

Welcome to Students in Transit (SIT)!

Get ready for the future of public transit.

Welcome to Students in Transit! We're so glad you're here to help shape the future of public transportation in San Bernardino County. Omnitrans has created the SIT Youth Advisory Council to learn directly from students like you. Get on board with sharing your opinions and actively engaging in our meetings. The more you share, the more you can make a difference in the future of our community. As a member, we will also give you an opportunity to learn about the many careers in transit and how to make your resume stand out. We are looking forward to working with you and seeing the places you will go with your future career.

We amplify youth voices in the transportation industry to elevate community needs, opportunities, and long-range planning.

What we will accomplish together:

- Gather important feedback that benefits your community and contributes to Omnitrans long-range planning
- Share ideas that encourage youth ridership
- Expand your knowledge in the transportation industry and learn more through professional development opportunities
- Students will complete a final project related to transportation that can be used for college applications and resumes

We want to hear from you!

We want to hear your ideas and your feedback about transportation and how we can improve access and mobility across the local region. Get ready to participate every time you attend our monthly meetings throughout the school year. Your opinions and ideas are valuable to Omnitrans, and we appreciate your willingness to proactively participate in shaping the future of transportation in San Bernardino County.

Are you ready to learn real-world skills?

You will have the opportunity to select from the following areas at Omnitrans as a topic for a project during the upcoming school year term:

1. Resource Management (Finance)
2. Ridership (Planning/Marketing)
3. Safety (Maintenance)
4. Technology (IT)
5. Workforce (HR/Operations)

You also will have an opportunity to learn real-world skills and find out about the many career opportunities in public transportation. Omnitrans hopes that this program is the bright beginning of a successful career for you. Don't forget to apply to jobs at Omnitrans when you graduate!

Help us spread the word

Share the news about the Students in Transit Youth Advisory Council with your friends and Omnitrans on your social media. Whether you want to snap a selfie on the bus or a quick video of your SIT council meetings, we want you to be our “influencer”, our content creator, and our voice in the student community. Please make sure to tag @omnitrans on all your posts!
