacity); Shovel, backhoe, dragline, clamshell operator (over 7 cu. yds., M.R.C.)

GROUP 9: Crane operator (over 25 tons and up to and including 50 tons mrc); Derrick barge operator (over 25 tons up to and including 50 tons mrc); Highline cableway operator; Hoist operator, stiff legs, Guy derrick or similar type (over 25 tons up to and including 50 tons mrc); K-crane operator; Polar crane operator; Self erecting tower crane operator maximum lifting capacity ten tons

GROUP 10: Crane operator (over 50 tons and up to and including 100 tons mrc); Derrick barge operator (over 50 tons up to and including 100 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 50 tons up to and including 100 tons mrc), Mobile tower crane operator (over 50 tons, up to and including 100 tons M.R.C.); Tower crane operator and tower gantry

GROUP 11: Crane operator (over 100 tons and up to and including 200 tons mrc); Derrick barge operator (over 100 tons up to and including 200 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 100 tons up to and including 200 tons mrc); Mobile tower crane operator (over 100 tons up to and including 200 tons mrc)

GROUP 12: Crane operator (over 200 tons up to and including 300 tons mrc); Derrick barge operator (over 200 tons up to and including 300 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 200 tons, up to and including 300 tons mrc); Mobile tower crane operator (over 200 tons, up to and including 300 tons mrc)

GROUP 13: Crane operator (over 300 tons); Derrick barge operator (over 300 tons); Helicopter pilot; Hoist operator, stiff legs, Guy derrick or similar type (over 300 tons); Mobile tower crane operator (over 300 tons)

TUNNEL CLASSIFICATIONS

GROUP 1: Skiploader (wheel type up to 3/4 yd. without attachment)

GROUP 2: Power-driven jumbo form setter operator

GROUP 3: Dinkey locomotive or motorperson (up to and including 10 tons)

GROUP 4: Bit sharpener; Equipment greaser (grease truck); Slip form pump operator (power-driven hydraulic lifting device for concrete forms); Tugger hoist operator (1 drum); Tunnel locomotive operator (over 10 and up to and including 30 tons)

GROUP 5: Backhoe operator (up to and including 3/4 yd.); Small Ford, Case or similar; Drill doctor; Grouting machine
operator; Headingley shield operator; Heavy-duty repairperson; Loader operator (Athey, Euclid, Sierra and similar types); Mucking machine operator (1/4 yd., rubber-tired, rail or track type); Pneumatic concrete placing machine operator (Hackley-Presswell or similar type); Pneumatic heading shield (tunnel); Pumicrete gun operator; Tractor compressor drill combination operator; Tugger hoist operator (2 drum); Tunnel locomotive operator (over 30 tons)

GROUP 6: Heavy Duty Repairman

GROUP 7: Tunnel mole boring machine operator

ENGINEERS ZONES

$1.00 additional per hour for all of IMPERIAL County and the portions of KERN, RIVERSIDE & SAN BERNARDINO Counties as defined below:

That area within the following Boundary: Begin in San Bernardino County, approximately 3 miles NE of the intersection of I-15 and the California State line at that point which is the NW corner of Section 1, T17N, R14E, San Bernardino Meridian. Continue W in a straight line to that point which is the SW corner of the northwest quarter of Section 6, T27S, R42E, Mt. Diablo Meridian. Continue North to the intersection with the Inyo County Boundary at that point which is the NE corner of the western half of the northern quarter of Section 6, T25S, R42E, MDM. Continue W along the Inyo and San Bernardino County boundary until the intersection with Kern County, as that point which is the SE corner of Section 34, T24S, R40E, MDM. Continue W along the Inyo and Kern County boundary until the intersection with Tulare County, at that point which is the SW corner of the SE quarter of Section 32, T24S, R37E, MDM. Continue W along the Kern and Tulare County boundary, until that point which is the NW corner of T25S, R32E, MDM. Continue S following R32E lines to the NW corner of T31S, R32E, MDM. Continue W to the NW corner of T31S, R31E, MDM. Continue S to the SW corner of T32S, R31E, MDM. Continue W to SW corner of SE quarter of Section 34, T32S, R30E, MDM. Continue S to SW corner of T11N, R17W, SMB. Continue E along south boundary of T11N, SMB to SW corner of T11N, R7W, SMB. Continue S to SW corner of T9N, R7W, SMB. Continue E along south boundary of T9N, SMB to SW corner of T9N, R1E, SMB. Continue S along west boundary of R1E, SMB to Riverside County line at the SW corner of T1S, R1E, SMB. Continue E along south boundary of T1S, SMB (Riverside County Line) to SW corner of T1S, R10E, SMB. Continue S along west boundary of R10E, SMB to Imperial County line at the SW corner of T8S, R10E, SMB. Continue W along Imperial and Riverside county line to NW corner of T9S, R9E, SMB. Continue S along the boundary between Imperial and San Diego Counties, along the west edge of R9E, SMB to the south boundary of Imperial County/California state line. Follow the California state line west to Arizona state line, then north to Nevada state line, then continuing NW back to start at the point which is the NW corner of Section 1, T17N, R14E, SMB

$1.00 additional per hour for portions of SAN LUIS OBISPO, KERN, SANTA BARBARA & VENTURA as defined below:

That area within the following Boundary: Begin approximately 5 miles north of the community of Cholame, on the Monterey County and San Luis Obispo County boundary at the NW corner of T25S, R16E, Mt. Diablo Meridian. Continue south along the west side of R16E to the SW corner of T30S, R16E, MDM. Continue E to SW corner of T30S, R17E, MDM. Continue S to SW corner of T31S, R17E, MDM. Continue E to SW corner of T31S, R18E, MDM. Continue S along West side of R18E, MDM as it crosses into San Bernardino Meridian numbering area and becomes R30W. Follow the west side of R30W, SBM to the SW corner of T9N, R30W, SBM. Continue E along the south edge of T9N, SBM to the Santa Barbara County and Ventura County boundary at that point which is the SW corner of Section 34, T9N, R24W, SBM, continue S along the Ventura County line to that point which is the SW corner of the SE quarter of Section 32, T7N, R24W, SBM. Continue E along the south edge of T7N, SBM to the SE corner to T7N, R21W, SBM. Continue N along East side of R21W, SBM to Ventura County and Kern County boundary at the NE corner of T8N, R21W. Continue W along the Ventura County and Kern County boundary to the SE corner of T9N, R21W. Continue North along the East edge of R21W, SBM to the NE corner of T12N, R21W, SBM. Continue West along the north edge of T12N, SBM to the SE corner of T32S, R21E, MDM. [T12N SBM is a thin strip between T11N SBM and T32S MDM]. Continue North along the East side of R21E, MDM to the Kings County and Kern County border at the NE corner of T25S, R21E, MDM, continue West along the Kings County and Kern County Boundary until the intersection of San Luis Obispo County. Continue west along the Kings County and San Luis Obispo County boundary until the intersection with Monterey County. Continue West along the Monterey County and San Luis Obispo County boundary to the beginning point at the NW corner of T25S, R16E, MDM.

$2.00 additional per hour for INYO and MONO Counties and the Northern portion of SAN BERNARDINO County as defined below:

That area within the following Boundary: Begin at the intersection of the northern boundary of Mono County and the California state line at the point which is the center of Section 17, T10N, R22E, Mt. Diablo Meridian. Continue S then SE along the entire western boundary of Mono County, until it reaches Inyo County at the point which is the NE corner of the Western half of the NW quarter of Section 2, T8S, R29E, MDM. Continue SSE along the entire western boundary of Inyo County, until the intersection with Kern County at the point which is the SW corner of the SE 1/4 of Section 32, T24S, R37E, MDM. Continue E along the Inyo and Kern County boundary until the intersection with San Bernardino County at that point which is the SE corner of section 34, T24S, R40E, MDM. Continue E along the Inyo and San Bernardino County boundary until the point which is the NE corner of the Western half of the NW quarter of Section 6, T25S, R42E, MDM. Continue S to that point which is the SW corner of the NW quarter of Section 6, T27S, R42E, MDM. Continue E in a straight line to the California and Nevada state border at the point which is the NW corner of Section 1, T17N, R14E, San Bernardino Meridian. Then continue NW along the state line to the starting point, which is the center of Section 18, T10N, R22E, MDM.
ENGI0012-004 08/01/2015

OPERATOR: Power Equipment
[DREDGING]
(1) Leverman ...............$ 49.50  
(2) Dredge dozer ...........$ 43.53  
(3) Deckmate ...............$ 43.42  
(4) Winch operator (stern winch on dredge) ..........$ 42.87  
(5) Fireman-Oiler, Deckhand, Bargeeman, Leveehand ...............$ 42.33  
(6) Barge Mate ..............$ 42.94

IRON0377-002 01/01/2019

Ironworkers:
- Fence Erector ...............$ 32.58  
- Ornamental, Reinforcing and Structural ...............$ 39.00

PREMIUM PAY:

$6.00 additional per hour at the following locations:

$4.00 additional per hour at the following locations:
- Army Defense Language Institute - Monterey, Fallon Air Base, Naval Post Graduate School - Monterey, Yermo Marine Corps Logistics Center

$2.00 additional per hour at the following locations:
- Fort Hueneme, Port Mugu, U.S. Coast Guard Station - Two Rock

LAB00300-005 01/01/2018

Asbestos Removal Laborer ...............$ 33.19

SCOPE OF WORK: Includes site mobilization, initial site
cleanup, site preparation, removal of asbestos-containing material and toxic waste, encapsulation, enclosure and disposal of asbestos-containing materials and toxic waste by hand or with equipment or machinery; scaffolding, fabrication of temporary wooden barriers and assembly of decontamination stations.

LABORER CLASSIFICATIONS

GROUP 1: Cleaning and handling of panel forms; Concrete
screeding for rough strike-off; Concrete, water curing; Demolition laborer, the cleaning of brick if performed by a worker performing any other phase of demolition work, and the cleaning of lumber; Fire watcher, limber, brush loader, piler and debris handler; Flag person; Gas, oil and/or water pipeline laborer; Laborer, asphalt-rubber material loader; Laborer, general or construction; Laborer, general clean-up; Laborer, landscaping; Laborer, jetting; Laborer, temporary water and air lines; Material hose operator (walls, slabs, floors and decks); Plugging, filling of shoe bolt holes; Dry packing of concrete; Railroad maintenance, repair track person and road beds; Streetcar and railroad construction track laborers; Rigging and signaling; Scaler; Slip form raiser; Tar and mortar; Tool crib or tool house laborer; Traffic control by any method; Window cleaner; Wire mesh pulling - all concrete pouring operations

GROUP 2: Asphalt shoveler; Cement dumper (on 1 yd. or larger mixer and handling bulk cement); Cesspool digger and installer; Chuck tender; Chute handler, pouring concrete, the handling of the chute from readymix trucks, such as walls, slabs, decks, floors, foundation, footings, curbs, gutters and sidewalks; Concrete curer, impervious membrane and form oiler; Cutting torch operator (demolition); Fine grader, highways and street paving, airport, runways and similar type heavy construction; Gas, oil and/or water pipeline wrapper - pot tender and form person; Guinea chaser; Headerboard person - asphalt; Laborer, packing rod steel and pans; Membrane vapor barrier installer; Power broom sweeper (small); Riprap stonepaver, placing stone or wet sacked concrete; Roto scraper and tiller; Sandblaster (pot tender); Septic tank digger and installer (lead); Tank scaler and cleaner; Tree climber, faller, chain saw operator, Pittsburgh chipper and similar type brush shredder; Underground laborer, including caisson bellerower

GROUP 3: Buggymobile person; Concrete cutting torch; Concrete pile cutter; Driller, jackhammer, 2-1/2 ft. drill steel or longer; Dri-pak-it machine; Gas, oil and/or water pipeline wrapper, 6-in. pipe and over, by any method, inside and out; High scaler (including drilling of same); Hydro seeder and similar type; Impact wrench multi-plate; Kettle person, pot person and workers applying asphalt, lay-kold, creosote, lime caustic and similar type materials ("applying" means applying, dipping, brushing or handling of such materials for pipe wrapping and waterproofing); Operator of pneumatic, gas, electric tools, vibrating machine, pavement breaker, air blasting, come-alongs, and similar mechanical tools not separately classified herein; Pipelayer's backup person, coating, grouting, making of joints, sealing, caulking, diapering and including rubber gasket joints, pointing and any and all other services; Rock slinger; Rotary scarifier or multiple head concrete chipping scarifier; Steel headerboard and guideline setter; Tamper, Berko, Wacker and similar type; Trenching machine, hand-propelled

GROUP 4: Asphalt raker, lute person, ironer, asphalt dump person, and asphalt spreader boxes (all types); Concrete core cutter (walls, floors or ceilings), grinder or sander;
Concrete saw person, cutting walls or flat work, scoring old or new concrete; Cribber, shorer, lagging, sheeting and trench bracing, hand-guided lagging hammer; Head rock slinger; Laborer, asphalt-rubber distributor boot person; Laser beam in connection with laborers' work; Oversize concrete vibrator operator, 70 lbs. and over; Pipefitter performing all services in the laying and installation of pipe from the point of receiving pipe in the ditch until completion of operation, including any and all forms of tubular material, whether pipe, metallic or non-metallic, conduit and any other stationary type of tubular device used for the conveying of any substance or element, whether water, sewage, solid gas, air, or other product whatsoever and without regard to the nature of material from which the tubular material is fabricated; No-joint pipe and stripping of same; Prefabricated manhole installer; Sandblaster (nozzle person), water blasting, Porta Shot-Blast

GROUP 5: Blaster powder, all work of loading holes, placing and blasting of all powder and explosives of whatever type, regardless of method used for such loading and placing; Driller: All power drills, excluding jackhammer, whether core, diamond, wagon, track, multiple unit, and any and all other types of mechanical drills without regard to the form of motive power; Toxic waste removal

TUNNEL LABORER CLASSIFICATIONS

GROUP 1: Batch plant laborer; Changehouse person; Dump person; Dump person (outside); Swampy (brake person and switch person on tunnel work); Tunnel materials handling person; Nipper; Pot tender, using mastic or other materials (for example, but not by way of limitation, shotcrete, etc.)

GROUP 2: Chucktender, cabletender; Loading and unloading agitator cars; Vibrator person, jack hammer, pneumatic tools (except driller); Bull gang mucker, track person; Concrete crew, including rodder and spreader

GROUP 3: Blaster, driller, powder person; Chemical grout jet person; Cherry picker person; Grout gun person; Grout mixer person; Grout pump person; Jackleg miner; Jumbo person; Kemper and other pneumatic concrete placer operator; Minor, tunnel (hand or machine); Nozzle person; Operating of troweling and/or grouting machines; Powder person (primer house); Primer person; Sandblaster; Shotcrete person; Steel form raider and setter; Timber person, retimber person, wood or steel; Tunnel Concrete finisher

GROUP 4: Diamond driller; Sandblaster; Shaft and raise work

LABORERS - STRIPING CLASSIFICATIONS

GROUP 1: Protective coating, pavement sealing, including repair and filling of cracks by any method on any surface in parking lots, game courts and playgrounds; carstops; operation of all related machinery and equipment; equipment repair technician.

GROUP 2: Traffic surface abrasive blaster; pot tender - removal of all traffic lines and markings by any method (sandblasting, waterblasting, grinding, etc.) and preparation of surface for coatings. Traffic control person: controlling and directing traffic through both conventional and moving lane closures; operation of all related machinery and equipment.

GROUP 3: Traffic delineating device applicator: Layout and application of pavement markers, delineating signs, rumble and traffic bars, adhesives, guide markers, other traffic delineating devices including traffic control. This category includes all traffic related surface preparation (sandblasting, waterblasting, grinding) as part of the application process. Traffic protective delineating system installer: removes, relocates, installs, permanently affixed roadside and parking delineation barricades, fencing, cable anchor, guard rail, reference signs, monument markers; operation of all related machinery and equipment; power broom sweeper.

GROUP 4: Striper: layout and application of traffic stripes and markings; hot thermo plastic; tape traffic stripes and markings, including traffic control; operation of all related machinery and equipment.

Roll car driver

GROUP 8: Dump truck, 25 yds. to 49 yds. water level; Truck
repair person; Water pull - single engine; Welder

GROUP 9: Truck repair person/welder; Low bed driver, 9 axles
or over

GROUP 10: Dump truck - 50 yds. or more water level; Water
pull - single engine with attachment

GROUP 11: Water pull - twin engine; Water pull - twin engine
with attachments; Winch truck driver - $1.25 additional
when operating winch or similar special attachments

GROUP 12: Boom Truck 17K and above
WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.
Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SU-LA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAWG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. Example: UAWG-OH-0010 08/29/2014. UAWG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAWG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-----------------------------------------------------------------

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the
Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION
I. Purpose
It is the policy of Omnitrans to maintain a work environment that is safe for all persons, including the community, and conducive to attaining high work standards. To achieve these objectives, the Agency prohibits the possession of firearms and weapons in the work place, regardless of any license or permit that an individual may have which otherwise authorizes the individual to carry firearms or weapons.

It is illegal and a criminal violation to possess weapons in public buildings (California Penal Code 171b and 171.7).

II. Scope
This policy applies to all Omnitrans employees, including but not limited to staffing agency workers and contractors working for or with the Agency at any time, regardless of whether the Agency is the actual employer.

Possession of firearms and weapons is prohibited at all Omnitrans’ offices, parking lots, agency vehicles and job sites, and in all Agency vehicles.

The following person/s are exempt from this policy as stated: a guard of a contract carrier operating an armored vehicle, and any law enforcement officer who is carrying out official duties engaged in protecting and preserving property or life within the scope of his or her employment.

Omnitrans will strictly enforce this policy. Violation of this policy will result in immediate disciplinary action, up to and including termination.

III. Procedure
A. COMMUNICATION OF POLICY

(a) Each employee of the Agency shall receive a copy of this policy at the time of his/her hire and shall sign a copy of the acknowledgment. Employees who were employed before the effective date of this policy shall also receive a copy of this policy and shall sign a copy of the acknowledgment. A copy of the signed acknowledgment and of all new and revised policies throughout the employee’s employment shall be maintained in each employee’s personnel file.

(b) A copy of this policy shall be attached to each contractor’s contract, and shall become a part of its contract. The contractor shall be responsible for communicating this policy to its employees and any subcontractors to which the contractor sublets any portion of its contract.
B. PROHIBITED CONDUCT

(a) The transportation of firearms or weapons in Agency vehicles is prohibited. This includes but is not limited to:
   (1) to and from work,
   (2) when conducting Agency business,
   (3) at all times in Agency-owned or leased vehicles.

(b) The possession or carrying of permitted and non-permitted firearms or weapons while at Agency buildings, parking lots, sponsored events, and job sites.

(c) Exception: Power actuated tools which are manufactured for the use of fastening building materials and sanctioned tools for the purpose of performing Agency job duties are not subject to this policy.

C. SEARCH

(a) Omnitrans reserves the right to conduct reasonable, unannounced searches of Agency premises and personal searches of employees and others while entering, on, or leaving Agency premises, including, but not limited to, personal effects, vehicles, lockers, desks, tool boxes, clothing, meal containers, and baggage. Searches will be conducted when the Agency has a reasonable suspicion to believe that a particular employee may be in possession of a weapon or firearm.

(b) “Reasonable suspicion” is defined as a suspicion that is based on specific personal observations such as an employee’s manner, disposition, behavior, speech, information provided to management by an employee, by law enforcement officials, by a security service, or by other persons believed to be reliable, or a suspicion that is based on other surrounding circumstances.

(c) Individuals refusing to allow an inspection will not be detained or forced to submit to the inspection. Refusal violates Agency policy and constitutes an act of insubordination constituting disciplinary action, up to and including separation of the employment relationship. Non-employees who refuse to allow an inspection will not be permitted on Agency premises and will be required to immediately leave the premises. Employees will be relieved of all duties while pending investigation.

D. DISCIPLINE

(a) Violations of any portion of this policy will subject the employee to discipline,
E. REPORT OF VIOLATIONS

1. Employee Violations

Employees are required to report violations of this policy without regard to the relationship between the individual who initiates the prohibited behavior and the individual reporting it. An employee who believes that another employee may be in violation of this policy must report the alleged violation to the employee’s manager or supervisor, the department director, security, or the appropriate departmental Human Resources representative.

Departments are responsible for implementing this policy. The Agency will promptly investigate allegations of violations of this policy.

Omnitrans reserves the right to authorize searches for prohibited weapons on its property when a violation is reported or when probable cause or reasonable suspicion is present consistent with law.

Employees should be aware that there is no reasonable expectation of privacy with respect to weapons in the workplace. The Agency’s right to conduct searches includes, but is not limited to, such areas and items as lockers, desks, workstations, offices, purses, briefcases, bags, toolboxes, and lunch bags.

Searches of the employee’s work area and belongings, as described above, may be conducted by the Security & Emergency Preparedness Coordinator, or designee. Searches of all types, including surrounding agency property, personal property and the employee may be conducted by law enforcement in accordance with law should reasonable suspicion be present. Any weapon found in violation of this policy may be confiscated. Refusal to permit a search may result in discipline, up to and including separation.

2. Visitor Violations

Visitors are not allowed to carry a weapon on the premises. Any visitor carrying a weapon into a posted no-carry agency facility is creating an elevated risk to security and safety that warrants a response leading to compliance with the law. If the visitor
poses an immediate risk to security or safety, law enforcement shall be notified immediately by calling 9-911. The visitor shall be considered an immediate risk to safety and security if he/she is acting in an aggressive, belligerent, confrontational, suspicious or in an otherwise questionable manner while carrying a weapon.

F. FALSE REPORTS

Employees making intentionally false and malicious complaints of weapons in the workplace will be subject to disciplinary action, up to and including separation and/or will be reported to the proper authorities as appropriate.

G. ROLES AND RESPONSIBILITIES

Employees are responsible for understanding and complying with the Policy Prohibiting Weapons in the Workplace.

Whenever there is a question as to whether an instrument, article or substance is considered a weapon in violation of this policy, it is the employee’s responsibility to seek clarification. Employees seeking clarification should direct their questions to the agency’s Security & Emergency Preparedness Coordinator at 909-379-7117 prior to bringing the item(s) to Omnitrans work sites and events, as well as agency-owned or leased facilities or vehicles.

H. SAFETY FIRST

In applying this policy, no employee shall take any action that will risk his or her own safety or the safety of other individuals. No attempt should ever be made by an employee to restrain or forcibly evict an armed person from agency premises.

An individual’s continued non-compliance after being properly informed of the law (California Penal Code 171 (b)) will result in notification to law enforcement and discipline, up to and including separation of employment. Employees should notify security immediately.

An employee who feels an imminent danger to his or her own safety or the safety of others, should avoid any interaction with the individual. Immediately contact law enforcement by calling 9-911 and security at 909-379-7117.

I. ANTI-RETAIATION PROVISION

Omnitrans strictly prohibits any retaliation against an employee who has reported a possible breach of policy. If an employee feels that he or she has been subjected to retaliation in violation of this policy, the employee must immediately report it to his or her supervisor or other designated Human Resources representative.
J. DEFINITIONS

1. **Firearm or weapon includes, but is not limited to:** A weapon, a pistol or rifle, whether loaded or unloaded, capable of firing a projectile and using an explosive as a propellant.
   - A firearm, whether loaded or unloaded, from which a shot may be discharged including but not limited to handguns, pistols, revolvers, shotguns, rifles, and bb guns;
   - A gun that can discharge a shot or a projectile by means of an explosive or gas, or compressed air;
   - A device designed to be used as a weapon, from which can be expelled a projectile by the force of any explosion or force of combustion;
   - Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
   - Any destructive device;
   - Any device designed as a weapon and capable of producing great bodily harm, including but not limited to, stun guns, stun batons;
   - An electric weapon such as a taser gun;
   - Any combustible or flammable liquid, or other substance, device, or instrumentality that, in a manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm, or any fire that is used to produce death or great bodily harm;
   - Any knife that is carried with intention or calculation to produce death or great bodily harm having a blade length in excess of four (4) inches, the blade of which is fixed or is capable of being fixed in an unguarded position by the use of one or two hands. Switchblades are specifically prohibited. (Knives intended to be used as eating utensils, and stored or maintained in office kitchens or lunchrooms do not represent a violation of this policy.)

2. **Office:** All permanent facilities, all mobile facilities, all leased facilities, and any facility designated as an office by the agency.

3. **Parking lot:** All lots at permanent facility, park and rides, lots at project sites, any lot that the agency designates as a parking lot that is not at a permanent facility or project site.

4. **Agency vehicle:** All agency-owned buses/vehicles, all agency-leased buses/vehicles, all agency-rental buses/vehicles, and all personal vehicles for which the owner receives a vehicle allowance, all personal vehicles where the owner receives reimbursement for mileage.

REFERENCE:  Quote Number 148372HQ for Spare Parts Recommendation for Warranty Parts Only

Dear Joseph:

As requested by OmniTrans (or “Buyer”), Trapeze Software Group, Inc. ("Trapeze") is pleased to provide this quote for a spare parts recommendation for warranty parts only.

This quote is valid for ninety (90) calendar days from the date noted above, is subject to Trapeze's "Terms and Conditions of Sale", and is based on the following requirements:

1) Delivery of equipment shall occur approximately sixteen (16) weeks after Trapeze’s Acceptance of Omnitrans’s purchase order. Prices may be subject to additional fees if shorter than quoted delivery time is required.
2) Invoicing for the equipment shall occur upon shipment. Applicable taxes will be assessed. If Omnitrans is tax exempt, a copy of the applicable tax exemption certificates must accompany the Omnitrans purchase order.
3) Trapeze’s offer includes our standard warranty. Warranty is set forth in Article 5 of the terms and conditions.
4) Trapeze is not responsible for any labor as part of this quote.
5) Trapeze has not included hardware or software maintenance as part of this quote.

If you have any questions or need additional information, please feel free to contact me at (319) 743-4590 or at chris.kitterman@trapezegroup.com.

Sincerely,

Chris Kitterman
Inside Account Executive

Trapeze Software Group, Inc.
Terms and Conditions of Sale

(follows this page)
1. GENERAL.
These Trapeze Software Group, Inc. ("the Seller") terms of sale, quote letter and all attachments which are part of an offer to enter into a contract for the purchase and supply of Goods and/or Services. Buyer's (as Buyer is defined in the quote letter accompanying these terms) issuance of a purchase order and/or execution of the quote letter will constitute an acceptance of this offer on the terms hereinafter and shall create an binding contract. Buyer agrees that any terms associated with the Buyer's purchase order shall be for administrative purposes only and shall not form a part of this contract. Any modifications proposed by Buyer are not a part of this contract in the absence of Seller's written assent. As used in these Standard Terms and Conditions of sale "Goods" shall mean the equipment sold and delivered hereunder, including any embedded software licensed in conjunction with said equipment, including but not limited to spare and repair parts. "Services" shall mean the labor described under this quotation, which shall be provided by Seller and/or authorized representatives.

2. PRICES
2.1 Unless otherwise agreed by Seller in writing, all prices quoted by Seller: (i) are based on United States Dollars, (ii) are exclusive of all brokerage fees and duties, (iii) provide for the Goods Ex Works shipping point (as that term is defined in Incoterms 2013), and (iv) include Seller's standard commercial packaging. Seller reserves the right to deliver, at no change in price, substitute similar Goods of equal or better capability provided however, that such substitute Goods maintain the form, fit, and functionality of the originally contracted Goods. Partial deliveries are acceptable. Unless otherwise stated, such prices are effective for sixty (60) days from the date of quotation. Except as otherwise specified, the prices stated do not include any state, federal, or local sales, use or excise taxes, now in force or enacted in the future, applicable to the sale, license, delivery, or use of Goods and/or Services, and the Buyer expressly agrees to pay, in addition to any other prices stated, the amount of any such taxes which may be imposed upon or payable by Seller.

2.2 Transportation of Goods shall be by common carrier, at Buyer's risk and expense. Upon request from Buyer to expedite shipments due to delays or other events not caused by Seller, all costs will be paid by Buyer.

2.4 Buyer shall have a reasonable time, not to exceed five (5) days from the date of receipt, to inspect the Goods. Buyer will notify Seller in writing of particular deficiencies of the Goods during the inspection period. Failure to give notice or particularize the deficiencies will result in Buyer's acceptance of the Goods.

3. TERMS OF PAYMENT AND BILLING.
Where credit is extended to Buyer, terms of payment shall be net thirty (30) days from date of invoice. Notwithstanding any statement of terms or time of payment to the contrary appearing on the face of the purchase order, Seller reserves the right to require payment in advance of shipment or to ship C.O.D. In the event Buyer fails to pay any invoice when due, in addition to any other right reserved hereunder, Seller reserves the right to suspend or limit performance until full payment is made in full. In the event Buyer fails to pay any invoice when due, in addition to any other right reserved hereunder, Seller reserves the right to suspend or limit performance until all past due sums are paid. It is agreed that risk of loss and title to any Goods described herein, excluding any software, shall pass to Buyer at the time and place at which Seller ships the Goods.

4. INTELLECTUAL PROPERTY RIGHTS.
Unless otherwise specified herein, neither this contract nor the delivery of any Goods or Services hereunder shall be construed as granting either by estoppel or otherwise, any right in or license under any present or future data, drawings, plans or ideas or methods disclosed in this contract, or under any invention, patent, design, original work of authorship, trade secret, or other intellectual property now or hereafter owned or controlled by Seller.

5. WARRANTY.
The Goods sold hereunder are subject to the following warranties:
1. Seller agrees to repair or replace at its discretion, without charge, any such Goods, which are defective as to design, workmanship or material, and which is returned to Seller at its factory, transportation prepaid, provided: (i) notice of the claimed defect is given to Seller within ninety (90) calendar days from date of delivery of the Goods and are returned in accordance with Seller's instructions; and (ii) such Goods shall not be deemed to be defective if, due to exposure to any condition in excess of those published in the product specification, it shall fail to operate in a normal manner; (iii) Seller's obligations with respect to such Goods are conditioned upon the proper installation and operation of such Goods, and upon Buyer's use in accordance with the instructions and recommendations of Seller. Seller's warranty stated in this section shall be void if such Goods are altered or repair is attempted or made by other than Seller or Seller's authorized service center.
2. Seller warrants that any software delivered hereunder, which is embedded in the Goods described herein, will substantially provide the function(s) set forth in the applicable specification (or absent a specification, as described in the applicable service bulletin). Seller will, at its option, without charge, revise or replace such nonconforming software provided: (i) notice of the claimed defect is given Seller within ninety (90) calendar days from the date of delivery; (ii) software shall not be deemed to be defective if the software or the host medium is exposed to any computer virus or to any condition in excess of those published in the applicable specification(s); (iii) Seller's obligations are conditioned upon the proper installation and operation of software and the host medium in accordance with Seller's written instructions; and (iv) the warranty stated in this section shall be void if such software (or its host medium) is altered (or alterations are attempted) by other than Seller or Seller's authorized service center. Buyer agrees to pay for all service expenses not covered by this warranty at Seller's then current standard service rates.
3. NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE APPLICABLE TO ANY GOODS SOLD OR SOFTWARE OR SERVICES DELIVERED HEREUNDER, AND THE FOREGOING SHALL CONSTITUTE THE BUYER'S SOLE RIGHT AND REMEDY UNDER THIS AGREEMENT.

6. LIMITATION OF LIABILITY.
6.1 Buyer acknowledges and understands that a computer in a vehicle has the potential to distract the driver from the primary task of driving which can compromise a vehicle's safety. Buyer acknowledges and agrees that it is solely responsible for providing and ensuring the proper training of its drivers, owners or operators in the operation of the motor vehicle or motor vehicles in conjunction with the use or operation of the Goods described in this contract. "Motor vehicle" includes any automotive machinery utilized for the transport of persons or goods in which Goods have been incorporated or installed. Buyer shall include this paragraph in any third party agreement it may have in which Goods are provided to a third party.

6.2 Buyer acknowledges and agrees that Seller shall not be liable to Buyer for any action or inaction arising out of or in connection with the use or operation of the Goods described in this contract including any personal injury claim or action and Buyer shall indemnify and defend Seller from any such claim or action including costs. Buyer shall include this paragraph in any third party agreement it may have in which Goods are provided to a third party.

6.3 IN NO EVENT SHALL SELLER BE LIABLE TO ANYONE FOR ANY SPECIAL, COLLATERAL, EXEMPLARY, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS, GOODWILL, LOSS OF SAVINGS, LOSS OF PROFITS, OR BUSINESS INTERRUPTION) ARISING OUT OF THE SERVICES, OR THE USE OF OR INABILITY TO USE ANY GOODS DESCRIBED HEREIN EITHER SEPARATELY OR IN COMBINATION WITH ANY OTHER PRODUCTS, MATERIALS OR SERVICES, OR THE POSSIBILITY OR CERTAINTY OF SUCH DAMAGES. SELLER'S TOTAL AGGREGATE LIABILITY HEREUNDER WHETHER BASED UPON CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, SHALL IN NO EVENT EXCEED THE FEES PAID BY BUYER FOR THE VALUE OF GOODS OR SERVICES SOLD HEREUNDER.

7. FORCE MAJEURE.
Except for payments due from Buyer to Seller hereunder, neither party shall be responsible for delay or failure to perform any part of this contract if such delay or failure to perform is caused, directly or indirectly, by an occurrence beyond that party's reasonable control, including, but not limited to, supplier limitations, fire, epidemics, floods, accidents, earthquakes, hurricanes, war (declared or otherwise) acts of God or other events not within the control of, or otherwise, any right in or license under any present or future data, drawings, plans or ideas or methods disclosed in this contract, or under any invention, patent, design, original work of authorship, trade secret, or other intellectual property now or hereafter owned or controlled by Seller.

8. PATENT AND INTELLECTUAL PROPERTY INDEMNIFICATION.
8.1 Seller agrees that it will defend, at its own expense, all suits against Buyer for infringement of any intellectual property, including by not limited to, patents, copyrights and trademarks, covering, or alleged to cover, the Goods described herein in the form sold by Seller and Seller agrees that it will pay all sums which, by final judgment or decree in any such suits, may be assessed against the Buyer on account of such infringement, provided that Seller shall be given: (i) immediate written notice of all claims of any such infringement and of any suits brought or threatened against Buyer and (ii) authority to assume the sole defense thereof through its own counsel and to compromise or settle any such suits for such sums, which may be determined without prejudice to this right of Buyer to continue the use, as contemplated, of the Goods so purchased. If in any such suit the Goods are held to constitute an infringement and its use is enjoined, or if in the light of any claim of infringement Seller deems it advisable to do so, Buyer may either procure the right to continue the use of the same for the Buyer, or replace the same with a non-infringing product, or modify said Goods so as to be non-infringing, or, if the foregoing options are not reasonably available, take back the infringing Goods and refund some of the purchase price taking into account a reasonable allowance for use, damage, or obsolescence.

8.2 If the infringement by the Buyer is alleged prior to completion of delivery of the Goods under this contract, Seller may decline to make further shipments without being in breach of this contract, and provided Seller has not been enjoined from selling the Goods to Buyer, Seller agrees to supply such Goods to the Buyer at the Buyer's option, whereupon the indemnity obligation herein stated with respect to Seller shall reciprocally apply with respect to the Buyer.
9. SOFTWARE LICENSE FOR EQUIPMENT SPECIFIC SOFTWARE.

9.1 Any software embedded in the Goods delivered hereunder is intellectual property of Seller or a third party licensor, and shall remain the sole and exclusive property of Seller or its respective licensors. Seller grants the Buyer a perpetual, non-exclusive license to use the software only in or with the Goods sold hereunder. The Buyer shall not copy, modify, or disassemble the software, or permit others to do so. Buyer shall not transfer the license granted hereunder or possession of the software except as part of or with the Goods, subject to transfer being subject to the restrictions contained herein. This license shall automatically terminate upon any breach or default by Buyer of this contract or in the event that there is filed by or against the Buyer any petition in bankruptcy or reorganization or for the assignment of this license for the benefit of Buyer’s creditors. Buyer agrees to use the licensed software only as provided herein. Buyer agrees that it will take appropriate action by instruction, agreement, or otherwise with its employees permitted access to licensed software to notify its employees of its obligation under these terms with respect to use, reproduction, protection, and security.

9.2 The Goods sold hereunder may include software licensed to Seller, including but not limited to: (i) Microsoft® Corporation; (ii) Here, formerly NAVTEQ North America, LLC; (iii) Telogis, Inc.; (iv) Yellowfin International Pty Ltd.; (v) Nuance Communications, Inc., formerly Loqundo S.P.A. The terms of Seller’s software license grant apply to the use of the third party software and the licensor of such software is third party beneficiaries of the rights granted under those terms. Buyer may only transfer any embedded software product with the Goods in accordance with the terms and conditions of this contract.

10. RESOLUTION OF DISPUTES.

10.1 The parties shall attempt to resolve any dispute arising out of or relating to this contract promptly by negotiation in good faith between executives who have the authority to settle the dispute. Any party shall upon written notice of any dispute not resolved in the ordinary course of business. Within seven (7) business days after delivery of such notice, the party receiving notice shall submit to the other a written response thereto. All reasonable requests for information made by one party to any other shall be honored in a timely fashion. All negotiations conducted pursuant to this section (and any of the parties’ submissions in contemplation hereof) shall be kept confidential by the parties and shall be treated by the parties and their representatives as compromise and settlement negotiations under the Federal Rules of Evidence and any similar state rules.

10.2 If the matter in dispute has not been resolved within thirty (30) days, either party (the "Claimant") may submit the dispute to binding arbitration to the State of Delaware office of the American Arbitration Association ("AAA") in accordance with the procedures set forth in the Commercial Arbitration Rules of the AAA then obtaining. The Commercial Arbitration Rules of the AAA shall govern any arbitration proceeding hereunder. The arbitration shall be conducted by three commercially-experienced arbitrators selected pursuant to the Commercial Arbitration Rules, and pre-hearing discovery shall be permitted if and only to the extent determined by the arbitrators to be necessary in order to effectuate resolution of the matter in dispute. The construction, interpretation and performance hereof and all transactions hereunder shall be governed by the law of the State of Delaware, without giving effect to the principles of conflict of laws thereof. Equitable remedies shall be available from the arbitrators. Consequential, punitive, exemplary, indirect or similar damages shall not be awarded by the arbitrators, although attorneys' fees and the costs of arbitration may be assessed against either or both parties. Any provisions of the award which are determined to be unenforceable in any jurisdiction, shall as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability, without invalidating the remaining provisions hereof. The arbitrators' decision shall be rendered within thirty (30) days of the conclusion of any hearing hereunder and the arbitrators' judgment shall be final and binding on the parties. Any award and judgment may be entered and enforced in any court of competent jurisdiction.

10.3 Resolution of disputes under the procedures of this section shall be the sole and exclusive means of resolving disputes arising out of or relating to this contract.

11. EXPORT CONTROLS.

Buyer acknowledges and agrees that any Goods purchased by it from Seller may be subject to export controls imposed by the United States Government under various federal laws, including but not limited to, the Export Administration Act of 1979, as amended (the "Act"), and/or successor legislation, and the regulations promulgated thereunder. Buyer agrees not to export or re-export any Goods without complying with the Act.

12. CANCELLATION. ORDER CANCELLATION OR RESCHEDULE.

Any cancellation or delivery reschedule requires prior written authorization by Seller. Charges in continuous production may be subject to a minimum ten percent (10%) cancellation charge. There will be no charge for rescheduling a delivery, but pricing will be subject to the price list in effect at the time of the new delivery date. Goods not in continuous production are subject to cancellation or reschedule charges with the impact of the action on Seller. Charges for canceling or rescheduling the delivery of Goods not in continuous production will be determined at the time authorization is granted.

13. GOODS RETURNED FOR CREDIT.

Any Goods to be returned for credit requires prior written authorization by Seller. Goods authorized for return may be subject to a minimum fifteen percent (15%) return charge. The exact return charge will be determined at the time return authorization is granted.

14. NATURE OF RELATIONSHIP.

Seller and Buyer are independent contractors. This contract does not, and shall not be deemed to make either Seller or Buyer the agent or legal representative of the other for any purpose whatsoever, and Buyer shall not have any right or authority to assume or create any obligation, warranty or responsibility whatsoever, express or implied, on behalf of Seller, or to bind Seller in any respect whatsoever.

15. ASSIGNMENT.

Neither party may assign any rights or obligations under this contract without the written consent of the other, which shall not be unreasonably withheld, except that Seller may assign this contract without consent to any subsidiary or affiliated company or by way of merger or acquisition.

16. MODIFICATION.

This contract may not be changed, modified or amended except in writing signed by duly authorized representatives of the parties.

17. GOVERNING LAW.

This contract shall be governed, construed and interpreted under and pursuant to the substantive laws of the State of Delaware, excluding its choice of law rules, and the parties agree that the "UN Convention for the International Sale of Goods" is expressly excluded.

18. INTEGRATION.

These terms and conditions, including any attachments or other documents incorporated by reference herein, constitute the complete and exclusive statement of agreement with respect to the subject matter hereof, and supersede any provisions on the face and reverse side of Buyer’s purchase order or any prior agreement inconsistent with the provisions hereof concerning the matters specified herein and any representations, promises, warranties or statements made by either party that differ in any way from the terms of this contract shall be given no force or effect. Seller and Buyer specifically represent each to the other that there are no additional or supplemental agreements between them related in any way to the Goods or the use of Services thereof, unless copies of the same are presently attached hereto and made a part hereof. Seller’s failure to object to terms contained in any communication from Buyer will not be a waiver of the terms hereof. The headings of the sections herein have been inserted for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

19. SEVERABILITY OF TERMS; WAIVER.

Waiver by Seller of any default of Buyer hereunder shall not be deemed a waiver of any other default of Buyer. The express provision herein for certain rights and remedies of Seller shall not be construed to deprive Seller of any other right and remedy to which it would otherwise be entitled under applicable law. The invalidity of the whole or in part of any provisions hereof shall not affect the validity of any other provision.

20. CONFIDENTIALITY.

Buyer agrees that any and all confidential information, in oral or written form, whether obtained from Seller, its agents or assigns, or other sources, or generated by Buyer pursuant to this contract shall not be used for any purpose other than fulfilling the requirements of this contract. Buyer further agrees to keep in absolute confidence all data relative to the business of Seller and their agents or assigns. No news release, including but not limited to photographs and film, public announcement, denial or confirmation of any part of the subject matter of any phase of any program hereunder shall be made by Buyer without prior written approval of Seller. Buyer shall promptly give Seller written notice of any request for disclosure of Proprietary Information designated by Seller as "Confidential" or "Trade Secret" prior to disclosure to allow Seller the opportunity to seek injunctive relief or such other relief as may be appropriate and shall fully cooperate with Seller, at Seller's expense, in seeking confidential treatment for any such disclosure.

Buyer acknowledges that compliance with this Confidential Information section is necessary to protect the business and proprietary information of Seller, and that a breach of the same will cause irreparable and continuing damage for which money damages may not be adequate. Consequently, if Buyer breaches or threatens to breach this Confidential Information Section, Seller may seek: (1) temporary, preliminary, or permanent injunctive relief, or other equitable relief, in order to prevent such damage; and (2) money damages, insofar as they can be determined.

REFERENCE:  Quote Number 148373HQ Rev. 2 for Spare Parts Recommendation for Non-Warranty Parts

Dear Joseph:

As requested by OmniTrans (or “Buyer”), Trapeze Software Group, Inc. ("Trapeze") is pleased to provide this quote for a spare parts recommendation for non-warranty parts.

This quote is valid for ninety (90) calendar days from the date noted above, is subject to Trapeze's "Terms and Conditions of Sale", and is based on the following requirements:

1) Delivery of equipment shall occur approximately sixteen (16) weeks after Trapeze’s Acceptance of Omnitrans’s purchase order. Prices may be subject to additional fees if shorter than quoted delivery time is required.
2) Invoicing for the equipment shall occur upon shipment. Applicable taxes will be assessed. If Omnitrans is tax exempt, a copy of the applicable tax exemption certificates must accompany the Omnitrans purchase order.
3) Trapeze's offer includes our standard warranty. Warranty is set forth in Article 5 of the terms and conditions.
4) Trapeze is not responsible for any labor as part of this quote.

If you have any questions or need additional information, please feel free to contact me at (319) 743-4595 or at matthew.lofgren@trapezegroup.com.

Sincerely,

Chris Kitterman

Trapeze Software Group, Inc.
Terms and Conditions of Sale

(follows this page)
1. GENERAL.
These Trapeze Software Group, Inc. (the “Seller”) terms of sale, quote letter and all attachments thereto are part of an offer to enter into a contract for the purchase and supply of Goods and/or Services. Buyer’s (as Buyer is defined in the quote letter accompanying these terms) issuance of a purchase order and/or execution of the quote letter will constitute an acceptance of this offer on the terms herein and shall constitute a binding contract. Buyer agrees that any terms associated with the Buyer’s purchase order shall be for administrative purposes only and shall not form a part of this contract. Any modifications proposed by Buyer are not a part of this contract in the absence of Seller’s written assent. As used in these Standard Terms and Conditions of sale “Goods” shall mean the equipment sold and delivered hereunder, including any embedded software licensed in conjunction with said equipment, including but not limited to spare and repair parts. “Services” shall mean the labor described under this quotation, which shall be provided by Seller and/or authorized representatives.

2. PRICES.
2.1 Unless otherwise agreed by Seller in writing, all prices quoted by Seller: (i) are based on United States Dollars, (ii) are exclusive of all brokerage fees and duties, (iii) provide for the Goods Ex Works shipping point (as that term is defined in Incoterms 2013), and (iv) include Seller’s standard commercial packaging. Seller reserves the right to deliver, at no change in price, substitute Goods of equal or better capability provided however, that such substitute Goods maintain the form, fit, and functionality of the originally contracted Goods. Partial deliveries are acceptable. Unless otherwise stated, such prices are effective for ninety (90) days from the date of quotation. Except as otherwise specified, the prices stated do not include any state, federal, or local sales, use or excise taxes, now in force or enacted in the future, applicable to the sale, license, delivery, or use of Goods and/or Services, and the Buyer expresses its acceptance of said prices, in addition to any other taxes which may be imposed upon or payable by Seller.

2.2 Transportation of Goods shall be by common carrier, at Buyer’s risk and expense. Upon request from Buyer to expedite shipments due to delays or other events not caused by Seller, all costs will be paid by Buyer.

2.4 Buyer shall have a reasonable time, not to exceed five (5) days from the date of receipt, to inspect the Goods. Buyer will notify Seller in writing of particular deficiencies of the Goods during the inspection period. Failure to give notice or particularize the deficiencies will result in Buyer’s acceptance of the Goods.

3. TERMS OF PAYMENT AND BILLING.
Where credit is extended to Buyer, terms of payment shall be net thirty (30) days from date of invoice. Notwithstanding any statement of terms or time of payment to the contrary appearing on the face of the purchase order, Seller reserves the right to require payment in advance of shipment or to ship C.O.D. In the event Buyer fails to pay any invoice when due, in addition to any other right reserved hereunder, Seller reserves the right to suspend or limit performance until all past due sums are paid. It is agreed that risk of loss and title to any Goods described herein, excluding any software, shall pass to Buyer at the time and place at which Seller ships the Goods.

4. INTELLECTUAL PROPERTY RIGHTS.
Unless otherwise specified herein, neither this contract nor the delivery of any Goods or Services hereunder shall be construed as granting either by estoppel or otherwise, any right in or license under any present or future data, drawings, plans or ideas or methods disclosed in this contract, or under any invention, patent, design, copyright, trademark, or other intellectual property now or hereafter owned or controlled by Seller.

5. WARRANTY.
The Goods sold hereunder are subject to the following warranties:
5.1 Seller agrees to repair or replace at its discretion, without charge, any such Goods, which are defective as to design, workmanship or material, and which is returned to Seller at its factory, transportation prepaid. Provided: (i) notice of the claimed defect is given to Seller within ninety (90) calendar days from date of delivery of the Goods, and (ii) Goods are returned in accordance with Seller’s instructions, (iii) such Goods shall not be deemed to be defective if, due to exposure to any condition in excess of those published in the product specification, it shall fail to operate in a normal manner; (iiii) Seller’s obligations with respect to such Goods are conditioned upon the proper installation and operation of such Goods in accordance with Buyer’s instructions (or its host medium is altered) was altered or repaired or replaced by others than Seller or Seller’s authorized service center. Buyer agrees to pay for all service expenses not covered by this warranty at Seller’s then current standard service rates.

NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE SHALL BE APPLICABLE TO ANY GOODS SOLD OR SOFTWARE OR SERVICES DELIVERED HERUNDER, AND THE FOREGOING SHALL CONSTITUTE THE BUYER’S SOLE RIGHT AND REMEDY UNDER THIS AGREEMENT.

6. LIMITATION OF LIABILITY.
6.1 Buyer acknowledges and understands that a computer in a vehicle has the potential to distract the driver from the primary task of driving which can compromise a vehicle’s safety. Buyer acknowledges and agrees that it is solely responsible for providing and ensuring the proper training of its drivers, owners or operators in the operation of the motor vehicle or motor vehicles in conjunction with the use or operation of the Goods described in this contract.

6.2 Buyer acknowledges and agrees that Seller shall not be liable to Buyer for any action or inaction arising out of or in connection with the use of software delivered hereunder. "Motor vehicle" includes any automotive machinery utilized for the transport of persons or goods in which Goods have been incorporated or installed.

6.3 IN NO EVENT SHALL SELLER BE LIABLE TO ANYONE FOR ANY SPECIAL, COLLATERAL, EXEMPLARY, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR REMOVAL AND REINSTALLATION OF GOOODS, LOSS OF GOODWILL, LOSS OF SAVINGS, LOSS OF PROFITS, OR BUSINESS INTERRUPTION) ARISING OUT OF THE SERVICES, OR THE USE OF OR INABILITY TO USE ANY GOODS DESCRIBED HEREBIN EITHER SEPARATELY OR IN COMBINATION WITH ANY OTHER PRODUCT; WHETHER OTHER MATERIALL HAS BEEN DEEMED TO EXIST, THE POSSIBILITIY OR CERTAINTY OF SUCH DAMAGES. SELLER’S TOTAL AGGREGATE LIABILITY HERUNDER WHETHER BASED UPON CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, SHALL IN NO EVENT EXCEED THE FEES PAID BY BUYER FOR THE VALUE OF GOODS OR SERVICES SOLD HERUNDER.

7. FORCE MAJEURE.
Except for payments due from Buyer to Seller hereunder, neither party shall be responsible for delay or failure to perform any part of this contract if such delay or failure to perform is caused, directly or indirectly, by an occurrence beyond that party’s reasonable control, including, but not limited to, supplier limitations, fires, epidemics, floods, accidents, earthquakes, hurricanes, war (declared or undeclared), terrorist acts, blockades, embargoes, acts, demands or requirements of any government, restraining order of any courts, acts of God or other events of force majeure.

8. PATENT AND INTELLECTUAL PROPERTY INDEMNIFICATION.
8.1 Seller agrees that it will defend, at its own expense, all suits against Buyer for infringement of any intellectual property, including by not limited to, patents, copyrights and trademarks, covering, or alleged to cover, the Goods described herein the form sold by Seller and Seller agrees that it will pay all sums which, by final judgment or decree in any such suits, may be assessed against the Buyer on account of such infringement, provided that Seller shall be given: (ii) immediate written notice of all claims of any such infringement and of any suits brought or threatened against Buyer and (iiii) authority to assume the sole defense thereof through its own counsel and to compromise or settle any such suits so that, this may be deemed without prejudice this right of Buyer to continue the use, as contemplated, of the Goods so purchased. If in any such suit so defended the Goods are held to constitute an infringement and Buyer is enjoined, or if in the light of any claim of infringement Seller deems it advisable to do so, Buyer may either prosecute the right to continue the use of the same for the Buyer, or replace the same with a non-infringing product, or modify said Goods so as to be non-infringing, or, if the foregoing options are not reasonably available, take back the infringing Goods and refund some or all of the purchase price taking into account a reasonable allowance for use, damage, or obsolescence.

8.2 If the infringement by the Buyer is alleged prior to completion of delivery of the Goods under this contract, Seller may decline to make further shipments without being in breach of this contract, and provided Seller has not been enjoined from selling the Goods to Buyer, Seller agrees to supply such Goods to the Buyer at the Buyer’s option, whereupon the indemnity obligation herein stated with respect to Seller shall reciprocally apply with respect to the Buyer.

Trapeze Software Group, Inc.
Terms and Conditions of Sale

Page 1 of 2
9. SOFTWARE LICENSE FOR EQUIPMENT SPECIFIC SOFTWARE.

9.1 Any software embedded in the Goods delivered hereunder is intellectual property of Seller or a third party licensor, and shall remain the sole and exclusive property of Seller or its respective licensors. Seller grants the Buyer a perpetual, non-exclusive license to use the software only in or with the Goods sold hereunder. The Buyer shall not copy, modify, or disassemble the software, or permit others to do so. Buyer shall not transfer the license granted hereunder or possession of the software except as part of or with the Goods, subject to transfer being subject to the restrictions contained herein. This license shall automatically terminate upon any breach or default by Buyer of this contract or in the event that there is filed by or against the Buyer any petition in bankruptcy or reorganization or for the assignment of this license for the benefit of Buyer’s creditors. Buyer agrees to use the licensed software only as provided herein. Buyer agrees that it will take appropriate action by instruction, agreement, or otherwise with its employees permitted access to licensed software to notify its employees of its obligation under these terms with respect to use, reproduction, protection, and security.

9.2 The Goods sold hereunder may include software licensed to Seller, including but not limited to: (i) Microsoft® Corporation; (ii) Here, formerly NAVTEQ North America, LLC; (iii) Telogis, Inc.; (iv) Yellowfin International Pty Ltd.; (v) Nuance Communications, Inc., formerly Loquendo S.P.A. The terms of Seller’s software license grant apply to the use of the third party software and the licensors of such software are third party beneficiaries of the rights granted under such terms. Buyer may only transfer any embedded software product with the Goods in accordance with the terms and conditions of this contract.

10. RESOLUTION OF DISPUTES.

10.1 The parties shall attempt to resolve any dispute arising out of or relating to this contract promptly by negotiation in good faith between executives who have the authority to settle the dispute. Any party shall give any other party written notice of any dispute not resolved in the ordinary course of business. Within seven (7) business days after delivery of such notice, the party receiving notice shall submit to the other a written response thereto. All reasonable requests for information made by one party to any other party shall be honored in a timely fashion. All negotiations conducted pursuant to this section (and any of the parties’ submissions in contemplation hereof) shall be kept confidential by the parties and shall be treated by the parties and their representatives as compromise and settlement negotiations under the Federal Rules of Evidence and any similar state rules.

10.2 If the matter in dispute has not been resolved within thirty (30) days, either party (the "Claimant") may submit the dispute to binding arbitration to the State of Delaware office of the American Arbitration Association ("AAA") in accordance with the procedures set forth in the Commercial Arbitration Rules of the AAA then obtaining. The Commercial Arbitration Rules of the AAA shall govern any arbitration proceeding hereunder. The arbitration shall be conducted by three commercially-experienced arbitrators selected pursuant to the Commercial Arbitration Rules, and pre-hearing discovery shall be permitted if and only to the extent determined by the arbitrators to be necessary in order to effectuate resolution of the matter in dispute. The construction, interpretation and performance hereof and all transactions hereunder shall be governed by the law of the State of Delaware, without giving effect to the principles of conflict of laws thereof. Equitable remedies shall be available from the arbitrators. Consequential, punitive, exemplary, indirect or similar damages shall not be awarded by the arbitrators, although attorneys' fees and the costs of arbitration may be assessed against either or both parties. Any provisions of the award which are determined to be unenforceable in any jurisdiction, shall as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability, without invalidating the remaining provisions hereof. The arbitrators' decision shall be rendered within thirty (30) days of the conclusion of any hearing hereunder and the arbitrators' judgment shall be final and binding on the parties. Any award and judgment may be entered and enforced in any court of competent jurisdiction.

13. GOODS RETURNED FOR CREDIT.

Any Goods to be returned for credit requires prior written authorization by Seller. Goods authorized for return may be subject to a minimum fifteen percent (15%) return charge. The exact return charge will be determined at the time return authorization is granted.

14. NATURE OF RELATIONSHIP.

Seller and Buyer are independent contractors. This contract does not, and shall not be deemed to make either Seller or Buyer the agent or legal representative of the other for any purpose whatsoever, and Buyer shall not have any right or authority to assume or create any obligation, warranty or responsibility whatsoever, express or implied, on behalf of Seller, or to bind Seller in any respect whatsoever.

15. ASSIGNMENT.

Neither party may assign any rights or obligations under this contract without the written consent of the other, which shall not be unreasonably withheld, except that Seller may assign this contract without consent to any subsidiary or affiliated company or by way of merger or acquisition.

16. MODIFICATION.

This contract may not be changed, modified or amended except in writing signed by duly authorized representatives of the parties.

17. GOVERNING LAW.

This contract shall be governed, construed and interpreted under and pursuant to the substantive laws of the State of Delaware, excluding its choice of law rules, and the parties agree that the “UN Convention for the International Sale of Goods” is expressly excluded.

18. INTEGRATION.

These terms and conditions, including any attachments or other documents incorporated by reference herein, constitute the complete and exclusive statement of agreement with respect to the subject matter hereof, and supersede any provisions on the face and reverse side of Buyer’s purchase order or any prior agreement inconsistent with the provisions hereof concerning the matters specified herein and any representations, promises, warranties or statements made by either party that differ in any way from the terms of this contract shall be given no force or effect. Seller and Buyer specifically represent each to the other that there are no additional or supplemental agreements between them related in any way to the Goods or the use of Services thereof, unless copies of the same are presently attached hereto and made a part hereof. Seller’s failure to object to terms contained in any communication from Buyer will not be a waiver of the terms hereof. The headings of the sections herein have been inserted for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

19. SEVERABILITY OF TERMS; WAIVER.

Waiver by Seller of any default of Buyer hereunder shall not be deemed a waiver of any other default of Buyer. The express provision herein for certain rights and remedies of Seller shall not be construed to deprive Seller of any other rights and remedies to which it would otherwise be entitled under applicable law. The invalidity of the whole or in part of any provisions hereof shall not affect the validity of any other provision.

20. CONFIDENTIALITY.

Buyer agrees that any and all confidential information, in oral or written form, whether obtained from Seller, its agents or assigns, or other sources, or generated by Buyer pursuant to this contract shall not be used for any purpose other than fulfilling the requirements of this contract. Buyer further agrees to keep in absolute confidence all data relative to the business of Seller and their agents or assigns. No news release, including but not limited to photographs and film, public announcement, denial or confirmation of any part of the subject matter of any phase of any program hereunder shall be made by Buyer without prior written approval of Seller. Buyer shall promptly give Seller written notice of any request for disclosure of Proprietary Information designated by Seller as "Confidential" or "Trade Secret" prior to disclosure to allow Seller the opportunity to seek injunctive relief or such other relief as may be appropriate and shall fully cooperate with Seller, at Seller's expense, in seeking confidential treatment for any such disclosure.

Buyer acknowledges that compliance with this Confidential Information section is necessary to protect the business and proprietary information of Seller, and that a breach of the same will cause irreparable and continuing damage for which money damages may not be adequate. Consequently, if Buyer breaches or threatens to breach this Confidential Information Section, Seller may seek: (1) temporary, preliminary, or permanent injunctive relief, or other equitable relief, in order to prevent such damage; and (2) money damages, insofar as they may be determined.

REGULATORY REQUIREMENTS

* Marks Required Subcontract Provisions that must flow down to all subcontracts as defined in the Article entitled SUBCONTRACTORS AND SUPPLIERS herein.

Required Clauses for All FTA-Assisted Third-Party Contracts and Subcontracts

RR-01
NO FEDERAL OBLIGATION TO THIRD PARTIES *

In connection with the Project, the Recipient agrees that, absent the Federal Government’s express written consent, the Federal Government shall not be subject to any obligations or liabilities to any subrecipient, lessee, third party contractor, or other participant at any tier of the Project, or other person or entity that is not a party to the Grant Agreement or Cooperative Agreement for the Project. Notwithstanding that the Federal Government may have concurred in or approved any solicitation, subagreement, lease, third party contract, or arrangement at any tier, the Federal Government has no obligations or liabilities to any entity other than the Recipient, including any subrecipient, lessee, third party contractor, or other participant at any tier of the Project.

RR-02
FALSE OR FRAUDULENT STATEMENTS OR CLAIMS – CIVIL AND CRIMINAL FRAUD *

A. Civil Fraud.
The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, “Program Fraud Civil Remedies,” 49 C.F.R. Part 31, apply to the Recipient’s activities in connection with the Project. By executing the Grant Agreement or Cooperative Agreement for the Project, the Recipient certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Recipient also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Recipient the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

B. Criminal Fraud.
If the Recipient makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Recipient
the penalties of 49 U.S.C. § 5323(l), 18 U.S.C. § 1001, or other applicable Federal law to
the extent the Federal Government deems appropriate.

C. Contractor shall include this Article in each subcontract financed in whole or in part with
Federal assistance provided by FTA. Contractor shall not modify the Article, except to
identify the Subcontractor who will be subject to the provisions.

RR-03
ACCESS TO THIRD PARTY CONTRACT RECORDS *

A. Access to Third Party Contract Records.
The Recipient agrees to require, and assures that its subrecipients require, their third party
contractors and third party subcontractors at each tier to provide to the U.S. Secretary of
Transportation and the Comptroller General of the United States or their duly authorized
representatives, access to all third party contract records as required by 49 U.S.C. §
5325(g). The Recipient further agrees to require, and assures that its subrecipients require,
their third party contractors and third party subcontractors, at each tier, to provide sufficient
access to third party procurement records as needed for compliance with Federal laws and
regulations or to assure proper Project management as determined by FTA.

Contractor agrees to provide Omnitrans, the FTA Administrator, the Comptroller General
of the United States or any of their authorized representatives access to any books,
documents, papers and records of the Contractor which are directly pertinent to this
Contract for the purposes of making audits, examinations, excerpts and transcriptions.
Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator
or the FTA’s authorized representatives, including any FTA Project Management
Oversight Contractor, access to Contractor's records and construction sites pertaining to a
major capital project, defined at 49 U.S.C. 5302(a) 1, which is receiving federal financial
assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

B. If this Contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a) 1) and
was entered in to through other than competitive bidding, the Contractor shall make records
related to this Contract available to Omnitrans, the Secretary of Transportation and the
Comptroller General or any authorized officer or employee of any of them for the purposes
of conducting an audit and inspection.

C. Contractor shall maintain all books, records, accounts and reports required under this
Contract for a period of not less than three years after the date of termination or expiration
of this Contract, except in the event of litigation or settlement of claims arising from the
performance of this Contract, in which case Contractor agrees to maintain same until
Omnitrans, the FTA Administrator, the Comptroller General, or any of their duly
authorized representatives, have disposed of all such litigation, appeals, claims or
exceptions related thereto.
A. This Contract includes, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008 and revised March 18, 2013 (including any changes), and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Omnitrans requests which would cause Omnitrans to be in violation of the FTA terms and conditions.

B. Federal Transit Administration of the US Department of Transportation and all laws, regulations, guidelines, and provisions of the financial assistance agreement apply to this Contract and are incorporated by reference as if fully set forth herein.

C. Contractor shall at all times comply with all applicable federal laws and regulations, including without limitation FTA regulations, policies, procedures and directives, including those listed directly or by reference in Applicable Grant Agreements between Omnitrans and FTA, as they may be amended or promulgated from time to time during the term of this Contract collectively “Federal Requirements”. These Federal Requirements may change and the changed Federal Requirements will apply to this Contract as required unless the Federal Government determines otherwise. Contractor's failure to so comply with the Federal Requirements shall constitute a material breach of this Contract.

RR-05
CIVIL RIGHTS REQUIREMENTS (TITLE VI, ADA, EEO (EXCEPT SPECIAL DOL CONSTRUCTION CLAUSE *)

B. Equal Employment Opportunity

(a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor shall comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of
Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of the Contract. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, Contractor shall refrain from discrimination against present and prospective employees for reason of age. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(d) Contractor shall include these requirements in each subcontract, modified only if necessary to identify parties, as required by Federal regulations.

RR-06
DISADVANTAGED BUSINESS ENTERPRISE (DBE) 49 CFR Part 26

Disadvantaged Business Enterprises

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The agency’s overall goal for DBE participation is 1%.

B. Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted Contract. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Omnitrans deems
appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. Bidders are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following concurrent with and accompanying sealed bid concurrent with and accompanying an initial proposal prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written documentation of the bidder’s commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime contractor’s commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so.

Bidders must present the information required above as a matter of responsiveness with initial proposals prior to contract award] (see 49 CFR 26.53(3)).

The successful bidder will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

D. Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 7 days after the contractor’s receipt of payment for that work from the Omnitrans. In addition, Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor’s work related to his contract is satisfactorily completed.

E. Contractor must promptly notify Omnitrans whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Omnitrans.
Required Clauses for Awards Exceeding $10,000

RR-07
TERMINATION 49 U.S.C. Part 18 FTA Circular 4220.1F

Applicability to Contracts

All contracts (with the exception of contracts with nonprofit organizations and institutions of higher education,) in excess of $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. (For contracts with nonprofit organizations and institutions of higher education the threshold is $100,000.) In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

Flow Down

The termination requirements flow down to all contracts in excess of $10,000, with the exception of contracts with nonprofit organizations and institutions of higher learning.

a.  **Termination for Convenience (General Provision)** Omnitrans may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Omnitrans to be paid the Contractor. If the Contractor has any property in its possession belonging to the Omnitrans, the Contractor will account for the same, and dispose of it in the manner the Omnitrans directs.

b.  **Opportunity to Cure (General Provision)** Omnitrans in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to Omnitrans’ satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Omnitrans setting forth the nature of said breach or default, Omnitrans shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Omnitrans from also pursuing all available remedies against Contractor and its sureties for said breach or default.

c.  **Waiver of Remedies for any Breach** In the event that Omnitrans elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Omnitrans shall not limit Omnitrans remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
d. **Termination for Default (Construction)** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, Omnitrans may terminate this contract for default. Omnitrans shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, Omnitrans may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to Omnitrans resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Omnitrans in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if:

1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the Recipient, acts of another Contractor in the performance of a contract with the Recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The contractor, within [10] days from the beginning of any delay, notifies Omnitrans in writing of the causes of delay. If in the judgment of Omnitrans, the delay is excusable, the time for completing the work shall be extended. The judgment of Omnitrans shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Omnitrans.

**Required Clauses for Awards Exceeding $25,000**

RR-08

**SUSPENSION AND DEBARMENT**

A. This Contract is a covered transaction for purposes of 49 CFR Part 29. As such, Contractor shall verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.
Contractor shall comply with 49 CFR 29, Subpart C and shall include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

B. By entering into this Contract, Contractor certifies that it shall comply with the requirements of 49 CFR 29, Subpart C throughout the period of this Contract. This certification is a material representation of fact relied upon by Omnitrans. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to remedies available to Omnitrans, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

Awards Exceeding $100,000 by Statute

RR-09
COMPLIANCE WITH FEDERAL LOBBYING POLICY *

A. The Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, requires that Contractors who apply or bid for an award of $100,000 or more shall file the certification required by 49 CFR Part 20, “New Restrictions on Lobbying,” attached hereto as the certification entitled, "Certification of Compliance with Federal Lobbying Requirements." As set forth in the certifications, each tier of subcontractors shall certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures shall be forwarded from tier to tier up to Omnitrans.

RR-010
CLEAN WATER AND CLEAN AIR REQUIREMENTS *

A. CLEAN WATER REQUIREMENTS

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and all applicable clean water standards of the State of California and any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office, and all other agencies having jurisdiction.

B. CLEAN AIR

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and all applicable Clean Air
Standards of the State of California or any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA, the appropriate EPA Regional Office and all other agencies having jurisdiction.

C. Contractor shall include this Article in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.

RR-011
NON-CONSTRUCTION ACTIVITIES

Required Clauses for Awards Exceeding the Simplified Acquisition Threshold ($150,000)

RR-012
BREACHES AND DISPUTE RESOLUTION 49 CFR Part 18 FTA Circular 4220.1F

Applicability to Contracts
All contracts in excess of $100,000 shall contain provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. This may include provisions for bonding, penalties for late or inadequate performance, retained earnings, liquidated damages or other appropriate measures.

Flow Down
The Breaches and Dispute Resolutions requirements flow down to all tiers.

Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the Omnitrans. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to Omnitrans Construction Manager. In connection with
any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of Omnitrans Project Manager shall be binding upon the Contractor and the Contractor shall abide by the decision.

**Performance During Dispute** - Unless otherwise directed by Omnitrans, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

**Claims for Damages** - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

**Remedies** - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between Omnitrans and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which Omnitrans is located.

**Rights and Remedies** - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Omnitrans, or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

### Transport of Property or Persons

**RR-013**  
**FLY AMERICA**

A. **Applicability**

This Article applies to federally funded contracts if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air.

B. Contractor agrees to comply with 49 U.S.C. 40118 (the “Fly America” Act) in accordance with the General Services Administration’s regulations at 41 CFR Part 301-10, which provide that recipients and sub recipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. Contractor agrees to include
the requirements of this section in all subcontracts that may involve international air transportation.

NON-CONSTRUCTION ACTIVITIES

MISCELLANEOUS SPECIAL REQUIREMENTS

RR-014
ENERGY CONSERVATION REQUIREMENTS

A. Applicability

This Article applies to all federally funded contracts.

B. Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 USC §6321 et seq.

RR-015
RECYCLED PRODUCTS

A. Applicability

This Article applies to federally funded operations/management, construction, or materials & supplies contracts for items designated by the Environmental Protection Agency, when procuring $10,000 or more per year.

B. To the extent practicable and economically feasible, a competitive preference shall be given for products and services that conserve natural resources and protect the environment and are energy efficient.

C. The Contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not
limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

NATIONAL INTELLIGENT TRANSPORTATION SYSTEMS ARCHITECTURE AND STANDARDS

RR-016
ADA ACCESS

A. Applicability

This Article applies to federally funded Architect & Engineer, Operations/Management, Rolling Stock Purchase, and Construction contracts

B. Access Requirements for Persons with Disabilities

Contractor shall comply with:

1. The requirements of 49 U.S.C. § 5301(d), which states the Federal policy that elderly persons and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy;

2. All applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps;

3. The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act;

4. The Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act; and

5. All applicable requirements of the following regulations and any subsequent amendments thereto:
C. Campaign Contributions

Neither Contractor nor its Agents shall give or offer to give any campaign contribution to any member of Omnitrans Board of Directors in violation of the California Government Code §§84300 et seq., or of the Administrative Code. Contractor shall submit a Certification of Campaign Contributions with all COs of two hundred thousand dollars ($200,000) or more.
RR-01
WHISTLEBLOWER REQUIREMENTS *

A. Applicability

This Article applies to all contracts.

B. Contractor shall not adopt any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency, where the employee believes the information discloses violation or noncompliance with a state or Federal regulation; nor shall Contractor retaliate against an employee for taking such actions as set forth in the t. seq.

RR-02
PUBLIC RECORDS ACT *

A. Applicability

This Article applies to all contracts.

B. Except as otherwise provided herein, all records, documents, drawings, plans, specifications, and all other information relating to the conduct of Omnitrans business, including all information and documents submitted by Contractor (“Records”), shall become the exclusive property of Omnitrans and shall be deemed public records. Said Records are subject to the provisions of the California Public Records Act (Government Code §6250 et. seq.). Omnitrans use and disclosure of its records are governed by this Act. Omnitrans will use its best efforts to inform the Contractor of any request for any financial records or documents marked “Trade Secret”, “Confidential” or “Proprietary” provided by Contractor to Omnitrans. Omnitrans will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act.

C. In the event of litigation concerning the disclosure of any Records, Omnitrans sole involvement will be as a stakeholder, retaining the Records until otherwise ordered by a court. The submitting party, at its sole expense and risk, shall be fully responsible for any and all fees for prosecuting or defending any action concerning the Records and shall indemnify and hold Omnitrans harmless from all costs and expenses including attorney’s fees in connection with any such action.

RR-03
PRIVACY ACT - 5 U.S.C. 552

Applicability to Contracts
When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts.

**Flow Down**
The Federal Privacy Act requirements flow down to each third party contractor and their contracts at every tier.

**Model Clause/Language**
The text of the following clause has not been mandated by statute or specific regulation, but has been developed by FTA.

**Contracts Involving Federal Privacy Act Requirements** - The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:

1. The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

2. The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

**RR-04**
**VETERANS PREFERENCE**
Veterans Employment. Contractors working on a capital project funded using FTA assistance shall give a hiring preference, to the extent practicable, to veterans (as defined in section 2108 of title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.

RECITALS

WHEREAS, OMNITRANS is a joint powers authority organized under Section 6500 et seq. of the California Government Code with power to contract for services described in Attachment A to this Agreement entitled "Attachment A, Scope of Work" (hereinafter referred to as "Work");

WHEREAS, CONTRACTOR has indicated it is qualified to perform such services and (1) has reviewed all the available data furnished by OMNITRANS pertinent to the Work to be rendered; (2) has inspected and reviewed the Work to be rendered; (3) will exercise the ordinary care and skill expected of a practitioner in its profession; and (4) is willing to accept responsibility of performing the Work set forth in this Agreement for the compensation and in accordance with the terms, requirements and conditions herein specified;

NOW, THEREFORE, for the consideration hereinafter stated, the parties agree as follows:

1. SCOPE OF WORK

   A. CONTRACTOR will perform the Work and related tasks as described in Attachment A, Scope of Work hereto and is incorporated by reference into and made a part of this Agreement.

   B. This is a non-exclusive Agreement, whereby OMNITRANS may, at its sole discretion, augment or supplant the Work with its own forces or forces of another contractor or entity. CONTRACTOR will cooperate fully with OMNITRANS' staff or other contractor or entity that may be providing similar or the same Work for OMNITRANS.

2. PERIOD OF PERFORMANCE

The term of this Agreement shall be from the date of execution of this Agreement and continue in effect through August 31, 2022, unless terminated as specified in Section 10 and 11 of this Agreement. Omnitrans has no obligation to purchase any specified amount of products/services. All applicable indemnification provisions in this Agreement shall remain in effect following the termination of this Agreement.
Omnitrans' election to extend the Agreement beyond the Initial Term shall not diminish its right to terminate the Agreement for Omnitrans' convenience or CONTRACTORS default as provided elsewhere in this Agreement. The "maximum term" of this Agreement shall be the period extended from September 1, 2022 through August 31, 2024, which period encompasses the Initial Term and the Option Year One and Option Year Two.

3. CONTRACT OPTIONS

A. Omnitrans will have the unilateral right in the contract by which, for a specified time, Omnitrans may elect to purchase additional services called for by the contract, or may elect to extend the term of the contract. The requirements below apply:

1) Any options that were requested by Omnitrans and/or contained in the Contractor’s PROPOSAL or offer must have been evaluated in making the contract award prior to exercising any such options.

2) Since Contractor’s proposed pricing for the option years and additional services are considered in evaluating the Contractor’s original proposal and form the basis for awarding the contract, Contractor shall be bound by the proposal pricing for additional services and/or option years, unless otherwise provided herein.

B. Omnitrans will provide a minimum of thirty days (30) written notice to the Contractor of Omnitrans’ exercise of its option to extend the contract years. Omnitrans may give notice of its exercise of the option for additional services at any time during the term of the contract. The minimum time for the written notice may be waived by mutual agreement.

4. COMPENSATION

For CONTRACTOR’s full and complete performance of its obligations under this Agreement, OMNITRANS shall pay CONTRACTOR on a FIXED PRICE basis at the fully burdened fixed rates shown in Attachment C, and subject to the maximum cumulative payment obligation.

OMNITRANS’ maximum cumulative payment obligation under this Agreement shall not exceed Eight Hundred Fifty-Seven Thousand Nine Hundred Seventy Dollars ($857,970), including all amounts payable to CONTRACTOR for all costs, including but not limited to direct labor, other direct costs, subcontracts, indirect costs including, but not limited to, leases, materials, taxes, insurance, and profit.
5. **INVOICING AND PAYMENT**

A. CONTRACTOR shall invoice OMNITRANS on a monthly basis no later than the 15th of each month. CONTRACTOR shall furnish information as may be requested by OMNITRANS to substantiate the validity of an invoice.

CONTRACTOR shall submit invoices in duplicate to:

OMNITRANS  
1700 West Fifth Street  
San Bernardino, CA 92411  
Attn: Accounts Payable  

Accountspayable@omnitrans.org

A separate invoice shall be used for each shipment. Each invoice shall include, at minimum, the following information:

- Contract number
- Invoice number
- Description of delivery
- Delivery Date
- Total quantity delivered
- Information as requested by OMNITRANS

B. OMNITRANS shall remit payment within thirty (30) calendar days of approval of the invoices by OMNITRANS' Project Manager.

In the event OMNITRANS should overpay CONTRACTOR, such overpayment shall not be construed as a waiver of OMNITRANS' right to obtain reimbursement for the overpayment. Upon discovering any overpayment, either on its own or upon notice of OMNITRANS, CONTRACTOR shall immediately reimburse OMNITRANS the entire overpayment or, at its sole discretion, OMNITRANS may deduct such overpayment amount from monies due to CONTRACTOR under this Agreement or any other Agreement between OMNITRANS and CONTRACTOR.
C. TITLE

a. Title shall pass to Omnitrans at the time of payment.

b. The title transferred as above shall in each case be good, and free and clear from any and all security interests, liens, and/or other encumbrances.

c. The transfer of title as specified above shall not imply Acceptance by Omnitrans, nor relieve the Contractor from the responsibility for strict compliance with the Contract, including warranty as specified in the Article entitled Warranty of Work, and for any loss of or damage to the Work.

d. The Contractor at its own expense shall promptly execute, acknowledge, and deliver to the Omnitrans proper bills of sale or other written instruments of title in a form as required by Omnitrans; said instruments shall convey to the Omnitrans' title free and clear of debts, claims, liens, mortgages, taxes, and/or encumbrances.

e. Contractor shall have title to and bear the risk of any loss of or damage to Work purchased hereunder until they are delivered, unloaded, and received by Omnitrans at the FOB Destination specified herein. Contractor's responsibility for loss or damage except for loss or damage resulting from Contractor's negligence, shall cease when title passes to Omnitrans.

6. AUDIT AND INSPECTION OF RECORDS

CONTRACTOR agrees that OMNITRANS or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, employment records or other records relating to this Agreement. Such material, including all pertinent cost, accounting, financial records, and proprietary data must be kept and maintained by CONTRACTOR for a period of three (3) years after completion of this Agreement unless OMNITRANS' written permission is given to CONTRACTOR to dispose of material prior to this time.

7. NOTIFICATION

All notices hereunder concerning this Agreement and the Work to be performed shall be physically transmitted by courier, overnight, registered or certified mail, return receipt requested, postage prepaid and addressed as follows:
To OMNITRANS:  
Omnitrans  
1700 West Fifth Street  
San Bernardino, CA 92411  
Attn: Christine Van Matre  
Title: Contract Administrator

To CONTRACTOR:  
Clean Energy  
4675 MacArthur Court, Suite 800  
Newport Beach, Ca 92660  
Attn: Derek Turbine  
Title: Regional Vice President

8. OMNITRANS' AND CONTRACTOR'S REPRESENTATIVES

A. OMNITRANS' Project Manager

Contracting Officer: OMNITRANS' CEO/General Manager or his authorized designee who has authority to execute contracts on behalf of OMNITRANS.

Project Manager: Mark Montgomery, Facilities Manager

a. Except as expressly specified in this Agreement, the Contracting Officer may exercise any powers, rights and/or privileges that have been lawfully delegated by OMNITRANS. Nothing in this Agreement should be construed to bind OMNITRANS for acts of its officers, employees, and/or agents that exceed the delegation of authority specified herein.

b. The Contracting Officer has delegated to the Project Manager certain powers and duties in connection with this Agreement. The Project Manager is the authorized representative of the Contracting Officer for matters related to this Agreement. The Project Manager or his/her designee is empowered to:

1. Have general oversight of the Work and this Agreement, including the power to enforce compliance with this Agreement.

2. Reserve the right to remove any portion of the Work from CONTRACTOR which have not been performed to OMNITRANS' satisfaction.

3. Subject to the review and acceptance by OMNITRANS, negotiate with CONTRACTOR all adjustments pertaining to this Agreement for revision.

c. In addition to the foregoing, the Project Manager shall have those rights and powers expressly set forth in other sections of this Agreement.
B. Contractor’s Key Personnel

The following are CONTRACTOR’s key personnel and their associated roles in the Work to be provided:

Any propose/substitution or replacement by Contractor of Contractor’s key personnel shall ensure that such person possesses the same or better expertise and experience than the key personnel being substituted or replaced. Omnitrans reserves the right to interview such person to ascertain and verify if such proposed substitution or replacement does in deed possess such expertise and experience.

OMNITRANS awarded this Agreement to CONTRACTOR based on OMNITRANS’ confidence and reliance on the expertise of CONTRACTOR’s key personnel described above. CONTRACTOR shall not reassign key personnel or assign other personnel to key personnel roles until CONTRACTOR obtains prior written approval from OMNITRANS.

9. DISPUTE RESOLUTION

Any disputes between the successful CONTRACTOR and OMNITRANS relating to the implementation or administration of the Contract shall be resolved in accordance with this section.

A. The parties shall first attempt to resolve the dispute informally in meetings or communications between proposer and OMNITRANS.
B. If the dispute remains unresolved fifteen (15) days after it first arises, proposer may request that Omnitrans' CEO/General Manager issue a recommended decision on the matter in dispute. Omnitrans' CEO/General Manager shall issue the recommended decision in writing and provide a copy to proposer.

C. If the dispute remains unresolved after review by Omnitrans' CEO/General Manager, either party may seek judicial resolution of the dispute in an appropriate Court of the State of California.

D. Pending final resolution of a dispute under this section, proposer shall proceed diligently with performance in accordance with the Contract and Omnitrans' CEO/General Manager's recommended decision.

10. TERMINATION FOR CONVENIENCE

OMNITRANS may terminate this Agreement in whole or in part for OMNITRANS' convenience. Omnitrans' CEO/General Manager shall terminate this Agreement by a written Notice of Termination to CONTRACTOR specifying the nature, extent, and effective date of the termination. Upon receipt of the notice of termination, CONTRACTOR shall immediately discontinue all Work affected and deliver all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement, whether completed or in process, to Omnitrans' CEO/General Manager. OMNITRANS shall make an equitable adjustment in the Agreement for Work already performed, but shall not allow anticipated profit on unperformed services. Force Majeure shall apply.

11. TERMINATION FOR BREACH OF AGREEMENT

A. If CONTRACTOR fails to perform any of the provisions of this Agreement or so fails to make progress as to endanger timely performance of this Agreement, OMNITRANS may give CONTRACTOR written notice of such default. If CONTRACTOR does not cure such default or provide a plan to cure such default which is acceptable to OMNITRANS within the time permitted by OMNITRANS, then OMNITRANS may terminate this Agreement due to CONTRACTOR's breach of this Agreement.

B. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then OMNITRANS may immediately terminate this Agreement.

C. If CONTRACTOR violates Section 28, Compliance with Lobbying Policies, of this Agreement, then OMNITRANS may immediately terminate this Agreement.
D. In the event OMNITRANS terminates this Agreement as provided in this Section, OMNITRANS may procure, upon such terms and in such manner as OMNITRANS may deem appropriate, work similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to OMNITRANS for all of its costs and damages, including, but not limited, any excess costs for such Work.

E. All finished or unfinished documents and materials produced or procured under this Agreement shall become OMNITRANS’ property upon date of such termination.

F. If, after notice of termination of this Agreement under the provisions of this Section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this Section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 10, Termination for Convenience.

G. The rights and remedies of OMNITRANS provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

12. ASSIGNMENT

This Agreement, any interest herein or claim hereunder, may not be assigned by CONTRACTOR either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONTRACTOR, without the prior written consent of OMNITRANS. Consent by OMNITRANS shall not be deemed to relieve CONTRACTOR of its obligations to comply fully with all terms and conditions of this Agreement.

13. SUBCONTRACTING

OMNITRANS hereby consents to CONTRACTOR’s subcontracting of portions of the Work to the parties identified below for the functions described in CONTRACTOR’s proposal. CONTRACTOR shall include in each subcontract agreement the stipulation that CONTRACTOR, not OMNITRANS, is solely responsible for payment to the subcontractor for all amounts owing and that the subcontractor shall have no claim, and shall take no action against OMNITRANS, Member Agencies or officers, directors, employees or sureties thereof for nonpayment by CONTRACTOR.

CONTRACTOR shall not, without the express written consent of Omnitrans, either:

a. Substitute any person, firm, or corporation as subcontractor in place of the subcontractors identified below; or

b. Permit any subcontract to be assigned or transferred; or
c. Allow work to be performed by anyone other than the original subcontractor listed below.

14. **INDEPENDENT CONTRACTOR**

CONTRACTOR's relationship to OMNITRANS in the performance of this Agreement is that of an independent Contractor. CONTRACTOR's personnel performing Work under this Agreement shall at all times be under CONTRACTOR's exclusive direction and control and shall be employees of CONTRACTOR and not employees of OMNITRANS. CONTRACTOR shall pay all wages, salaries and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, such as social security, income tax withholding, unemployment compensation, workers' compensation and similar matters.

15. **INSURANCE**

A. **INSURANCE REQUIREMENTS**

1) **General Requirements for Contractor**
   a. Without limiting or diminishing the Contractor's obligation to indemnify or hold Omnitrans harmless, Contractor shall procure, prior to commencement of the services required under this contract and maintain for the duration of the contract at its own expense, insurance of the kinds and in the amounts as indicated below;
   b. Provide Omnitrans with valid original certificates of insurance and endorsements showing Omnitrans as an additional insured.

2) **Deductibles or Self-Insured Retention (SIR)**
   SIR must be declared to and approved by Omnitrans. At the option of Omnitrans, either: the insurer shall reduce or eliminate such deductibles or SIR or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
3) Other Insurance Provisions

a. Commercial General Liability and Automobile Liability

Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury covering claims which may arise from or out of Contractor's performance of its obligations hereunder and if Contractor's vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then Contractor shall maintain liability insurance for all owned, non-owned or hired vehicles so used. Policy shall name Omnitrans, its officers, officials, employees, agents and volunteers as additional insured as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations of the scope of protection afforded Omnitrans, its officers, officials, employees, agents, and volunteers.

1. For any claims related to this project, Contractor's insurance coverage shall be primary insurance as respects Omnitrans, its officers, officials, employees, agents, and volunteers. Any insurance and/or deductibles and/or self-insured retentions or self-insured programs maintained by Omnitrans, its officers, officials, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not be construed as contributory.

2. Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to Omnitrans.

b. Workers' Compensation

If the Contractor has employees as defined by the State of California, the Contractor shall maintain statutory Workers’ compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers’ Liability (Coverage B) including Occupational Disease with limits not less than $1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of Omnitrans and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.
c. Care, Custody, and Control

Contractor shall insure any Omnitrans property while under its Care, Custody, and Control according to the requirements listed in the insurance coverage required.

4) Acceptability of Insurers

Insurance companies shall be State of California admitted or approved and have a current A.M. Best's rating of no less than A: VIII.

5) Verification of Coverage

a. Contractor shall furnish Omnitrans with original endorsements affecting coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All insurance certificates and endorsements are to be received and approved by Omnitrans before work commences.

b. As an alternative, Contractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications.

c. In lieu of purchasing insurance and providing original endorsements and or certificates of insurance, the Contractor may provide proof of self-insurance; such proof must be to the satisfaction of Omnitrans.

6) Subcontractors

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated herein.

7) Notification of Terminated Insurance

Insurance shall not be terminated or expire without thirty (30) days written or electronic notice, and are required to be maintained in force until completion of the contract.

B. MINIMUM INSURANCE COVERAGE

If the Contractor maintains broader coverage and/or higher limits than the minimum requirements shown below, Omnitrans requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor.

1) ☑ Commercial General Liability including Products/Completed Operations: $1,000,000; per occurrence for bodily and property damage liability and $2,000,000 aggregate; Omnitrans named and endorsed as an Additional Insured.
2) **Automobile Liability**: $1,000,000; per occurrence for bodily and property damage liability and aggregate; *Omnitrans named and endorsed as an Additional Insured*.

3) **Errors and Omissions Liability**: $1,000,000; combined single limit bodily and property damage liability per occurrence and $3,000,000 aggregate or,

4) **Professional Liability**: $1,000,000; per occurrence and aggregate.

5) **Workers’ Compensation**: statutory limits or,

6) **Self-Insurance Program**: a State Approved program in an amount and form that meets all applicable requirements of the Labor Code of the State of California.

7) **Employer’s Liability**: $1,000,000; per occurrence.

8) **Environmental Liability**: $1,000,000; per occurrence and aggregate; *Omnitrans named and endorsed as an Additional Insured*.

9) **Umbrella Policy**: $4,000,000; per occurrence and aggregate Additional coverage for the above policies, *Omnitrans Additional Insured*.

10) **All drivers making deliveries of products specified on this solicitation shall have Hazardous Materials Endorsements on their Commercial Driver’s License, and such other Endorsements as may be required by relevant laws and/or regulations.**

16. INDEMNITY

CONTRACTOR shall indemnify, defend and hold harmless OMNITRANS, and its member agencies, and their officers, directors, employees and agents from and against any and all liability, expense (including, but not limited to, defense costs and attorneys’ fees), claims, causes of action, and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury or property damage (including property of CONTRACTOR) arising from or connected with any alleged act and/or omission of CONTRACTOR, its officers, directors, employees, agents, Subcontractors or suppliers. This indemnity shall survive termination or expiration of this Agreement and/or final payment thereunder.

17. REVISIONS IN SCOPE OF WORK

By written notice or order, OMNITRANS may, from time to time, order work suspension or make changes to this Agreement. Changes in the Work shall be mutually agreed to and incorporated into an amendment to this Agreement. Upon execution of an amendment, CONTRACTOR shall perform the Work, as amended.
18. RIGHTS IN TECHNICAL DATA

A. No material or technical data prepared by CONTRACTOR under this Agreement is to be released by CONTRACTOR to any other person or entity except as necessary for the performance of the Work. All press releases or information concerning the Work that might appear in any publication or dissemination, including but not limited to, newspapers, magazines, and electronic media, shall first be authorized in writing by OMNITRANS.

B. The originals of all letters, documents, reports and other products and data produced under this Agreement shall become the property of OMNITRANS without restriction or limitation on their use and shall be made available upon request to OMNITRANS at any time. Original copies of such shall be delivered to OMNITRANS upon completion of the Work or termination of the Work. CONTRACTOR shall be permitted to retain copies of such items for the furtherance of its technical proficiency; however, publication of this material is subject to the prior written approval of OMNITRANS. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

19. OWNERSHIP OF REPORTS AND DOCUMENTS

The originals of all letters, documents, reports and other products and data produced under this Agreement shall be delivered to, and become the sole and exclusive property of OMNITRANS. Copies may be made for CONTRACTOR's records, but shall not be furnished to others without prior written authorization from OMNITRANS. Such deliverables shall be deemed works made for hire, and all rights in copyright therein shall be retained by OMNITRANS.

20. OWNERSHIP RIGHTS

A. In the event OMNITRANS rightfully obtains copies of Proprietary Data under the terms of the separate License Agreement and Escrow Agreement that govern rights in Documentation, Software and Intellectual Property created and/or developed by Contractor, its Third Party Software Contractors and its Suppliers as part of the Project, any derivative works and associated documentation created by or on behalf of OMNITRANS by Permitted Programmers (as defined in the License Agreement) shall be the sole and exclusive property of OMNITRANS (collectively, "OMNITRANS Intellectual Property"), and OMNITRANS may use, disclose and exercise dominion and full rights of ownership, in any manner in OMNITRANS Intellectual Property in connection with the use, operation and maintenance of a transportation system administered by OMNITRANS. No use of OMNITRANS Intellectual Property shall be made for any purpose other than in conjunction with a transportation system administered by CONTRACTOR, and OMNITRANS shall not sell, lease, rent, give away or otherwise disclose any OMNITRANS
Intellectual Property to any outside third party other than Permitted Programmers. To the extent there may be any question of rights of ownership or use in any OMNITRANS Intellectual Property, Contractor shall require all of its subcontractors and suppliers (including without limitation its Third Party Software Contractors) to assign to OMNITRANS, all worldwide right, title and interest in and to all OMNITRANS Intellectual Property in a manner consistent with the foregoing terms of this paragraph. Contractor shall execute any documents as OMNITRANS may from time to time reasonably request to effectuate the terms of this paragraph.

B. All documentation and Software which predates this Contract and which otherwise owned by Contractor or its Third Party Software Contractors, and all Documentation and Software which is created by Contractor or its Third Party Software Contractors shall be Licensed Software or Licensed Documentation, as appropriate. All Licensed Software and Licensed Documentation shall be governed by the License Agreement by and between the parties of event date herewith.

21. WORK FOR HIRE

Any work created or produced as a part of this Agreement that may be defined under Section 101, Title 17, USC will be considered "work for hire" as it pertains to ownership rights. CONTRACTOR, by his/her endorsement hereon agrees that all rights to any work(s) created or produced are waived, and that ownership rests with OMNITRANS. CONTRACTOR further agrees to ensure transfer of all rights to such work(s), as defined under federal copyright law, that may be created or produced under this Agreement by its suppliers, contractors or subcontractors.

22. SUBMITTAL OF CLAIMS BY CONTRACTOR

CONTRACTOR shall file any and all claims with OMNITRANS' Project Manager in writing within thirty (30) days of the event or occurrence giving rise to the claim. The claim shall be in sufficient detail to enable OMNITRANS to ascertain the claim's basis and amount, and shall describe the date, place and other pertinent circumstances of the event or occurrence giving rise to the claim and the indebtedness, obligation, injury, loss or damages allegedly incurred by CONTRACTOR.

Even though a claim may be filed and/or in review by OMNITRANS, CONTRACTOR shall continue to perform in accordance with this Agreement.

23. EQUAL OPPORTUNITY

CONTRACTOR shall not discriminate against, or grant preferential treatment to, any individual or group, or any employee or applicant for employment because of race, age, religion, color, ethnicity, sex, national origin, ancestry, physical disability, mental disability, political affiliation, sexual orientation, marital status or other
status protected by law. CONTRACTOR shall take action to ensure that applicants and employees are treated without regard to the above.

24. **STANDARD OF PERFORMANCE**

A. CONTRACTOR shall perform and exercise, and require its subcontractors to perform and exercise due professional care and competence in the performance of the Work in accordance with the requirements of this Agreement. CONTRACTOR shall be responsible for the professional quality, technical accuracy, completeness and coordination of the Work, it being understood that OMNITRANS will be relying upon such professional quality, accuracy, completeness and coordination in utilizing the Work. The foregoing obligations and standards shall constitute the “Standard of Performance” for purposes of this Agreement. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

B. All workers shall have sufficient skill and experience to perform the Work assigned to them. OMNITRANS shall have the right, at its sole discretion, to require the immediate removal of CONTRACTOR’s personnel at any level assigned to the performance of the Work at no additional fee or cost to OMNITRANS, if OMNITRANS considers such removal in its best interests and requests such removal in writing and such request is not done for illegal reasons. Further, an employee who is removed from performing Work under this Agreement under this Article shall not be re-assigned to perform Work in any other capacity under this Agreement without OMNITRANS’ prior written approval.

25. **NOTIFICATION OF EMPLOYMENT OF OMNITRANS BOARD MEMBERS/ALTERNATES AND EMPLOYEES**

To ensure compliance with OMNITRANS’ Ethics Policy, CONTRACTOR shall provide written notice to OMNITRANS disclosing the identity of any individual who CONTRACTOR desires to employ or retain under a contract, and who (1) presently serves as a Board Member/Alternate or an employee of OMNITRANS, or (2) served as a Board Member/Alternate or an employee of OMNITRANS within the previous 12 months of the date of the proposed employment or retention by CONTRACTOR. CONTRACTOR’s written notice shall indicate whether the individual will be an officer, principal or shareholder of the entity and/or will participate in the performance of this Agreement.

26. **DISQUALIFYING POLITICAL CONTRIBUTIONS**

In the event of a proposed amendment to this Agreement, CONTRACTOR shall provide prior to the execution of such amendment, a written statement disclosing any contribution(s) of $250 or more made by CONTRACTOR or its subcontractor(s) to Omnitrans Board Members/Alternates or employees within the
preceding twelve (12) months of the date of the proposed amendment. Applicable contributions include those made by any agent/person/entity on behalf of CONTRACTOR or subcontractor(s).

27. COMPLIANCE WITH LAW

A. CONTRACTOR shall familiarize itself with and perform the Work required under this Agreement in conformity with requirements and standards of OMNITRANS, municipal and public agencies, public and private utilities, special districts, and railroad agencies whose facilities and work may be affected by Work under this Agreement. CONTRACTOR shall also comply with all Federal, state and local laws and ordinances.

B. Government regulations that directly affect the CONTRACTOR'S performance of this contract and unforeseen impacts, which neither party could have contemplated at the onset of the contract and have an unconscionable impact on the CONTRACTOR may be given special pricing consideration. The parties, in good faith, shall review established rates and may adopt any mutually agreed new rates, which shall only be effective as agreed upon by the parties. Thorough documentation including all cost elements is required to support the Contractor's claim to any relief under this clause.

28. COMPLIANCE WITH LOBBYING POLICIES

A. CONTRACTOR agrees that if it is a Lobbyist Employer or if it has retained a Lobbying Firm or Lobbyist, as such terms are defined by OMNITRANS in its Ethics Policy, it shall comply or ensure that its Lobbying Firm and Lobbyist complies with OMNITRANS' Ethics Policy.

B. If CONTRACTOR (Lobbyist Employer) or its Lobbying Firm or Lobbyist fails to comply, in whole or in part, with OMNITRANS' Ethics Policy, such failure shall be considered a material breach of this Agreement and OMNITRANS shall have the right to immediately terminate or suspend this Agreement.

29. PUBLIC RECORDS ACT

A. All records, documents, drawings, plans, specifications and other material relating to conduct of OMNITRANS' business, including materials submitted by CONTRACTOR in its proposal and during the course of performing the Work under this Agreement, shall become the exclusive property of OMNITRANS and may be deemed public records. Said materials may be subject to the provisions of the California Public Records Act. OMNITRANS' use and disclosure of its records are governed by this Act.

B. OMNITRANS will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act, including interpretations of the Act or the definitions of trade secret, confidential or proprietary. OMNITRANS will accept materials clearly and
prominently labeled "TRADE SECRET" or "CONFIDENTIAL" or "PROPRIETARY" as determined by CONTRACTOR. OMNITRANS will endeavor to notify CONTRACTOR of any request of the disclosure of such materials. Under no circumstances, however, will OMNITRANS be liable or responsible for the disclosure of any labeled materials whether the disclosure is required by law or a court order or occurs through inadvertence, mistake or negligence on the part of OMNITRANS or its officers, employees and/or contractors.

C. In the event of litigation concerning the disclosure of any material submitted by CONTRACTOR, OMNITRANS’ sole involvement will be as a stake holder, retaining the material until otherwise ordered by a court. CONTRACTOR, at its sole expense and risk, shall be responsible for prosecuting or defending any action concerning the materials, and shall defend, indemnify and hold OMNITRANS harmless from all costs and expenses, including attorneys’ fees, in connection with such action.

30. WAIVER/INVALIDITY

No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach of the provision, or of any other breach of the provision of the Agreement. Failure of either party to enforce any provision of this Agreement at any time shall not be construed as a waiver of that provision.

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision.

31. FORCE MAJEURE

Performance of each and all CONTRACTOR’s and OMNITRANS’ covenants herein shall be subject to such delays as may occur without CONTRACTOR’s or OMNITRANS’ fault from acts of God, strikes, riots, or from other similar causes beyond CONTRACTOR’s or OMNITRANS’ control.

32. CONFIDENTIALITY

CONTRACTOR agrees that for and during the entire term of this Agreement, any information, data, figures, records, findings and the like received or generated by CONTRACTOR in the performance of this Agreement, shall be considered and kept as the private and privileged records of OMNITRANS and will not be divulged to any person, firm, corporation, or other entity except on the direct prior written authorization of OMNITRANS. Further, upon expiration or termination of this Agreement for any reason, CONTRACTOR agrees that it will continue to treat as private and privileged any information, data, figures, records, findings and the like, and will not release any such information to any person, firm, corporation or other entity, either by statement, deposition, or as a witness, except upon direct prior written authority of OMNITRANS.
33. CONTRACTOR'S INTERACTION WITH THE MEDIA AND THE PUBLIC

A. OMNITRANS shall review and approve in writing all OMNITRANS related copy proposed to be used by CONTRACTOR for advertising or public relations purposes prior to publication. CONTRACTOR shall not allow OMNITRANS related copy to be published in its advertisements and public relations programs prior to receiving such approval. CONTRACTOR shall ensure that all published information is factual and that it does not in any way imply that OMNITRANS endorses CONTRACTOR's firm, service, and/or product.

B. CONTRACTOR shall refer all inquiries from the news media to OMNITRANS, and shall comply with the procedures of OMNITRANS' Public Affairs staff regarding statements to the media relating to this Agreement or the Work.

C. If CONTRACTOR receives a complaint from a citizen or the community, CONTRACTOR shall inform OMNITRANS as soon as possible and inform OMNITRANS of any action taken to alleviate the situation.

D. The provisions of this Article shall survive the termination or expiration of this Agreement.

34. GOVERNING LAW

The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be governed by the laws of the State of California, and the proper venue of any action brought hereunder is and shall be the County of San Bernardino, California.

35. MODIFICATIONS TO AGREEMENT

Unless specified otherwise in the Agreement, this Agreement may only be modified by written mutual consent evidenced by signatures of representatives authorized to enter into and modify the Agreement. In order to be effective, amendments may require prior approval by OMNITRANS' Board of Directors, and in all instances require prior signature of an authorized representative of OMNITRANS.

36. LICENSING, PERMITS AND INSPECTION COSTS

A. The CONTRACTOR warrants that it has all necessary licenses and permits required by the laws of the United States, State of California, and the County of San Bernardino, the Local Jurisdictions, and all other appropriate governmental agencies, and agrees to maintain these licenses and permits in effect for the duration of the Agreement. Further, FIRM warrants that its employees, agents, and contractors and subcontractors shall conduct themselves in compliance with such laws and licensure requirements including, without limitation, compliance with laws applicable to
nondiscrimination, sexual harassment and ethical behavior throughout the
duration of this Agreement. CONTRACTOR further warrants that it shall
not retain or employ an unlicensed subcontractor to perform work on this
Project. CONTRACTOR shall notify OMNITRANS immediately and in
writing of its employees', agents', contractors' or subcontractors' inability to
obtain or maintain, irrespective of the pendency of any appeal, any such
licenses, permits, approvals, certificates, waivers, exemptions. Such
inability shall be cause for termination of this Agreement.

B. CONTRACTOR shall procure all permits and licenses; pay all charges,
assessments and fees, as may be required by the ordinances and
regulations of the public agencies having jurisdiction over the areas in which
the work is located, and shall comply with all the terms and conditions
thereof and with all lawful orders and regulations of each such public agency
relating to construction operations under the jurisdiction of such agency.

37. PRECEDENCE

Conflicting provisions hereof, if any, shall prevail in the following descending order
of precedence: (1) the provisions of this Agreement, and any and all of its
Amendments, Appendices, Exhibits and Attachments; (2) provisions of RFP-
MNT19-50 and any and all of its Addenda, Appendices, Exhibits and Attachments;
and (3) CONTRACTOR’s proposal dated April 9, 2019 and its Appendices,
Exhibits, Attachments and Best & Final Offer dated April 29, 2019.

38. ENTIRE AGREEMENT

This Agreement, and any attachments or documents incorporated herein by
inclusion or by reference, constitutes the complete and entire agreement between
OMNITRANS and CONTRACTOR and supersedes any prior representations,
understandings, communications, commitments, agreements or proposals, oral or
written.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date shown below, and effective on the date first hereinabove written.

ATTACHMENT A - SCOPE OF WORK  
MNT19-50  
MAINTENANCE OF THE CNG FUELING FACILITIES AT  
EAST VALLEY AND WEST VALLEY

1. PROJECT OVERVIEW/BACKGROUND

Contractor shall operate and maintain Omnitrans’ Compressed Natural gas (CNG) fueling facilities. The facilities provide CNG fuel for buses and Access vehicles at the Omnitrans’ East Valley facility located at 1700 West 5th Street, San Bernardino, CA 92411; and the West Valley facility located at 4748 Arrow Highway, Montclair, CA 91763. The CNG fueling systems produce CNG fuel fed from a utility gas supply utilizing compressors.

Contractor shall provide turn-key Operations and Maintenance (O&M) services for both fueling facilities on behalf of Omnitrans. These services shall include all scheduled and unscheduled repairs, as well as all maintenance, consumables, parts, and labor as required to maintain the performance of the equipment in compliance with these requirements. Contractor shall be responsible for the O&M of all equipment provided as part of the fueling system through the term of the agreement.

2. SYSTEM OVERVIEW

The CNG fueling station locations and service start-up dates are as follows:

Omnitrans East Valley  
1700 West 5th Street  
San Bernardino, CA 92411  
Start-up date: October 4, 2017  
Number of 40ft heavy-duty transit buses fueled each day = Approximately 107  
Number of 60ft heavy-duty transit buses fueled each day = Approximately 15  
Number of Access Paratransit vehicles fueled each day:  
  ○ Currently 39 and will ramp up to 71 within the next three (3) years.

Omnitrans West Valley  
4748 Arrow Highway  
Montclair, CA 91763  
Start-up date: August 23, 2017  
Number of 40ft heavy-duty transit buses fueled each day = Approximately 68  
Number of Access Paratransit vehicles fueled each day = Approximately 40

The fast-fill CNG fueling stations are used to fill heavy-duty transit buses, and Access vehicles, and consist of multiple electric motor driven compressors and multiple fast-fill dispensers among other equipment. There is a standby diesel generator that can power one or two compressors (based on the facility) and related systems during a power outage. The CNG fueling station can be monitored remotely with automated station alerts.

The stations are sized to fill buses at a rate of approximately 60 gasoline gallon equivalent (GGE) within a total of eight (8) minutes. The fill from each CNG dispenser is independent of the other CNG dispenser. Each fast-fill CNG dispenser is equipped with two fill hose/nozzle assemblies to fill heavy-duty CNG vehicles.
Fleetwatch, Omnitrans’ fuel management system, automatically records each CNG fill and can prepare reports on CNG fill activities. Fill data from the fuel management system are available remotely at the Omnitrans’ administrative office. No public CNG fueling access is available.

B. The table below provides the gasoline gallon equivalent (GGE) and compressor hours for both East Valley and West Valley locations during 2018. This information is for forecasting purposes only.
Gasoline Gallon Equivalent (GGE) | East Valley | West Valley
---|---|---
2018 GGE CNG Systems Throughput | 1,987,779 | 1,127,876

Compressor Hours* | East Valley | West Valley
---|---|---
Compressor A | 3,131 | 2,407
Compressor B | 2,634 | 2,511
Compressor C | 2,968 | N/A

*Compressor operating hours as of January 25, 2019.

5. OPERATIONS AND PREVENTIVE MAINTENANCE

Contractor shall provide all maintenance as required to keep the Facility fully functional in accordance with these requirements, including all labor, consumables, repair, rebuild, and replacement costs. Contractor shall provide all preventative maintenance (PM) of the entire Facility, from the Minimum Point of Entry (MPOE) to the fueling island, with experienced and qualified personnel with necessary tools and equipment. PM shall include all weekly, monthly, and annual servicing as required and recommended by the manufacturers of the systems. Maintenance shall also include handling, storage, and disposal of all waste generated during O&M activities in full compliance with all federal, state and local laws.

Omnitrans shall permit Contractor trained and certified Operation and Maintenance (O&M) personnel to enter the compressor compound area, buffer tank storage area, fueling island, and maintenance facility. Omnitrans personnel shall also be able to follow and observe Contractor’s technicians during their normal duties at the Facility.

Contractor shall perform all O&M work in accordance to manufacturer’s and vendor’s manuals and instructions, and in accordance with best industry standards. Any activity involved with the venting of gas or welding in the general vicinity of the CNG station, shall be approved by the Director of Maintenance or designee. Contractor shall review all work proactively, scheduled (weekly), and emergency repairs being performed with the Director of Maintenance or designee prior to commencement.

Contractor shall provide the following maintenance services as directed by the Director of Maintenance or designee:

A. Remote Monitoring - Contractor shall have the capability to remotely monitor the compressor system variables, such as flow, temperature, pressure, vibrations, leaks, and alarms, 24/7 and 365 days a year. Contractor shall provide Omnitrans with Internet access to the remote monitoring information, a monthly report containing all remote monitoring information, cellular telephone contact number of the responsible technicians, and telephone contact and access to the Contractor’s remote control center.

B. Timing of PM Service – Omnitrans’ main fueling activities occur from 9 p.m. to 6:00 a.m. seven days a week, with incidental fueling at other times. Contractor shall perform scheduled maintenance and repairs during non-fueling hours provided the fueling facility
and vehicle yard circulation are not impacted.

C. **Callouts:** Contractor shall provide the following callout services based on the criterion below:
   a. **Critical Service** – Critical service problems (which prevent bus fueling, disables a safety system, or cause a natural gas leak) or that otherwise impacts the ability of buses to meet scheduled rollout, must be responded to by Contractor immediately with a qualified technician on property within two (2) hours or less of a call-out, 24 hours per day, 7 days per week for the duration of the O&M contract. Contractor shall provide Omnitrans a report of the emergency covering the resources required to fix the problem, the length of time the CNG station or compressor was shutdown, the cause, steps taken to fix the problem, and steps taken to prevent it from happening again.

   b. **Non-Critical Service** – Non-critical service problems (those which do not meet the criteria of critical service problems specified above, or that otherwise do not impact the ability of buses to meet scheduled rollout) must be responded to by Contractor within four (4) hours of notification, and successful repairs performed within 24 hours.

D. **Materials** – All materials associated with this service contract for maintenance of the CNG station and Maintenance facility shall be provided by the Contractor unless specified otherwise, and shall be new, unused and of first or Original Equipment Manufacturer (OEM) quality. Workmanship shall be at least equivalent to acceptable standards practiced within the natural gas industry for similar CNG stations.

E. **Break / Fix** - Repairs related to damage, neglect or misuse by Omnitrans, such as a dispenser drive-away by a driver, are not the responsibility of the Contractor. Such repairs shall be considered break/fix.

F. Contractor’s personnel shall be required to check-in and check-out with the Maintenance Supervisor during each site visit.

G. Contractor shall provide all standard and specialty tools to properly maintain and service the equipment.

H. Hazardous Materials and Waste – Contractor shall be responsible for controlling, storing, and disposing of all hazardous byproducts and waste that are generated as a result of O&M activities at the Facility, per codes and requirements of the authority having jurisdiction, including any licensing requirements.

6. **COMPRESSOR COMPOUND AND FUEL DISPENSING AREA**

   A. Contractor shall keep compressor(s) and related controls free from excessive wear (replacing worn and damaged parts), in good working order, and free of detectable leaks.

   B. Fueling panels, hoses, nozzles, and related fueling components shall be free from excessive
wear (replacing worn and damaged parts), in good working order, and free of detectable leaks. All leaks shall be immediately repaired.

7. SYSTEM MONITORING AND ALARMS

The monitoring and alarm system shall be tested and calibrated monthly. The Emergency Shut Down (ESD) system shall be tested monthly and reset. All testing and calibration of the monitoring and alarm system shall be coordinated with the Director of Maintenance or designee. The monitoring system shall be capable of proactively troubleshooting and diagnosing CNG station failures remotely and dispatching technician support as needed. The CNG station and maintenance facility monitoring and alarm system must be operational at all times. Bypassing of alarms and shutdown systems will not be allowed without specific approval by Omnitrans.

8. REPORTING OF PREVENTIVE MAINTENANCE AND O&M ACTIVITIES

Contractor shall submit to Omnitrans service reports of all scheduled and unscheduled maintenance and repairs performed after each service. Contractor shall submit maintenance records through the term of the contract and shall include reports of any failures, accidents, and other significant events. Contractor shall maintain all records and reports electronically during the entire O&M contract period.

9. CRITICAL SPARE PARTS

Contractor shall replenish all spare parts that are used in order to maintain inventory. Omnitrans shall locally store an adequate supply of critical spare parts, based on manufacturer’s recommendations, for use in an emergency. A list of these spare parts is included in Exhibit 1.

10. END OF CONTRACT EQUIPMENT STATUS VERIFICATION

Three (3) months prior to the conclusion of this contract, the Contractor shall hire an Omnitrans-approved third-party company, at the Contractor’s expense, to verify that the maintenance is up to date on the CNG equipment, and that there are no outstanding repairs needed. Any repairs that are identified shall be corrected by the incumbent contractor (at their expense) prior to the expiration of contract. This task is a one-time event that is to occur prior to either the base years, or option years expiring. In either event, it is at the discretion of Omnitrans as to when this event will occur.

REGULATORY REQUIREMENTS

* Marks Required Subcontract Provisions that must flow down to all subcontracts as defined in the Article entitled SUBCONTRACTORS AND SUPPLIERS herein.

Required Clauses for All FTA-Assisted Third-Party Contracts and Subcontracts

RR-01
NO FEDERAL OBLIGATION TO THIRD PARTIES *

In connection with the Project, the Recipient agrees that, absent the Federal Government’s express written consent, the Federal Government shall not be subject to any obligations or liabilities to any subrecipient, lessee, third party contractor, or other participant at any tier of the Project, or other person or entity that is not a party to the Grant Agreement or Cooperative Agreement for the Project. Notwithstanding that the Federal Government may have concurred in or approved any solicitation, subagreement, lease, third party contract, or arrangement at any tier, the Federal Government has no obligations or liabilities to any entity other than the Recipient, including any subrecipient, lessee, third party contractor, or other participant at any tier of the Project.

RR-02
FALSE OR FRAUDULENT STATEMENTS OR CLAIMS – CIVIL AND CRIMINAL FRAUD *

A. Civil Fraud.

The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, “Program Fraud Civil Remedies,” 49 C.F.R. Part 31, apply to the Recipient’s activities in connection with the Project. By executing the Grant Agreement or Cooperative Agreement for the Project, the Recipient certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Recipient also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Recipient the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

B. Criminal Fraud.

If the Recipient makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Recipient

C. Contractor shall include this Article in each subcontract financed in whole or in part with Federal assistance provided by FTA. Contractor shall not modify the Article, except to identify the Subcontractor who will be subject to the provisions.

**RR-03**

**ACCESS TO THIRD PARTY CONTRACT RECORDS * **

A. Access to Third Party Contract Records. 
The Recipient agrees to require, and assures that its subrecipients require, their third party contractors and third party subcontractors at each tier to provide to the U.S. Secretary of Transportation and the Comptroller General of the United States or their duly authorized representatives, access to all third party contract records as required by 49 U.S.C. § 5325(g). The Recipient further agrees to require, and assures that its subrecipients require, their third party contractors and third party subcontractors, at each tier, to provide sufficient access to third party procurement records as needed for compliance with Federal laws and regulations or to assure proper Project management as determined by FTA.

Contractor agrees to provide Omnitrans, the FTA Administrator, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator or the FTA’s authorized representatives, including any FTA Project Management Oversight Contractor, access to Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a) 1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

B. If this Contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a) 1) and was entered in to through other than competitive bidding, the Contractor shall make records related to this Contract available to Omnitrans, the Secretary of Transportation and the Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

C. Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of not less than three years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case Contractor agrees to maintain same until Omnitrans, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.
A. This Contract includes, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008 and revised March 18, 2013 (including any changes), and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Omnitrans requests which would cause Omnitrans to be in violation of the FTA terms and conditions.

B. Federal Transit Administration of the US Department of Transportation and all laws, regulations, guidelines, and provisions of the financial assistance agreement apply to this Contract and are incorporated by reference as if fully set forth herein.

C. Contractor shall at all times comply with all applicable federal laws and regulations, including without limitation FTA regulations, policies, procedures and directives, including those listed directly or by reference in Applicable Grant Agreements between Omnitrans and FTA, as they may be amended or promulgated from time to time during the term of this Contract collectively “Federal Requirements”. These Federal Requirements may change and the changed Federal Requirements will apply to this Contract as required unless the Federal Government determines otherwise. Contractor’s failure to so comply with the Federal Requirements shall constitute a material breach of this Contract.

B. Equal Employment Opportunity

(a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor shall comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of
Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of the Contract. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, Contractor shall refrain from discrimination against present and prospective employees for reason of age. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(d) Contractor shall include these requirements in each subcontract, modified only if necessary to identify parties, as required by Federal regulations.

RR-06
DISADVANTAGED BUSINESS ENTERPRISE (DBE) 49 CFR Part 26

Disadvantaged Business Enterprises

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The agency’s overall goal for DBE participation is 1%.

B. Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted Contract. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Omnitrans deems
appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. Bidders are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following concurrent with and accompanying sealed bid concurrent with and accompanying an initial proposal prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written documentation of the bidder’s commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime contractor’s commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so.

Bidders must present the information required above as a matter of responsiveness with initial proposals prior to contract award] (see 49 CFR 26.53(3)).

The successful bidder will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

D. Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 7 days after the contractor’s receipt of payment for that work from the Omnitrans. In addition, Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor’s work related to his contract is satisfactorily completed.

E. Contractor must promptly notify Omnitrans whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Omnitrans.
Required Clauses for Awards Exceeding $2,000

RR-07

DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a). ‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

Clause Language
Davis-Bacon and Copeland Anti-Kickback Acts

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional
classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and

(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) **Withholding** - Omnitrans shall upon its own action or upon written request of an authorized
representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) **Apprentices and trainees** - (i) **Apprentices** - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification.
of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees** - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity** - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.
(5) **Compliance with Copeland Act requirements** - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) **Subcontracts** - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) **Contract termination: debarment** - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) **Compliance with Davis-Bacon and Related Act requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) **Disputes concerning labor standards** - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) **Certification of eligibility** - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

RR-08
SEISMIC SAFETY REQUIREMENTS 42 U.S.C. 7701 et seq. 49 CFR Part 41

Applicability to Contracts

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

Flow Down
The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

Model Clauses/Language
The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

Seismic Safety - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

Required Clauses for Awards Exceeding $10,000

RR-09
TERMINATION 49 U.S.C. Part 18 FTA Circular 4220.1F

Applicability to Contracts
All contracts (with the exception of contracts with nonprofit organizations and institutions of higher education,) in excess of $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. (For contracts with nonprofit organizations and institutions of higher education the threshold is $100,000.) In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

Flow Down
The termination requirements flow down to all contracts in excess of $10,000, with the exception of contracts with nonprofit organizations and institutions of higher learning.
a. **Termination for Convenience (General Provision)** Omnitrans may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Omnitrans to be paid the Contractor. If the Contractor has any property in its possession belonging to the Omnitrans, the Contractor will account for the same, and dispose of it in the manner the Omnitrans directs.

b. **Opportunity to Cure (General Provision)** Omnitrans in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to Omnitrans’ satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Omnitrans setting forth the nature of said breach or default, Omnitrans shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Omnitrans from also pursuing all available remedies against Contractor and its sureties for said breach or default.

c. **Waiver of Remedies for any Breach** In the event that Omnitrans elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Omnitrans shall not limit Omnitrans remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

d. **Termination for Default (Construction)** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, Omnitrans may terminate this contract for default. Omnitrans shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, Omnitrans may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to Omnitrans resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Omnitrans in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if-
1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the Recipient, acts of another Contractor in the performance of a contract with the Recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The contractor, within [10] days from the beginning of any delay, notifies Omnitrans in writing of the causes of delay. If in the judgment of Omnitrans, the delay is excusable, the time for completing the work shall be extended. The judgment of Omnitrans shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Omnitrans.

**Required Clauses for Awards Exceeding $25,000**

**RR-010**

**SUSPENSION AND DEBARMENT***

A. This Contract is a covered transaction for purposes of 49 CFR Part 29. As such, Contractor shall verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

Contractor shall comply with 49 CFR 29, Subpart C and shall include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

B. By entering into this Contract, Contractor certifies that it shall comply with the requirements of 49 CFR 29, Subpart C throughout the period of this Contract. This certification is a material representation of fact relied upon by Omnitrans. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to remedies available to Omnitrans, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
Awards Exceeding $100,000 by Statute

**RR-011**

**COMPLIANCE WITH FEDERAL LOBBYING POLICY** *

A. The Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, requires that Contractors who apply or bid for an award of $100,000 or more shall file the certification required by 49 CFR Part 20, “New Restrictions on Lobbying,” attached hereto as the certification entitled, "Certification of Compliance with Federal Lobbying Requirements." As set forth in the certifications, each tier of subcontractors shall certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures shall be forwarded from tier to tier up to Omnitrans.

**RR-012**

**CLEAN WATER AND CLEAN AIR REQUIREMENTS** *

A. **CLEAN WATER REQUIREMENTS**

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and all applicable clean water standards of the State of California and any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office, and all other agencies having jurisdiction.

B. **CLEAN AIR**

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and all applicable Clean Air Standards of the State of California or any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA, the appropriate EPA Regional Office and all other agencies having jurisdiction.

C. Contractor shall include this Article in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.
RR-013
NON-CONSTRUCTION ACTIVITIES

Required Clauses for Awards Exceeding the Simplified Acquisition Threshold ($150,000)

RR-014
BUY AMERICA *

A. Contractor shall comply with 49 U.S.C. 5323(j) and 49 CFR Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger wagons produced by Chrysler Corporation, and microcomputer equipment and software. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. 661.11. Rolling stock must be assembled in the United States and have a 60 percent domestic content.

Omnitrans may investigate Contractor's, any Subcontractor's, and any Supplier's compliance with this Article. If an investigation is initiated, Contractor, Subcontractor, or Supplier shall document its compliance, in accordance with 49 CFR 661.15, and cooperate with the investigation. Contractor shall incorporate the Buy America conditions set forth in this Article in every subcontract or purchase order and shall enforce such conditions.

B. FTA requires a Buy America certification to be submitted with the proposal, or the proposal shall be considered non-responsive.
Applicability to Contracts
All contracts in excess of $100,000 shall contain provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. This may include provisions for bonding, penalties for late or inadequate performance, retained earnings, liquidated damages or other appropriate measures.

Flow Down
The Breaches and Dispute Resolutions requirements flow down to all tiers.

Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the Omnitrans. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to Omnitrans Construction Manager. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of Omnitrans Project Manager shall be binding upon the Contractor and the Contractor shall abide by the decision.

Performance During Dispute - Unless otherwise directed by Omnitrans, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between Omnitrans and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which Omnitrans is located.

Rights and Remedies - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Omnitrans, or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.
Transport of Property or Persons

RR-016
CARGO PREFERENCE*

A. Applicability

The following Article applies to federally funded contracts involving equipment, materials, or commodities which may be transported by ocean vessels.

B. USE OF UNITED STATES FLAG VESSELS

Contractor shall use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this Contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels.

Contractor shall furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to Omnitrans (through Contractor in the case of a subcontractor's bill-of-lading.)

Contractor shall include these requirements in all subcontracts issued pursuant to this Contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

RR-017
FLY AMERICA

A. Applicability

This Article applies to federally funded contracts if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air.

B. Contractor agrees to comply with 49 U.S.C. 40118 (the “Fly America” Act) in accordance with the General Services Administration’s regulations at 41 CFR Part 301-10, which provide that recipients and sub recipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not
available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

CONSTRUCTION ACTIVITIES

RR-018
DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a). ‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

Clause Language
Davis-Bacon and Copeland Anti-Kickback Acts

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics
shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and
(2) The classification is utilized in the area by the construction industry; and
(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and
(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification.
under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination; and

2. The classification is utilized in the area by the construction industry; and

3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) **Withholding** - Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) **Payrolls and basic records** - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S.
Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) **Apprentices and trainees** - (i) **Apprentices** - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the
Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be
permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity** - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.

(5) **Compliance with Copeland Act requirements** - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) **Subcontracts** - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) **Contract termination: debarment** - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) **Compliance with Davis-Bacon and Related Act requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) **Disputes concerning labor standards** - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) **Certification of eligibility** - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT *

A. Applicability

This Article applies to federally funded construction contracts over $2,000 (including ferry vessels), rolling stock purchases over $2,500 and to operations/management contracts over $2,500 (except transportation services)

B. Pursuant to the Labor Standards Provisions Applicable to Non-construction Contracts subject to the Federal Contract Work Hours and Safety Standards Act, 40 U.S.C.A. § 327 through 332 as implemented by U.S. Department of Labor regulations, 29 CFR 5.5 (b) and (c) Contractor and Subcontractor’s contracting for any part of the Contract work shall comply with the following:

1. **Overtime requirements** – Neither Contractor nor any Subcontractor contracting for any part of the Contract work that requires or involves the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. **Violation; liability for unpaid wages; liquidated damages** – In the event of any violation of the Article set forth in paragraph (1) of this Article Contractor and any Subcontractor responsible therefore shall be liable for the unpaid wages. In addition, Contractor and Subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this Article, in the sum of ten dollars ($10) for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this Article.

3. **Withholding for unpaid wages and liquidated damages** – Omnitrans shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by Contractor or Subcontractor under the Contract or any other Federal contract with Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Contractor, such sums as may be determined to be necessary to satisfy any liabilities of Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this Article.
4. **Subcontracts** – Contractor or Subcontractor shall insert this Article in any Subcontracts and also an Article requiring the Subcontractors to include this Article in any lower tier Subcontracts. Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with this Article.

5. **Payrolls and basic records** – The records to be maintained hereinafore shall be made available by Contractor or Subcontractor for inspection, copying, or transcription by Omnitrans and U.S. Dept. of Labor. Contractor and Subcontractor shall maintain payrolls and basic records during the course of the work and shall preserve them for a period of three (3) years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made and actual wages paid.

**RR-020 BONDING REQUIREMENTS**

Not Applicable

**RR-021 SEISMIC SAFETY REQUIREMENTS 42 U.S.C. 7701 et seq. 49 CFR Part 41**

**Applicability to Contracts**

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

**Flow Down**

The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

**Model Clauses/Language**

The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

**Seismic Safety** - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.
NON-CONSTRUCTION ACTIVITIES

TRANSIT OPERATIONS

RR-022
TRANSIT EMPLOYEE PROTECTIVE ARRANGEMENTS *

A. Applicability

Subject to the limitations in Sections B, C, and D, this Article applies if this Contract involves transit operations to be performed by employees of a Contractor recognized by FTA to be a transit operator, and if FTA has determined that it is financed in whole or in part with Federal assistance.

B. General Transit Employee Protective Requirements

If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance (other than Federal assistance authorized by 49 U.S.C. § 5310(a)(2) or 49 U.S.C. § 5311), and if the U.S. Secretary of Transportation has determined that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for Omnitrans under this Contract, then Contractor shall perform the transit operations work under the Contract in compliance with terms and conditions, (a) determined by the U.S. Secretary of Labor to meet the employee protective requirements of 49 U.S.C. A 5333(b), and U.S. Department of Labor (“U. S. DOL”) guidelines at 29 C.F.R. Part 215, and any amendments thereto, and (b) stated in a U. S. DOL letter of certification to FTA, the date of which is set forth in the applicable Grant Agreement or Cooperative Agreement with Omnitrans, and which is incorporated in the Form of Contract as a Contract Document entitled “U. S. DOL Certification”.

C. Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5310(a) (2) for Elderly Individuals and Individuals with Disabilities

RR – Page 30
Updated: 11132018
If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5310(a)(2), and if the U.S. Secretary of Transportation has determined or determines in the future that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for Omnitrans under the Contract, Contractor shall perform the Work in compliance with the terms and conditions determined, (a) by the U.S. Secretary of Labor to meet the requirements of 49 U.S.C. § 5333(b), U.S. DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto, and (b) stated in the U.S. DOL’s letter of certification to FTA, the date of which is set forth in the applicable Grant Agreement or Cooperative Agreement with Omnitrans, and which is incorporated in the Form of Contract as a Contract Document entitled “U. S. DOL Certification”.

D. Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5311 in Nonurbanized Areas

If FTA has determined that this Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5311, Contractor shall comply with the terms and conditions of the Special Warranty for the Nonurbanized Area Program agreed to by the U.S. Secretaries of Transportation and Labor, dated May 31, 1979, and the procedures implemented by U.S. DOL or any revision thereto.

E. Indemnity

Contractor shall defend, indemnify and hold harmless Omnitrans, and its Board Members, employees and agents from and against all liability, claims, demands actions, costs, judgments, penalties, damages, losses and expenses arising out of or in connection with Contractor’s failure to comply with or failure to carry out its responsibilities under all applicable provisions of Sections B, C and D of this Article.

CHARTER BUS OPERATION

Charter Service Operations.
The Recipient agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in charter service operations, except as authorized by 49 U.S.C. § 5323(d) and FTA regulations, “Charter Service,” 49 C.F.R. Part 604, and any Charter Service regulations or FTA directives that may be issued, except to the extent that FTA determines otherwise in writing. The Charter Service Agreement the Recipient has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the Recipient has failed to select the Charter Service Agreement in its latest annual Certifications and Assurances to FTA and does conduct charter service operations prohibited by FTA’s Charter Service regulations, the Recipient understands and agrees that: (1) the requirements of FTA’s Charter Service regulations and any amendments thereto will apply to any charter service it or its subrecipients, lessees, third party contractors, or other participants in the Project provide; (2) the definitions of FTA’s Charter Service regulations will apply to the Recipient’s charter operations, and (3) a pattern of violations of FTA’s Charter Service regulations may require corrective measures and imposition of remedies, including barring the Recipient,
subrecipient, lessee, third party contractor, or other participant in the Project operating public transportation under the Project from receiving Federal financial assistance from FTA, or withholding an amount of Federal assistance as set forth in Appendix D to FTA’s Charter Service regulations.

SCHOOL BUS OPERATIONS

The Recipient agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in school transportation operations for the transportation of students or school personnel exclusively in competition with private school transportation operators, except as authorized by 49 U.S.C. §§ 5323(f) or (g), as applicable, and FTA regulations, “School Bus Operations,” 49 C.F.R. Part 605 to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), in accordance with any School Transportation Operations regulations or FTA directives that may be issued at a later date, except to the extent that FTA determines otherwise in writing. The School Transportation Operations Agreement the Recipient has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the Recipient has failed to select the School Transportation Agreement in its latest annual Certifications and Assurances to FTA and does conduct school transportation operations prohibited by FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent those regulations are consistent with 49 U.S.C. §§ 5323(f) or (g), the Recipient understands and agrees that: (1) the requirements of FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), will apply to any school transportation service it or its subrecipients, lessees, third party contractor, or other participants in the project provide, (2) the definitions of FTA’s School Bus Operations regulations will apply to the Recipient’s school transportation operations, and (3) if there is a violation of FTA’s School Bus Operations regulations, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), FTA will bar the Recipient, subrecipient, lessee, third party contractor, or other Project participant operating public transportation that has violated FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), from receiving Federal transit assistance in an amount FTA considers appropriate.

PLANNING, RESEARCH, DEVELOPMENT AND DEMONSTRATION PROJECTS

PATENT RIGHTS

a. General. If any invention, improvement, or discovery of the Recipient or of any subrecipient, lessee, third party contractor, or other participant at any tier of the Project is conceived or first actually reduced to practice in the course of or under the Project, and that invention, improvement, or
discovery is patentable under the laws of the United States of America or any foreign country, the Recipient agrees to notify FTA immediately and provide a detailed report in a format satisfactory to FTA.

b. Federal Rights. The Recipient agrees that its rights and responsibilities, and those of each subrecipient, lessee, third party contractor, or other participant at any tier of the Project, pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Absent a determination in writing to the contrary by the Federal Government, the Recipient agrees to transmit to FTA those rights due the Federal Government in any invention, improvement, or discovery resulting from that subagreement, third party contract, third party subcontract, or arrangement, as specified in 35 U.S.C. §§ 200 et seq., and U.S. Department of Commerce regulations, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” 37 C.F.R. Part 401, irrespective of the status of the Recipient, subrecipient, lessee, third party contractor or other participant in the Project (i.e., a large business, small business, State government, State instrumentality, local government, Indian tribe, nonprofit organization, institution of higher education, or individual).

c. License Fees and Royalties. FTA considers income earned from license fees and royalties for patents, patent applications, and inventions produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

**RIGHTS IN DATA AND COPYRIGHTS**

a. Definition. The term “subject data,” as used in this Section 18 of this Master Agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Grant Agreement or Cooperative Agreement for the Project. Examples include, but are not limited to: computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information. “Subject data” do not include financial reports, cost analyses, or other similar information used for Project administration.

b. General. The following restrictions apply to all subject data first produced in the performance of the Grant Agreement or Cooperative Agreement for the Project:

1. Except for its own internal use, the Recipient may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the Recipient authorize others to do so, without the prior written consent of the Federal Government, unless the Federal Government has previously released or approved the release of such data to the public.

2. The restrictions on publication of Paragraph 18.b(1) of this Master Agreement, however, do not apply to a Grant Agreement or Cooperative Agreement with an institution of higher learning.
c. Federal Rights in Data and Copyrights. The Recipient agrees to provide to the Federal Government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the subject data described in this Subsection 18.c of this Master Agreement. As used herein, “for Federal Government purposes,” means use only for the direct purposes of the Federal Government. Without the copyright owner’s consent, the Federal Government may not provide or otherwise extend to other parties the Federal Government’s license to:

(1) Any subject data developed under the Grant Agreement or Cooperative Agreement for the Project, or under a subagreement, lease, third party contract or other arrangement at any tier of the Project, supported with Federal assistance derived from the Grant Agreement or Cooperative Agreement for the Project, whether or not a copyright has been obtained; and

(2) Any rights of copyright to which a Recipient, subrecipient, lessee, third party contractor, or other participant at any tier of the Project purchases ownership using Federal assistance.

d. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies Projects. In general, FTA’s purpose in providing Federal assistance for a research, development, demonstration, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to Project participants. Therefore, when the Project is completed, the Recipient agrees to provide a Project report that FTA may publish or make available for publication on the Internet. In addition, the Recipient agrees to provide other reports pertaining to the Project that FTA may request. The Recipient agrees to identify clearly any specific confidential, privileged, or proprietary information it submits to FTA. In addition, except to the extent that FTA determines otherwise in writing, the Recipient of Federal assistance to support a research, development, demonstration, or a special studies Project agrees that, in addition to the rights in data and copyrights that it must provide to the Federal Government as set forth in Subsection 18.c of this Master Agreement, FTA may make available to any FTA recipient, subrecipient, third party contractor, third party subcontractor or other participant at any tier of the Project, either FTA’s license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in Subsection 18.a of this Master Agreement and shall be delivered as the Federal Government may direct. This Subsection 18.d, however, does not apply to adaptations of automatic data processing equipment or programs for the Recipient’s use when the costs thereof are financed with Federal assistance through an FTA capital program.

e. License Fees and Royalties. FTA considers income earned from license fees and royalties for copyrighted material, or trademarks produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Recipient has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

f. Hold Harmless. Except as prohibited or otherwise limited by State law or except to the extent that FTA determines otherwise in writing, upon request by the Federal Government, the Recipient agrees to indemnify, save, and hold harmless the Federal Government and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Recipient of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use,
or disposition of any data furnished under the Project. The Recipient shall not be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.

g. Restrictions on Access to Patent Rights. Nothing in Section 18 of this Master Agreement pertaining to rights in data shall either imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

h. Data Developed Without Federal Funding or Support. In connection with the Project, the Recipient may find it necessary to provide data to FTA developed without any Federal funding or support by the Federal Government. The requirements of Subsections 18.b, 18.c, and 18.d of this Master Agreement do not apply to data developed without Federal funding or support by the Federal Government, even though that data may have been used in connection with the Project. Nevertheless, the Recipient understands and agrees that the Federal Government will not be able to protect data from unauthorized disclosure unless that data is clearly marked “Proprietary” or “Confidential.”

i. Requirements to Release Data. To the extent required by U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” at 49 C.F.R. § 19.36(d), or other applicable Federal laws or Federal regulations, the Recipient understands and agrees that the data and information it submits to the Federal Government may be required to be released in accordance with the Freedom of Information Act (or another Federal law or Federal regulation providing access to such records).

SPECIAL NOTIFICATION REQUIREMENTS FOR STATES

SPECIAL NOTIFICATION REQUIREMENTS FOR STATES

To the extent required by Federal law, the State agrees that, in administering any Federal assistance Program or Project supported by the Grant Agreement or Cooperative Agreement, any request for proposals, solicitation, grant application, form, notification, press release, or other publication involving the distribution of FTA assistance for the Program or the Project shall indicate that FTA is the Federal agency that is providing the Federal assistance, the Catalog of Federal Domestic Assistance Number of the program from which the Federal assistance is authorized, as may be applicable, and the amount of Federal assistance FTA provided.
MISCELLANEOUS SPECIAL REQUIREMENTS

RR-024
ENERGY CONSERVATION REQUIREMENTS

A.  Applicability

This Article applies to all federally funded contracts.

B.  Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 USC §6321 et seq.

RR-025
RECYCLED PRODUCTS

A.  Applicability

This Article applies to federally funded operations/management, construction, or materials & supplies contracts for items designated by the Environmental Protection Agency, when procuring $10,000 or more per year.

B.  To the extent practicable and economically feasible, a competitive preference shall be given for products and services that conserve natural resources and protect the environment and are energy efficient.

C.  The Contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

NATIONAL INTELLIGENT TRANSPORTATION SYSTEMS ARCHITECTURE AND STANDARDS

ADA ACCESS

A. **Applicability**

This Article applies to federally funded Architect & Engineer, Operations/Management, Rolling Stock Purchase, and Construction contracts

B. **Access Requirements for Persons with Disabilities**

Contractor shall comply with:

1. The requirements of 49 U.S.C. § 5301(d), which states the Federal policy that elderly persons and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy;

2. All applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps;

3. The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act;

4. The Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act; and

5. All applicable requirements of the following regulations and any subsequent amendments thereto:
   (1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;
   (2) U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;

(8) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and

(9) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. Part 1194; and

(10) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609;

(11) Any implementing requirements FTA may issue.

**ADMINISTRATIVE CODE * **

A. Applicability

This Article applies to all contracts.

B. Compliance with §§1090 et. seq. and §§87100 et. seq. of the California Government Code

Contractor shall comply with all applicable provisions of §§1090 et. seq. and §§87100 et. seq. of the California Government Code. Without reducing or affecting its obligation to comply with any and all of said provisions, Contractor specifically covenants:
1. Contractor shall not cause or permit any member, officer, or employee of Omnitrans to have any financial interest in the Contract;

2. Contractor shall not enter into any Subcontract involving services or property with a person or business prohibited from transacting such business with Omnitrans;

3. Contractor warrants and represents that to its knowledge no Board member, officer, or employee of Omnitrans has any interest, whether contractual, non-contractual, financial or otherwise, in this Contract, or in the business or any other contract or transaction of the Contractor or any Subcontractor and that if any such interest comes to Contractor’s knowledge at any time, Contractor shall make a full and complete disclosure of all such information in writing to Omnitrans.

C. Campaign Contributions
Neither Contractor nor its Agents shall give or offer to give any campaign contribution to any member of Omnitrans Board of Directors in violation of the California Government Code §§ 84300 et seq., or of the Administrative Code. Contractor shall submit a Certification of Campaign Contributions with all COs of two hundred thousand dollars ($200,000) or more.

RR-02
DISCRIMINATION *

A. Applicability
This Article applies to all contracts.

B. In connection with the performance of Work provided for under this Contract, Contractor agrees that it will not, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, medical condition, marital status, sex, sexual orientation, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Federal, State or local laws.

RR-03
WHISTLEBLOWER REQUIREMENTS *

A. Applicability
This Article applies to all contracts.

B. Contractor shall not adopt any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency, where the employee believes the information discloses violation or noncompliance with a state or Federal regulation; nor shall Contractor retaliate against an employee for taking such actions as set forth in the t. seq.
A. Applicability

This Article applies to all contracts.

B. Except as otherwise provided herein, all records, documents, drawings, plans, specifications, and all other information relating to the conduct of Omnitrans business, including all information and documents submitted by Contractor (“Records”), shall become the exclusive property of Omnitrans and shall be deemed public records. Said Records are subject to the provisions of the California Public Records Act (Government Code §6250 et. seq.). Omnitrans use and disclosure of its records are governed by this Act. Omnitrans will use its best efforts to inform the Contractor of any request for any financial records or documents marked “Trade Secret”, “Confidential” or “Proprietary” provided by Contractor to Omnitrans. Omnitrans will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act.

C. In the event of litigation concerning the disclosure of any Records, Omnitrans sole involvement will be as a stakeholder, retaining the Records until otherwise ordered by a court. The submitting party, at its sole expense and risk, shall be fully responsible for any and all fees for prosecuting or defending any action concerning the Records and shall indemnify and hold Omnitrans harmless from all costs and expenses including attorney’s fees in connection with any such action.

RR-05
PRIVACY ACT - 5 U.S.C. 552

Applicability to Contracts

When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts.

Flow Down
The Federal Privacy Act requirements flow down to each third party contractor and their contracts at every tier.

Model Clause/Language
The text of the following clause has not been mandated by statute or specific regulation, but has been developed by FTA.

Contracts Involving Federal Privacy Act Requirements - The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:
(1) The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

(2) The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

**RR-06**  
**VETERANS PREFERENCE**  
Veterans Employment. Contractors working on a capital project funded using FTA assistance shall give a hiring preference, to the extent practicable, to veterans (as defined in section 2108 of title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.

END OF REGULATORY REQUIREMENTS
Contractor shall perform all work to furnish any and all plant, labor, services, material, tools, equipment, supplies, transportation, utilities, and all other items and facilities necessary therefore as required in the Contract MNT19-50 and do everything required therein; and further agrees to contract in the form and manner stipulated to perform all the work in strict conformity therewith within the time limits set forth therein, and will accept as full payment therefore, the following price:

(a) Indicates an apprenticeable craft. The current apprentice wage rates are available on the Internet at http://www.dir.ca.gov/OPRL/PWAppWage/PWAppWageStart.asp. To obtain any apprentice wage rates as of July 1, 2008 and prior to September 27, 2012, please contact the Division of Apprenticeship Standards or refer to the Division of Apprenticeship Standards’ website at http://www.dir.ca.gov/das dahas.htm.

(b) Includes an amount withheld for supplemental dues.

(c) For classifications within each group, see pages 8 and 9.

(d) Rate applies to the first 4 overtime hours. All other daily overtime is paid at the Sunday rate.

(e) Rate applies to the first 12 hours worked. All other time is paid at the Sunday rate.

Includes an amount for Annuity.

**NOTE:** For Special Shift and Multi-Shift, see pages 9A and 9B.

**RECOGNIZED HOLIDAYS:** Holidays upon which the general prevailing hourly wage rate for Holiday work shall be paid, shall be all holidays in the collective bargaining agreement, applicable to the particular craft, classification, or type of workers employed on the project, which is on file with the Director of Industrial Relations. If the prevailing rate is not based on a collectively bargained rate, the holidays upon which the prevailing rate shall be paid shall be as provided in Section 6700 of the Government Code. You may obtain the holiday provisions for the current determinations on the Internet at http://www.dir.ca.gov/OPRL/PWAppWageDetermination.htm. Holiday provisions for current or superseded determinations may be obtained by contacting the Office of the Director – Research Unit at (415) 703-4774.

**TRAVEL AND/OR SUBSISTENCE PAYMENT:** In accordance with Labor Code Sections 1773.1 and 1773.9, contractors shall make travel and/or subsistence payments to each worker to execute the work. You may obtain the travel and/or subsistence provisions for the current determinations on the Internet at http://www.dir.ca.gov/OPRL/PWAppWageDetermination.htm. Travel and/or subsistence requirements for current or superseded determinations may be obtained by contacting the Office of the Director – Research Unit at (415) 703-4774.

---

7
DETERMINATION: SC-23-63-2-2019-1
CLASSIFICATIONS:

GROUP 1
Bargeman

Hydraulic Casing Oscillator Operator – drilling depth of 45’ maximum
Hydrographic Seeder Machine Operator (straw, pulp or seed)

Brakeman
Compressor Operator

Jackson Track Maintainer, or similar type
Kalamazoo Switch Tamper, or similar type

Ditchwitch, with seat or similar type equipment

Machine Tool Operator

Elevator Operator - Inside

Maginnis Internal Full Slab Vibrator

Engineer Oiler

Mechanical Berm, Curb or Gutter (concrete or asphalt)

Forklift Operator (includes loed, lull or similar types – under 5 tons)

Mechanical Finisher Operator (concrete, Clary-Johnson-Bidwell or similar)

Generator Operator

Micro Tunnel System Operator (below ground)

Generator, Pump or Compressor Plant Operator

Pavement Breaker Operator

Heavy Duty Repairman Helper

Railcar Mover

Pump Operator

Road Oil Mixing Machine Operator

Signalman

Roller Operator (asphalt or finish)

Switchman

Rubber-Tired Earthmoving Equipment (single engine, up to and including 25 yds. struck)
Self-Propelled Tar Pipelining Machine Operator
Skiploader Operator (crawler and wheel type, over 3/4 yds. and up to and including 1 1/2 yds.)

GROUP 2
Asphalt-Rubber Plant Operator (Nurse Tank Operator)

Slip Form Pump Operator (power driven hydraulic lifting device for concrete forms)
Tractor Operator - Bulldozer, Tamper-Scraper (single engine, up to 100 H.P. flyweel and
similar types, up to and including D-5 and similar types)

Concrete Mixer Operator - Skip Type
Conveyor Operator

Tugger Hoist Operator (1 drum)

Fireman
Forklift Operator (includes loed, lull or similar types – over 5 tons)

Ultra High Pressure Waterjet Cutting Tool System Operator

Hydrostatic Pump Operator

Vacuum Blasting Machine Operator

Oiler Crusher (Asphalt or Concrete Plant)

Volume Mixer Operator

Petromat Laydown Machine
RJU Side Dump Jack
Rotary Drill Helper (Oilfield)

Welder – General
GROUP 7 (for multi-shift rate, see page 9B)
Welder – General (Multi-Shift)

Screening and Conveyor Machine Operator (or similar types)
Skiploader (Wheel type up to 3/4 yd. without attachment)
Tar Pot Fireman
Temporary Heating Plant Operator

GROUP 8
Asphalt or Concrete Spreading Operator (tamping or finishing)

Trenching Machine Oiler

Asphalt Paving Machine Operator (barber greene or similar type, one (1) Screedman)
Asphalt-Rubber Distributor Operator
Backhoe Operator (up to and including 3/4 yds.) small ford, case or similar

GROUP 3
Asphalt Rubber Blend Operator

Backhoe Operator (over 3/4 yd. and up to 5 cu. yds. M.R.C.)

Bobcat or similar type (Skid Steer, with all attachments)
Equipment Greaser (rack)
Ford Ferguson (with dragtype attachments)

Barrier Rail Mover (BTM Series 200 or similar types)
Cast in Place Pipe Laying Machine Operator
Cold Foamed Asphalt Recycler

Helicopter Radioman (ground)

Combination Mixer and Compressor Operator (gunite work)

Stationary Pipe Wrapping and Cleaning Machine Operator

Compactor Operator - Self Propelled

GROUP 4
Asphalt Plant Fireman
Backhoe Operator (mini-max or similar type)
Boring Machine Operator
Boring System Electronic Tracking Locator

Concrete Mixer Operator - Paving
Crushing Plant Operator
Drill Doctor
Drilling Machine Operator, Bucket or Auger types (Calweld 150 bucket or similar types Watson 1500, 2000, 2500 auger or similar types - Texoma 700, 800 auger or similar types drilling depth of 60' maximum)

Boxman or Mixerman (asphalt or concrete)
Chip Spreading Machine Operator

Elevating Grader Operator
Excavator Track/Rubber-Tired (Operating Weight 21,000 lbs - 100,000 lbs)

Concrete Cleaning Decontamination Machine Operator

Global Positioning System/GPS (or Technician)

Concrete Pump Operator (small portable)

Grade Checker

Drilling Machine Operator, Small Auger types (Texoma Super Economatic, or similar types - Hughes 100 orGradall Operator
200, or similar types - drilling depth of 30 maximum)
Grouting Machine Operator
Equipment Greaser (grease truck)
Heavy Duty Repairman/Pump Installer
Excavator Track/Rubber-Tired (Operating weight under 21,000 lbs)

Heavy Equipment Robotics Operator

Guard Rail Post Driver Operator

Hydraulic Casing Oscillator Operator – drilling depth of 60’ maximum

Highline Cableway Signalman

Hydraulic Operated Grout Plant (excludes hand loading)

Hydra-Hammer-Aero Stomper

Kalamazoo Ballast Regulator or similar type

Hydraulic Casing Oscillator Operator – drilling depth of 30’ maximum

Klemm Drill Operator or similar types
Kolman Belt Loader and similar type

Micro Tunneling Operator (above ground tunnel)
Power Concrete Curing Machine Operator

Le Tourneau Blob Compactor or similar type

Power Concrete Saw Operator

Lo Drill

Power - Driver Jumbo Form Setter Operator

Loader Operator (Athey, Euclid, Sierra and similar types)

Power Sweeper Operator

Master Environmental Maintenance Mechanic

Rock Wheel Saw/Trencher

Mobark Chipper or similiar types
Ozzie Padder or similar types

Roller Operator (compacting)
Screed Operator (asphalt or concrete)

P.C. 490 Slot Saw

Trenching Machine Operator (up to 6ft.)

Pneumatic Concrete Placing Machine Operator (Hackley-Presswell or similar type)

Vacuum or Muck Truck

Prentice 721E Hydro-Ax
Pumpcrete Gun Operator
Rock Drill or Similiar Types (see Miscellaneous Provision #4 for additional information
regarding this classification)

GROUP 5 (for multi-shift rate, see page 9B)
Equipment Greaser (Grease Truck/Multi-Shift)

Rotary Drill Operator (excluding caison type)

Asphalt Plant Engineer

Rubber-Tired Earth Moving Equipment Operator (single engine, caterpillar, euclid, athey
wagon, and similar types with any and all attachments over 25 yds. and up to and including 50
cu. yds. struck)

Batch Plant Operator
Bit Sharpener

Rubber-Tired Earth Moving Equipment Operator (multiple engine - up to and including 25 yds.
struck)

Concrete Joint Machine Operator (canal and similar type)
Concrete Placer Operator

Rubber-Tired Scraper Operator (self-loading paddle wheel type - John Deere, 1040 and similar
single unit)

Concrete Planer Operator

Self-Propelled Curb and Gutter Machine Operator

Dandy Digger

Shuttle Buggy

Deck Engine Operator

Skiploader Operator (crawler and wheel type over 1 1/2 yds. up to and including 6 1/2 yds.)

Deck Engineer

Soil Remediation Plant Operator (CMI, Envirotech or Similar)

Derrickman (oilfield type)

Soil Stabilizer and Reclaimer (WR-2400)

Drilling Machine Operator, Bucket or Auger types (Calweld 100 bucket or similar types - Watson 1000
auger or similar types - Texoma 330, 500 or 600 auger or similar types - drilling depth of 45' maximum)

Somero SXP Laser Screed
Speed Swing Operator

GROUP 6
Articulating Material Hauler

Surface Heaters and Planer Operator
Drilling Machine Operator (including water wells)

Tractor Compressor Drill Combination Operator

Force Feed Loader

8


MISCELLANEOUS PROVISIONS:

Driller as published on pages 13 and 14 of the Director’s General Prevailing Wage Determinations. However, the published rate for the craft/classification of Operating Engineer/Group 8 (Rock Drill or

1. All heavy duty repairman and heavy duty combination shall receive fifty cents (50¢) per hour tool allowance in addition to their regular rate of pay and this shall become their base rate of pay.

2. Operators on hoists with three drums shall receive fifteen cents (15¢) per hour additional pay to the regular rate of pay. The additional pay shall be added to the regular rate and become the base rate of pay.

GROUP 18

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - single engine, over 50 yds. struck).

GROUP 19

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - single engine, over 50 yds. struck).

GROUP 20

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - single engine, over 50 yds. struck).

GROUP 21

Rotary Slurry Walling Operator

GROUP 22

Journeyman Trainee required.

GROUP 23

Trenching Machine with Road Miner Attachment (over 6 ft. depth capacity, manufacturer's rating - Oiler or

GROUP 24

Pipe Mobile Machine Operator

GROUP 25

Rotex Concrete Belt Operator

GROUP 26

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - multiple engine, up to and including 25 yds. struck).

GROUP 27

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - multiple engine, up to and including 25 yds. struck).

GROUP 28

Rubber-Tired Earth Moving Equipment Operator, Operating in Tandem (scrapers, belly dumps, and similar types in any combination, excluding compaction units - multiple engine, up to and including 25 yds. struck).

GROUP 29

Remote Controlled Earth Moving Operator ($1.00 per hour additional to base rate).
**GENERAL PREVAILING WAGE DETERMINATION MADE BY THE DIRECTOR OF INDUSTRIAL RELATIONS**
**Pursuant to California Labor Code Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1**

**FOR COMMERCIAL BUILDING, HIGHWAY, HEAVY CONSTRUCTION AND DREDGING PROJECTS**

**CRAFT: OPERATING ENGINEER (Special Shift)**

**DETERMINATION:** SC-25-63-2-2019-1

**EXPIRATION DATE OF DETERMINATION:** June 30, 2019* Effective until superseded by a new determination issued by the Director of Industrial Relations. Contact the Office of the Director – Research Unit at (415) 703-4774 for the new rates after ten days after the expiration date if no subsequent determination is issued.

**LOCALITY:** All localities within Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, and Ventura counties.

* Indicates an apprenticeable craft. The current apprentice wage rates are available online at (i): [http://www.dir.ca.gov/OPRL/PWAppWage/PWAppWageStart.asp](http://www.dir.ca.gov/OPRL/PWAppWage/PWAppWageStart.asp). To obtain any apprentice wage rates as of July 1, 2008 and prior to September 27, 2012, please contact the Division of Apprenticeship Standards or refer to the Division of Apprenticeship Standards’ website at [http://www.dir.ca.gov/das/das.html](http://www.dir.ca.gov/das/das.html).

1. For classifications within each group, see pages 8 and 9.
2. Rate applies to the first 4 overtime hours. All other daily overtime is paid at the Sunday rate.
3. Rate applies to the first 12 hours worked. All other time is paid at the Sunday rate.
4. The Third Shift shall work 6.5 hours, exclusive of meal period, for which 8 hours straight-time shall be paid at the non-shift rate, Monday through Friday.
5. Includes an amount withheld for supplemental dues.
6. Includes an amount withheld for supplemental dues.
7. Includes an amount withheld for supplemental dues.
8. Includes an amount withheld for supplemental dues.
9. Rate applies to the first 12 hours worked. All other time is paid at the Sunday rate.
10. The Third Shift shall work 6.5 hours, exclusive of meal period, for which 8 hours straight-time shall be paid at the non-shift rate, Monday through Friday.
11. Includes an amount withheld for supplemental dues.

## RECOGNIZED HOLIDAYS

Holidays upon which the general prevailing hourly wage rate for Holiday work shall be paid, shall be all holidays in the collective bargaining agreement, applicable to the particular craft, classification, or type of work employed on the project, which is on file with the Director of Industrial Relations. If the prevailing rate is not based on a collectively bargained rate, the holidays upon which the prevailing rate shall be paid shall be as provided in Section 5700 of the Government Code. You may obtain the holiday provisions for the current determinations on the Internet at [http://www.dir.ca.gov/OPRL/PwWage/Determination.htm](http://www.dir.ca.gov/OPRL/PwWage/Determination.htm). Holiday provisions for current or superseded determinations may be obtained by contacting the Office of the Director – Research Unit at (415) 703-4774.

## TRAVEL AND/or SUBSISTENCE PAYMENT

In accordance with Labor Code Sections 1773.1 and 1773, contractors shall make travel and/or subsistence payments to each worker to execute the work. You may obtain the travel and/or subsistence provisions for the current determinations on the Internet at [http://www.dir.ca.gov/OPRL/PwWage/Determination.htm](http://www.dir.ca.gov/OPRL/PwWage/Determination.htm). Travel and/or subsistence requirements for current or superseded determinations may be obtained by contacting the Office of the Director – Research Unit at (415) 703-4774.
GENERAL PREVAILING WAGE DETERMINATION MADE BY THE DIRECTOR OF INDUSTRIAL RELATIONS
PURSUANT TO CALIFORNIA LABOR CODE PART 7, CHAPTER 1, ARTICLE 2, SECTIONS 1770, 1773 AND 1773.1

FOR COMMERCIAL BUILDING, HIGHWAY, HEAVY CONSTRUCTION AND DREDGING PROJECTS

CRAFT: #LABORER AND RELATED CLASSIFICATIONS

ISSUE DATE: February 22, 2019
EXPIRATION DATE OF DETERMINATION: June 30, 2019** The rate to be paid for work performed after this date has been determined. If work will extend past this date, the new rate must be paid and should be incorporated in contracts entered into now. Contact the Office of the Director – Research Unit for specific rates at (415) 703-4774.

LOCALITY: All localities within Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, and Ventura counties.

TRAVEL AND/OR SUBSISTENCE PAYMENT: In accordance with Labor Code Sections 1773.1 and 1773.9, contractors shall make travel and/or subsistence payments to each worker to execute the work. You may obtain the travel and/or subsistence provisions for the current determinations on the Internet at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm. Travel and/or subsistence requirements for current or superseded determinations may be obtained by contacting the Office of the Director – Research Unit at (415) 703-4774.
CLASSIFICATION GROUPS

**GROUP 1**
- Boring Machine Helper (Outside)
- Certified Confined Space Laborer
- Cleaning and Handling of Panel Forms
- Concrete Screeding for Rough Strike-Off
- Concrete, Water Curing
- Demolition Laborer, the cleaning of brick if performed by an employee performing any other phase of demolition work, and the cleaning of lumber
- Fiberoptic Installation, Blowing, Splicing, and Testing Technician on public right-of-way only
- Fire Watcher, Limbers, Brush Loaders, Pilers and Debris Handlers
- Flagman
- Gas, Oil and/or Water Pipeline Laborer
- Laborer, Asphalt-Rubber Material Loader
- Laborer, General or Construction
- Laborer, General Cleanup
- Laborer, Jetting
- Laborer, Temporary Water and Air Lines
- Plugging, Filling of Shee-Bolt Holes; Dry Packing of Concrete and Patching
- Post Hole Digger (Manual)
- Railroad Maintenance, Repair Trackman and Road Beds; Streetcar and Railroad Construction Track Laborers
- Rigging and Signaling
- Scaler
- Slip Form Raisers
- Tarman and Mortar Man
- Tool Crib or Tool House Laborer
- Traffic Control by any method
- Water Well Driller Helper
- Window Cleaner
- Wire Mesh Pulling - All Concrete Pouring Operations

**GROUP 2**
- Asphalt Shoveler
- Cement Dumper (on 1 yard or larger mixer and handling bulk cement)
- Cesspool Digger and Installer
- Chucktender
- Chute Man, pouring concrete, the handling of the chute from readymix trucks, such as walls, slabs, decks, floors, foundations, footings, curbs, gutters and sidewalks
- Concrete Curer-Impervious Membrane and Form Oiler
- Cutting Torch Operator (Demolition)
- Fine Grader, Highways and Street Paving, Airport, Runways, and similar type heavy construction
- Gas, Oil and/or Water Pipeline Wrapper-Pot Tender and Form Man
- Guinea Chaser
- Headerboard Man-Asphalt
- Installation of all Asphalt Overlay Fabric and Materials used for Reinforcing Asphalt
- Laborer, Packing Rod Steel and Pans
- Membrane Vapor Barrier Installer
- Power Broom Sweepers (small)
- Riprap, Stonepaver, placing stone or wet sacked concrete
- Roto Scraper and Tiller
- Sandblaster (Pot Tender)
- Septic Tank Digger and Installer (leadman)

**GROUP 2 (continued)**
- Tank Scaler and Cleaner
- Tree Climber, Fallar, Chain Saw Operator, Pittsburgh Chipper and similar type Brush Shredders
- Underground Laborer, including Caisson Bellerower

**GROUP 3**
- Asphalt Installation of all fabrics
- Buggymobile Man
- Compactor (all types including Tampers, Barko, Wacker)
- Concrete Cutting Torch
- Concrete Pile Cutter
- Driller, Jackhammer, 2 1/2 ft. drill steel or longer
- Dri Pak-it Machine
- Gas, Oil and/or Water Pipeline Wrapper - 6-inch pipe and over by any method, inside and out
- Impact Wrench, Multi-Plate
- Kettlemen, Potmen and Men applying asphalt, lay-kold, creosote, lime caustic and similar type materials
- Laborer, Fence Erector
- Material Hoseman (Walls, Slabs, Floors and Decks)
- Operators of Pneumatic, Gas, Electric Tools, Vibrating Machines, Pavement Breakers, Air Blasting, Come-Alongs, and similar mechanical tools not separately classified herein; operation of remote controlled robotic tools in connection with Laborers' work
- Pipelayer's backup man, coating, grouting, making of joints, sealing, caulking, diapering and including rubber gasket joints, pointing and any and all other services
- Power Post Hole Digger
- Rock Slinger
- Rotary Scarifier or Multiple Head Concrete Chipping Scarifier
- Steel Headerboard Man and Guideline Setter
- Trenching Machine, Hand Propelled

**GROUP 4**
- Any Worker Exposed to Raw Sewage
- Asphalt Raker, Luteman, Ironer, Asphalt Dumpman, and Asphalt Spreader Boxes (all types)
- Concrete Core Cutter (walls, floors or ceilings), Grinder or Sander
- Concrete Saw Man, Cutting Walls or Flat Work, Scoring old or new concrete
- Cribber, Shorer, Lagging, Sheet and Trench Bracing, Hand-Guided Lagging Hammer
- Head Rock Slinger
- High Scaler (including drilling of same)
- Laborer, Asphalt-Rubber Distributor Bootman
- Laser Beam in connection with Laborer's work
- Oversize Concrete Vibrator Operator, 70 pounds and over
- Pipelayer
- Prefabricated Manhole Installer
- Sandblaster (Nozzleman), Water Blasting, Porta Shot-Blast
- Subsurface Imaging Laborer
- Traffic Lane Closure, certified

**GROUP 5**
- Blasters Powderman
- Driller
- Toxic Waste Removal
- Welding, certified or otherwise in connection with Laborers’ work
Apprentice Prevailing Wage Rates are paid only to apprentices registered with the State of California, Division of Apprenticeship Standards, for work the registered apprentice performs in his/her specific craft or trade. You may check whether an Apprentice is registered at http://www.dir.ca.gov/DAS/appcertpw/AppCertSearch.asp.

Footnote(s):

Operating Engineers Group 13 through 25 apprentice wage rates are based on the applicable journeyman's wage rates for that group.

Pension: Includes an amount for Annuity

Vacation & Holiday: Includes an amount for Supplemental Dues.

Other: Includes amounts for Industry Fund, Engineers Contract Compliance Committee (ECCC), Contract Administration Fund, and Southern California Partnership for Jobs Fund.

Rates above are for Multi-shift

Rates above also apply to crafts:
- Tunnel Operating Engineer
- Crane, Pile Driver, and Hoisting Equipment Operating Engineer

* No Predetermined Increases
I. Purpose

It is the policy of Omnitrans to maintain a work environment that is safe for all persons, including the community, and conducive to attaining high work standards. To achieve these objectives, the Agency prohibits the possession of firearms and weapons in the work place, regardless of any license or permit that an individual may have which otherwise authorizes the individual to carry firearms or weapons.

It is illegal and a criminal violation to possess weapons in public buildings (California Penal Code 171b and 171.7).

II. Scope

This policy applies to all Omnitrans employees, including but not limited to staffing agency workers and contractors working for or with the Agency at any time, regardless of whether the Agency is the actual employer.

Possession of firearms and weapons is prohibited at all Omnitrans’ offices, parking lots, agency vehicles and job sites, and in all Agency vehicles.

The following person/s are exempt from this policy as stated: a guard of a contract carrier operating an armored vehicle, and any law enforcement officer who is carrying out official duties engaged in protecting and preserving property or life within the scope of his or her employment.

Omnitrans will strictly enforce this policy. Violation of this policy will result in immediate disciplinary action, up to and including termination.

III. Procedure

A. COMMUNICATION OF POLICY

(a) Each employee of the Agency shall receive a copy of this policy at the time of his/her hire and shall sign a copy of the acknowledgment. Employees who were employed before the effective date of this policy shall also receive a copy of this policy and shall sign a copy of the acknowledgment. A copy of the signed acknowledgment and of all new and revised policies throughout the employee’s employment shall be maintained in each employee’s personnel file.

(b) A copy of this policy shall be attached to each contractor’s contract, and shall become a part of its contract. The contractor shall be responsible for communicating this policy to its employees and any subcontractors to which the contractor sublets any portion of its contract.
B. PROHIBITED CONDUCT

(a) The transportation of firearms or weapons in Agency vehicles is prohibited. This includes but is not limited to:
   (1) to and from work,
   (2) when conducting Agency business,
   (3) at all times in Agency-owned or leased vehicles.

(b) The possession or carrying of permitted and non-permitted firearms or weapons while at Agency buildings, parking lots, sponsored events, and job sites.

(c) Exception: Power actuated tools which are manufactured for the use of fastening building materials and sanctioned tools for the purpose of performing Agency job duties are not subject to this policy.

C. SEARCH

(a) Omnitrans reserves the right to conduct reasonable, unannounced searches of Agency premises and personal searches of employees and others while entering, on, or leaving Agency premises, including, but not limited to, personal effects, vehicles, lockers, desks, tool boxes, clothing, meal containers, and baggage. Searches will be conducted when the Agency has a reasonable suspicion to believe that a particular employee may be in possession of a weapon or firearm.

(b) “Reasonable suspicion” is defined as a suspicion that is based on specific personal observations such as an employee’s manner, disposition, behavior, speech, information provided to management by an employee, by law enforcement officials, by a security service, or by other persons believed to be reliable, or a suspicion that is based on other surrounding circumstances.

(c) Individuals refusing to allow an inspection will not be detained or forced to submit to the inspection. Refusal violates Agency policy and constitutes an act of insubordination constituting disciplinary action, up to and including separation of the employment relationship. Non-employees who refuse to allow an inspection will not be permitted on Agency premises and will be required to immediately leave the premises. Employees will be relieved of all duties while pending investigation.

D. DISCIPLINE

(a) Violations of any portion of this policy will subject the employee to discipline,
E. REPORT OF VIOLATIONS

1. Employee Violations

Employees are required to report violations of this policy without regard to the relationship between the individual who initiates the prohibited behavior and the individual reporting it. An employee who believes that another employee may be in violation of this policy must report the alleged violation to the employee's manager or supervisor, the department director, security, or the appropriate departmental Human Resources representative.

Departments are responsible for implementing this policy. The Agency will promptly investigate allegations of violations of this policy.

Omnitrans reserves the right to authorize searches for prohibited weapons on its property when a violation is reported or when probable cause or reasonable suspicion is present consistent with law.

Employees should be aware that there is no reasonable expectation of privacy with respect to weapons in the workplace. The Agency’s right to conduct searches includes, but is not limited to, such areas and items as lockers, desks, workstations, offices, purses, briefcases, bags, toolboxes, and lunch bags.

Searches of the employee’s work area and belongings, as described above, may be conducted by the Security & Emergency Preparedness Coordinator, or designee. Searches of all types, including surrounding agency property, personal property and the employee may be conducted by law enforcement in accordance with law should reasonable suspicion be present. Any weapon found in violation of this policy may be confiscated. Refusal to permit a search may result in discipline, up to and including separation.

2. Visitor Violations

Visitors are not allowed to carry a weapon on the premises. Any visitor carrying a weapon into a posted no-carry agency facility is creating an elevated risk to security and safety that warrants a response leading to compliance with the law. If the visitor
poses an immediate risk to security or safety, law enforcement shall be notified immediately by calling 9-911. The visitor shall be considered an immediate risk to safety and security if he/she is acting in an aggressive, belligerent, confrontational, suspicious or in an otherwise questionable manner while carrying a weapon.

F. FALSE REPORTS

Employees making intentionally false and malicious complaints of weapons in the workplace will be subject to disciplinary action, up to and including separation and/or will be reported to the proper authorities as appropriate.

G. ROLES AND RESPONSIBILITIES

Employees are responsible for understanding and complying with the Policy Prohibiting Weapons in the Workplace.

Whenever there is a question as to whether an instrument, article or substance is considered a weapon in violation of this policy, it is the employee’s responsibility to seek clarification. Employees seeking clarification should direct their questions to the agency’s Security & Emergency Preparedness Coordinator at 909-379-7117 prior to bringing the item(s) to Omnitrans work sites and events, as well as agency-owned or leased facilities or vehicles.

H. SAFETY FIRST

In applying this policy, no employee shall take any action that will risk his or her own safety or the safety of other individuals. No attempt should ever be made by an employee to restrain or forcibly evict an armed person from agency premises.

An individual’s continued non-compliance after being properly informed of the law (California Penal Code 171 (b)) will result in notification to law enforcement and discipline, up to and including separation of employment. Employees should notify security immediately.

An employee who feels an imminent danger to his or her own safety or the safety or security of others, should avoid any interaction with the individual. Immediately contact law enforcement by calling 9-911 and security at 909-379-7117.

I. ANTI-RETALIATION PROVISION

Omnitrans strictly prohibits any retaliation against an employee who has reported a possible breach of policy. If an employee feels that he or she has been subjected to retaliation in violation of this policy, the employee must immediately report it to his or her supervisor or other designated Human Resources representative.
J. DEFINITIONS

1. **Firearm or weapon includes, but is not limited to**: A weapon, a pistol or rifle, whether loaded or unloaded, capable of firing a projectile and using an explosive as a propellant.
   - A firearm, whether loaded or unloaded, from which a shot may be discharged including but not limited to handguns, pistols, revolvers, shotguns, rifles, and bb guns;
   - A gun that can discharge a shot or a projectile by means of an explosive or gas, or compressed air;
   - A device designed to be used as a weapon, from which can be expelled a projectile by the force of any explosion or force of combustion;
   - Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
   - Any destructive device;
   - Any device designed as a weapon and capable of producing great bodily harm, including but not limited to, stun guns, stun batons;
   - An electric weapon such as a taser gun;
   - Any combustible or flammable liquid, or other substance, device, or instrumentality that, in a manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm, or any fire that is used to produce death or great bodily harm;
   - Any knife that is carried with intention or calculation to produce death or great bodily harm having a blade length in excess of four (4) inches, the blade of which is fixed or is capable of being fixed in an unguarded position by the use of one or two hands. Switchblades are specifically prohibited. (Knives intended to be used as eating utensils, and stored or maintained in office kitchens or lunchrooms do not represent a violation of this policy.)

2. **Office**: All permanent facilities, all mobile facilities, all leased facilities, and any facility designated as an office by the agency.

3. **Parking lot**: All lots at permanent facility, park and rides, lots at project sites, any lot that the agency designates as a parking lot that is not at a permanent facility or project site.

4. **Agency vehicle**: All agency-owned buses/vehicles, all agency-leased buses/vehicles, all agency-rental buses/vehicles, and all personal vehicles for which the owner receives a vehicle allowance, all personal vehicles where the owner receives reimbursement for mileage.
5. **Search**: To examine in order to find something concealed.

6. **Job sites**: Any and all locations where the agency conducts business.

**SIGNS**

1. At each entrance to buildings, parking lots, and project sites, a sign shall be posted in a location that is conspicuous to all who could enter a building, parking lot, or project site.

2. Signs shall have wording or pictogram that prohibits firearms, weapons and give notice of video surveillance. Signs shall be vandalism resistant and of the quality that they will not fade due to the elements.

ATTACHMENT A – SCOPE OF WORK
ATTACHMENT B – REGULATORY REQUIREMENTS
ATTACHMENT C – PRICING
ATTACHMENT D – PROHIBITING WEAPONS IN THE WORKPLACE
This Agreement is made and entered into as of this 5th day of June 2019, by and between Omnitrans (hereinafter referred to as "OMNITRANS") and JS Solutions, LLC (hereinafter referred to as "CONTRACTOR").

RECITALS

WHEREAS, OMNITRANS is a joint powers authority organized under Section 6500 et seq. of the California Government Code with power to contract for services described in Attachment A to this Agreement entitled “Attachment A, Scope of Work” (hereinafter referred to as “Work”);

WHEREAS, CONTRACTOR has indicated it is qualified to perform such services and (1) has reviewed all the available data furnished by OMNITRANS pertinent to the Work to be rendered; (2) has inspected and reviewed the Work to be rendered; (3) will exercise the ordinary care and skill expected of a practitioner in its profession; and (4) is willing to accept responsibility of performing the Work set forth in this Agreement for the compensation and in accordance with the terms, requirements and conditions herein specified;

NOW, THEREFORE, for the consideration hereinafter stated, the parties agree as follows:

1. SCOPE OF WORK

   A. CONTRACTOR will perform the Work and related tasks as described in Attachment A, Scope of Work hereto and is incorporated by reference into and made a part of this Agreement.

   B. This is a non-exclusive Agreement, whereby OMNITRANS may, at its sole discretion, augment or supplant the Work with its own forces or forces of another contractor or entity. CONTRACTOR will cooperate fully with OMNITRANS' staff or other contractor or entity that may be providing similar or the same Work for OMNITRANS.

2. PERIOD OF PERFORMANCE

   The term of this Agreement shall be from the date of execution of this Agreement and continue in effect through December 13, 2019, unless terminated as specified in Section 10 and 11 of this Agreement. Omnitrans has no obligation to purchase any specified amount of products/services. All applicable indemnification provisions in this Agreement shall remain in effect following the termination of this Agreement.

3. CONTRACT OPTIONS

   A. Omnitrans will have the unilateral right in the contract by which, for a specified time, Omnitrans may elect to purchase additional services called
for by the contract, or may elect to extend the term of the contract. The requirements below apply:

1) Any options that were requested by Omnitrans and/or contained in the Contractor's PROPOSAL or offer must have been evaluated in making the contract award prior to exercising any such options.

2) Since Contractor's proposed pricing for the option years and additional services are considered in evaluating the Contractor's original proposal and form the basis for awarding the contract, Contractor shall be bound by the proposal pricing for additional services and/or option years, unless otherwise provided herein.

B. Omnitrans will provide a minimum of thirty days (30) written notice to the Contractor of Omnitrans' exercise of its option to extend the contract years. Omnitrans may give notice of its exercise of the option for additional services at any time during the term of the contract. The minimum time for the written notice may be waived by mutual agreement.

4. COMPENSATION

For CONTRACTOR's full and complete performance of its obligations under this Agreement, OMNITRANS shall pay CONTRACTOR on a FIXED PRICE basis at the fully burdened fixed rates shown in Attachment C, and subject to the maximum cumulative payment obligation.

OMNITRANS' maximum cumulative payment obligation under this Agreement shall not exceed Three Hundred Fifty Three Thousand, One Hundred and Sixty Two Dollars ($353,162), including all amounts payable to CONTRACTOR for all costs, including but not limited to direct labor, other direct costs, subcontracts, indirect costs including, but not limited to, leases, materials, taxes, insurance, and profit.

5. INVOICING AND PAYMENT

A. CONTRACTOR shall invoice OMNITRANS on a monthly basis no later than the 15th of each month. CONTRACTOR shall furnish information as may be requested by OMNITRANS to substantiate the validity of an invoice.

CONTRACTOR shall submit invoices in duplicate to:

OMNITRANS
1700 West Fifth Street
San Bernardino, CA 92411
Attn: Accounts Payable
Accountspayable@omnitrans.org

A separate invoice shall be used for each shipment. Each invoice shall include, at minimum, the following information:
• Contract number
• Invoice number
• Description of delivery
• Delivery Date
• Total quantity delivered
• Information as requested by OMNITRANS

B. OMNITRANS shall remit payment within thirty (30) calendar days of approval of the invoices by OMNITRANS' Project Manager.

In the event OMNITRANS should overpay CONTRACTOR, such overpayment shall not be construed as a waiver of OMNITRANS' right to obtain reimbursement for the overpayment. Upon discovering any overpayment, either on its own or upon notice of OMNITRANS, CONTRACTOR shall immediately reimburse OMNITRANS the entire overpayment or, at its sole discretion, OMNITRANS may deduct such overpayment amount from monies due to CONTRACTOR under this Agreement or any other Agreement between OMNITRANS and CONTRACTOR.

C. TITLE

a. Title shall pass to Omnitrans at the time of payment.

b. The title transferred as above shall in each case be good, and free and clear from any and all security interests, liens, and/or other encumbrances.

c. The transfer of title as specified above shall not imply Acceptance by Omnitrans, nor relieve the Contractor from the responsibility for strict compliance with the Contract, including warranty as specified in the Article entitled Warranty of Work, and for any loss of or damage to the Work.

d. The Contractor at its own expense shall promptly execute, acknowledge, and deliver to the Omnitrans proper bills of sale or other written instruments of title in a form as required by Omnitrans; said instruments shall convey to the Omnitrans’ title free and clear of debts, claims, liens, mortgages, taxes, and/or encumbrances.

e. Contractor shall have title to and bear the risk of any loss of or damage to Work purchased hereunder until they are delivered, unloaded, and received by Omnitrans at the FOB Destination specified herein. Contractor’s responsibility for loss or damage except for loss or damage
resulting from Contractor’s negligence, shall cease when title passes to Omnitrans.

6. **AUDIT AND INSPECTION OF RECORDS**

CONTRACTOR agrees that OMNITRANS or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, employment records or other records relating to this Agreement. Such material, including all pertinent cost, accounting, financial records, and proprietary data must be kept and maintained by CONTRACTOR for a period of three (3) years after completion of this Agreement unless OMNITRANS’ written permission is given to CONTRACTOR to dispose of material prior to this time.

7. **NOTIFICATION**

All notices hereunder concerning this Agreement and the Work to be performed shall be physically transmitted by courier, overnight, registered or certified mail, return receipt requested, postage prepaid and addressed as follows:

To OMNITRANS: To CONTRACTOR:

Omnitrans JS Solutions, LLC
1700 West Fifth Street 9700 Indiana Avenue
San Bernardino, CA 92411 Riverside, CA 92503
Attn: Krystal N. Turner Jason Pfutzenreuter
Title: Contract Administrator Owner/Partner

8. **OMNITRANS’ AND CONTRACTOR’S REPRESENTATIVES**

A. **OMNITRANS’ Project Manager**

Contracting Officer: OMNITRANS’ CEO/General Manager or his authorized designee who has authority to execute contracts on behalf of OMNITRANS.

Project Manager: Mike Bonacio, Technical Services Manager.

a. Except as expressly specified in this Agreement, the Contracting Officer may exercise any powers, rights and/or privileges that have been lawfully delegated by OMNITRANS. Nothing in this Agreement should be construed to bind OMNITRANS for acts of its officers, employees, and/or agents that exceed the delegation of authority specified herein.

b. The Contracting Officer has delegated to the Project Manager certain powers and duties in connection with this Agreement. The Project Manager is the authorized representative of the Contracting Officer
for matters related to this Agreement. The Project Manager or his/her designee is empowered to:

1. Have general oversight of the Work and this Agreement, including the power to enforce compliance with this Agreement.

2. Reserve the right to remove any portion of the Work from CONTRACTOR which have not been performed to OMNITRANS’ satisfaction.

3. Subject to the review and acceptance by OMNITRANS, negotiate with CONTRACTOR all adjustments pertaining to this Agreement for revision.

c. In addition to the foregoing, the Project Manager shall have those rights and powers expressly set forth in other sections of this Agreement.

B. **Contractor’s Key Personnel**

The following are CONTRACTOR’s key personnel and their associated roles in the Work to be provided:

<table>
<thead>
<tr>
<th>Name</th>
<th>Role</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jason Pfunzenreuter</td>
<td>Owner/Partner</td>
</tr>
</tbody>
</table>

Any propose/substitution or replacement by Contractor of Contractor’s key personnel shall ensure that such person possesses the same or better expertise and experience than the key personnel being substituted or replaced. Omnitrans reserves the right to interview such person to ascertain and verify if such proposed substitution or replacement does in deed possess such expertise and experience.

OMNITRANS awarded this Agreement to CONTRACTOR based on OMNITRANS’ confidence and reliance on the expertise of CONTRACTOR’s key personnel described above. CONTRACTOR shall not reassign key personnel or assign other personnel to key personnel roles until CONTRACTOR obtains prior written approval from OMNITRANS.

9. **DISPUTE RESOLUTION**

Any disputes between the successful CONTRACTOR and OMNITRANS relating to the implementation or administration of the Contract shall be resolved in accordance with this section.
A. The parties shall first attempt to resolve the dispute informally in meetings or communications between proposer and OMNITRANS.

B. If the dispute remains unresolved fifteen (15) days after it first arises, proposer may request that Omnitrans' CEO/General Manager issue a recommended decision on the matter in dispute. Omnitrans' CEO/General Manager shall issue the recommended decision in writing and provide a copy to proposer.

C. If the dispute remains unresolved after review by Omnitrans' CEO/General Manager, either party may seek judicial resolution of the dispute in an appropriate Court of the State of California.

D. Pending final resolution of a dispute under this section, proposer shall proceed diligently with performance in accordance with the Contract and Omnitrans' CEO/General Manager's recommended decision.

10. TERMINATION FOR CONVENIENCE

OMNITRANS may terminate this Agreement in whole or in part for OMNITRANS' convenience. Omnitrans' CEO/General Manager shall terminate this Agreement by a written Notice of Termination to CONTRACTOR specifying the nature, extent, and effective date of the termination. Upon receipt of the notice of termination, CONTRACTOR shall immediately discontinue all Work affected and deliver all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement, whether completed or in process, to Omnitrans' CEO/General Manager. OMNITRANS shall make an equitable adjustment in the Agreement for Work already performed, but shall not allow anticipated profit on unperformed services. Force Majeure shall apply.

11. TERMINATION FOR BREACH OF AGREEMENT

A. If CONTRACTOR fails to perform any of the provisions of this Agreement or so fails to make progress as to endanger timely performance of this Agreement, OMNITRANS may give CONTRACTOR written notice of such default. If CONTRACTOR does not cure such default or provide a plan to cure such default which is acceptable to OMNITRANS within the time permitted by OMNITRANS, then OMNITRANS may terminate this Agreement due to CONTRACTOR's breach of this Agreement.

B. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then OMNITRANS may immediately terminate this Agreement.
C. If CONTRACTOR violates Section 28, Compliance with Lobbying Policies, of this Agreement, then OMNITRANS may immediately terminate this Agreement.

D. In the event OMNITRANS terminates this Agreement as provided in this Section, OMNITRANS may procure, upon such terms and in such manner as OMNITRANS may deem appropriate, work similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to OMNITRANS for all of its costs and damages, including, but not limited, any excess costs for such Work.

E. All finished or unfinished documents and materials produced or procured under this Agreement shall become OMNITRANS' property upon date of such termination.

F. If, after notice of termination of this Agreement under the provisions of this Section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this Section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 10, Termination for Convenience.

G. The rights and remedies of OMNITRANS provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

12. ASSIGNMENT

This Agreement, any interest herein or claim hereunder, may not be assigned by CONTRACTOR either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONTRACTOR, without the prior written consent of OMNITRANS. Consent by OMNITRANS shall not be deemed to relieve CONTRACTOR of its obligations to comply fully with all terms and conditions of this Agreement.

13. SUBCONTRACTING

OMNITRANS hereby consents to CONTRACTOR's subcontracting of portions of the Work to the parties identified below for the functions described in CONTRACTOR's proposal. CONTRACTOR shall include in each subcontract agreement the stipulation that CONTRACTOR, not OMNITRANS, is solely responsible for payment to the subcontractor for all amounts owing and that the subcontractor shall have no claim, and shall take no action against OMNITRANS, Member Agencies or officers, directors, employees or sureties thereof for nonpayment by CONTRACTOR.

CONTRACTOR shall not, without the express written consent of Omnitrans, either:
a. Substitute any person, firm, or corporation as subcontractor in place of the subcontractors identified below; or

b. Permit any subcontract to be assigned or transferred; or

c. Allow work to be performed by anyone other than the original subcontractor listed below.

<table>

</tr>
</thead>
<tbody>
<tr>
<td>N/A</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

14. **INDEPENDENT CONTRACTOR**

CONTRACTOR’s relationship to OMNITRANS in the performance of this Agreement is that of an independent Contractor. CONTRACTOR’s personnel performing Work under this Agreement shall at all times be under CONTRACTOR’s exclusive direction and control and shall be employees of CONTRACTOR and not employees of OMNITRANS. CONTRACTOR shall pay all wages, salaries and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, such as social security, income tax withholding, unemployment compensation, workers’ compensation and similar matters.

15. **INSURANCE**

A. **INSURANCE REQUIREMENTS**

1) **General Requirements for Contractor**

   a. Without limiting or diminishing the Contractor’s obligation to indemnify or hold Omnitrans harmless, Contractor shall procure, prior to commencement of the services required under this contract and maintain for the duration of the contract at its own expense, insurance of the kinds and in the amounts as indicated below;

   b. Provide Omnitrans with valid original certificates of insurance and endorsements showing Omnitrans as an additional insured.

2) **Deductibles or Self-Insured Retention (SIR)**

   SIR must be declared to and approved by Omnitrans. At the option of Omnitrans, either: the insurer shall reduce or eliminate such deductibles
or SIR or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

3) **Other Insurance Provisions**

a. **Commercial General Liability and Automobile Liability**

Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury covering claims which may arise from or out of Contractor's performance of its obligations hereunder and if Contractor's vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then Contractor shall maintain liability insurance for all owned, non-owned or hired vehicles so used. Policy shall name Omnitrans, its officers, officials, employees, agents and volunteers as additional insured as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations of the scope of protection afforded Omnitrans, its officers, officials, employees, agents, and volunteers.

1. For any claims related to this project, Contractor's insurance coverage shall be primary insurance as respects Omnitrans, its officers, officials, employees, agents, and volunteers. Any insurance and/or deductibles and/or self-insured retentions or self-insured programs maintained by Omnitrans, its officers, officials, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not be construed as contributory.

2. Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to Omnitrans.

b. **Workers’ Compensation**

If the Contractor has employees as defined by the State of California, the Contractor shall maintain statutory Workers’ compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers’ Liability (Coverage B) including Occupational Disease with limits not less than $1,000,000 per person per accident. The policy shall be endorsed to waive
subrogation in favor of Omnitrans and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

c. Care, Custody, and Control
Contractor shall insure any Omnitrans property while under its Care, Custody, and Control according to the requirements listed in the insurance coverage required.

4) Acceptability of Insurers
Insurance companies shall be State of California admitted or approved and have a current A.M. Best's rating of no less than A:VIII.

5) Verification of Coverage
a. Contractor shall furnish Omnitrans with original endorsements affecting coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All insurance certificates and endorsements are to be received and approved by Omnitrans before work commences.

b. As an alternative, Contractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications.

c. In lieu of purchasing insurance and providing original endorsements and or certificates of insurance, the Contractor may provide proof of self-insurance; such proof must be to the satisfaction of Omnitrans.

6) Subcontractors
Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated herein.

7) Notification of Terminated Insurance
Insurance shall not be terminated or expire without thirty (30) days written or electronic notice, and are required to be maintained in force until completion of the contract.

B. MINIMUM INSURANCE COVERAGE

If the Contractor maintains broader coverage and/or higher limits than the minimum requirements shown below, Omnitrans requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor.

1) ☑ Commercial General Liability including Products/Completed Operations: $1,000,000; per occurrence for bodily and property
damage liability and $2,000,000 aggregate; Omnitrans named and endorsed as an Additional Insured.

2) **Automobile Liability:** $1,000,000; per occurrence for bodily and property damage liability and aggregate; Omnitrans named and endorsed as an Additional Insured.

3) **Errors and Omissions Liability:** $1,000,000; combined single limit bodily and property damage liability per occurrence and $3,000,000 aggregate or,

4) **Professional Liability:** $1,000,000; per occurrence and aggregate.

5) **Workers' Compensation:** statutory limits or,

6) **Self Insurance Program:** a State Approved program in an amount and form that meets all applicable requirements of the Labor Code of the State of California.

7) **Employer's Liability:** $1,000,000; per occurrence.

8) **Environmental Liability:** $1,000,000; per occurrence and aggregate; Omnitrans named and endorsed as an Additional Insured.

9) **Umbrella Policy:** $4,000,000; per occurrence and aggregate Additional coverage for the above policies, Omnitrans Additional Insured.

10) **All drivers making deliveries of products specified on this solicitation shall have Hazardous Materials Endorsements on their Commercial Drivers License, and such other Endorsements as may be required by relevant laws and/or regulations.**

16. **INDEMNITY**

CONTRACTOR shall indemnify, defend and hold harmless OMNITRANS, and its member agencies, and their officers, directors, employees and agents from and against any and all liability, expense (including, but not limited to, defense costs and attorneys’ fees), claims, causes of action, and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury or property damage (including property of CONTRACTOR) arising from or connected with any alleged act and/or omission of CONTRACTOR, its officers, directors, employees, agents, Subcontractors or suppliers. This indemnity shall survive termination or expiration of this Agreement and/or final payment thereunder.

17. **REVISIONS IN SCOPE OF WORK**

By written notice or order, OMNITRANS may, from time to time, order work suspension or make changes to this Agreement. Changes in the Work shall be
mutually agreed to and incorporated into an amendment to this Agreement. Upon execution of an amendment, CONTRACTOR shall perform the Work, as amended.

18. RIGHTS IN TECHNICAL DATA

A. No material or technical data prepared by CONTRACTOR under this Agreement is to be released by CONTRACTOR to any other person or entity except as necessary for the performance of the Work. All press releases or information concerning the Work that might appear in any publication or dissemination, including but not limited to, newspapers, magazines, and electronic media, shall first be authorized in writing by OMNITRANS.

B. The originals of all letters, documents, reports and other products and data produced under this Agreement shall become the property of OMNITRANS without restriction or limitation on their use and shall be made available upon request to OMNITRANS at any time. Original copies of such shall be delivered to OMNITRANS upon completion of the Work or termination of the Work. CONTRACTOR shall be permitted to retain copies of such items for the furtherance of its technical proficiency; however, publication of this material is subject to the prior written approval of OMNITRANS. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

19. OWNERSHIP OF REPORTS AND DOCUMENTS

The originals of all letters, documents, reports and other products and data produced under this Agreement shall be delivered to, and become the sole and exclusive property of OMNITRANS. Copies may be made for CONTRACTOR’s records, but shall not be furnished to others without prior written authorization from OMNITRANS. Such deliverables shall be deemed works made for hire, and all rights in copyright therein shall be retained by OMNITRANS.

20. OWNERSHIP RIGHTS

A. In the event OMNITRANS rightfully obtains copies of Proprietary Data under the terms of the separate License Agreement and Escrow Agreement that govern rights in Documentation, Software and Intellectual Property created and/or developed by Contractor, its Third Party Software Contractors and its Suppliers as part of the Project, any derivative works and associated documentation created by or on behalf of OMNITRANS by Permitted Programmers (as defined in the License Agreement) shall be the sole and exclusive property of OMNITRANS (collectively, “OMNITRANS Intellectual Property”), and OMNITRANS may use, disclose and exercise dominion and full rights of ownership, in any manner in OMNITRANS Intellectual Property in connection with the use, operation and maintenance of a transportation system administered by OMNITRANS. No use of OMNITRANS Intellectual
Property shall be made for any purpose other than in conjunction with a transportation system administered by CONTRACTOR, and OMNITRANS shall not sell, lease, rent, give away or otherwise disclose any OMNITRANS Intellectual Property to any outside third party other than Permitted Programmers. To the extent there may be any question of rights of ownership or use in any OMNITRANS Intellectual Property, Contractor shall require all of its subcontractors and suppliers (including without limitation its Third Party Software Contractors) to assign to OMNITRANS, all worldwide right, title and interest in and to all OMNITRANS Intellectual Property in a manner consistent with the foregoing terms of this paragraph. Contractor shall execute any documents as OMNITRANS may from time to time reasonably request to effectuate the terms of this paragraph.

B. All documentation and Software which predates this Contract and which otherwise owned by Contractor or its Third Party Software Contractors, and all Documentation and Software which is created by Contractor or its Third Party Software Contractors shall be Licensed Software or Licensed Documentation, as appropriate. All Licensed Software and Licensed Documentation shall be governed by the License Agreement by and between the parties of event date herewith.

21. WORK FOR HIRE

Any work created or produced as a part of this Agreement that may be defined under Section 101, Title 17, USC will be considered “work for hire” as it pertains to ownership rights. CONTRACTOR, by his/her endorsement hereon agrees that all rights to any work(s) created or produced are waived, and that ownership rests with OMNITRANS. CONTRACTOR further agrees to ensure transfer of all rights to such work(s), as defined under federal copyright law, that may be created or produced under this Agreement by its suppliers, contractors or subcontractors.

22. SUBMITTAL OF CLAIMS BY CONTRACTOR

CONTRACTOR shall file any and all claims with OMNITRANS' Project Manager in writing within thirty (30) days of the event or occurrence giving rise to the claim. The claim shall be in sufficient detail to enable OMNITRANS to ascertain the claim's basis and amount, and shall describe the date, place and other pertinent circumstances of the event or occurrence giving rise to the claim and the indebtedness, obligation, injury, loss or damages allegedly incurred by CONTRACTOR.

Even though a claim may be filed and/or in review by OMNITRANS, CONTRACTOR shall continue to perform in accordance with this Agreement.

23. EQUAL OPPORTUNITY

CONTRACTOR shall not discriminate against, or grant preferential treatment to, any individual or group, or any employee or applicant for employment because of
race, age, religion, color, ethnicity, sex, national origin, ancestry, physical disability, mental disability, political affiliation, sexual orientation, marital status or other status protected by law. CONTRACTOR shall take action to ensure that applicants and employees are treated without regard to the above.

24. STANDARD OF PERFORMANCE

A. CONTRACTOR shall perform and exercise, and require its subcontractors to perform and exercise due professional care and competence in the performance of the Work in accordance with the requirements of this Agreement. CONTRACTOR shall be responsible for the professional quality, technical accuracy, completeness and coordination of the Work, it being understood that OMNITRANS will be relying upon such professional quality, accuracy, completeness and coordination in utilizing the Work. The foregoing obligations and standards shall constitute the “Standard of Performance” for purposes of this Agreement. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

B. All workers shall have sufficient skill and experience to perform the Work assigned to them. OMNITRANS shall have the right, at its sole discretion, to require the immediate removal of CONTRACTOR’s personnel at any level assigned to the performance of the Work at no additional fee or cost to OMNITRANS, if OMNITRANS considers such removal in its best interests and requests such removal in writing and such request is not done for illegal reasons. Further, an employee who is removed from performing Work under this Agreement under this Article shall not be re-assigned to perform Work in any other capacity under this Agreement without OMNITRANS’ prior written approval.

25. NOTIFICATION OF EMPLOYMENT OF OMNITRANS BOARD MEMBERS/ALTERNATES AND EMPLOYEES

To ensure compliance with OMNITRANS’ Ethics Policy, CONTRACTOR shall provide written notice to OMNITRANS disclosing the identity of any individual who CONTRACTOR desires to employ or retain under a contract, and who (1) presently serves as a Board Member/Alternate or an employee of OMNITRANS, or (2) served as a Board Member/Alternate or an employee of OMNITRANS within the previous 12 months of the date of the proposed employment or retention by CONTRACTOR. CONTRACTOR’s written notice shall indicate whether the individual will be an officer, principal or shareholder of the entity and/or will participate in the performance of this Agreement.
26. **DISQUALIFYING POLITICAL CONTRIBUTIONS**

In the event of a proposed amendment to this Agreement, CONTRACTOR shall provide prior to the execution of such amendment, a written statement disclosing any contribution(s) of $250 or more made by CONTRACTOR or its subcontractor(s) to Omnitrans Board Members/Alternates or employees within the preceding twelve (12) months of the date of the proposed amendment. Applicable contributions include those made by any agent/person/entity on behalf of CONTRACTOR or subcontractor(s).

27. **COMPLIANCE WITH LAW**

A. CONTRACTOR shall familiarize itself with and perform the Work required under this Agreement in conformity with requirements and standards of OMNITRANS, municipal and public agencies, public and private utilities, special districts, and railroad agencies whose facilities and work may be affected by Work under this Agreement. CONTRACTOR shall also comply with all Federal, state and local laws and ordinances.

B. Government regulations that directly affect the CONTRACTOR'S performance of this contract and unforeseen impacts, which neither party could have contemplated at the onset of the contract and have an unconscionable impact on the CONTRACTOR may be given special pricing consideration. The parties, in good faith, shall review established rates and may adopt any mutually agreed new rates, which shall only be effective as agreed upon by the parties. Thorough documentation including all cost elements is required to support the Contractor's claim to any relief under this clause.

28. **COMPLIANCE WITH LOBBYING POLICIES**

A. CONTRACTOR agrees that if it is a Lobbyist Employer or if it has retained a Lobbying Firm or Lobbyist, as such terms are defined by OMNITRANS in its Ethics Policy, it shall comply or ensure that its Lobbying Firm and Lobbyist complies with OMNITRANS' Ethics Policy.

B. If CONTRACTOR (Lobbyist Employer) or its Lobbying Firm or Lobbyist fails to comply, in whole or in part, with OMNITRANS' Ethics Policy, such failure shall be considered a material breach of this Agreement and OMNITRANS shall have the right to immediately terminate or suspend this Agreement.

29. **PUBLIC RECORDS ACT**

A. All records, documents, drawings, plans, specifications and other material relating to conduct of OMNITRANS' business, including materials submitted by CONTRACTOR in its proposal and during the course of performing the Work under this Agreement, shall become the exclusive property of OMNITRANS and may be deemed public records. Said materials may be
subject to the provisions of the California Public Records Act. OMNITRANS' use and disclosure of its records are governed by this Act.

B. OMNITRANS will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act, including interpretations of the Act or the definitions of trade secret, confidential or proprietary. OMNITRANS will accept materials clearly and prominently labeled "TRADE SECRET" or "CONFIDENTIAL" or "PROPRIETARY" as determined by CONTRACTOR. OMNITRANS will endeavor to notify CONTRACTOR of any request of the disclosure of such materials. Under no circumstances, however, will OMNITRANS be liable or responsible for the disclosure of any labeled materials whether the disclosure is required by law or a court order or occurs through inadvertence, mistake or negligence on the part of OMNITRANS or its officers, employees and/or contractors.

C. In the event of litigation concerning the disclosure of any material submitted by CONTRACTOR, OMNITRANS' sole involvement will be as a stake holder, retaining the material until otherwise ordered by a court. CONTRACTOR, at its sole expense and risk, shall be responsible for prosecuting or defending any action concerning the materials, and shall defend, indemnify and hold OMNITRANS harmless from all costs and expenses, including attorneys' fees, in connection with such action.

30. WAIVER/INVALIDITY

No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach of the provision, or of any other breach of the provision of the Agreement. Failure of either party to enforce any provision of this Agreement at any time shall not be construed as a waiver of that provision.

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision.

31. FORCE MAJEURE

Performance of each and all CONTRACTOR's and OMNITRANS' covenants herein shall be subject to such delays as may occur without CONTRACTOR's or OMNITRANS' fault from acts of God, strikes, riots, or from other similar causes beyond CONTRACTOR's or OMNITRANS' control.

32. CONFIDENTIALITY

CONTRACTOR agrees that for and during the entire term of this Agreement, any information, data, figures, records, findings and the like received or generated by CONTRACTOR in the performance of this Agreement, shall be considered and kept as the private and privileged records of OMNITRANS and will not be divulged to any person, firm, corporation, or other entity except on the direct prior written
authorization of OMNITRANS. Further, upon expiration or termination of this Agreement for any reason, CONTRACTOR agrees that it will continue to treat as private and privileged any information, data, figures, records, findings and the like, and will not release any such information to any person, firm, corporation or other entity, either by statement, deposition, or as a witness, except upon direct prior written authority of OMNITRANS.

33. CONTRACTOR’S INTERACTION WITH THE MEDIA AND THE PUBLIC

A. OMNITRANS shall review and approve in writing all OMNITRANS related copy proposed to be used by CONTRACTOR for advertising or public relations purposes prior to publication. CONTRACTOR shall not allow OMNITRANS related copy to be published in its advertisements and public relations programs prior to receiving such approval. CONTRACTOR shall ensure that all published information is factual and that it does not in any way imply that OMNITRANS endorses CONTRACTOR’s firm, service, and/or product.

B. CONTRACTOR shall refer all inquiries from the news media to OMNITRANS, and shall comply with the procedures of OMNITRANS’ Public Affairs staff regarding statements to the media relating to this Agreement or the Work.

C. If CONTRACTOR receives a complaint from a citizen or the community, CONTRACTOR shall inform OMNITRANS as soon as possible and inform OMNITRANS of any action taken to alleviate the situation.

D. The provisions of this Article shall survive the termination or expiration of this Agreement.

34. GOVERNING LAW

The validity of this Agreement and of any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be governed by the laws of the State of California, and the proper venue of any action brought hereunder is and shall be the County of San Bernardino, California.

35. MODIFICATIONS TO AGREEMENT

Unless specified otherwise in the Agreement, this Agreement may only be modified by written mutual consent evidenced by signatures of representatives authorized to enter into and modify the Agreement. In order to be effective, amendments may require prior approval by OMNITRANS’ Board of Directors, and in all instances require prior signature of an authorized representative of OMNITRANS.
36. LICENSING, PERMITS AND INSPECTION COSTS

A. The CONTRACTOR warrants that it has all necessary licenses and permits required by the laws of the United States, State of California, and the County of San Bernardino, the Local Jurisdictions, and all other appropriate governmental agencies, and agrees to maintain these licenses and permits in effect for the duration of the Agreement. Further, FIRM warrants that its employees, agents, and contractors and subcontractors shall conduct themselves in compliance with such laws and licensure requirements including, without limitation, compliance with laws applicable to nondiscrimination, sexual harassment and ethical behavior throughout the duration of this Agreement. CONTRACTOR further warrants that it shall not retain or employ an unlicensed subcontractor to perform work on this Project. CONTRACTOR shall notify OMNITRANS immediately and in writing of its employees', agents', contractors' or subcontractors' inability to obtain or maintain, irrespective of the pendency of any appeal, any such licenses, permits, approvals, certificates, waivers, exemptions. Such inability shall be cause for termination of this Agreement.

B. CONTRACTOR shall procure all permits and licenses; pay all charges, assessments and fees, as may be required by the ordinances and regulations of the public agencies having jurisdiction over the areas in which the work is located, and shall comply with all the terms and conditions thereof and with all lawful orders and regulations of each such public agency relating to construction operations under the jurisdiction of such agency.

37. PRECEDENCE

Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence: (1) the provisions of this Agreement, and any and all of its Amendments, Appendices, Exhibits and Attachments; (2) provisions of IFB-MNT19-78 and any and all of its Addenda, Appendices, Exhibits and Attachments; and (3) CONTRACTOR's bid dated April 8, 2019 and its Appendices, Exhibits, and Attachments.

38. ENTIRE AGREEMENT

This Agreement, and any attachments or documents incorporated herein by inclusion or by reference, constitutes the complete and entire agreement between OMNITRANS and CONTRACTOR and supersedes any prior representations, understandings, communications, commitments, agreements or proposals, oral or written.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date shown below, and effective on the date first hereinabove written.

Federal Tax I.D. No. 82-4560891

CM
ATTACHMENT A – SCOPE OF WORK
MNT19-78
BUS PAINTING AND DECAL SERVICES

I. GENERAL

A. Contractor shall rebrand up to 95 of Omnitrans’ Access paratransit buses. The project shall be phased so the newest fleet will be rebranded first, and older models in subsequent order based on either model-year, accumulated miles or condition of the vehicle or any combination of the three. Omnitrans solely reserves the right to rebrand a vehicle or not.

B. Warranties shall include repainting services due to poor workmanship and/or materials for five (5) years.

C. Model years paratransit buses: 2008 thru 2018

II. CONTRACTOR RESPONSIBILITIES

A. Contractor shall properly prepare the bus for painting to prevent overspray and the unintentional painting of items, such as, windows, glass, lamps, lights, etc.

B. Contractor shall complete the following prior to painting:
   1. All exterior lamps and rubber seals will be removed before prepping and painting.
   2. All hinged panels and engine doors will be prepped.
   3. Obtain all necessary materials to perform the work, including, paint, decals and/or decal kits, industry standards, specifications, illustrations and plans.
   4. Contractor shall install decals in accordance with the illustration in the exhibits attached to this scope of work. Contractor shall be responsible for pick-up, delivery and storage of the buses.
   5. Contractor shall provide a secure location for the vehicles removed from Omnitrans’ property.
   6. Contractor assumes all liabilities and risks associated with bus pick-up, delivery, storage, proper licensing and insurance for the drivers and companies used to transport buses to and from Omnitrans’ properties.
   7. Contractor shall present valid proof to Omnitrans that all operators of vehicles have a valid Commercial Class B California Driver’s License permitting them to transport buses.
   8. Contractor shall provide proof of business license and certifications.
   9. Contractor shall comply with all Occupational Safety and Health Administration (OSHA), Environmental Protection Agency, (EPA) Cal OSHA, and Cal EPA regulations, including training.
ATTACHMENT A – SCOPE OF WORK
MNT19-78
BUS PAINTING AND DECAL SERVICES

10. For each group, during the paint and decal removal process, if contractor damages any features on the buses, contractor shall notify Omnitrans’ point of contact within two (2) working days, and contractor shall be responsible for replacing the features prior to performing and/or continuing paint and decal installation services. Contractor shall reimburse Omnitrans at original and/or full cost.

11. Contractor shall apply and install paint and decals on a first-article bus for inspection. Contractor shall provide a First Article vehicle within fifteen (15) working days following a Notice to Proceed (NTP) issued by Omnitrans in writing.

12. Contractor shall submit one (1) bus to Omnitrans for inspection and acceptance according to the scheduled submittal date(s) prior to proceeding with the remaining buses. Omnitrans shall have five (5) working days to inspect and either accept or reject the first-article bus. Omnitrans reserves the right to final approval upon acceptance of the first-article bus.

Contractor shall complete the entire rebrand project for paratransit buses by December 13, 2019.

III. ACCEPTANCE AND ACCEPTANCE CRITERIA

A. Upon completion of all authorized work, Omnitrans and/or its designee shall inspect each bus for thoroughness and quality of work.

B. In the event the performed work is found to be incomplete, substandard or unacceptable, payment shall be withheld until such work is acceptable.

C. Contractor shall have fourteen (14) working days from notice from Omnitrans to correct any incomplete, substandard, and/or unacceptable work.

D. The following, among others, as deemed necessary, shall be used as the acceptance criteria by Omnitrans and/or its designee.

E. Uniformity and Quality Standards

Appearance is consistent over entire bus, both individual panels and between adjacent panels within a zone and throughout the bus.

F. Color Uniformity

1. The color shall not vary from agreed upon colors. Colors shall be traceable back to Omnitrans’ approved paint palettes.

2. GLOSS (20 °) - The shininess of the painted surface utilizing a BYK Gardener Micro – TRI – or a Haze & Gloss (20 degree) meter or approved equal. Gloss measurements shall not be taken on non-metallic or contoured surfaces. Readings shall only be taken as the bus exits the paint booth. Requirements shall be 80% film thickness of the painted surface.
ATTACHMENT A – SCOPE OF WORK
MNT19-78
BUS PAINTING AND DECAL SERVICES

3. All primer and topcoat film thickness shall be applied and measured in accordance with the pre-determined Paint Manufacturers Standards (PMS).

4. The dry film thickness (DFT) will be the sum of coatings applied as per recommended DFT as supplied by Pittsburgh Plate Glass (PPG). The minimum DFT of paint shall equal three (3) mils. The total maximum DFT shall not exceed 0.020.

G. Paint Quality Criteria

1. Paint surface, blemishes, fish eyes, bubbles/craters - Small round depressions in the paint film which may or may not expose the underlying surface. This will be visually inspected and reported as applicable.

2. Ding - A localized depression or protrusion in the metal surface or substrate, which is visible after paint. This will be visually inspected without fluorescent light and reported as applicable.

3. Solvent Pop - Small holes in a paint film usually caused by trapped solvent or porosity. Solvent boils are small, clustered, raised but unbroken bubbles in a paint film surface. This will be visually inspected. An acceptable criterion is pinhole type solvent pops, which are visible from three (3) feet away.

4. Polish Marks - Visible swirl marks or hazy marks, which are caused by polishing techniques viewed in reflecting or non-reflecting lighting. Swirl marks or hazy marks, which are visible, are acceptable provided the loss meets the previously described standard.

5. Sags and Runs - This will be visually evaluated.

6. Scratches on Surface of Paint Film - This will be visually evaluated.

7. PInholes - Small holes in a paint film, usually in the area of fiberglass gel-coat parts (i.e. porosity). This will be visually evaluated.

8. Paint Chips - The absence of a small portion of the paint film. This will be visually evaluated. Touch-up is acceptable if no color change.

H. Paint Stripe and Paint Break

1. A stripe is defined as any color less than eight (8) inches in width. A paint break is wider than eight (8) inches. A visual evaluation will be performed. Paint stripes and paint breaks shall be free of chipping or loss of small portion of paint. When a single stage coating application process is used, with more than one color, there will be a ridge* where the adjacent colors meet.

   *This ridge is created by the different mil thickness of each color; most colors require a very different mil thickness to accomplish total “hiding”.

Scope of Work Page 3
ATTACHMENT A – SCOPE OF WORK  
MNT19-78  
BUS PAINTING AND DECAL SERVICES  

2. Mil thickness shall be applied and measured in accordance with the pre-
determined PMS. Touch up on paint stripe or paint break is acceptable if there is
no color change.

3. Touch-up, wet sand and polish are acceptable repairs.

IV. PRODUCTION

A. Omnitrans shall provide at least three (3) but no more than four (4) paratransit buses at
any given time for the contractor to complete their work.

B. Contractor shall allow for adequate curing or drying time in between paint and decal
installations. In addition, due to the anticipated level of coordination between the
contractor and any subcontractor(s), an adequate amount of time is required to
maximize quality and minimize schedule delays.

V. PAINT SAMPLES

Two sets of paint “chips” shall be presented to Omnitrans’ Project Manager prior to
commencing work. Upon approval, the chips shall be the standard measure of
acceptability for each bus. Paint chips shall be presented on a flat 3” X 5” primed
aluminum substrate, two for each color.

VI. MATERIALS

A. Buses shall be painted using DuPont or approved equal 2-part water-based base coat as
described in the table below.

B. The DuPont Imron Elite basecoat shall be clear coated with DuPont Imron Elite 8840S
or approved equal Clear Coat.

C. All three colors shall be applied to all buses for a complete repaint.

VII. PAINT CODES

The following table illustrates Omnitrans’ standard paint palette. Contractor shall not deviate
from these standards unless approved by Omnitrans in writing.

ATTACHMENT A – SCOPE OF WORK
MNT19-78
BUS PAINTING AND DECAL SERVICES

VIII. PREPARATION

The existing paint shall be prepared to provide a smooth re-finish without artifacts. All unpainted surfaces and components shall be masked to ensure shielding from overspray. Incidental overspray shall be removed prior to acceptance by Omnitrans.

IX. FINISHING

A. Coatings shall be applied with strict adherence to the coating manufacturer’s instructions. Finishing defects shall be deemed as reason for rejection by Omnitrans.

B. Paint defects include all as described in the document entitled “Automotive Coatings: Application Defects” published by the American Coatings Association
https://www.paint.org/article/automotive-coatings-application-defects/.

X. BODY DAMAGE AND DEFECTS

A. Contractor shall provide labor and materials to repair minor body defects such as stone chips, minor elevations, small bulges and dents, and folds, at no additional charge to Omnitrans.

B. If the contractor discovers body defects that require extensive work than is allowed by contract and budget, then contractor shall confer with Omnitrans prior to proceeding with the work.

C. Contractor shall provide Omnitrans with a quote for body repair ready for presentation to Omnitrans’ Project Manager prior to performing repairs.

D. Omnitrans reserves the right to accept or reject a quotation for any additional work contractor deems as necessary.

XI. DECALS

A. Contractor shall include the provision and application of decals and labels as illustrated in Exhibit A - Graphics. Decals shall be of the utmost quality and shall never affect the mechanical and visual quality of the coatings in which they are adhered.

B. Decals shall be 3M kiss-cut process or approved equal. Decals shall be non-reflective.

C. Decals shall be made to conform to the style and dimensions of the buses. Contactor shall refer to Exhibit A – Graphics of the finished product to determine the relative size and position of each decal or label.

D. Contractor shall install decals and labels and provide a first-article bus to Omnitrans’ Project Manager prior to commencing work on remaining buses.

E. Contractor shall provide twenty-five (25) additional spare decal and label sets to Omnitrans’ Project Manager prior to the closing of the project.
ATTACHMENT A – SCOPE OF WORK
MNT19-78
BUS PAINTING AND DECAL SERVICES

XII. PHASING

A. Omnitrans shall provide the Contractor with up to three (3) buses at any one time. However, due to the possibility of fleet shortages, Omnitrans reserves the right to reduce that availability.

B. Contractor shall have the capability to complete three buses in ten (10) business days.

XIII. CONVENIENCE PRICING

Contractors offering premium rates based on volume shall provide pricing for one, two, three, four and five bus increments.

XIV. PREPARATION

Existing paint shall be prepared to provide a smooth re-finish without artifacts. All unpainted surfaces and components shall be masked to ensure shielding from overspray. Incidental overspray shall be removed prior to acceptance by Omnitrans.

XV. FINISHING

A. Coatings shall be applied with strict adherence to the coating manufacturer’s instructions. Finishing defects shall be deemed as reason for rejection by Omnitrans.

B. Paint defects include all as described and listed in the article Automotive Coatings: Application Defects. Paint codes and material standards are identical to those listed in above section VI. Materials.

XVI. REPAIR ESTIMATES

A. Contractor shall provide a repair estimate from photos provided by Omnitrans within twenty (24) hours of request.

B. Contractor shall be allowed to inspect each bus at Omnitrans’ facility if needed to provide a complete repair estimate within twenty (24) hours of request.

C. Supplemental estimates and additional costs for repair from hidden damage beyond the original estimate shall be reviewed on a case-by-case basis.

XVII. VECTOR GRAPHIC FILES

Vector graphic files shall be furnished upon contract award.

FALSE OR FRAUDULENT STATEMENTS OR CLAIMS – CIVIL AND CRIMINAL FRAUD *

A. Civil Fraud.
   The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, “Program Fraud Civil Remedies,” 49 C.F.R. Part 31, apply to the Recipient’s activities in connection with the Project. By executing the Grant Agreement or Cooperative Agreement for the Project, the Recipient certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Recipient also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Recipient the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

B. Criminal Fraud.
   If the Recipient makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Recipient

C. Contractor shall include this Article in each subcontract financed in whole or in part with Federal assistance provided by FTA. Contractor shall not modify the Article, except to identify the Subcontractor who will be subject to the provisions.

RR-03
ACCESS TO THIRD PARTY CONTRACT RECORDS *

A. Access to Third Party Contract Records.
The Recipient agrees to require, and assures that its subrecipients require, their third party contractors and third party subcontractors at each tier to provide to the U.S. Secretary of Transportation and the Comptroller General of the United States or their duly authorized representatives, access to all third party contract records as required by 49 U.S.C. § 5325(g). The Recipient further agrees to require, and assures that its subrecipients require, their third party contractors and third party subcontractors, at each tier, to provide sufficient access to third party procurement records as needed for compliance with Federal laws and regulations or to assure proper Project management as determined by FTA.

Contractor agrees to provide Omnitrans, the FTA Administrator, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator or the FTA’s authorized representatives, including any FTA Project Management Oversight Contractor, access to Contractor’s records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a) 1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

B. If this Contract is for a capital project or improvement (defined at 49 U.S.C. 5302(a) 1) and was entered in to through other than competitive bidding, the Contractor shall make records related to this Contract available to Omnitrans, the Secretary of Transportation and the Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

C. Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of not less than three years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case Contractor agrees to maintain same until Omnitrans, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.
RR-04
FEDERAL FUNDING, INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS, AND FEDERAL CHANGES

A. This Contract includes, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008 and revised March 18, 2013 (including any changes), and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Omnitrans requests which would cause Omnitrans to be in violation of the FTA terms and conditions.

B. Federal Transit Administration of the US Department of Transportation and all laws, regulations, guidelines, and provisions of the financial assistance agreement apply to this Contract and are incorporated by reference as if fully set forth herein.

C. Contractor shall at all times comply with all applicable federal laws and regulations, including without limitation FTA regulations, policies, procedures and directives, including those listed directly or by reference in Applicable Grant Agreements between Omnitrans and FTA, as they may be amended or promulgated from time to time during the term of this Contract collectively “Federal Requirements”. These Federal Requirements may change and the changed Federal Requirements will apply to this Contract as required unless the Federal Government determines otherwise. Contractor's failure to so comply with the Federal Requirements shall constitute a material breach of this Contract.

RR-05
CIVIL RIGHTS REQUIREMENTS (TITLE VI, ADA, EEO (EXCEPT SPECIAL DOL CONSTRUCTION CLAUSE *)

B. Equal Employment Opportunity

(a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor shall comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of
Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq. , (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of the Contract. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, Contractor shall refrain from discrimination against present and prospective employees for reason of age. In addition, Contractor shall comply with any implementing requirements FTA may issue.

(d) Contractor shall include these requirements in each subcontract, modified only if necessary to identify parties, as required by Federal regulations.

RR-06
DISADVANTAGED BUSINESS ENTERPRISE (DBE) 49 CFR Part 26

Disadvantaged Business Enterprises

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The agency's overall goal for DBE participation is 1%.

B. Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted Contract. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Omnitrans deems
appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. Bidders are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following concurrent with and accompanying sealed bid concurrent with and accompanying an initial proposal prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of participation of each DBE firm participating;
4. Written documentation of the bidder's commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime contractor's commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so.

Bidders must present the information required above as a matter of responsiveness with initial proposals prior to contract award (see 49 CFR 26.53(3)).

The successful bidder will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

D. Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 7 days after the contractor's receipt of payment for that work from the Omnitran. In addition, Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to his contract is satisfactorily completed.

E. Contractor must promptly notify Omnitran whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Omnitran.
Required Clauses for Awards Exceeding $2,000

RR-07

DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS

Background and Application
The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i) (5). The Acts apply to any construction contract over $2,000. 40 USC 3142(a), 29 CFR 5.5(a). “Construction,” for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below.

The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

Clause Language
Davis-Bacon and Copeland Anti-Kickback Acts

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional
classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and

(4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

RR -- Page 8
Updated: 11132018
(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a) (1) (v) (B) or (C) of this section, shall be paid to all workers performing work in the Classification under this contract from the first day on which work is performed in the classification.

(2) Withholding - Omnimtrans shall upon its own action or upon written request of an authorized
representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Omnitrans may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b) (2) (B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Omnitrans for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a) (3) (i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

RR – Page 10
Updated: 11132018
(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) **Apprentices and trainees** - (i) **Apprentices** - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification.

RR – Page 11

Updated: 11132018
of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.
(5) **Compliance with Copeland Act requirements** - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) **Subcontracts** - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) **Contract termination: debarment** - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) **Compliance with Davis-Bacon and Related Act requirements** - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) **Disputes concerning labor standards** - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) **Certification of eligibility** - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

Applicability to Contracts

The Seismic Safety requirements apply only to contracts for the construction of new buildings or additions to existing buildings.

Flow Down
The Seismic Safety requirements flow down from FTA recipients and subrecipients to first tier contractors to assure compliance, with the applicable building standards for Seismic Safety, including the work performed by all subcontractors.

Model Clauses/Language
The regulations do not provide suggested language for third-party contract clauses. The following language has been developed by FTA.

Seismic Safety - The contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

Required Clauses for Awards Exceeding $10,000

Applicability to Contracts
All contracts (with the exception of contracts with nonprofit organizations and institutions of higher education,) in excess of $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. (For contracts with nonprofit organizations and institutions of higher education the threshold is $100,000.) In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

Flow Down
The termination requirements flow down to all contracts in excess of $10,000, with the exception of contracts with nonprofit organizations and institutions of higher learning.
a. **Termination for Convenience (General Provision)** Omnitrans may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Omnitrans to be paid the Contractor. If the Contractor has any property in its possession belonging to the Omnitrans, the Contractor will account for the same, and dispose of it in the manner the Omnitrans directs.

b. **Opportunity to Cure (General Provision)** Omnitrans in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to Omnitrans' satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Omnitrans setting forth the nature of said breach or default, Omnitrans shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Omnitrans from also pursuing all available remedies against Contractor and its sureties for said breach or default.

c. **Waiver of Remedies for any Breach** In the event that Omnitrans elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Omnitrans shall not limit Omnitrans remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

d. **Termination for Default (Construction)** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, Omnitrans may terminate this contract for default. Omnitrans shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, Omnitrans may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to Omnitrans resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Omnitrans in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if-
1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the Recipient, acts of another Contractor in the performance of a contract with the Recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The contractor, within [10] days from the beginning of any delay, notifies Omnitrans in writing of the causes of delay. If in the judgment of Omnitrans, the delay is excusable, the time for completing the work shall be extended. The judgment of Omnitrans shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Omnitrans.

**Required Clauses for Awards Exceeding $25,000**

**RR-010**

**SUSPENSION AND DEBARMENT**

A. This Contract is a covered transaction for purposes of 49 CFR Part 29. As such, Contractor shall verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

Contractor shall comply with 49 CFR 29, Subpart C and shall include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

B. By entering into this Contract, Contractor certifies that it shall comply with the requirements of 49 CFR 29, Subpart C throughout the period of this Contract. This certification is a material representation of fact relied upon by Omnitrans. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to remedies available to Omnitrans, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
Awards Exceeding $100,000 by Statute

RR-011
COMPLIANCE WITH FEDERAL LOBBYING POLICY *

A. The Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, requires that Contractors who apply or bid for an award of $100,000 or more shall file the certification required by 49 CFR Part 20, "New Restrictions on Lobbying," attached hereto as the certification entitled, "Certification of Compliance with Federal Lobbying Requirements." As set forth in the certifications, each tier of subcontractors shall certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures shall be forwarded from tier to tier up to Omnitrans.

RR-012
CLEAN WATER AND CLEAN AIR REQUIREMENTS*

A. CLEAN WATER REQUIREMENTS

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and all applicable clean water standards of the State of California and any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA and the appropriate EPA Regional Office, and all other agencies having jurisdiction.

B. CLEAN AIR

Contractor shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and all applicable Clean Air Standards of the State of California or any state or local agency having jurisdiction. Contractor shall report each violation to Omnitrans. Omnitrans will, in turn, report each violation as required to FTA, the appropriate EPA Regional Office and all other agencies having jurisdiction.

C. Contractor shall include this Article in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.
RR-013
NON-CONSTRUCTION ACTIVITIES

Required Clauses for Awards Exceeding the Simplified Acquisition Threshold ($150,000)

RR-014
BREACHES AND DISPUTE RESOLUTION 49 CFR Part 18 FTA Circular 4220.1F

Applicability to Contracts
All contracts in excess of $100,000 shall contain provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. This may include provisions for bonding, penalties for late or inadequate performance, retained earnings, liquidated damages or other appropriate measures.

Flow Down
The Breaches and Dispute Resolutions requirements flow down to all tiers.

Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the Omnitrans. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to Omnitrans Construction Manager. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of Omnitrans Project Manager shall be binding upon the Contractor and the Contractor shall abide be the decision.

Performance During Dispute - Unless otherwise directed by Omnitrans, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others
for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

**Remedies** - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between Omnitrans and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which Omnitrans is located.

**Rights and Remedies** - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Omnitrans, or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

**Transport of Property or Persons**

RR-015
CARGO PREFERENCE*

A. **Applicability**

The following Article applies to federally funded contracts involving equipment, materials, or commodities which may be transported by ocean vessels

B. **USE OF UNITED STATES FLAG VESSELS**

Contractor shall use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this Contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels.

Contractor shall furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of leading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to Omnitrans (through Contractor in the case of a subcontractor's bill-of-lading.)

Contractor shall include these requirements in all subcontracts issued pursuant to this Contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.
A. **Applicability**

This Article applies to federally funded contracts if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air.

B. Contractor agrees to comply with 49 U.S.C. 40118 (the “Fly America” Act) in accordance with the General Services Administration’s regulations at 41 CFR Part 301-10, which provide that recipients and sub recipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

**RR-017**

ENERGY CONSERVATION REQUIREMENTS

A. **Applicability**

This Article applies to all federally funded contracts.

B. Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 USC §6321 et seq.

**RR-018**

RECYCLED PRODUCTS

A. **Applicability**

This Article applies to federally funded operations/management, construction, or materials & supplies contracts for items designated by the Environmental Protection Agency, when procuring $10,000 or more per year.

B. To the extent practicable and economically feasible, a competitive preference shall be given for products and services that conserve natural resources and protect the environment and are energy efficient.
C. The Contractor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

NATIONAL INTELLIGENT TRANSPORTATION SYSTEMS ARCHITECTURE AND STANDARDS

RR-019
ADA ACCESS

A. Applicability

This Article applies to federally funded Architect & Engineer, Operations/Management, Rolling Stock Purchase, and Construction contracts

B. Access Requirements for Persons with Disabilities

Contractor shall comply with:

1. The requirements of 49 U.S.C. § 5301(d), which states the Federal policy that elderly persons and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement that policy;

2. All applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps;

3. The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act;

4. The Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act; and
5. All applicable requirements of the following regulations and any subsequent amendments thereto:

(1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;

(2) U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;

(8) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and

(9) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. Part 1194; and

(10) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609;

(11) Any implementing requirements FTA may issue.
OTHER REQUIREMENTS
RR-01
ADMINISTRATIVE CODE *

A. Applicability

This Article applies to all contracts.

B. Compliance with §§1090 et. seq. and §§87100 et. seq. of the California Government Code

Contractor shall comply with all applicable provisions of §§1090 et. seq. and §§87100 et. seq. of the California Government Code. Without reducing or affecting its obligation to comply with any and all of said provisions, Contractor specifically covenants:

1. Contractor shall not cause or permit any member, officer, or employee of Omnitran to have any financial interest in the Contract;

2. Contractor shall not enter into any Subcontract involving services or property with a person or business prohibited from transacting such business with Omnitran;

3. Contractor warrants and represents that to its knowledge no Board member, officer, or employee of Omnitran has any interest, whether contractual, non-contractual, financial or otherwise, in this Contract, or in the business or any other contract or transaction of the Contractor or any Subcontractor and that if any such interest comes to Contractor's knowledge at any time, Contractor shall make a full and complete disclosure of all such information in writing to Omnitran.

C. Campaign Contributions

Neither Contractor nor its Agents shall give or offer to give any campaign contribution to any member of Omnitran Board of Directors in violation of the California Government Code §§84300 et seq., or of the Administrative Code. Contractor shall submit a Certification of Campaign Contributions with all COs of two hundred thousand dollars ($200,000) or more.

RR-02
DISCRIMINATION *

A. Applicability

This Article applies to all contracts.

B. In connection with the performance of Work provided for under this Contract, Contractor agrees that it will not, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, medical condition, marital status, sex, sexual orientation, or age, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Federal, State or local laws.
WHISTLEBLOWER REQUIREMENTS *

A. Applicability

This Article applies to all contracts.

B. Contractor shall not adopt any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency, where the employee believes the information discloses violation or noncompliance with a state or Federal regulation; nor shall Contractor retaliate against an employee for taking such actions as set forth in the t. seq.

PUBLIC RECORDS ACT *

A. Applicability

This Article applies to all contracts.

B. Except as otherwise provided herein, all records, documents, drawings, plans, specifications, and all other information relating to the conduct of Ommitrans business, including all information and documents submitted by Contractor ("Records"), shall become the exclusive property of Ommitrans and shall be deemed public records. Said Records are subject to the provisions of the California Public Records Act (Government Code §6250 et. seq.). Ommitrans use and disclosure of its records are governed by this Act. Ommitrans will use its best efforts to inform the Contractor of any request for any financial records or documents marked “Trade Secret”, “Confidential” or “Proprietary” provided by Contractor to Ommitrans. Ommitrans will not advise as to the nature or content of documents entitled to protection from disclosure under the California Public Records Act.

C. In the event of litigation concerning the disclosure of any Records, Ommitrans sole involvement will be as a stakeholder, retaining the Records until otherwise ordered by a court. The submitting party, at its sole expense and risk, shall be fully responsible for any and all fees for prosecuting or defending any action concerning the Records and shall indemnify and hold Ommitrans harmless from all costs and expenses including attorney’s fees in connection with any such action.
RR-05
PRIVACY ACT - 5 U.S.C. 552

Applicability to Contracts

When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts.

Flow Down
The Federal Privacy Act requirements flow down to each third party contractor and their contracts at every tier.

Model Clause/Language
The text of the following clause has not been mandated by statute or specific regulation, but has been developed by FTA.

Contracts Involving Federal Privacy Act Requirements - The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:

(1) The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

(2) The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

RR-06
VETERANS PREFERENCE
Veterans Employment. Contractors working on a capital project funded using FTA assistance shall give a hiring preference, to the extent practicable, to veterans (as defined in section 2108 of title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.

I. Purpose
It is the policy of Omnitrans to maintain a work environment that is safe for all persons, including the community, and conducive to attaining high work standards. To achieve these objectives, the Agency prohibits the possession of firearms and weapons in the work place, regardless of any license or permit that an individual may have which otherwise authorizes the individual to carry firearms or weapons.

It is illegal and a criminal violation to possess weapons in public buildings (California Penal Code 171b and 171.7).

II. Scope
This policy applies to all Omnitrans employees, including but not limited to staffing agency workers and contractors working for or with the Agency at any time, regardless of whether the Agency is the actual employer.

Possession of firearms and weapons is prohibited at all Omnitrans’ offices, parking lots, agency vehicles and job sites, and in all Agency vehicles.

The following person/s are exempt from this policy as stated: a guard of a contract carrier operating an armored vehicle, and any law enforcement officer who is carrying out official duties engaged in protecting and preserving property or life within the scope of his or her employment.

Omnitrans will strictly enforce this policy. Violation of this policy will result in immediate disciplinary action, up to and including termination.

III. Procedure

A. COMMUNICATION OF POLICY

(a) Each employee of the Agency shall receive a copy of this policy at the time of his/her hire and shall sign a copy of the acknowledgment. Employees who were employed before the effective date of this policy shall also receive a copy of this policy and shall sign a copy of the acknowledgment. A copy of the signed acknowledgment and of all new and revised policies throughout the employee’s employment shall be maintained in each employee’s personnel file.

(b) A copy of this policy shall be attached to each contractor’s contract, and shall become a part of its contract. The contractor shall be responsible for communicating this policy to its employees and any subcontractors to which the contractor sublets any portion of its contract.
up to and including separation of employment.

(b) Violations by a contractor's employee or subcontractor of any portion of this policy may constitute a breach of contract and regardless will mandate the immediate removal of the contractor's employee from Agency premises, prohibition against the individual accessing Agency premises in the future, and may also constitute a breach of contract.

E. REPORT OF VIOLATIONS

1. Employee Violations

Employees are required to report violations of this policy without regard to the relationship between the individual who initiates the prohibited behavior and the individual reporting it. An employee who believes that another employee may be in violation of this policy must report the alleged violation to the employee's manager or supervisor, the department director, security, or the appropriate departmental Human Resources representative.

Departments are responsible for implementing this policy. The Agency will promptly investigate allegations of violations of this policy.

Omnitrans reserves the right to authorize searches for prohibited weapons on its property when a violation is reported or when probable cause or reasonable suspicion is present consistent with law.

Employees should be aware that there is no reasonable expectation of privacy with respect to weapons in the workplace. The Agency's right to conduct searches includes, but is not limited to, such areas and items as lockers, desks, workstations, offices, purses, briefcases, bags, toolboxes, and lunch bags.

Searches of the employee's work area and belongings, as described above, may be conducted by the Security & Emergency Preparedness Coordinator, or designee. Searches of all types, including surrounding agency property, personal property and the employee may be conducted by law enforcement in accordance with law should reasonable suspicion be present. Any weapon found in violation of this policy may be confiscated. Refusal to permit a search may result in discipline, up to and including separation.

2. Visitor Violations

Visitors are not allowed to carry a weapon on the premises. Any visitor carrying a weapon into a posted no-carry agency facility is creating an elevated risk to security and safety that warrants a response leading to compliance with the law. If the visitor
poses an immediate risk to security or safety, law enforcement shall be notified immediately by calling 9-911. The visitor shall be considered an immediate risk to safety and security if he/she is acting in an aggressive, belligerent, confrontational, suspicious or in an otherwise questionable manner while carrying a weapon.

F. FALSE REPORTS

Employees making intentionally false and malicious complaints of weapons in the workplace will be subject to disciplinary action, up to and including separation and/or will be reported to the proper authorities as appropriate.

G. ROLES AND RESPONSIBILITIES

Employees are responsible for understanding and complying with the Policy Prohibiting Weapons in the Workplace.

Whenever there is a question as to whether an instrument, article or substance is considered a weapon in violation of this policy, it is the employee's responsibility to seek clarification. Employees seeking clarification should direct their questions to the agency's Security & Emergency Preparedness Coordinator at 909-379-7117 prior to bringing the item(s) to Omnitrans work sites and events, as well as agency-owned or leased facilities or vehicles.

H. SAFETY FIRST

In applying this policy, no employee shall take any action that will risk his or her own safety or the safety of other individuals. No attempt should ever be made by an employee to restrain or forcibly evict an armed person from agency premises.

An individual's continued non-compliance after being properly informed of the law (California Penal Code 171 (b)) will result in notification to law enforcement and discipline, up to and including separation of employment. Employees should notify security immediately.

An employee who feels an imminent danger to his or her own safety or the safety or security of others, should avoid any interaction with the individual. Immediately contact law enforcement by calling 9-911 and security at 909-379-7117.

I. ANTI-RETALIATION PROVISION

Omnitran's strictly prohibits any retaliation against an employee who has reported a possible breach of policy. If an employee feels that he or she has been subjected to retaliation in violation of this policy, the employee must immediately report it to his or her supervisor or other designated Human Resources representative.
J. DEFINITIONS

1. **Firearm or weapon includes, but is not limited to:** A weapon, a pistol or rifle, whether loaded or unloaded, capable of firing a projectile and using an explosive as a propellant.
   - A firearm, whether loaded or unloaded, from which a shot may be discharged including but not limited to handguns, pistols, revolvers, shotguns, rifles, and bb guns;
   - A gun that can discharge a shot or a projectile by means of an explosive or gas, or compressed air;
   - A device designed to be used as a weapon, from which can be expelled a projectile by the force of any explosion or force of combustion;
   - Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
   - Any destructive device;
   - Any device designed as a weapon and capable of producing great bodily harm, including but not limited to, stun guns, stun batons;
   - An electric weapon such as a taser gun;
   - Any combustible or flammable liquid, or other substance, device, or instrumentality that, in a manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm, or any fire that is used to produce death or great bodily harm;
   - Any knife that is carried with intention or calculation to produce death or great bodily harm having a blade length in excess of four (4) inches, the blade of which is fixed or is capable of being fixed in an unguarded position by the use of one or two hands. Switchblades are specifically prohibited. (Knives intended to be used as eating utensils, and stored or maintained in office kitchens or lunchrooms do not represent a violation of this policy.)

2. **Office:** All permanent facilities, all mobile facilities, all leased facilities, and any facility designated as an office by the agency.

3. **Parking lot:** All lots at permanent facility, park and rides, lots at project sites, any lot that the agency designates as a parking lot that is not at a permanent facility or project site.

4. **Agency vehicle:** All agency-owned buses/vehicles, all agency-leased buses/vehicles, all agency-rental buses/vehicles, and all personal vehicles for which the owner receives a vehicle allowance, all personal vehicles where the owner receives reimbursement for mileage.
5. **Search**: To examine in order to find something concealed.

6. **Job sites**: Any and all locations where the agency conducts business.

**SIGNS**

1. At each entrance to buildings, parking lots, and project sites, a sign shall be posted in a location that is conspicuous to all who could enter a building, parking lot, or project site.

2. Signs shall have wording or pictogram that prohibits firearms, weapons and give notice of video surveillance. Signs shall be vandalism resistant and of the quality that they will not fade due to the elements.
