There were no Conflict of Interest Issues.

E. DISCUSSION ITEMS

1. Approve Administrative & Finance Committee Minutes – October 10, 2019

   M/S (Dutrey/Hagman) that approved Administrative & Finance Committee Minutes October 10, 2019. The Motion was passed unanimously by Members present.

2. Adopt Proposed Calendar Year 2020 Committee Meeting Schedule

   January 16, 2020*
   February 13, 2020
   March 12, 2020
   April 9, 2020
   May 14, 2020
   June 11, 2020
   July – Dark**
   August 13, 2020
   September 10, 2020
   October 15, 2020*
   November 12, 2020
   December 10, 2020

   M/S (Dutrey/Hagman) that adopted the proposed Administrative & Finance Committee Meeting Schedule for 2020. The schedule is the same as the current 2019 schedule, which is 8:00 a.m., the second Thursday, except on the dates noted, which will be held on the third Thursday. The Motion was passed unanimously by Members present.

   Chair Spagnolo announced that item #E6 would be moved up on the agenda.
6. Receive and Forward to the Board of Directors, Redlands Passenger Rail Project – Proposed Change of Arrow Operator from Omnitrans to the Southern California Regional Rail Authority

Director of Rail, Trischelle Baysden provided a brief background on this item as detailed in the staff report.

Member Dailey expressed some concern regarding the communication channels between the Omnitrans and SBCTA Boards. He also asked why Omnitrans would still be considered the grant recipient for the project if it would no longer be operated by the Agency. Ms. Rogers explained that the grant was initially awarded under this structure by the Federal Transit Administration (FTA), therefore Omnitrans is still considered the direct grantee and SBCTA, the sub-recipient.

Member Dailey also asked if the plan to transfer the project from Omnitrans to SCRRA was official. Ms. Rogers responded that the SBCTA Board has not taken formal action, however staff is evaluating the potential effects of the transition.

Member Dailey asked if the economies of scale and comparing levels of efficiency determined whether the project is operated by Omnitrans or SCRRA. Carrie Schindler, Director of Transit & Rail, SBCTA explained that SCRRA is considering operating Diesel Multiple Units (DMUs) to provide service on other lines in the Metrolink system and the economy of scale in their evaluation of the transition. She referred to the questions regarding the grant management and stated that Omnitrans and SBCTA have a long-standing partnership with the administration of grants that are handled similarly.

Member Hagman stated that he understood the logic behind the proposed transition, however noted that any changes to this project should be approved by both the Omnitrans and SBCTA Boards. He also did not like the idea of changing an agreement mid-point.

Vice Chairman Dutrey noted the importance of good communication between Omnitrans and SBCTA and working collaboratively to ultimately determine the most cost-efficient way to provide the service. He asked if Omnitrans and SBCTA would be negotiating the SBTC maintenance costs. Ms. Rogers responded that it is a unique situation because of the facilities that are in place, however Omnitrans would conduct an analysis to ensure proper billing.

Vice Chairman Dutrey asked if the Omnitrans Rail department employees would have guaranteed employment with SCRRA once the department is eliminated. Ms. Rogers responded that the matter is being discussed internally with the employees; however, is not prepared to bring those discussions before the Committee at this time.

Ms. Schindler noted that SCRRA intends to offer positions to those employees within their Agency. She referred to the SBTC maintenance and stated that currently SBCTA, Omnitrans and SCRR share the cost.
3. Receive and Forward to the Board of Directors, Agency Management Report – Fiscal Year 2020 First Quarter Report

Maurice Mansion provided a brief background on this item as detailed in the staff report.

The Members expressed their appreciation for the staff’s hard work and commended them for a job well done on this report.

The Committee received and filed this item.

4. Receive and Forward to the Board of Directors, Management Plan Strategic Initiatives and Key Performance Indicators

Interim CEO/General Manager, Erin Rogers provided a brief background on this item as detailed in the staff report.

The Committee received and forwarded this item to the Board.

5. Receive and Forward to the Board of Directors, Annual Internal Audit Workplan and Schedule FY2020.

Director of Strategic Development, Jeremiah Bryant provided a brief background on this item as detailed in the staff report.

Member Wapner stated that although he appreciates staffs attempt to reduce costs by not having an Internal Auditor position, he has not seen this model used before. He mentioned the potential awkwardness of one department overseeing another. Member Wapner also pointed out that Internal Auditor is an occupation, which requires specialized training in that field. He recommended that the Internal Audit position be revisited, whether it be a consultant or an employee. Vice Chairman Dutrey agreed.

Ms. Rogers responded that with the departure of the previous Internal Auditor, it became evident that some of the functions being performed were not effective. She stated that this process was implemented with the development of the new Strategic Development Department in an effort to continue the auditing functions. She stated that this process is a transitional approach as staff evaluates what the needs are. Ms. Rogers stated that a hiring a bench of consultants for those higher risk areas has been discussed and noted that a structure would be in place moving forward.

F. ADJOURNMENT

The Administrative and Finance Committee meeting adjourned at 9:02 a.m.

The next Administrative and Finance Committee Meeting is scheduled Thursday, November 14, 2019, at 8:00 a.m., with location posted on the Omnitrans website and at Omnitrans’ San Bernardino Metro Facility.
DATE: January 16, 2020

TO: Committee Chair Sam Spagnolo and Members of the Administrative & Finance Committee

SUBJECT: CONSOLIDATION STUDY MONTHLY UPDATE

FORM MOTION

Receive and forward to the Board of Directors this monthly staff update on the Consolidation Study.

This item was reviewed by the Executive Committee at its January 10, 2020 meeting and Committee Members asked the Board of Directors reconvene the Ad Hoc Committee to review the project milestones.

BACKGROUND

As detailed at the November 2019 Omnitrans Board of Director’s Meeting, the San Bernardino County Transportation Authority (SBCTA) awarded a contract to WSP USA, Inc. to complete the SBCTA and Omnitrans Consolidation Study and Innovative Transit Review of the Metro-Valley. The study is currently anticipated to take nine months following the formal kickoff meeting scheduled for January 7, 2020.

Omnitrans staff intends to provide a high-level monthly status report to the Executive Committee and Board of Directors on the progress of this study, beginning with this update.

In December 2019, the SBCTA Board of Directors approved the creation of a new position: Director of Special Projects and Strategic Initiatives. This Director has been tasked with leading the Consolidation Study among other duties.

While this study will require broad organizational involvement at Omnitrans, the core team will be led by Director of Strategic Development Jeremiah Bryant with Operations Director Shawn Brophy and Finance Director Don Walker supporting the effort.
In addition to agency staff, the study has a technical advisory committee comprised of two groups: 1) other San Bernardino County transit operator CEOs and 2) city managers that volunteered to participate including representatives from Ontario, Rancho Cucamonga, Yucaipa and Yucca Valley. Omnitrans is also recommending that the joint Omnitrans/SBCTA Ad Hoc Committee that served to review Agency Finances and recommend a service reduction and financial sustainability strategy also be included in the review process.

An introductory meeting was held on December 17, 2019 to discuss scope, schedule and communication protocol. The primary outcome of this meeting was the initiation of Omnitrans’ first task of the study: review and subsequent completion of a Consolidation Questionnaire. Omnitrans completed the review and is now working on completing the questionnaire. The questionnaire is due to be submitted by January 14, 2020.

The formal kick off meeting with SBCTA, Omnitrans and WSP consultant staff was held on January 7, 2020. The project’s major milestones are detailed in Attachment A.

**CONCLUSION**

This staff report, and subsequent Consolidation Study updates, is designed to provide open and transparent information on the study as it is progresses.

Attachment A: SBCTA/Omnitrans Consolidation Study Major Milestones
SBCTA/Omnitrans Consolidation Study

Major Milestones

The Consolidation Study kickoff meeting including SBCTA Omnitrans, and WSP staff was held on January 7, 2020. A detailed project schedule was provided. The study was initiated on December 6, 2019 and is estimated to be completed in November 2020. Major Milestones are defined as presentations to Board Committee or Board of Directors and are shown in the table below.

SUBJECT: AUTHORIZE AWARD – HRS20-24 STRATEGIC PLANNING CONSULTING SERVICES

FORM MOTION

Recommend that the Board of Directors authorize the Interim CEO/General Manager to award Contract HRS20-24 to MIG, Inc. of Berkeley, CA for the provision of Strategic Planning Consulting Services for a one (1) year base period beginning February 5, 2020 and ending February 4, 2021 in the amount of $235,655 with the authority to exercise three (3) single option years extending the contract to no later than February 4, 2024 in the amount of $28,830, plus a ten percent contingency of $26,449 for a total not-to-exceed amount of $290,934, should all options be exercised.

This item was reviewed by the Executive Committee at its January 10, 2020 meeting and recommended to the Board of Directors for approval.

BACKGROUND

Omnitrans’ current Strategic Plan covers Fiscal Years 2017-2020. The development of a new Strategic Plan for Fiscal Years 2021-2025 will allow the Agency to enhance its long-term position by reaffirming, revising or recreating the Agency’s mission statement, values and goals. Additionally, the new Strategic Plan will include actionable projects with visible milestones and performance metrics that can be clearly measured to ensure a high-performing agency into the future.

The Strategic Plan is designed to create the highest-level business plan for the Agency by setting core Agency-wide goals. The Strategic Plan is the guiding document for the Annual Management Plan presented to the Board each year in May and it will be completed at the same time as the staff-lead Short-Range Transit Plan, which defines the changes to the Agency’s transit services and ultimately guides the Annual Service Plan.
Committee Chair Sam Spagnolo and Members of the Administrative & Finance Committee  
January 16, 2020 – Page 2

On September 4, 2019, Omnitrans’ Board of Directors authorized the release of Request for Proposals RFP-HRS20-24. Notices were published in two (2) newspapers of general circulation and posted on Omnitrans’ online bidding system.

Five (5) proposals were received by the October 15, 2019 deadline and all were deemed responsive and evaluated in accordance with the selection criteria included in the RFP. Scores related to pricing were then added to the technical scores.

MIG scored the highest technically and provided the best overall value. The firm brings over 35 years of experience in engaging organizations and communities in Southern California and nationwide. MIG offers extensive expertise in working with transportation agencies on similar efforts such as a long-range vision for Amador Valley Transportation Authority, and strategic plans for the Antelope Valley Transit Authority, Orange County Transportation Authority and Montebello Bus Line. Additionally, the firm has experience working with Omnitrans on the E-Street Bus Rapid Transit project and the West Valley Connector Corridor study.

MIG stood out for the depth and experience of the proposed project team and the overall project approach. The project approach focused not only on the technical aspects of Strategic Planning but also included a detailed yet concise plan to engage stakeholders and later communicate the outcomes across the full spectrum of stakeholders including customers, employees, and Board Members using a wide array of communication methods. The depth of the communication plan will help to ensure that the Strategic Plan is a useful and actionable plan to lead and set the direction of the Agency moving forward.
The firm’s proposal demonstrates a comprehensive understanding of Omnitrans’ requirements. MIG’s workplan includes a four-phased approach that will provide multiple opportunities for staff and stakeholder engagement. The first phase is an environmental scan that will integrate findings from research on internal and external trends and issues. Phase two will define the structure and elements of the vision, mission, outcomes, goals, objectives, strategies, performance indicators and external factors. The third phase is the development of the strategic plan and the final phase is implementation.

Based on the evaluation of the written proposals, the firms’ qualifications, and experience, award is recommended to the highest-ranking firm, MIG. The price is deemed fair and reasonable based on competition.

The Evaluation Committee’s recommendation for this item was audited by a designated reviewer. This procurement meets the requirements of Omnitrans’ Procurement Policies and Procedures.

**FUNDING SOURCE**

The cost associated with this procurement is budgeted in the Executive Office Department’s Operating Budgets as follows:

<table>
<thead>
<tr>
<th>Department</th>
<th>1300</th>
</tr>
</thead>
<tbody>
<tr>
<td>Expenditure Code</td>
<td>503990</td>
</tr>
</tbody>
</table>

______ Verification of Funding Source and Availability of Funds.
(Verified and initialed by Finance)

**CONCLUSION**

By proceeding with this award, Omnitrans will have the ability to proceed with developing a Strategic Plan that sets the direction of the Agency moving forward.
