HOW TO RIDE

Rules for Riding

DO

- Let passengers get off before you board.
- Watch your step getting on and off the bus.
- Be courteous. Seats next to the door are reserved for seniors and riders with disabilities.
- Please give your seat to someone who needs it more than you do.
- Stand behind the yellow line onboard.
- Use the handholds on the back of the seats if you are standing.
- Use headphones with all audio and video devices.
- Stay clear of closing doors. Always follow the operator's instructions.
- When traveling with a small child, hold their hand at all times.
- Make sure your child gets on and off the bus with you. Help each child on and off the bus safely.
- If you have a stroller, take your child out of the stroller, fold the stroller, and if possible, stow the stroller out of the way.

- Make sure that your child has no dangling clothing, untied shoelaces or unbuckled shoes.
- Devise a plan ahead of time with your children on what to do in case you get separated. If you do get separated, contact an Omnitrans employee. Field supervisors, Omnitrans security and bus drivers are trained to help you.

DON'T

- Talk to the driver when the bus is moving.
- Lean against the doors.
- Engage in horseplay or disruptive behavior.
- Let a child sit on bus steps or in the aisle.
- Let a child play or run in the station, or on the bus.
- Eat, drink, smoke or litter on Omnitrans buses, platforms, shelters and stations.

Bus Stops

Omnitrans buses only stop at designated Omnitrans bus stops. Omnitrans bus stops are easy to recognize – they look just like the sample sign at right! Bus stop signs display the route number and logo on top, and instructions for using NexTrip*, our real time arrival service.

You will also notice the 4-digit ID number, which identifies the bus stop location. Reference this bus stop ID number when using NexTrip or when calling our service center, (1-800-9-OMNIBUS).

Text, go online or call using the easy instructions on the NexTrip sign to receive the next arrival times.

Using the Farebox

1 Passes

The first time you use your pass you must insert it into the card reader on the farebox to ACTIVATE it.

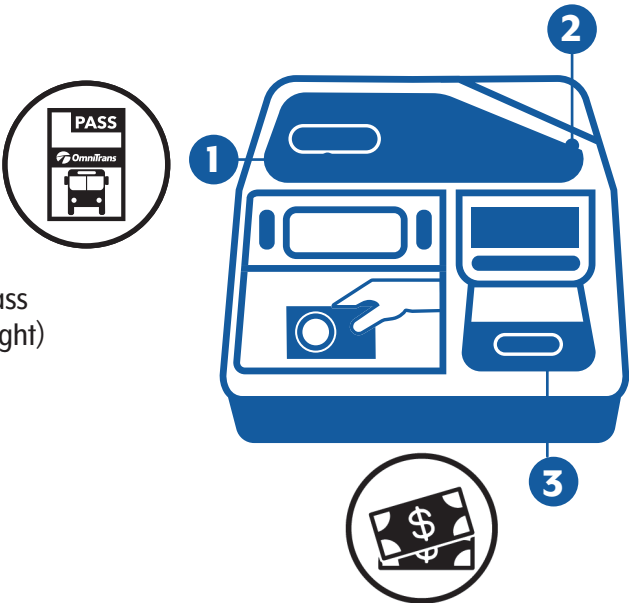

2

After activating your pass, you can use the swipe card reader to SWIPE your pass through and save time! (as shown at right)

3 Cash

Put your cash fare into the top of the farebox. Our drivers cannot make change for you, so please have exact change for your fare.

Pennies are not accepted for payment.

**Driver cannot make change*

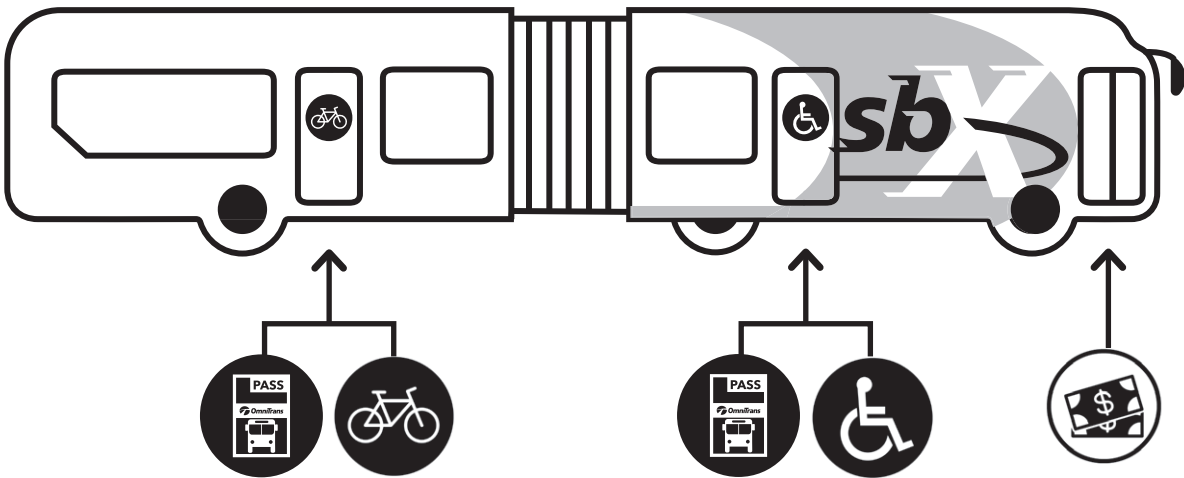

Contactless Payment With Mobile Fare

Have your phone out and powered on. Go to the Transit app on your phone and tap your purchased pass to activate it. Upon boarding, show the driver your phone displaying your activated pass.
Note: Do not activate your pass until you are ready to ride.

Riding sbX

Riders with passes can activate and swipe passes using card readers at the second and third doors of the sbX vehicle, or at the front door. Cash paying riders, please board at door closest to the front.

Boarding with a Bicycle

Regular Omnitrans buses are equipped with a bike rack on the front bumper that can hold two or three bikes. Bike racks can be used free of charge. Tire size must be at least 20” in diameter, which excludes most children’s bikes and motorized scooters. Children under age 14 can only use the racks if accompanied by a bus-riding adult. Omnitrans is not responsible

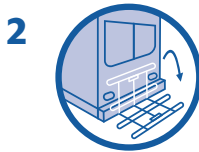

for lost, stolen or damaged bikes. Owners assume all risk for transported bikes and are responsible for loading and unloading bikes.

Bikes are not allowed inside regular buses. For safety reasons, your driver is not allowed to help load or unload your bike.

How to Load and Unload Your Bike

Have your bike at the curb ready to load. Signal to your driver. Wait for the bus to come to a complete stop and then tell your driver you will be loading a bike.

Go to the front of the bus and lower the bike rack from the folded position.

To secure your bike, raise the support arm over the front tire, or turning the hand crank counter- clockwise to position the support arm over the front tire.

Before exiting, tell your driver you want to unload your bicycle. To unload, pull the support arm out and down over the front tire, lift your bike onto the curb, fold the rack up to the locked position, step away from the bus and signal the driver when you are finished.

Loading your Bike on sbX

Board your bike using the door closest to the rear of the vehicle. Look for the symbol on the doors.

Place bike in racks located inside the bike storage area. Wedge the rear tire between the metal bars.

Secure bike by pulling the lever bar up and over the rear tire. Attach velcro straps for added support in the center of the bike.

Using the Mobility Device Lift/Ramp

Omnitrans buses are equipped with ramps to board passengers with wheelchair and other mobility devices. OmniRide and OmniAccess vehicles have lifts. Omnitrans buses can also “kneel” on request for easier boarding.

Who may not use the ramp?

Riders with retail shopping carts, wagons or regular baby strollers.

Drivers will make every attempt to accommodate the rider’s mobility device. The mobility device must safely fit onto the lift platform and the lift must be able to safely raise the mobility device and its occupant. Service can be refused if the mobility device and its occupant cannot safely utilize the lift to board the vehicle. In accordance with the Code of Federal Regulation 49, Subpart G, 37.165 (c) 1.3, your driver will secure your mobility device with clamps or straps that are stored on all buses. Drivers will decline to provide service to a rider who refuses to allow his or her mobility device to be secured.

Boarding & Exiting

Boarding

- Wait at the bus stop and indicate to the driver that you need to use the lift/ramp. The ramp is located at the front of the bus; just look for the wheelchair symbol on the bus door.
- Position yourself to be in the clear as it deploys. Your driver will let you know when it’s safe to move on to the ramp.
- Wait for the driver to tell you to move on to the lift/ramp platform. If you are using the lift, set the brake on your wheelchair or mobility device once you have boarded; if you are standing, hold onto the handrails for support.
- When you’re all set, pay your fare and give your driver your destination. This will help to ensure that the bus is positioned correctly at the stop, so that you can conveniently exit the bus.

Exiting

- When the bus stops, please be patient as your driver allows other customers to exit the bus. Your mobility device will be released from its safety clamp/belts before other passengers are allowed to board.
- When exiting, wait until the lift/ramp has reached the ground and if using OmniRide or OmniAccess, wait until the safety barrier has dropped before moving off the platform.

Boarding sbX

sbX stations offer level boarding with bridge plates to span the gap between platform and vehicle. There are two wheelchair securement locations per bus, each equipped with devices which hold the wheelchairs safely in place. Drivers provide securement assistance as needed. Lap/shoulder belts are available upon request.

Title VI of the Civil Rights Act of 1964

In accordance with Title VI Civil Rights Act of 1964, Omnitrans prohibits discrimination on the basis of race, color, and national origin in programs and activities receiving federal financial assistance. For more information about Omnitrans’ Title VI

program, complaint procedure or to notify Omnitrans of any perceived violation of the act, please contact Omnitrans Information at (800) 966-6428; Omnitrans Title VI, 1700 W. 5th St., San Bernardino, CA 92411 or visit omnitrans.org/about/Title-VI.

TRANSIT CENTERS

There are several transit centers (off-street facilities) and transfer centers (on-street stops) in Omnitrans’ system, where many routes connect to make transferring to another bus easier.

San Bernardino Transit Center

The San Bernardino Transit Center (SBTC) is the transfer point for Omnitrans local and express routes, sbX, Riverside Transit Agency (RTA), Mountain Transit, Beaumont Transit, Victor Valley Transit Authority (VVTA), and Metrolink. Outside features include shaded bus shelters, digital bus arrival signs, and an on-site security staff and cameras, monitored 24/7. The lobby has a walk-up customer service counter where passes can be purchased for sbX, Mountain Transit, SunLine Transit, RTA and VVTA. SBTC also has digital information screens, public restrooms and NexTrip bus arrival information.

Las tarjetas TAP son aceptados por agencias de transporte público del Sur de California. Los pasajeros que utilicen una tarjeta TAP pueden recibir un transbordo gratis a un autobús Omnitrans solo en los centros de tránsito de Montclair y Pomona. Una tarjeta TAP para personas mayores o con discapacidades se puede usar como ID para calificar para una tarifa reducida a bordo de los autobuses Omnitrans, pero no para viajar en el servicio OmniAccess de Omnitrans.

Cómo viajar

Normas para viajar

Qué debe hacer

- Deje que los pasajeros bajen antes de subir al autobús.
- Ponga atención a dónde pisa al subir y bajar del autobús.
- Sea cortés. Los asientos junto a la puerta están reservados para personas mayores y con discapacidades.
- Por favor, entréguele su asiento a una persona que lo necesite más que usted.
- Párese detrás de la línea amarilla dentro el autobús.
- Si está parado, use los pasamanos de los respaldos de los asientos.
- Use auriculares con todos los dispositivos de audio y video.
- Manténgase alejado de las puertas que cierran. Siempre debe seguir las instrucciones del conductor.
- Si viaja con un niño pequeño, sostenga su mano en todo momento.
- Asegúrese de que su hijo sube y baja del autobús con usted. Ayude a que cada niño sube y baje del autobús de manera segura.
- Si tiene un carrito de bebé, retire a su bebe del carrito, pliegue el carrito y, de ser posible, guarde el carrito fuera del paso.
- Asegúrese de que su hijo no tenga ropa o cordones de zapatos que cuelguen o zapatos desabrochados.
- Elabore un plan anticipado con sus hijos acerca de qué hacer en caso de que se separen. Si se separan, contacte a un empleado de Omnitrans. Los supervisores, los empleados de seguridad y los conductores están entrenados para ayudarlo.

Que no debe hacer

- Hable con el conductor cuando el autobús está en movimiento.
- Apoyarse en las puertas.
- Participe en juegos bruscos o comportamiento disruptivo.
- Deje que un niño se sienta en las escaleras o en el pasillo abordo del autobús
- Deje que un niño corra o juega en el autobús o en una parada.
- Comer, beber, fumar o tirar basura en los autobuses Omnitrans o en las paradas.

Paradas de autobuses

Los autobuses de Omnitrans sólo se detienen en las paradas de autobús designadas de Omnitrans. Las paradas de autobús son fáciles de reconocer, ¡lucen igual que el cartel de muestra que se encuentra a la derecha! Los carteles de las paradas de autobús muestran el número de ruta y el logo en la parte superior, e instrucciones para usar NexTrip, nuestro servicio de llegada en tiempo real.

También verá el número de ID de 4 dígitos, que identifica la ubicación de la parada de autobús. Tome como referencia este número de ID de parada de autobús al usar NexTrip o cuando llame a nuestro centro de servicios, (1-800-9-OMNIBUS).

Envíe un mensaje de texto, conéctese en línea o llame siguiendo las sencillas instrucciones en el letrero de NexTrip para recibir las próximas horas de llegada.

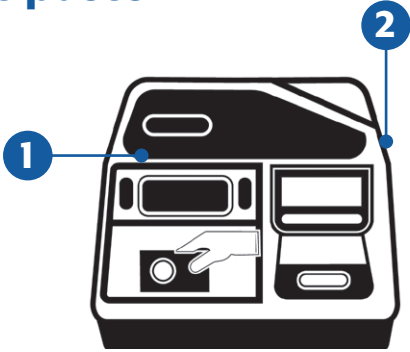

Usando la máquina vendedora de pases

1 Pases

La primera vez que use su pase, tiene que insertarlo en la lectora de tarjetas que se encuentra en la máquina vendedora de boletos y ACTIVARLO.

2 Una vez activado su pase, ¡puede usar la lectora de tarjetas para DESLIZAR su pase y ahorrar tiempo! (como se muestra a la derecha).

Dinero en efectivo

3 Ponga su tarifa en efectivo en la parte superior de la caja de tarifas. Nuestros conductores no pueden hacer cambio para usted, así que por favor tenga el cambio exacto para su tarifa. No se aceptan monedas de un centavo para el pago de la tarifa.

**El conductor no puede dar cambio*

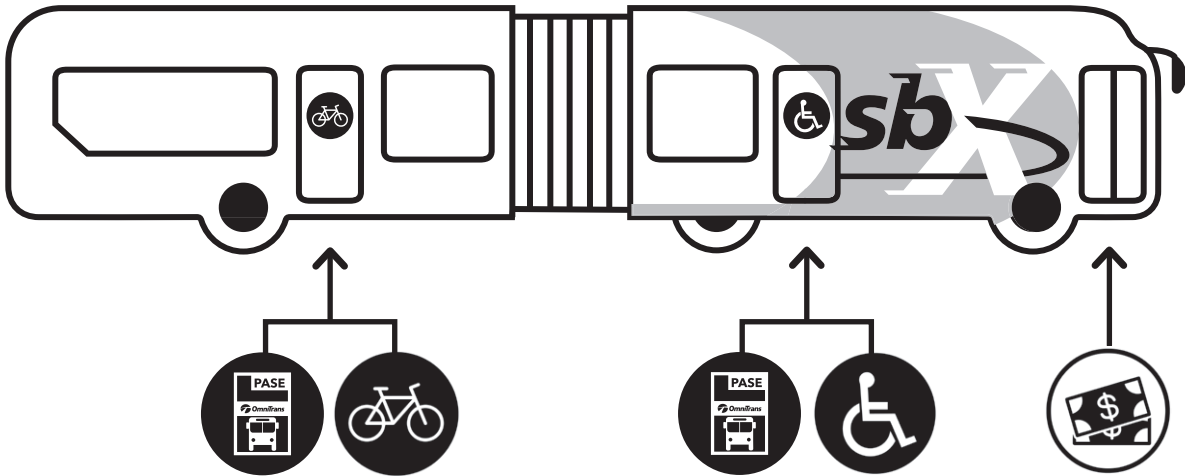

Tarifa Móvil

Tenga su teléfono fuera y encendido. Vaya a su billetera de pases en su aplicación móvil Transit en su teléfono y toque el pasaje que quiere usar para activarlo. Al abordar, muéstrele al conductor su teléfono mostrando que su pase fue activado.
Nota: No active su pase hasta que esté listo para montar.

Viajando por el servicio sbX

Los pasajeros con pases pueden activar y usar los pases usando el lector de tarjetas ubicadas en la segunda y la tercera puerta del vehículo sbX, o en la puerta delantera. Los pasajeros que paguen en efectivo, por favor aborden por la puerta más cercana al frente.

Viajando por autobús con su bicicleta

Los autobuses regulares de Omnitrans están equipados con un portabicicletas en el parachoques delantero con capacidad para dos o tres bicicletas. Los portabicicletas se pueden usar sin cargo. El neumático debe tener un diámetro de al menos 20", lo cual excluye a la mayoría de las bicicletas para niños y los scooters a motor. Los niños menores de 14 años sólo pueden usar el portabicicletas si están acompañados por un pasajero adulto. Omnitrans no se hace responsable por las bicicletas perdidas, robadas o dañadas. Los dueños asumen todo el riesgo por las bicicletas

transportadas y son responsables de subir y bajar las bicicletas sin asistencia. No se permiten las bicicletas dentro de los autobuses regulares.

Por razones de seguridad, su conductor no tiene permitido ayudarle a subir o bajar su bicicleta.

Como subir y bajar bicicletas en el autobús

Tenga su bicicleta en el bordillo lista para ser subida. Hágale señas a su conductor. Espere hasta que el autobús se detenga completamente y luego dígame a su conductor que subirá una bicicleta.

Diríjase al frente del autobús y despliegue el portabicicletas.

Asegure su bicicleta, levantando el brazo de soporte sobre la llanta delantera, o girando la manivela en sentido contrario para colocar el brazo de soporte sobre la llanta delantera.

Antes de salir, dígame al conductor que desea descargar su bicicleta. Para bajarla, jale el brazo de soporte hacia afuera y hacia abajo sobre la llanta delantera, levante la bicicleta hacia la acera, levante el estante hasta la posición bloqueada, aléjese del autobús y señale al conductor cuando haya terminado.

Cómo subir una bicicleta a un sbX

Suba su bicicleta usando la puerta más cercana a la parte trasera del vehículo. Busque el símbolo en las puertas.

Coloque la bicicleta en los bastidores ubicados dentro del área de bicicletas. Cuña el neumático trasero entre las barras de metal. Asegure la bicicleta usando las barras de bloqueo fijadas a la baranda metálica en la parte inferior de los bastidores.

Asegure la bicicleta jalando la palanca sobre la llanta trasera. Fije las correas de velcro para soporte adicional en el centro de la bicicleta.

Cómo usar el elevador/rampa para los dispositivos de movilidad

Los autobuses de Omnitrans están equipados con elevadores o rampas para subir a los pasajeros con sillas de ruedas y otros dispositivos de movilidad; los autobuses de Omnitrans también pueden “agacharse” si el pasajero lo solicita, para ayudar los pasajeros. Vehículos de OmniRide y OmniAccess tienen elevadores para las sillas de ruedas también.

Los conductores harán todo lo posible por acomodar el dispositivo de movilidad del pasajero. El dispositivo de movilidad tiene que caber de manera segura en la plataforma del elevador, y el elevador tiene que poder subir de manera segura al dispositivo de movilidad y a su ocupante. Si el dispositivo de movilidad y su ocupante no pueden utilizar el elevador de manera segura para subir al vehículo, el servicio se puede denegar.

¿Quien no puede usar la rampa?

Los pasajeros con carritos de compras o carritos de bebé regulares.

Embarque y Salida

Al subir abordo

- Espere en la parada del autobús e indíquelo al conductor que gustaría usar el elevador/la rampa. La rampa se encuentra en la parte delantera del autobús; simplemente busque el símbolo de la silla de ruedas en la puerta del autobús.
- Ubíquese en el claro mientras se despliega la rampa. Su conductor le indicará cuando sea seguro moverse hacia la rampa.
- Cuando esté listo, pague su tarifa y dígame su destino al conductor. Si está utilizando el elevador o la rampa, ponga el freno en su silla de ruedas o dispositivo de movilidad una vez que haya abordado; si usted está de pie, agárrese del pasamanos.

Al bajar

- Cuando el autobús se detenga, por favor sea paciente y espere hacia que el conductor permita que otros clientes asciendan y desciendan del autobús. Su dispositivo de movilidad será liberado

de su abrazadera de seguridad / cinturones antes de permitir a otros pasajeros a bordo.

- Al salir, espere hasta que el elevador / rampa ha alcanzado el suelo y si se utiliza OmniRide o OmniAccess, agárrese hasta que la barrera de seguridad ha caído antes de trasladarse fuera de la plataforma de carga.

Subiendo abordo al sbX

Las estaciones de sbX ofrecen subir al nivel del autobús con rampas elevadoras que cubren la separación entre la plataforma y el vehículo. En cada autobús hay dos sitios donde asegurar sillas de ruedas, cada uno de ellos equipado con dispositivos que mantienen a la silla de ruedas en su lugar de forma segura. Los conductores ofrecen asistencia para asegurar las sillas según sea necesario. Hay cinturones para el regazo/ hombro disponibles para quienes los soliciten.

Centros de tránsito

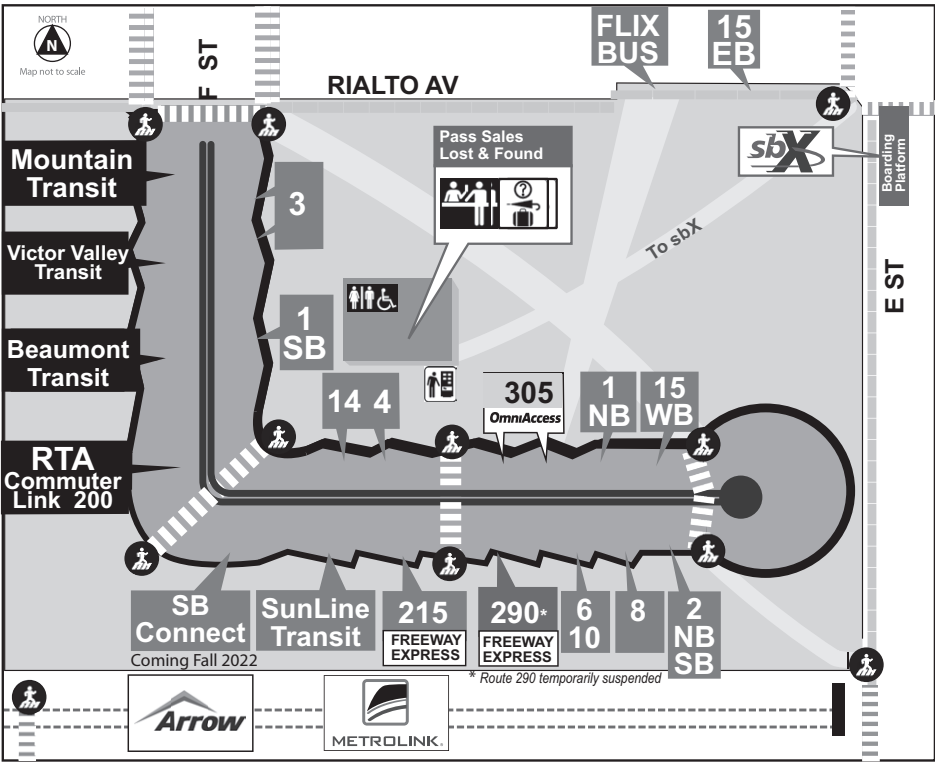

Hay muchos centros de tránsito (instalaciones que no están ubicadas en la calle) y centros de transbordos (paradas en la calle) en el sistema de Omnitrans, dónde se encuentran muchas rutas para hacer más sencilla la conexiones con otros autobuses.

Los mapas en las siguientes paginas muestran dónde están ubicadas las paradas en cada centro de tránsito o centro de transbordos, así como también cuales son las rutas que se detienen en cada parada.

Centro de Tránsito de San Bernardino

El Centro de Tránsito de San Bernardino (SBTC) es el punto de transbordos para las rutas locales y la ruta sbX express de Omnitrans, así como las rutas de Mountain Transit, Beaumont Transit, Riverside Transit Agency (RTA) y Victor Valley Transit Authority, (VVTA) y los trenes de Metrolink. Características exteriores incluyen paradas de autobús sombreadas, letreros de llegada de autobús digitales, y patrullas de seguridad y cámaras de vigilancia, las 24/7. El lobby tiene una ventanilla de servicio al cliente dónde se pueden comparar pases para sbX, Mountain Transit, RTA y Victor Valley Authority. También hay baños públicos, pantallas de información digitales, y información actual de llegada de autobuses NexTrip.
