

Micah May Named Omnitrans Director of Information Technology

(San Bernardino, CA) Omnitrans is pleased to welcome Micah May as the agency’s new Director of Information Technology (IT).

As leader of the IT Department, May will oversee agency network systems infrastructure, cybersecurity, emerging technology, and business continuity while managing the agency IT team.

“Micah’s public sector experience, along with his performance optimization skill set, will be invaluable as we seek innovative technology to enhance service,” said CEO/General Manager Erin Rogers.

“I am looking forward to working with the IT team to strengthen and develop systems that benefit internal and external Omnitrans customers,” said May.

Prior to Omnitrans, May served as Deputy Court Executive Office – Technology CIO for the Superior Court of California County of San Bernardino and Assistant Deputy Court Executive Officer for the Superior Court of California County of Riverside. May is a graduate of American Intercontinental University, and currently is working toward his Master of Business Administration degree from West Texas A & M University.
